Introduction to the Constitution and how the Council operates

(References: Part 1A of the Local Government Act 2000; Localism Act 2011 (Commencement No.2 and Transitional and Saving Provisions) Order 2012/57)

The Borough of Torbay is situated on the south west coast of England and consists of three towns Brixham, Paignton and Torquay. Torbay is divided into 16 areas which are called wards.

Torbay Council's ambition, through its Corporate Plan, is for Torbay to be prosperous and healthy. This will be achieved through the following targeted actions:

- Protecting all children and giving them the best start in life;
- Working towards a more prosperous Torbay;
- Promoting healthy lifestyles across Torbay;
- Ensuring Torbay remains an attractive and safe place to live and visit; and
- Protecting and supporting vulnerable adults.

The Council's Constitution

The Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.

What is in the Constitution?

The Constitution is divided into 15 Articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules (called Standing Orders) and protocols at the end of the document.

Article 1 sets out the Council's priorities and describes the principles of decision-making.

Articles 2 – 15 explain the rights of local people and how the key parts of the Council operate. These are:

- a) Members of the Council (Article 2)
- b) Local people and the Council (Article 3)
- c) The Council (Article 4)
- d) Overview and Scrutiny (Article 5)
- e) The Leader and Cabinet (Article 6)
- f) Regulatory and other committees (Article 7)
- g) Area committees (Article 8)
- h) Joint arrangements (Article 9)
- i) Officers (Article 10)
- j) Decision-making (Article 11)

- k) Finance, contracts and legal matters (Article 12)
- l) Review and revision of the Constitution (Article 13)
- m) Suspension, interpretation and publication of the Constitution (Article 14)
- n) Health and Wellbeing Board (Article 15)

How the Council operates

The Council comprises 36 councillors. The regular election of councillors is held on the first Thursday in May every four years. Councillors are democratically accountable to residents in their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

The councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Standards Committee oversees and promotes high standards of conduct by councillors.

All councillors meet together as the Council. Meetings of the Council are usually open to the public. Here councillors decide the Council's overall policies and set a budget each year. The Council appoints the Leader of the Council at the first Council meeting after an all-Council election. The Leader of the Council appoints a Deputy Leader of the Council. The Leader and Deputy Leader hold office for the next four years. The Council also appoints an Overview and Scrutiny Co-ordinator and Overview and Scrutiny Lead Members, plus a number of regulatory and other committees.

The Leader of the Council is responsible for appointing between two and nine councillors to be members of the Cabinet and for deciding whether to allocate any areas of responsibility to these councillors.

A structure chart showing the relationship between the Council, the Leader of the Council and Overview and Scrutiny and other committees can be found at the end of this document.

How decisions are made

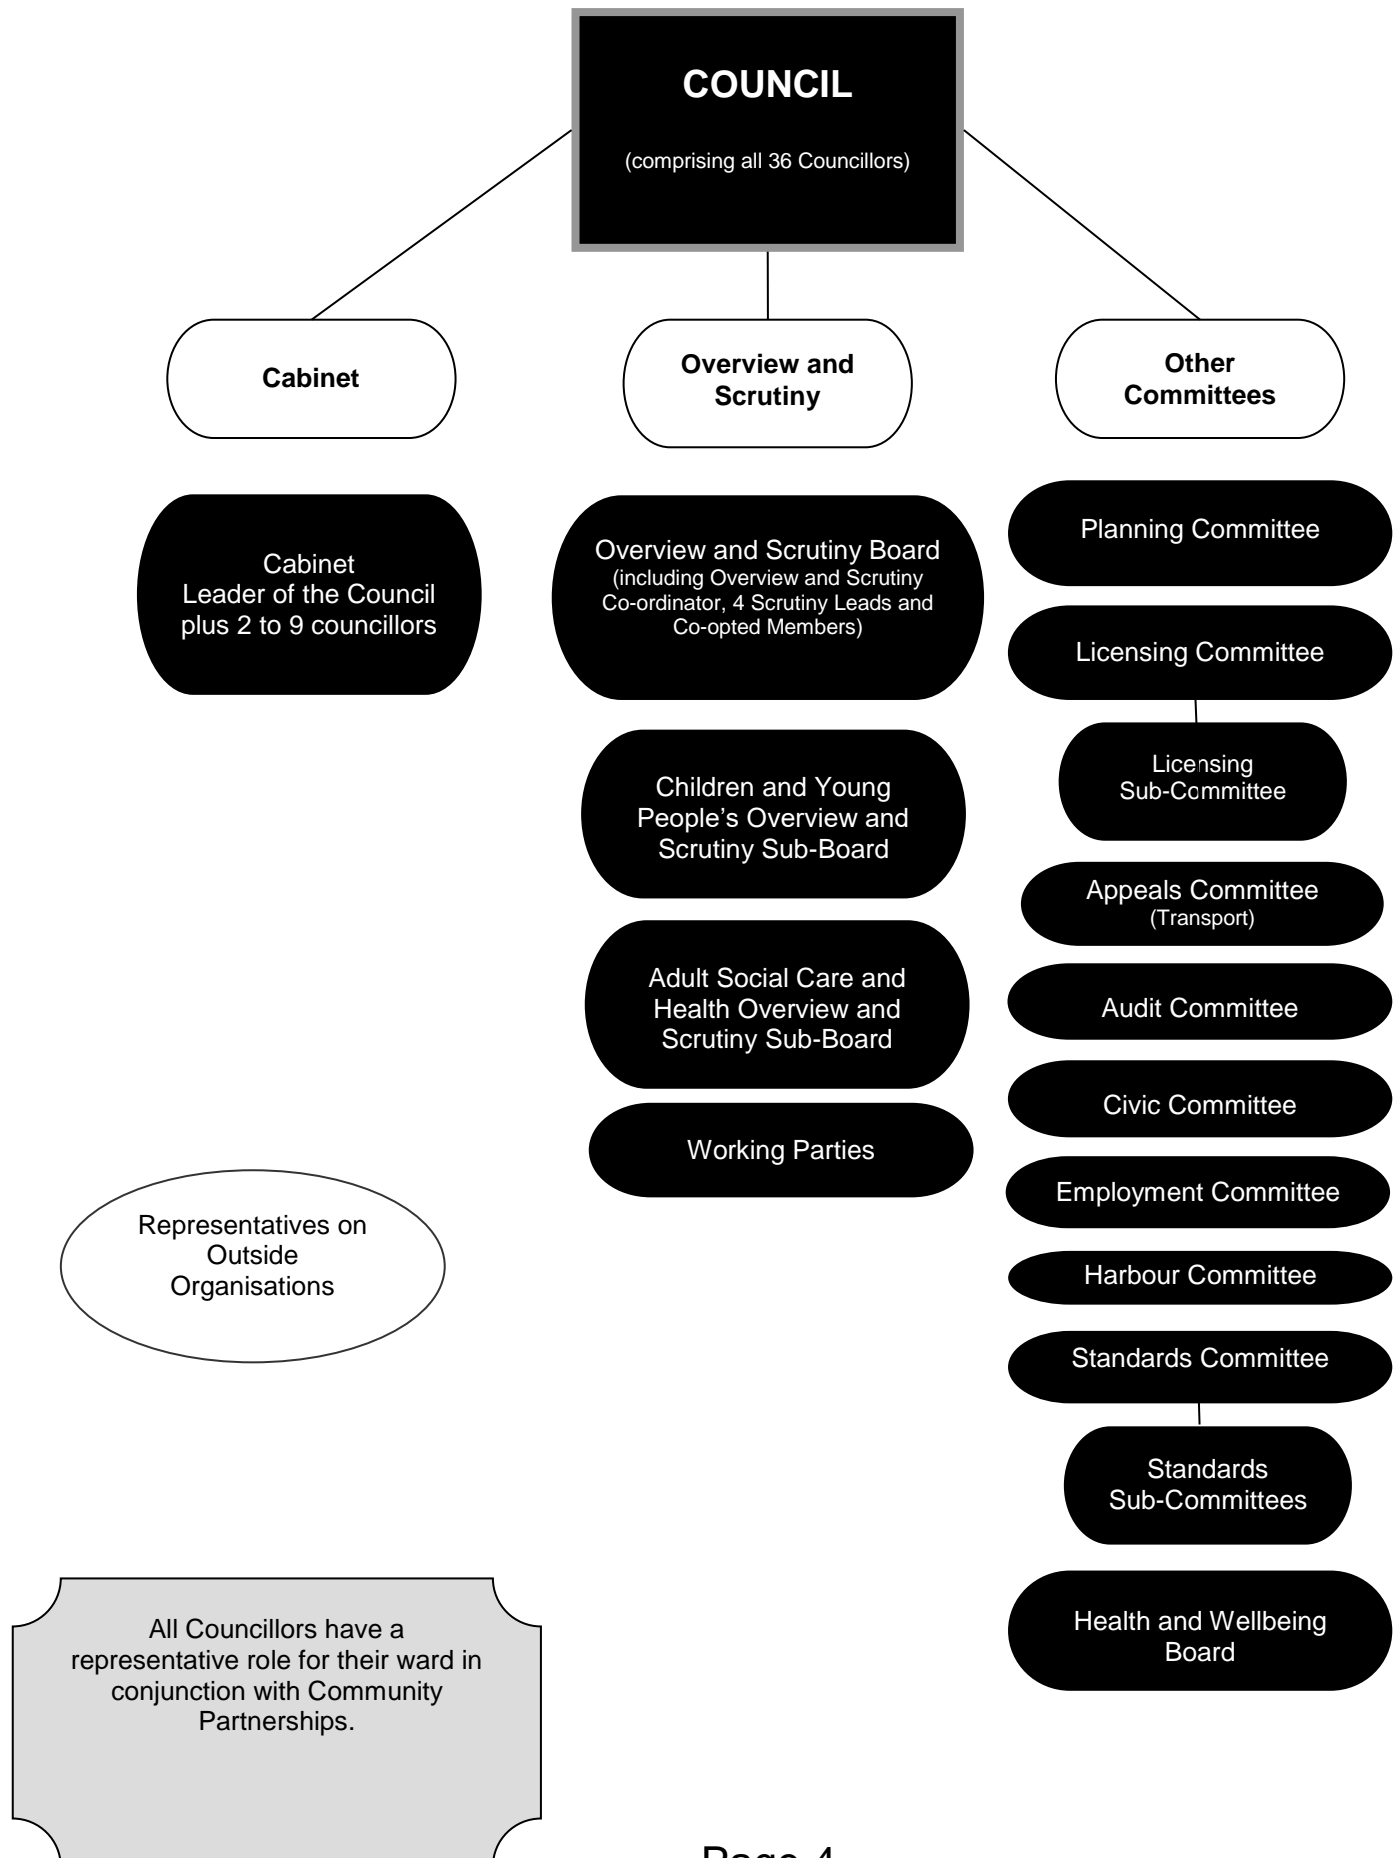

The Leader of the Council and the Cabinet are responsible for major decisions including key policy matters within a framework set by Full Council. These are referred to as "Executive Functions". When major decisions are to be discussed or made, these are published in the Forward Plan in so far as they can be anticipated. The Leader of the Council usually takes most of his/her decisions at meetings of the Cabinet and these meetings will generally be open for the public to attend except where exempt or confidential matters are being discussed. The Leader of the Council and the Cabinet have to make decisions which are in line with the policies and budget set by Council. If they wish to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide. The Council has an overview and scrutiny process which provides a 'critical friend' challenge to cabinet policy makers and decision making.

