Revenue Budget and Capital Plan 2019/2020

Decision Taker

Elected Mayor on 31 October 2018

Decision

- (i) that all Members and the Overview and Scrutiny Board consider the draft revenue and capital budgets and implications of the draft service change, income generations and savings proposals. The Overview and Scrutiny Board (through its Priorities and Resources Review Panel) will consider certain specific issues arising from these savings proposals and report back to the Elected Mayor by 14 December 2018 on the outcomes of its deliberations and stakeholder representations;
- (ii) the draft proposals for service change income generation and efficiencies are based upon the expected reduction in government grant. The actual grant allocations are expected to be announced in December 2018;
- (iii) that detailed consultation be undertaken with service users who may be affected by specific proposals and that Equality Impact Assessments continue to be developed as required. (The results from this consultation will be considered by the Elected Mayor with his final proposals being published on 1 February 2019.);
- (iv) that the Chief Finance Officer be given authority to amend these budget proposals for any technical adjustments necessary between services and within the overall envelope of funding in agreement with the Elected Mayor; and
- (v) that the Chief Finance Officer report to the adjourned meeting of the Council on 7 February 2019 on the implications for 2019/2020 as a result of these proposals currently being considered and in light of the final settlement which is expected in late January or early February.

Reason for the Decision

To enable the consultation process on the proposed Revenue Budget and Capital Plan for 2019/2020 to begin.

Implementation

This decision to publish the draft revenue budget and the savings proposals will come into force on 2 November 2018, so as to commence the formal six week consultation process on the budget, and to permit specific and detailed consultation to be undertaken where necessary.

Information

The Elected Mayor has announced his provisional revenue and capital budget including proposals for service change, income generation and efficiencies for 2019/2020 (as available at www.torbay.gov.uk/fit-for-the-future) to enable the consultation process to start. The savings proposals and development of the budget will support the Council in delivering its ambitions as set out in the Corporate Plan.

Additional supporting financial information will be supplied in due course to help inform the consultation and scrutiny. Information will be placed on the Council 2019/20 Budget webpage at www.torbay.gov.uk/fit-for-the-future.

Members and officers have been considering the impact of the significant reductions to government grant and, as a result of these reductions, the Council is faced with a number of difficult decisions to ensure services can be delivered within a much reduced financial resource base compared to previous years. The proposals have been set in recognition of the need to ensure resources are prioritised in accordance with agreed plans but mindful of the further reductions to local government grant.

The Elected Mayor wishes to hear the views of all Members of the Council, the Overview and Scrutiny Board and external stakeholders together with specific service users on his proposals before finally recommending a budget to the Council in February 2019.