The Council's staff

The Council employs staff (called officers) to give advice, implement the Councillors' decisions and manage the day-to-day delivery of its services. Officers make operational,

day to day decisions in accordance with major policy guidelines and budget decisions made by the Leader of the Council and Councillors, following consultation with them when appropriate. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A local protocol governs the relationships between officers and members of the Council which can be found in Part 5 of the Council's Constitution.

Article 1 – The Constitution

(References: Section 37, Local Government Act 2000,
The Local Government Act 2000 (Constitutions) (England) Direction 2000)

1.01 The Constitution

This Constitution, and all its appendices, is the Constitution of the Council of the Borough of Torbay. The Council will exercise all its powers and duties in accordance with the law and this Constitution.

1.02 Purpose of the Constitution

The Council aims to deliver efficient, transparent and accountable decision-making. In light of this, the purpose of this Constitution is:

- (i) To enable the Council to provide clear leadership to the community in partnership with local people and public, private, voluntary and community organisations.
- (ii) To support the active involvement of local people in the process of local authority decision-making.
- (iii) To help councillors represent their constituents more effectively.
- (iv) To enable decisions to be taken efficiently and effectively.
- (v) To create a powerful and effective means of holding decision-makers to public account.
- (vi) To ensure that no one will review or scrutinise a decision made by them directly or made by a body of which they were a member at the time the decision was made.
- (vii) To ensure that those responsible for decision-making are clearly identifiable to local people and that they explain the reasons for decisions.
- (viii) To provide a means of improving the delivery of services to the community.

1.03 Interpretation and review of the Constitution

Where the Constitution permits the Council to choose between different courses of action, the Council will always choose that option which it thinks is closest to the purposes stated above.

The Council will regularly monitor and evaluate the operation of the Constitution as set out in this Article and will take into account comments on its operation made to the Monitoring Officer who is responsible for maintaining and improving its effectiveness. Article 13 sets out further details of the review and revision of the Constitution.

2.01 Composition and eligibility

(a) Composition

The Council is comprised of 36 members (otherwise called councillors). Councillors are elected by the registered voters of each ward in accordance with a scheme drawn up by the Electoral Commission and approved by the Secretary of State.

The Borough of Torbay is divided into 16 Wards with either one, two or three councillors elected to serve each ward.

(b) Eligibility

Disqualifications for the office of councillor (as set out in section 79 and 80 of the Local Government Act 1972) include:

- (i) ceasing to be a local government elector for the Borough when that was his/her sole qualifying criteria for election to office;
- (ii) holding a paid office by Torbay Council or politically restricted post elsewhere within the meaning of Part 1 of the Local Government and Housing Act 1989;
- (iii) bankruptcy;
- (iv) having been sentenced to a term of imprisonment of not less than three months during the five years preceding an election; or
- (v) being disqualified under any enactment relating to corrupt or illegal practices.

2.02 Election and terms of councillors

The regular election of councillors will be held on the first Thursday in May every four years with the next election being in 2023. The terms of office of councillors will start on the fourth day after the date of the election that they were elected and will finish on the fourth day after the date of the next regular election. The calculation of time for the fourth day includes weekends but not bank holidays (Section 243(1) of the Local Government Act 1972).

2.03 Vacation of Office by Failure to Attend Meetings

Section 85 of the Local Government Act 1972 requires (subject to exceptions) that a member of a local authority shall cease to be a member if he or she fails to attend any meeting of the Council or its committees or sub-committees or a meeting of the Cabinet within 6 months of the date of his or her last attendance. The Council has resolved that periods when a councillor is in receipt of a medical certificate, shall not be counted in the calculation of the period of six months for the purposes of Section 85 of the Local Government Act 1972.

The provisions in this Article 2.03 also relate to parent governor representatives on the Overview and Scrutiny Board by virtue of Regulation 7(5) of the Parent Governor Representatives (England) Regulations 2001 (SI 478/2001).

2.04 Roles and functions of all councillors

The roles and duties of all councillors can be found in their job descriptions in Part 6 of this Constitution.

2.05 Political Groups

A political group shall be treated as constituted when written notification has been delivered to the Head of Governance Support in writing which:

- a) is signed by two or more members who wish to be treated as a political group;
- b) names the political group; and
- c) names one member of the group who has signed the notice to act as its leader and may name one other member who is authorised to act in the place of the leader when he is unable to act (the deputy leader).

The name of the group or the name of the person who is leader or deputy leader may be changed by a further notice in writing delivered to the Head of Governance Support and signed:

- a) in the case of a change in the name of the group or the deputy leader, the notice must be signed by the leader of the group or a majority of the members of the group;
- b) in the case of a change of the leader of the group, the notice must be signed by a majority of the members of the group.

Groups who are not aligned to a main political party or independent councillors that wish to include any element of a political party name within their description/name, shall not do so without written confirmation by the Party concerned being delivered to the Monitoring Officer.

A Member shall cease to be treated as a member of a political group when:

- a) they cease to be a member of the authority;
- b) they have notified the Head of Governance Support in writing that they no longer wish to be treated as a member of the group;

- c) there is delivered to the Head of Governance Support a notice under The Local Government (Committees and Political Groups) Regulation 1990 section 8 or 9(b) signed by the person whereby a new political group is constituted or he joins another political group; or
- d) when a notice in writing, signed by the majority of the members of the group, stating that they no longer wish the person/s to be treated as a member of that group is delivered to the Head of Governance Support.

2.07 Political Proportionality

In accordance with the Local Government and Housing Act 1989, local authorities are under a duty to ensure that the nominations to the seats on the Council's Committees are made in accordance with the size of each group, unless alternative arrangements are notified to all members and agreed without any member voting against them. The Council is required to observe the following principles as far as it is reasonably practicable:

- a) that not all seats on the body are allocated to the same group;
- b) that the majority of seats on the body are allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
- c) Subject to a) and b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all seats on the ordinary committees of that authority as is borne by the number of Members of that group to the membership of the authority; and
- d) Subject to paragraphs a) and c) above, that the number of seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the authority.

The composition of the Cabinet and its committees, sub-committees or working parties need not reflect the political balance of the Council as a whole (Article 6 provides further details as to the composition of the Cabinet) and therefore is also excluded from the requirements of political proportionality.

2.08 Conduct

Councillors are subject to the Members' Code of Conduct and the Protocol on Member/Officer Relations (as set out in Part 5 of the Constitution).

2.09 Allowances

Councillors and co-opted members will be entitled to receive allowances in accordance with the Members' Allowances Scheme set out in Part 6 of this Constitution.

Article 5 – Overview and Scrutiny

(References: Section 21 and Schedule 1 (paragraphs 7, 8, 10 and 11), Local Government Act 2000)

This Article sets out the principle, structure, role and functions of Overview and Scrutiny. Detailed information about the operation of Overview and Scrutiny is set out in the Standing Orders in relation to Overview and Scrutiny.

5.01 Principle of Overview and Scrutiny

Torbay Council aims to have an overview and scrutiny function which adheres to the Centre for Public Scrutiny's four principles of good scrutiny, as set out below.

Good public scrutiny:

1. provides “critical friend” challenge to executive policy-makers and decision-makers;
2. enables the voice and concerns of the public;
3. is carried out by “independent minded governors” who lead and own the scrutiny role; and
4. drives improvement in public services.

5.02 Overview and Scrutiny Bodies

The Council will appoint a committee known as the Overview and Scrutiny Board to perform the overview and scrutiny function which is the central element to the Constitution.

The Overview and Scrutiny Board may appoint a sub-committee known as the Health Scrutiny Board to perform the Council's functions in relation to health scrutiny.

The Overview and Scrutiny Board may appoint other sub-committees to perform its functions. In addition the committee and/or their sub-committees may appoint working parties to perform their functions.

Overview and scrutiny sub-committees and/or working parties may be known by other appropriate names.

5.03 Membership of overview and scrutiny bodies

The membership of the overview and scrutiny committee and its sub-committees will be as set out in the Standing Orders in relation to Overview and Scrutiny in Part 4 of this Constitution.

5.04 Overview and Scrutiny Co-ordinator

The Council will appoint a councillor who is a member of the Overview and Scrutiny Board to act as the Overview and Scrutiny Co-ordinator. The Overview and Scrutiny Co-ordinator will normally be the person elected as Chairman/woman of the Overview and Scrutiny Board. The role of the Overview and Scrutiny Co-ordinator will have equivalent status to the role of a Member of the Cabinet and have special responsibility for leading the overview and scrutiny function. The Council may at any time remove the member from the post of Overview and Scrutiny Co-ordinator.

5.05 Overview and Scrutiny Lead Members

The Council may appoint councillors as Overview and Scrutiny Lead Members with designated special responsibilities. Subject to the overall composition of the Overview and Scrutiny Board complying with the requirements of political balance, each Scrutiny Lead Member will also be a member of the Overview and Scrutiny Board. The Council may at any time remove any member from the posts of Overview and Scrutiny Leads.

5.06 General role of the Overview and Scrutiny Bodies

Within its terms of reference (and in accordance with Standing Orders in relation to Overview and Scrutiny or the Local Protocol on Working Parties as appropriate), the overview and scrutiny committee, its sub-committees and any working parties of the committee or its sub-committees may:

- (i) review and/or scrutinise decisions made or actions taken in respect of any functions which are the responsibility of the Council or the Leader of the Council;
- (ii) make reports and/or recommendations to any relevant body in respect of any matter which affects Torbay or its inhabitants;
- (iii) make reports and/or recommendations to any joint or area committee in connection with the discharge of any of their functions;
- (iv) consider matters referred to it by the Leader of the Council or the Cabinet;
- (v) review and/or scrutinise matters relating to the health service within Torbay and make reports and/or recommendations on such matters;
- (vi) review and/or scrutinise matters relating to crime and disorder within Torbay and make reports and/or recommendations on such matters; and
- (vii) exercise the right to call-in, for consideration, decisions made, but not yet implemented, by the Leader of the Council, the Cabinet, a Committee of the Cabinet, individual members of the Cabinet and/or any joint or area committee (in respect of the executive functions only) or by officers (in respect of Key Decisions only).

The Overview and Scrutiny Board or, if relevant and appointed, the Health Scrutiny Board may consider any Councillor Calls for Action referred to it in accordance with the Standing Orders in relation to Overview and Scrutiny.

However, the overview and scrutiny committee, its sub-committees or any working parties of the committees or their sub-committees will not normally scrutinise individual decisions in relation to development management, licensing, registration, consents or other permissions. The overview and scrutiny function will not be an alternative to normal appeals procedures.

5.07 Specific functions of the overview and scrutiny committees

- (a) Policy development and review

The overview and scrutiny bodies may:

- (i) assist the Council and Leader of the Council in the development of the Council's Budget and Policy Framework by in-depth analysis of policy issues;
- (ii) consider matters referred to them by the Leader of the Council, the Cabinet, committees of the Cabinet and members of the Cabinet;
- (iii) conduct research and consultation (with the community and others) in the analysis of policy issues and possible options;
- (iv) consider and implement mechanisms to encourage and enhance community participation in the development of policy options;

1. Section 13 of the Local Government Act 2000 (“the 2000 Act”) provides for the discharge of the Council’s functions by an “Executive” of the authority unless those functions are specified in the Act (or in Regulations) as functions that are not to be the responsibility of the Executive. Torbay Council has adopted the Leader and Cabinet style of Executive and the phrase ‘Cabinet’ in this Constitution means the Leader of the Council and their Cabinet
2. The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) (“the Functions Regulations”) give effect to section 13 of the 2000 Act. The Functions Regulations specify which functions are **not** to be the responsibility of the Cabinet, which functions may (but need not) be the responsibility of the Cabinet (“the Local Choice Functions”) and which functions are only the responsibility of the Cabinet to a limited extent. **All other functions not so specified are the responsibility of the Cabinet and are known as “Executive functions”.**
3. Those functions that are **not** the responsibility of the Cabinet are referred to as “non-executive functions” or “Council functions”.
4. Executive functions may be exercised by the Leader of the Council personally, or may be delegated in accordance with the Standing Orders in relation to the Cabinet and exercised by the Cabinet collectively, a committee of the Cabinet, individual members of the Cabinet, area committee, joint committees and officers.
5. The Council has delegated many Council functions to committees, sub-committees and officers.
6. Schedule 1 below sets out the Local Choice Functions and whether they are the responsibility of the Council or the Cabinet.
7. Schedule 2 sets out those functions that the Functions Regulations specify must not be Executive Functions: i.e. that must be performed by the Council or (unless prohibited) delegated to a committee, sub-committee or officer.
8. Schedule 3 sets out the circumstances when functions are not the responsibility of the Cabinet. However, special rules (contained in the Standing Orders in relation to the Budget and Policy Framework) apply in cases of urgency.
9. Schedule 4 sets out the terms of reference of the committees and sub-committees with delegated responsibility for exercising Council functions.
10. Schedule 5 sets out the Scheme of Delegation of Executive functions.
11. Schedule 6 sets out the Officer Scheme of Delegation. Where functions are delegated to specific officers those officers may (unless prohibited by law) further delegate (in writing) to other officers the responsibility for performing those functions.

- A12.6 The time for members' questions will be limited to a total of 30 minutes. If a member has already commenced a response, the member who asked the question shall have the right to ask his/her supplementary question and receive a response.

If the member asking the questions wishes a response prior to the next meeting, they may request a written answer from the member concerned. If the member asking the question is absent, the member must seek agreement from the Civic Mayor prior to the Council meeting for another member to present the question on their behalf or the question will be withdrawn.

Where officer advice is sought in advance on amendments, this advice will be provided in confidence and not shared with any other members unless instructed to do so by the member preparing the amendment. - (c) not use personal abuse; and
- (d) treat others with courtesy and with respect.

If the Civic Mayor considers that any of these requirements have been breached he/she may take such action as he/she considers appropriate (including prohibiting the person addressing the Council from speaking further).

A24.5 Questions shall be directed to the Civic Mayor, who may request:

- (i) the Leader of the Council;

- (ii) a member of the Executive;
- (iii) the Chairman/ woman of any committee (including the Overview and Scrutiny Board or sub-committee);
- (iv) a Council representative on an outside organisation

to reply. The Civic Mayor, Leader of the Council or other Councillor may, in turn, request an appropriate officer or his/her representative to reply.

If a questioner who has submitted a written question is unable to be present, they may ask the Civic Mayor to put the question on their behalf or the Civic Mayor can decide to put the question. The Civic Mayor may ask the question on the questioner's behalf, indicate that a written reply will be given or decide, in the absence of the questioner, that the question will not be dealt with.

- A24.6 Every question shall be put and answered without discussion although the questioner may be permitted by the Civic Mayor to ask one supplementary question provided that it is relevant to the original question (or the response thereto) and his/her allocation of five minutes is not exceeded (subject to Standing Order A24.4).
- A24.7 Statements will not be responded to. A response to a question shall take the form of:
- (i) a direct oral answer; or
 - (ii) where the reply to the question cannot conveniently be given orally, an undertaking that a written reply will be provided.
- A24.8 Unless the Civic Mayor decides otherwise, no discussion will take place on any question or statement, but any member may move that a matter raised by a question or statement be referred to the Executive or appropriate committee or sub-committee. Once seconded, such a motion will be voted on without discussion.
- A24.9 Copies of all questions will be circulated to all members and will be made available to the public attending the meeting.
- (Note: This Standing Order A24 shall also apply to a member with an interest that means they should not be present when the matter is under consideration but who wishes to make a representation, but having made his/her representations he/she must withdraw from the meeting room and cannot vote on the matter.)

A25. Members' Conduct (To apply to Committees, Cabinet and Overview and Scrutiny)**A25.1 Members addressing the meeting**

When a member addresses a meeting of the Council they must make themselves clearly identifiable and address the meeting through the Civic Mayor. If more than one member seeks to address the meeting, the Civic Mayor will rule on the order on which they may address the meeting. Other members must behave in an appropriate manner whilst a member is addressing the meeting and not interrupt unless they wish to move a motion under Standing Order A15.11 or to make a point of order or a point of personal explanation. When making a point of order or point of personal explanation, once requested the member making the request must sit down and not speak again until invited to do so by the Civic Mayor.

If a member behaves improperly or offensively or deliberately obstructs business, the Civic Mayor or the Council by resolution may determine that the member in question be not heard further in respect of the item under discussion.

A25.4 Member to leave the meeting

If the member continues to behave improperly after a motion under A25.3 is carried, the Civic Mayor may either determine that (a) the member in question leaves the meeting in respect of the item under discussion or for the remainder of the meeting, as appropriate, or (b) that the meeting is adjourned for a specified period.A25.5

A25.5 General disturbance

If there is a general disturbance making orderly business impossible, the Civic Mayor may adjourn the meeting for as long as he/she thinks necessary.

A25.6 Addressing other members

At meetings of the Council, its committees and sub-committees, members shall address each other as “councillor” followed by the member’s surname. At meetings of the Council, the Civic Mayor shall be addressed as the Worshipful the Mayor of Torbay or such other title as he/she may reasonably choose, but at meetings other than Council the Civic Mayor shall be referred to as “councillor” followed by his/her surname.

A25.7 Members Leaving During the Meeting

Where a Member leaves the meeting room temporarily during the meeting for whatever reason, they shall acknowledge the Civic Mayor by nodding their head (or by another appropriate means) and leave the chamber. Where a Member leaves the meeting room permanently before the end of the meeting (or its formal adjournment) they shall give their apologies to the Civic Mayor (either immediately prior to their departure or earlier during the meeting or immediately prior to its commencement) and their departure shall be recorded in the minutes.

A26. Disturbance by Members of the Public (To apply to Committees, Cabinet and Overview and Scrutiny)**A26.1 Removal of member of the public**

If the Civic Mayor considers behaviour to be grossly improper or offensive he/she may order the immediate removal of the person from the meeting and the premises without warning. The person concerned shall not be permitted re-entry to the premises for the duration of the meeting.

A26.2 Clearance of part of meeting room

If there is a general disturbance in any part of the meeting room open to the public, the Civic Mayor may call for that part to be cleared.

A27. Use of Cameras and Tape and Video Recorders (To apply to Committees, Cabinet and Overview and Scrutiny)

A27.1 Any persons present at the meeting may, unless prohibited or restricted by a resolution, take photographs, make audio or visual recordings and make live stream recordings on social media of the proceedings of meetings of the Council, its committees and sub-committees. However, no flash photography or other artificial light source shall be used without the prior approval (which may be withdrawn or conditional) of the person presiding at the meeting concerned.

A27.2 The Head of Governance Support may make arrangements for the electronic recording (including filming) of those parts of the meetings of Council, Planning Committee and Standards Hearings Sub-Committee at which the press and public are entitled to be present.

**A28. Prohibition of Smoking, Alcohol and Drugs at Council Meetings (To apply to Committees, Cabinet and Overview and Scrutiny)
(This Standing Order may not be suspended)**

A28.1 No member or officer or member of the public shall smoke (this includes any electronic smoking devices), consume (or, in the opinion of the Civic Mayor be incapacitated by) alcohol and/or illegal drugs at any council meeting.

1. Introduction

A petition is a request for Torbay Council to consider an issue or concern or to take a particular course of action. Petitions set out a particular view point and can be a useful tool to demonstrate that a view is shared by others. The Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns.

This document sets out the guidelines for submitting a petition and what you can expect from the petitions process.

To meet the requirements of the scheme, the petition must be about:

- **an issue which relates to the Council and/or services it provides to local people;**
- **an improvement in the economic, social or environmental well-being of Torbay to which any of the Council’s partner authorities could contribute’; or**
- **to issues which relate to services provided by partner authorities, including matters which are sub-regional and cross-authority;**

Petitions can be submitted in paper format or can be scanned and sent electronically. There is also a [*Torbay Council e-petitions*](#) facility available (this is a method of starting a petition and gathering signatures online which allows petitions and supporting information to be made available to a much wider audience). We are also happy to accept e-petitions generated from third party facilities, but only if they meet the submissions criteria set out in this scheme – including, for example, by providing sufficient information to enable the Council to verify signatures in support of the petition.

2. What are the guidelines for submitting a petition?

Petitions submitted to the Council **must** include (*see Appendix 1 for a sample paper petition template*):

- **A clear and concise statement covering the subject of the petition.** It should state what action the petitioners wish the Council to take.
- **The subject matter of the petition on each page.** People need to know what they are signing and therefore the petition should clearly state this on each page.
- **The petition organiser’s contact details.** Including a phone number and address, – this will be the person who we will contact to explain how we will respond to the petition.
- **At least 25 valid signatures.** Anyone who lives, works or studies in the Torbay area, including under 18’s, can sign or organise a petition. In order for a signature to be valid it must be accompanied by the name and

address (which must include the name or number, street and town) of each person supporting the petition. The address provided should be that place of work or study if they do not live in the bay. To ensure the Council understands the local level of support for a petition, it reserves the right to seek to verify each signature submitted as part of a petition. This may be particularly significant when establishing whether a petition has obtained the required number of signatures to trigger a specific process (see section 6 below Full Council Debate).

In the case of e-petitions, (including those submitted from other online petition facilities) the Council requires a name, valid email address (one email address per person), address (including the name or number, street and town) for each person supporting the petition; failure to provide this information may lead to a signature not being counted.

The Council may also ask for additional information it may require to confirm that the petition complies with the requirements of this scheme.

The Council's Monitoring Officer may decline to accept any petition where in his/her opinion the petition does not include any of the above.

3. Are there any issues which the Council will not consider in a petition?

3.1 There are certain circumstances when petitions will not be accepted by the Council's Monitoring Officer, this mirrors the UK Parliament and Government petition rules and includes if a petition:

- calls for the same action as a petition that's already open
- does not ask for a clear action from the Council
- relates to an issue which is clearly outside the control or reasonable influence of the Council (e.g. petitions on national issues)
- is defamatory or libellous, or contains false or unproven statements
- refers to a case where there are active legal proceedings
- contains material that may be protected by an injunction or court order
- contains material that could be confidential or commercially sensitive
- could cause personal distress or loss. This includes petitions that could intrude into someone's personal grief or shock without their consent.
- accuses an identifiable person or organisation of wrongdoing, such as committing a crime
- names individual officers, unless they are Divisional Directors or above
- names family members of councillors or officers
- asks for someone to be given a job, or to lose their job. This includes petitions calling for someone to resign and petitions asking for a vote of no confidence in an individual councillor or officer or the Cabinet as a whole
- contains party political material
- is nonsense or a joke
- is an advert, spam, or promotes a specific product or service

- is a Freedom of Information request
- contains swearing or other offensive language
- is offensive or extreme in its views. That includes petitions that attack, criticise or negatively focus on an individual or a group of people because of characteristics such as their age, disability, ethnic origin, gender identity, medical condition, nationality, race, religion, sex, or sexual orientation
- is a duplicate or substantially similar to a petition received in the last 12 months, unless there has been a material change in circumstances

Petitions made under other enactments, such as petitions under the Local Government Act 2000 asking for referendum on whether the area should have an elected mayor, will be dealt with according to the procedures set out in those enactments. If such a petition fails to meet the requirements of the enactment in question, for example a petition under the 2000 Act does not achieve the requisite number of signatures, it will then be dealt with through this Petitions Scheme in exactly the same manner as any other petition.

3.2 This Petitions Scheme does not apply to certain matters, where there are already existing processes for communities to have their say. The following matters are therefore excluded from the scope of this Petitions Scheme:

- Any matter relating to a planning decision,
- Any matter relating to a licensing decision,
- Any matter relating to a subject where consultation by the Council is currently being undertaken or is due to be undertaken in the next six months, (e.g. Formal Budget/Savings Proposals consultation).
- Any matter where there is already an existing right of appeal such as council tax banding and non-domestic rates.

We will advise the petition organiser what will happen to petitions under this category.

3.3 In the period immediately before an election or referendum we may need to deal with your petition differently. If this is the case we will explain the reasons and discuss the revised timescale which will apply.

4. How can I submit a petition?

Paper petitions may be submitted to the Council in person/by post to:

Governance Support
Torbay Council
Town Hall
Castle Circus
Torquay
TQ1 3DR

Alternatively, you can give your petition to your local councillor who will deliver it on your behalf.

Petitions can be emailed to:

Governance.support@torbay.gov.uk

For emailed petitions each sheet of signatures should be scanned in full as an exact replica of the original copy.

E-petitions may be submitted through the Council's *e-petitions facility* or via an independent online e-petition system and not via the Council's facility, however, in this case the Petition Organiser must ensure that the petition meets the submissions criteria set out in this scheme – including, for example, a valid email address (one email address per person), full name, address and postcode for each person supporting the petition to enable the Council to verify signatures on the petition.

The Council will also allow a combined paper and e-petition providing there are no duplicate signatories and the date of receipt is when the final submission is made.

Please note that we keep all original copies of petitions for our records for six years.

Upon submission of your petition, you need to advise the Governance Support Team whether you wish for your petition to be presented to a meeting of the full Council or referred directly to the decision maker for consideration. Please refer to section 6 below for further details.

5. Petition Deadlines

If you would like your petition to be presented at a Council meeting, (see details in section 6 below), it must be received by the Governance Support Team by 4.00 p.m. 10 clear working days before the meeting. The deadlines/dates of meetings can be found at (www.torbay.gov.uk).

Once approved and activated, a standard e-petition will remain open for 60 days. However this can be amended, following discussion with the petition organiser, to fit with timescales for specific meeting deadlines.

6. How will the Council respond to my petition?

All petitions received by the Governance Support Team will be acknowledged within 10 working days of receipt. The acknowledgement will be sent to the petition organiser and will explain what we plan to do with the petition and when you can expect to hear from us again. Your petition details will be provided to the Leader of the Council, the Civic Mayor, the Group Leaders and the Chief

Executive. Details of any petitions that have not been accepted for the reasons cited in 3.1 will also be provided to those listed above for information purposes.

If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed.

If the petition needs more investigation, we will tell you the steps we plan to take.

If the petition applies to a planning or licensing application, relates to a subject where consultation by the Council is currently being undertaken or is due to be undertaken in the next six months (e.g. Formal Budget/Savings Proposals consultation), or is a statutory petition on a matter where there is already an existing right of appeal (such as Council tax banding and non-domestic rates) other procedures apply. In our acknowledgment to you, we will explain these procedures and how you can express your views. Where a petition is passed to another department it may then become subject to any conditions relating to representations for such matters i.e. a petition in respect of a planning representation may be published in full which includes names and address of those who have signed the petition.

Petitions containing less than 25 signatures will not be presented to a Council meeting, but treated as general correspondence and forwarded directly to the relevant service department for response.

‘Ordinary’ petitions

For petitions containing at least 25 valid signatures you can present your petition to a meeting of the Council (which all Councillors can attend). Alternatively, you (as the petition organiser) and up to two other people who have signed the petition, can choose to meet directly with the relevant decision-maker to present your petition.

Once an ‘ordinary’ petition is received the Governance Support Team will write to you to inform you which body/decision-maker will respond to your petition and confirm which of the above options you would like to proceed with.

Presentation to Council

If you wish for the petition to be presented to a meeting of the Council you can speak in support of the petition at the meeting for up to five minutes.

Confirmation of speaking in support of a petition must be received from the petition organiser by 4.00 p.m. the day before the Council meeting by registering with the Governance Support Team (by telephone on 01803 207087 or by e-mailing governance.support@torbay.gov.uk).

Please note the petition will not be debated by the Councillors at the Council meeting, it will be referred straight to the relevant decision maker following the presentation of your petition at the meeting.

Also, if the subject of the petition is due to be considered by the decision-maker before the next meeting of the Council it will be referred to the decision-maker

direct and you will not, therefore, have the opportunity to present the petition at a Council meeting.

Meeting with decision-maker

If you wish for the petition to be submitted directly to the decision-maker you will be informed of who will be contacting you to make the necessary arrangements for meeting with the decision maker. This meeting will normally be arranged within 28 days from notifying the Governance Support Team of your decision to proceed with this option.

The decision-maker may respond to the issues raised in your petition in one or more of the following ways:

- Taking the action requested in the petition;
- Holding an inquiry into the matter;
- Undertake research into the matter;
- Hold a public meeting; and/or
- Undertake consultation.

Full Council Debates

If a petition contains more than 1000 valid signatures it will be debated by all Councillors at a meeting of the Council unless the matter is resolved before the meeting to the Petition Organiser's satisfaction.

You will receive notification from the Governance Support team with details of the Council meeting to which your petition will be submitted. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. You will be given five minutes to present the petition at the meeting and the petition will then be discussed by the councillors.

The Council will decide how to respond to the petition at this meeting, it may decide to:

- take the action the petition requests;
- not to take the action requested for reasons put forward in the debate;
- make recommendations to the Leader of the Council if the issue is one for him/her to make the decision; or
- commission further investigation into the matter, for example by a relevant committee.

The petition organiser will receive written confirmation of this decision. This confirmation will also be published on our website.

7. Feedback – will the petitioners be told of the outcome?

Yes, the Petition Organiser will receive written confirmation setting out the Council's final response to the petition. This will normally outline the steps taken

by the Council to consider the issue, including the involvement (where applicable) of the elected Councillors.

We will also publish details of petitions received and the final response/outcome of the petition on the Council's website.

8. What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the petition organiser can complain through the Council's complaints procedure. The Governance Support Team can provide you with details of how to complain or you can find details on the Council's website (www.torbay.gov.uk).

9. Other ways to make your views known

Torbay Council values petitions and this document sets out clear commitment about how we will respond to the petitions we receive.

Petitions are not, however, the only - or necessarily the easiest or quickest - way to resolve an issue or to make your views known.

You can also:

- Contact the relevant Council service directly.
- Contact your local Councillor or Community Partnership if you have a concern which relates to your local area or neighbourhood.

If you wish to make a complaint about a Council service, then you should instead use the Council's Complaints Process.

There are a number of other ways you can have your say and get involved in local decisions. To find out more go to our website:

<http://www.torbay.gov.uk/index/yourcouncil/councillorsdecisions/haveyoursay.htm>

10. Data Protection

If you are organising a petition you will need to consider whether you will become a data controller under Data Protection Law for the personal data you will process as part of the petition. Further information can be found on the ICO's [website](#).

One of the key requirements of data protection law is that individuals should be informed as to how their personal data will be used. Therefore, you will need to advise those signing your petition, that their personal data may be made available for anyone to inspect, to confirm the validity of the petition.

Petitions received under this scheme will not be published in full and when they are presented to Council or to the decision maker, details are provided about the petition organiser and the number of people who have signed the petition. A full original copy of the petition is retained by the Governance Support Team.

Once we receive your petition, Torbay Council becomes the data controller for the petition and will process it in accordance with this scheme. Our lawful basis under Data Protection Law for processing this personal data, is that is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Council, in accordance with our duties to support and promote democratic engagement under the Local Government Act.

Should an individual wish for their name to be removed from a petition, they can make an information rights request via our [website](#).

11. Special requirements

Nor shall Standing Order B4.1 entitle any councillor to remain in the room in which a meeting is taking place if the person presiding at the meeting (if so recommended by the Monitoring Officer (or his/her representative)) considers that the presence of the councillor might prejudice the interest of the Council, be contrary to any relevant Code or Protocol adopted by the Council, or lead to an allegation of maladministration, impropriety or bias.

B5.2 Following any presentation, the Chairman/woman will invite debate.

B5.3 During debate a proposal may be moved. No speeches may be made after the mover has moved a proposal, explained the purpose of it and until the motion has been seconded.

B5.4 The Chairman/woman may require the motion to be written down and handed to him/her before it is discussed. The Chairman/woman may also require an amendment to be written down and handed to him/her before it is discussed.

B5.5 An amendment to a motion must be reasonably relevant (in the opinion of the Chairman/woman) to the motion and must seek to:

- (i) refer the matter to an appropriate body or individual for consideration or reconsideration;
- (ii) delete words;
- (iii) delete words and add other words; or
- (iv) add words,

and an amendment that otherwise complies with this Standing Order shall be valid even if the direct or indirect consequence of the amendment (if carried) would be to negate the motion (except amendments made at Planning Committee).

- (b) Only one amendment may be moved and discussed at any one time except that the Chairman/woman may permit more than one amendment to be debated at the same time if he/she considers this would facilitate the efficient running of the business and if a majority of members present do not object. No further amendment may be moved until the amendment under discussion has been disposed of. Amendments to motions will be moved at the earliest possible opportunity during the debate.
- (c) If an amendment is not carried, other amendments to the original motion may be moved.

- (d) If an amendment is carried, the motion as amended takes the place of the original motion. This becomes the substantive motion to which further amendments may be moved. At the end of the debate, the substantive motion will then be put to the vote.

B5.6 A member may alter a motion which he/she has moved with the consent of the seconder. Only alterations which could be made as an amendment (in accordance with Standing Order B5.5) may be made.

B5.7 A member may withdraw a motion which he/she has moved with the consent of the seconder. No member may speak on the motion after the mover has asked permission to withdraw it unless the seconder refuses consent to withdraw the motion.

B5.8 When a motion is under debate, the following procedural motions may be moved:

- (i) to proceed to the next business;

If a motion to proceed to the next business is seconded and the Chairman/woman thinks the item has been sufficiently discussed, he/she will give the mover of the original motion a right of reply and then put the procedural motion to the vote.

- (ii) that the motion/amendment be now put to the vote;

If a motion that the motion/amendment be now put to the vote is seconded and the Chairman/woman thinks the item has been sufficiently discussed, he/she will put the procedural motion to the vote. If it is passed he/she will give the mover of the original motion a right of reply before putting his/her motion to the vote.

- (iii) to adjourn a debate;

If a motion to adjourn the debate is seconded and the Chairman/woman thinks the item has not been sufficiently discussed and cannot reasonably be so discussed on that occasion, he/she will put the procedural motion to the vote without giving the mover of the original motion the right of reply. If the motion is carried and no timeframe is explicit the discussion will be resumed at the next ordinary meeting of the Council and the member who moved its adjournment shall be entitled to speak first. If the motion to adjourn is lost, a second motion for adjournment may be moved during the same meeting and the Chairman/woman thinks a reasonable amount of time has lapsed since the last motion to adjourn.

- (iv) to adjourn a meeting;

If a motion to adjourn the meeting is seconded and the Chairman/woman shall invite the Chief Executive, Monitoring Officer and Chief Finance Officer to indicate whether there is any other business that they believe should be transacted at that meeting (in accordance with Standing Order A11.2) and it shall be put to the vote without debate and without giving the mover

of the original motion the right of reply.

- (viii) to exclude the public and press in accordance with the Standing Orders in relation to Access to Information; and

If a motion to exclude the press and public in accordance with the Standing Orders in relation to Access to Information is seconded, it shall be put to the vote without debate but the Chairman/woman may invite the Chief Executive and/or the Monitoring Officer to advise on the matter.

The amendment will take effect on service of the notice by the Leader of the Council on the proper officer.

D1. Introduction

- D1.1 The Council will appoint overview and scrutiny committees in accordance with Article 5.
- D1.2 The committees may appoint sub-committees. The committees and their sub-committees may appoint working parties.

D2. Membership

- D2.1 The Leader of the Council, members of the Cabinet and the Civic Mayor may not be members of the overview and scrutiny committees, their sub-committees or any working parties appointed by the committees or their sub-committees. All other councillors will be eligible to be appointed to the overview and scrutiny committees, their sub-committees or any working parties appointed by the committees or their sub-committees. However, no member may be involved in scrutinising a decision in which he/she has been directly involved.
- D2.2 The composition of the overview and scrutiny committees is set out in Part 3 of this Constitution.
- D2.3 In accordance with the Local Government and Housing Act 1989, each of the overview and scrutiny committees (and any of their sub-committees) must reflect the political balance of the local authority (unless the Council (or the committees, as applicable) agree(s) otherwise with no member voting against).

D3. Co-opted Members with Voting Rights

- D3.1 The Overview and Scrutiny Board and any sub-committee it appoints that deals with education matters will include in their membership the following representatives with voting rights:
- (i) one Church of England diocese representative;
 - (ii) one Roman Catholic diocese representative; and
 - (iii) two parent governor representatives.
- D3.2 When and if Board or sub-committee dealing with education matters also deals with other matters, those representatives shall not vote on those other matters, although they may stay in the meeting and speak. Agendas for these meetings will indicate which matters those representatives may vote on.
- D3.3 Any working party appointed by the Board or its sub-committee to deal with mainly education matters (in the opinion of the Overview and Scrutiny Manager will include in its membership the representatives indicated in Standing Order D3.1).
- D3.4 The Church of England and Roman Catholic dioceses may appoint substitute members to attend meetings of the Board and any sub-committee and overview and scrutiny working party if the nominated representatives are unable to attend.

D4. Co-opted Members with No Voting Rights

- D4.1 Any of the overview and scrutiny committees may recommend to the Council the appointment of non-voting co-opted members.

D4.2 Any overview and scrutiny sub-committee or working party may recommend to the parent committee, the appointment of non-voting co-opted members.

D5. Chairman/Woman

D5.1 Each overview and scrutiny committee, sub-committee and working party will elect a Chairman/woman for the Municipal Year from the members (including any church and parent governor representatives) sitting on that body.

D5.2 Each committee and sub-committee will consider appointing a Vice-chairman/woman. If a church or parent governor representative is elected as Chairman/woman, a Vice-chairman/woman will be appointed and shall be an elected member of the committee or the sub-committee.

D5.3 If a church or parent governor representative is elected as Chairman/woman of the committee or sub-committee and a non-education matter comes before the committee or sub-committee, the Vice-chairman/woman will take the chair. If there is no Vice-chairman/woman or if the Vice-chairman/woman is not present or is unable to act, the committee or sub-committee will appoint a Chairman/woman for that item. This provision is to allow the Chairman/woman a casting vote if necessary.

D6. Meetings of the Overview and Scrutiny Bodies

D6.1 The order of business at the overview and scrutiny committees will be:

- (i) to elect a person to preside at the meeting, if the Chairman/woman and Vice-chairman/woman is absent;
- (ii) to approve and sign as a correct record the minutes of the previous meeting;
- (iii) to receive any declarations of interest;
- (iv) to deal with any urgent business dealt with in accordance with the Standing Orders in relation to Access to Information;
- (v) to deal with any matters which are subject to the call-in mechanism;
- (vi) to consider responses of the Leader of the Council and/or Cabinet to reports of that overview and scrutiny committee; and
- (vii) to deal with any other matters set out on the agenda for the meeting.

D7. Reports from Overview and Scrutiny Bodies

D7.1 Subject to Standing Order D7.2, following each investigation, review or call-in a report will be prepared for consideration by the Leader of the Council or the Cabinet, as appropriate (when the recommendations relate to an executive function and the proposals are consistent with the existing Budget and Policy Framework), or the Council (when the recommendations relate to a Council function or if the proposals would require a departure from or a change to the agreed Budget and Policy Framework). Reports of the overview and scrutiny committees and their sub-committees will be public documents.

- D7.2 In the case of reports prepared in relation to health services or crime and disorder matters and related to a relevant partner authority the report will be forwarded to the relevant NHS body or partner authority without reference to the Leader of the Council, the Cabinet or the Council.
- D7.3 Reports prepared by any overview and scrutiny working party following a review or investigation will be considered in the first instance by the parent overview and scrutiny committee or sub-committee as appropriate. The committee or sub-committee may adopt the report (with or without amendment) and once adopted, the proposals will be classed as proposals of the relevant committee or sub-committee. The report will then be dealt with in accordance with Standing Orders D7.1 and D7.2.
- D7.4 The body or individual to which a report has been referred will, in writing, be required to:
- (i) consider the report and recommendations
 - (ii) respond to the overview and scrutiny committee or sub-committee indicating what (if any) action the body or individual proposed to take
 - (iii) publish the response
 - (iv) provide the member who referred the matter to the overview and scrutiny body under section 21A of the Local Government and Local Involvement in Health Act 2007 (“Councillor Call for Action”) (if applicable) with a copy of the response.

It is the duty of the body or individual to undertake these actions within two months beginning with the date on which the body or individual received the report or recommendations or (if later) the notice.

D8. Production of Work Programme

- D8.1 The Overview and Scrutiny Board will, early in each Municipal Year, co-ordinate the production of a work programme for all of the overview and scrutiny bodies for that year. The Board will keep that programme under review during the course of the year. The work programme will be devised having regard to the resources available, time constraints of members and officers and the interests of the local community.
- D8.2 The views of all non-Cabinet members will be taken into account when agreeing the Work Programme including the views of the members who are not members of the largest political group on the Council and of the co-opted members. Cabinet Members, Directors and Divisional Directors will also be consulted on which issues to include within the Work Programme.
- D8.3 In determining which matters to review, regard will be given to sources such as the Council’s Corporate Plan, the Forward Plan and reports from any other relevant persons or bodies.
- D8.4 The work programme must be flexible enough to take account of changing circumstances throughout the Municipal Year. This flexibility will also allow for those recently implemented decisions of the Leader of the Council and the Cabinet to be monitored and scrutinised.

D9. THE “CALL-IN” MECHANISM

- D9.1 Subject to Standing Order D9.6, Standing Order D10 and Standing Order D11, any five members of the Council may request, in writing and within five clear working days of the publication of a decision (Note: this does not include recommendations made to other bodies for decision e.g. Council) made by the Leader of the Council, the Cabinet, another individual member of the Cabinet or a committee of the Cabinet or a Key Decision made by an officer under delegated authority from the Cabinet, the proper officer to “call-in” that decision for scrutiny by the appropriate overview and scrutiny committee. The member whose name (in the opinion of the Overview and Scrutiny Manager) appears first on the Notice of Call-in shall be known as the Call-in Promoter and the other members who have signed the Notice of Call-in shall be known as the Call-in Supporters. Where a matter relates to education, one of the five signatories to a call-in request may be a church or parent governor representative. No other co-opted member may be entitled to sign a call-in notice. Any request for call-in shall set out the reason/s for that request and shall be invalid if no reason is given. Any request for call-in may be withdrawn in accordance with Standing Order D12 below.
- D9.2 On receipt of a written request for a decision to be called-in, the proper officer (in consultation with the Chairman/woman) will call a meeting of the appropriate overview and scrutiny committee to be held within ten working days of receipt of the request (excluding the day of receipt and the day of the meeting). The Call-in Promoter and at least two of the Call-in Supporters shall attend the relevant meeting of the committee (and may be asked to speak on the matter and/or be questioned by members of the committee). With the prior approval of the Overview and Scrutiny Co-ordinator or appropriate Scrutiny Lead Member, a Call-in Supporter may attend in place of the Call-in Promoter. If the Call-in Promoter (or substitute approved in accordance with this Standing Order) and two Call-in Supporters do not all attend the meeting of the committee the call-in request shall be deemed to be withdrawn unless the committee resolves otherwise on a majority vote. The Overview and Scrutiny Co-ordinator or appropriate Scrutiny Lead Member and/or the appropriate overview and scrutiny committee may also require any one or more of the other Call-in Supporters to attend the relevant meeting of the Board and be questioned about the Notice of Call-in and their reasons for supporting it.
- D9.3 If, for whatever reason, a valid meeting of the appropriate overview and scrutiny committee (including any adjourned meeting) is not held within ten working days, the decision will take effect on the expiry of those ten working days unless (in the opinion of the Monitoring Officer) the decision is outside the Budget and Policy Framework.
- D9.4 Having considered the decision, the appropriate overview and scrutiny committee has a number of options open to it:

Option	Subsequent Action
A. Take no further action.	The original decision will take effect from the date of the meeting of the committee.
B. Refer the decision back to the decision maker for	Within a further ten working days, the decision maker will resolve to either:

	<p>reconsideration, setting out in writing the nature of the committee's concerns.</p> <p>(i) confirm the decision without modification; or</p> <p>(ii) confirm the decision with modification; or</p> <p>(iii) rescind the decision.</p> <p>If the decision maker does none of the above within ten working days, the decision shall be deemed to have been rescinded.</p>
<p>C. In exceptional circumstances, refer the matter to the Council for scrutiny, giving reasons for why the matter is being referred to Council.</p>	<p>Upon such request, the proper officer shall arrange a meeting of the Council within 20 working days (excluding the day of receipt or the day of the meeting) or as soon thereafter, as is reasonably practicable, unless:</p> <p>(i) a normal Council meeting is scheduled within 30 working days (excluding the day of receipt or the day of the meeting) in which case the matter shall be referred to that meeting; or</p> <p>(ii) if a normal Council meeting is not scheduled within 30 working days and the decision-maker confirms to the proper officer that he/she is content for the matter to be referred to the next normal Council meeting.</p> <p>At the Council meeting, if the Council does not object to the decision, no further action is necessary and the decision will be effective from the date of the Council meeting.</p> <p>Provided the decision has been made in accordance with the Policy Framework and the Budget, the Council has no power to amend the decision but may refer any decision to which it objects back to the decision maker together with the Council's views on that decision and the Subsequent Action referred to in Option B shall apply.</p>

- D9.5 In each of the options set out in 9.4 above, the decision maker may only be asked to re-consider a matter once.
- D9.6 Subject to Standing Order D10 below, decisions taken by officers will only be subject to call-in if they are Key Decisions (as defined in Article 11).
- D9.7 Where a matter is called-in under this Standing Order D9 no further action will be taken in respect of the decision or its implementation save in accordance with this Standing Order or (if appropriate) Standing Order D10.
- D9.8 None of the call-in procedures apply to the budget setting process which operates its own procedures and prescribed timetable.
- D9.9 The operation of the provisions relating to call-in shall be monitored annually and a report submitted to Council with proposals for review if necessary.

D10. Call-In of Decisions That May Be Outside the Budget or Policy Framework

- D10.1 Where a matter is called-in under Standing Order D9.1 above and the appropriate overview and scrutiny committee considers that the decision is or (if implemented) would be contrary to the Policy Framework or contrary to (or not wholly in accordance with) the Council's Budget, then it shall seek advice from the Monitoring Officer and/or the Chief Finance Officer.
- D10.2 If the advice of the officer/s consulted is that the matter is not contrary to the Budget and Policy Framework (and this is accepted by a majority of the committee) then no further action will be taken under this Standing Order D10, but the matter may still be dealt with under Standing Order D9.4.
- D10.3 If the advice of the officer(s) consulted is that the decision is contrary to the Policy Framework or contrary to (or not wholly in accordance with) the Budget (or if a majority of the committee is still of that view despite contrary advice from the officer/s consulted) the committee shall refer the matter to Council. If the decision has already been implemented the committee shall determine the remedial action it considers necessary and make recommendations to the Council accordingly.
- D10.4 If a matter is referred to Council under Standing Order D10.3 an officer's report (setting out the views of the appropriate overview and scrutiny committee and any advice by the Monitoring Officer and/or Chief Financial Officer) shall be sent to the Leader of the Council and every member of the Cabinet and a copy sent to every other member of the Council. The Leader of the Council shall then consider the officer's report and publish a Record of Decision with his/her response in advance of the Council meeting.
- D10.5 Where a matter is referred to Council under this Standing Order D10, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter.
- D10.6 Where a matter is referred to Council under this Standing Order D10 the Council shall first determine whether or not the decision (if implemented) would be within the Budget and Policy Framework.
- D10.7 If the Council determines that the decision would be within the Framework the Subsequent Action it may take are as per Option C of D9.4.

D10.8 If the Council determines that the decision would be contrary to (or not wholly in accordance with) the Budget and/or Policy Framework, the decision shall be deemed as a recommendation to the Council and the Council itself shall take the final decision on the matter.

D11. CALL-IN AND URGENCY

D11.1 The call-in procedure set out above shall not apply where the executive decision being taken is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public, shall state whether (in the opinion of the decision-making person or body) the decision is an urgent one, and therefore not subject to call-in.

D11.2 Before deciding whether a decision is urgent, the decision-making person or body shall consult with the Overview and Scrutiny Co-ordinator or (if he/she cannot be reasonably contacted) then:

- (a) (if the decision is a Key Decision and Standing Order E14 (General Exception) applies) each member of the Overview and Scrutiny Board shall be consulted; or
- (b) (in all other cases) the Civic Mayor, or (if there is no Civic Mayor appointed) the Deputy Civic Mayor, shall be consulted.

D11.3 Decisions taken as a matter of urgency shall be reported to the next available meeting of the Council, together with the reasons for urgency and a summary of the consultation undertaken under Standing Order D11.2.

D12. Withdrawal of a Call-In Notice

D12.1 A call-in notice may be withdrawn at any time before it is considered by the appropriate overview and scrutiny board if a majority of the first five members (including any co-opted member) whose names appear on the call-in notice give notice in writing (including by e-mail) to the proper officer that they wish their name to be removed from the call-in notice.

D12.2 Once notice to the proper officer under Standing Order D12.1 above has been lodged it may not be withdrawn.

D13. Members' Right to Include Items on Agendas and the Councillor Call for Action

D13.1 The Leader of the Council and any councillor (whether or not a member of any overview and scrutiny committee) may give written notice (including by e-mail) to the proper officer that he/she wishes an item relevant to the functions of an overview and scrutiny committee or any of their sub-committees to be considered at a meeting of that body. On receipt of such request, the proper officer will ensure that it is included on the next available agenda and the item shall be discussed by the appropriate committee or sub-committee with a view to determining whether to request officers to prepare a full report on the matter for submission to a future meeting of that body.

D13.2 Any co-opted member may give written notice (including by email) to the proper officer that he/she wishes an item relevant to the functions of the overview and scrutiny committee or sub-committee on which they sit to be considered at a meeting

of that body. On receipt of such request, the proper officer will ensure that it is included on the next available agenda and the item shall be discussed by the committee or sub-committee with a view to determining whether to request officers to prepare a full report on the matter for submission to a future meeting of that body.

D13.3 The overview and scrutiny bodies will have regard to the Local Government and Public Involvement in Health Act 2007, any Regulations and any guidance in considering those items referred to in D13.2.

D14. Attendance by Other Members of the Council, Officers and Other Persons at Meetings of Overview and Scrutiny Bodies

D14.1 Each overview and scrutiny committee (and their sub-committees) may require the Leader of the Council, any other member(s) of the Cabinet and (subject to Standing Order D14.2) officers of the Council to appear before it to explain (in relation to all aspects of the committee's (or sub-committee's) work):

- (i) any particular decision or series of decisions;
- (ii) the extent to which the actions taken implement Council policy; and/or
- (iii) their performance

and it is the duty of those persons to attend if so required, unless they have a legitimate reason for not doing so.

D14.2 The only officers who may be called to appear will be Heads of Service or above (or officers holding posts designated by the appropriate Director or Divisional Director or other officers who have given advice to members). No other officer shall be called unless the Monitoring Officer (in consultation with the Chairman/woman and relevant Director or Divisional Director) agrees otherwise.

D14.3 Where any member or officer is required to attend an overview and scrutiny committee or any of their sub-committees, the Chairman/woman of the committee or sub-committee will inform the proper officer. The proper officer shall inform the member or officer in writing (including by e-mail) normally giving at least three working days notice of the meeting which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee or the sub-committee. Where the account to be given to the committee or the sub-committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for the preparation of that documentation (in the opinion of the proper officer).

D14.4 Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the committee or the sub-committee may resolve to adjourn the meeting for the item(s) concerned, and in consultation with the member or officer, arrange an alternative date for attendance (to take place normally within a maximum of ten working days from the date of the meeting).

D14.5 Subject to Standing Orders D14.3 and D14.4, where the Overview and Scrutiny Board or the Health Scrutiny Board (if appointed) (or one of their sub-committees) is considering a matter in relation to health services in Torbay, the Board or its sub-committee may require an officer of the appropriate NHS trust or body to attend its

meeting to explain any particular decision or series of decisions. It is the duty of those persons to attend if so required, unless they have a legitimate reason for not doing so.

D14.6 Each overview and scrutiny committee (and their sub-committees) may also invite any other person(s) to attend its meetings (but the committee (or its sub-committees) cannot require them to do so). Working parties may only invite (and not require) persons (including members and officers) to attend its meetings. In undertaking its work, the overview and scrutiny committees, their sub-committees and any working parties may seek the views of as many communities and interested parties as the body considers necessary to gain a balanced view.

D14.7 When the Leader of the Council, members, officers or other individuals attend overview and scrutiny meetings, the Chairman/woman will explain the purpose of their attendance at the meeting. Questions will be directed through the Chairman/woman who will determine whether they are relevant or if they are repetitive. Those persons attending the meeting will be treated with respect and courtesy and will be given every opportunity to respond. Members will have regard to the European Convention on Human Rights.

D14.8 When officers attend meetings of any overview and scrutiny committee, their sub-committees and any working party under these provisions, members’ questions may only relate to matters of fact and explanation relating to Cabinet and Council policies and decisions. Officers may be asked to explain, as far as they are able:

- (i) what the policies are;
- (ii) the justification and objectives of those policies as the officer believes the Leader of the Council, the Cabinet or the Council sees them;
- (iii) the extent to which those objectives may have been met; and
- (iv) how administrative factors may have affected both the choice of policy measures and the manner of their implementation.

D14.9 Each committee, their sub-committees and any working parties must bear in mind that officers are employed to give professional advice and shall not be drawn into discussion of the merits of alternative policies where this is politically contentious. Any comment by officers on the Leader of the Council’s, the Cabinet’s or the Council’s policies and actions shall always be consistent with the requirement for officers to be politically impartial.

E10.4 Where the meeting will determine any person’s civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6 of that Act.

At least five clear days before a private meeting of the Cabinet or its committees, the decision-making body will publish a further notice including the reasons for the meeting to be held in private, details of any representations received about why the meeting should be open to the public and a statement responding to such representations.

E10.8 Where the date by which a meeting must be held makes compliance with Standing Order E10.7 impracticable, the meeting may only be held in private where the decision-making body has obtained agreement from:

- (i) the Chairman/woman of the relevant Overview and Scrutiny Committee; or
- (ii) if the Chairman/woman of the relevant Overview and Scrutiny Committee is unable to act, the Civic Mayor or the Deputy Civic Mayor if the Civic Mayor is unable to act

Such reports or parts of reports will be marked “Restricted and Not for publication” together with an explanation of the reasons why the author of the report considers that the report or parts of the report should be considered with the press and public excluded.

E12. Procedure Before Taking Key Decisions

E12.1 Subject to Standing Order E14 (general exception) and Standing Order E15 (special urgency) in relation to Cabinet key decisions, a Key Decision may not be taken unless:

- (i) the matter in question has been entered into and published in a Forward Plan;
- (ii) at least twenty eight clear days in the case of an Cabinet key decision have elapsed since the entry in the Forward Plan has been available for inspection by the public in accordance with Standing Order E13.1; and
- (iii) where the decision is to be taken at a meeting of the Cabinet or its committees, notice of the meeting has been given in accordance with Standing Order E4 (notice of meetings).

(A Key Decision is defined in Article 11.03 of this Constitution.)

E13. The Forward Plan

E13.1 A Forward Plan will be prepared on behalf of the Leader of the Council and entries will be published as soon as reasonably practicable once made or substantially amended. The Forward Plan will be available for inspection by the public at the Town Hall, Torquay and on the Council's website (www.torbay.gov.uk).

E13.2 The Forward Plan will contain matters which the Leader of the Council has reason to believe will be subject of a Key Decision to be taken by the Cabinet, a committee of the Cabinet, individual members of the Cabinet, officers, area committees or under joint arrangements in the course of the discharge of an executive function. The Forward Plan will also include all decisions to be taken by the Council, any Council Committee or Sub-Committee or any officer that would, if they were an Cabinet decision, be regarded as a key decision. It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- (i) that a key decision is to be made;

- (vi) the address from which any documents can be obtained, subject to any prohibition or restriction on their disclosure; and
- (vii) that other documents relevant to decision may be submitted to the decision-maker and the procedure for requesting details of those documents as and when they become available.

In addition to the above, the Forward Plan may include:

- (i) the identity of the principal groups that the decision taker proposes to consult before taking the decision;
- (ii) the means by which any such consultation is proposed to be undertaken; and
- (iii) the steps any person might take if they wish to make representations to the decision taker about the matter on which the decision is to be made and the date by which those steps must be taken.

E13.3 Exempt information need not be included in a Forward Plan and confidential information cannot be included.

E14. General Exception

E14.1 Where the matter is likely to be a Key Decision and it has not been practicable to include it in the Forward Plan then the decision may still be taken if all of the following apply:

- (i) the decision must be taken by a specified date and it is therefore impracticable to defer the decision to allow for 28 clear days notice in respect of Cabinet key decisions;
- (ii) in respect of Cabinet key decisions, the Proper Officer has informed the Chairman/woman of the relevant Overview and Scrutiny Committee or if he/she cannot reasonably be contacted each member of the relevant Overview and Scrutiny Committee, by written notice, of the matter about which the decision is being made, together with the reasons why Standing Order E13 can not be complied with; or
- (iii) the proper officer has made copies of that notice available to the public at the offices of the Council and on the Council's website; and
- (iv) at least five clear working days have elapsed since the proper officer complied with (iii).

E14.3 Where such a decision is taken at a meeting of the Cabinet, that meeting must be held in public.

E15. Special Urgency

E15.1 In respect of Cabinet key decisions, where the date by which a key decision must be made, makes compliance with Standing Orders E13 and/or E14 impracticable, the decision may only be made where the decision-maker has obtained agreement from:

- (i) the Chairman/woman of the relevant Overview and Scrutiny Committee; or
- (ii) if the Chairman/woman of the relevant Overview and Scrutiny Committee is unable to act, the Civic Mayor or the Deputy Civic Mayor if the Civic Mayor is unable to act.

E15.2 As soon as reasonably practicable, after the decision-maker has obtained agreement under Standing Order E15.1, the decision-maker must make available a notice to the public at the offices of the Council and on the Council's website, setting out the reasons that the decision is urgent and why it could not be deferred;

E15.3 The Leader of the Council will submit reports to the next appropriate Council meeting summarising the decision of the Cabinet taken in accordance with Standing Order E15.1 in the preceding three months. The report submitted must include:

- (i) particulars of each decision made; and
- (ii) a summary of the matters in respect each decision was made.

E16. Reports to Council

E16.1 If the Overview and Scrutiny Board thinks that a Cabinet Key Decision has been taken which was not:

- (i) included in the Forward Plan; or
- (ii) the subject of the general exception procedure (Standing Order E14); or
- (iii) the subject of an agreement with the Overview and Scrutiny Co-ordinator, the relevant scrutiny lead member or the Civic Mayor or the Deputy Civic Mayor under Standing Order E15;
- (iv) the Overview and Scrutiny Board may require the Cabinet to submit a report to the Council within such reasonable time as the Board specifies. The power to require a report rests with the Board, but it is also delegated to the proper officer, who shall require such a report on behalf of the Board when so requested in writing by any five members.

E16.2 The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within seven days of the receipt of the written notice or the resolution of the Board, then the report may be submitted to the meeting after that. The report to the Council will set out the particulars of the decision, the decision taker and, if the Leader of the Council is of the opinion that it was not a Key Decision, the reasons for that opinion.

E17. Record of Decisions

E17.1 After any meeting of the Cabinet (or any of its committees) or Council meeting where the Leader of the Council makes an executive decision, the proper officer or, where no officer was present the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record of decision will include:

- (i) details of the decision maker;
- (ii) details of the decision including the date it was made;
- (iii) the reason for the decision;
- (iv) background information;
- (v) alternative options considered and rejected at the time of the decision;
- (vi) whether the decision is a Key Decision;
- (vii) whether the call-in procedure applies;
- (viii) any declarations of interest and, if applicable, a note of any dispensation granted;
- (ix) the published date; and
- (x) the anticipated implementation date.

E17.2 Where a Key Decision is taken without consideration of a duly completed report in the Council's usual format, the record of that decision shall, within the section entitled "background information" explain how and why the decision was reached and include the key risks relating to the decision and any relevant financial, legal or equalities implications.

E17.3 When a decision is made by the Leader of the Council or a member of his/her Cabinet, the decision shall be published as soon as reasonably practicable at the Town Hall, Torquay and on the Council's website. All councillors will be sent electronic copies of the records of all such decisions by the person responsible for publishing the decision.

E17.4 The notice of the decision will bear the date on which it is published and will specify that the decision will come into force and may be implemented on the expiry of five clear working days after the publication of the decision unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

E18. Reports intended to be taken into account

E18.1 Where the Leader of the Council or an individual member of the Cabinet receives a report which he/she intends to take into account in making any decision, then he/she will not make the decision until at least five clear days after receipt of the report. On the giving of such a report to an individual decision maker, the proper officer will give a copy of it to the Chairman/woman of the Overview and Scrutiny Board and make it publicly available at the same time.

E19. Executive Decisions by Officers

E19.1 As soon as reasonably practicable after an officer has made an Executive decision, the officer must produce a written statement which must include:-

- (i) details of the decision including the date it was made;
- (iii) the reason for the decision;
- (v) alternative options considered and rejected at the time of the decision;
- (viii) a record of any conflict of interest declared by any cabinet member who is consulted by the officer which relates to the decision; and
- (viii) in respect of any declared conflict of interest of the officer making the decision, a note of dispensation granted by the Monitoring Officer.

and this written statement will be available for inspection in accordance with E17.3.

E19.2 The provisions of Standing Orders E7 and E8 (inspection of documents after meetings) will also apply to the making of Cabinet decisions by officers. This does not require the disclosure of exempt or confidential information.

E20. Access to Information – Members

E20.1 All members will be entitled to receive reports and associated documents submitted to the Leader of the Council, individual members of the Cabinet, the Cabinet, committees of the Cabinet, officers, the Overview and Scrutiny Board or other committees, unless those reports and/or associated documents contain confidential and exempt information (where disclosure is not in the public interest), and

- (i) in the case of confidential information, disclosure would be contrary to a court order or government guidance; or
- (ii) a member has (in the reasonable opinion of the Monitoring Officer) a pecuniary interest in the subject matter of the report; or
- (iii) the report contains the advice of a political assistant.

E20.2 Members have a prima facie right to inspect Council documents so far as access to the documents is reasonably necessary to enable the Member to properly perform their duties as a member of the Council.

E20.3 The Member must set out their intention and objective for requesting the document. A Member does not have a right to a 'roving commission' to examine Council documents. Where there is a refusal by a Head of Service which holds the document in question, the Monitoring Officer will determine if the document shall be released.

E20.4 Members of Overview and Scrutiny are entitled to request documents which relate to their work (as identified in their work programme or in respect of reviews they are undertaking) and/or in accordance with the Local Authority (Executive

Arrangements) (Meetings and Access to Information) (England) Regulations 2012. Such requests must set out the intention and objective for requesting the document and be made via governance.support@torbay.gov.uk so that the support officer(s) can obtain the required documentation and provide the same within ten working days. If there is dispute, the Monitoring Officer shall determine if the request reasonably relates to the Overview and Scrutiny work programme/review and/or in accordance with the Local Authority (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

E20.5 When dealing with casework, the Member will seek written consent from the individual to access their personal data held by the Council. Where it is not possible to obtain written consent and the relevant service manager considers explicit consent from the individual is necessary due to sensitive personal data being disclosed, the Member will email the service manager with confirmation that they have spoken to the individual who has provided their explicit consent. Members, as individual Data Controllers will be responsible for ensuring that they have obtained the necessary consent. Alternatively or where explicit consent is not given, the casework will be handed over to the service department concerned without any personal data being released to the Member.

E21. Freedom of Information Act 2000

E21.1 So far as there is any conflict between these Standing Orders and the Freedom of Information Act 2000 the latter shall prevail.

E22. Outside Bodies Reporting Protocol

E22.1 The Council appoints Members to represent Torbay Council on a number of outside organisations. Representatives on those bodies listed below are required to report on the activities of the outside organisation, the impact of those activities on the local community and Council service delivery, in order to keep the Council informed. Standing Order

- F1. The framework for Cabinet decisions
- F2. Process for developing the Revenue Budget
- F3. Process for developing the Capital Plan
- F4. Process for developing the Policy Framework
- F5. Decision outside the Budget or Policy Framework
- F6. Urgent decisions outside the Budget or Policy Framework
- F7. Virements and general limitations on expenditure
- F8. Reviews/amendments to existing Policy Framework documents

F1. The Framework for Executive Decisions

F1.1 The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once the budget and policy framework is in place, it will be the responsibility of the Cabinet to implement it.

F2. Process for Developing the Revenue Budget

F2.1 Normally, at least four months before the Council's budget meeting, the Cabinet will publicise, by including in the Forward Plan, a timetable in accordance with which it will make proposals for the authority's overall financial approach to service expenditure levels and local taxation for the next following year and publish initial proposals for the budget, having taken into account any budget formulation work carried out by the Overview and Scrutiny Board and any issues raised during any State of the Borough debate.

F2.2 The Cabinet's initial budget proposals will then be sent to all the members of the Overview and Scrutiny Board for consideration and to all appropriate external consultees. Details of the consultation process shall be included in the Forward Plan and the consultation period shall normally be not less than six weeks.

F2.3 If the Overview and Scrutiny Board wishes to respond to the Cabinet during the consultation process then it may do so. As the Overview and Scrutiny Board has responsibility for fixing its own work programme, it is open to the Overview and Scrutiny Board to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Overview and Scrutiny Board into account in drawing up its budget proposals.

F2.4 In addition, the Leader of the Council may seek informal discussions with the Overview and Scrutiny Board to debate any areas of difference.

F2.5 At the end of the consultation period the Cabinet will finalise its budget proposals (subject to receipt at a later date of any relevant information from the Government and/or any precepting authorities) having due regard to the responses to the consultation and submit them to the Council for consideration at a meeting normally commencing prior to 8th February in each year. The Cabinet's budget report to Council will explain how the Cabinet has taken into account any recommendations from the Overview and Scrutiny Board and other consultation responses.

F2.6 At the Council budget setting meeting, the Council will consider the Cabinet's budget proposals. In reaching a decision on the Cabinet's budget proposals the Council may:

- (i) adopt the Cabinet's proposals without amendment; or
- (ii) follow the process set out in Standing Orders F2.7 to F2.11 below, where it has objections to it.

F2.7 Subject to Standing Order F2.11, where, before 8th February in any financial year, the Cabinet submits to a meeting of the Council for its consideration in relation to the following financial year:

- (i) estimates of the amounts to be aggregated in making a calculation (whether originally or by way of substitute) in accordance with any of sections 32 to 37 or 43 to 49 of the Local Government Finance Act 1992;
- (ii) estimates of other amounts to be used for the purposes of such a calculation;
- (iii) estimates of such a calculation; or
- (iv) amounts required to be stated in a precept under Chapter IV of Part I of the Local Government Finance Act 1992

and following consideration of those estimates or amounts the Council has any objection, it must take the action set out in Standing Order F2.8.

F2.8 Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in Standing Order F2.7(i), or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Leader of the Council of any objections which it has to the Cabinet's estimates or amounts and must give to him/her instructions requiring the Cabinet to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.

(Note: The provisions in Standing Order A13.4 in relation to Council meetings apply for Motions affecting the setting of the Budget.)

F2.9 Where the Council gives instructions in accordance with Standing Order F2.8, it must specify a period of at least five working days beginning on the day after the date on which the Leader of the Council receives the instructions on behalf of the Cabinet within which the Leader of the Council may:

- (i) submit a revision of the estimates or amounts as amended by the Cabinet ("revised estimates or amounts"), which have been reconsidered in accordance with the Council's requirements, with the Cabinet's reasons for any amendments made to the estimates or amounts, to the Council for its consideration; or
- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

F2.10 When the period specified by the Council referred to in Standing Order F2.9 has expired, the Council must, when making calculations (whether originally or by way of substitute) in accordance with sections 32 to 37 or 43 to 49 of the Local Government Finance Act 1992, or when issuing a precept under Chapter IV of Part I of the Local Government Finance Act 1992, take into account:

- (i) any amendments proposed by the Cabinet to the estimates or amounts included in any revised estimates or amounts;
- (ii) the Cabinet's reasons for those amendments;
- (iii) any disagreement that the Cabinet has with any of the Council's objections; and
- (iv) the Cabinet's reasons for that disagreement,

which the Cabinet submitted to the Council, or informed the Council of, within the period specified by Standing Order F2.9 above.

F2.11 Standing Orders F2.7 to F2.10 shall not apply in relation to:

- (i) calculations or substitute calculations which the Council is required to make in accordance with section 52I, 52J, 52T or 52U of the Local Government Finance Act 1992; and
- (ii) amounts stated in a precept issued to give effect to calculations or substitute calculations made in accordance with section 52J or 52U of the Local Government Finance Act 1992.

(Standing Orders F2.7 to F2.11 reflect the requirements of the Local Authorities (Standing Orders) (England) Regulations 2001)

F2.12 Where the papers containing the Cabinet's budget proposals to be submitted under Standing Order F2.5 are submitted to a meeting of Council prior to 8th February, that meeting shall be adjourned (or further adjourned) for such a reasonable period (including having regard to Standing Order A13.4 in relation to Council Meetings) as the Chief Executive shall recommend where:

- (i) a majority of members present and voting so determine; or
- (ii) (without a vote) where the Chief Finance Officer has advised that an adjournment is reasonably necessary to allow time for the receipt (or consideration by him/her and/or members) of additional information or full consideration (by him/her and/or members) of the papers submitted to Council

and Standing Orders F2.7 to F2.11 (inclusive) shall continue to apply notwithstanding such adjournment.

F2.13 Subject to Standing Order F2.12, Standing Orders F2.7 to F2.11 shall not apply when the Cabinet submits its proposals to the Council after 7th February in any financial year.

F2.14 Any notices of motion in respect of the proposed budget will be served in accordance with the Standing Order A13.4.

F2.15 Given the statutory deadline for setting council tax levels, a decision on the budget to be set shall be taken (and shall not be referred to an adjourned meeting or to a future meeting) where the Council's Chief Finance Officer (in consultation with the Monitoring Officer and Chief Executive) advises that a failure to set a budget would be likely to be illegal.

F2.16 The Overview and Scrutiny Co-ordinator and scrutiny lead members will be given notice of and shall be entitled to attend all meetings of the Cabinet when annual estimates are under consideration.

F2.17 In approving the budget, the Council may also specify the extent of any budget transfer (or virement) limits in accordance with Financial Regulations. Any other changes to the budget are reserved to the Council.

F2.18 In approving the budget, the Council will also set the fees and charges for the forthcoming year.

F2.19 The Cabinet shall submit a recommendation to the appropriate Council meeting, as to the setting of the Council Tax Base as per the Local Authorities (Calculation of Tax base)(England) Regulations 2012,

F2.20 The Cabinet, after taking into consideration those statutory matters to be taken into account in relation to the Collection Fund (including the amounts required under precepts served by precepting authorities), shall submit a recommendation to the appropriate Council meeting as to those matters and the amount of the levels of Council Tax to be set for each category of dwelling for its area for the chargeable financial year commencing on 1st April.

F3. Process for Developing the Capital Plan

F3.1 Each year the Corporate Asset Management Team (CAMT), in collaboration with the Chief Executive, other Directors, Divisional Directors and Heads of Service, will prepare revisions to the Capital Plan (including any proposed changes to the approved disposals list) covering all capital expenditure in the forthcoming four-year period for consideration by the Cabinet. In considering any new schemes for inclusion within the Capital Plan, the CAMT will utilise any capital prioritisation process approved by the Council ensuring that the projected expenditure over the life of the project, including on-going revenue consequences, is taken into account.

F3.2 Normally, at least two months before the Council's budget meeting and following the annual announcement of the Government's allocation of capital resources (through the Single Capital Pot or successor arrangements), the Cabinet will publish in the Forward Plan a timetable for making proposals to the Council for revisions to the Capital Plan.

F3.3 The Cabinet's initial proposals for revisions to the Capital Plan will then be sent to the all the members of the Overview and Scrutiny Board for consideration and to all appropriate external consultees. Details of the consultation process shall be included in the Forward Plan and the consultation period shall normally be not less than six weeks.

F3.4 If the Overview and Scrutiny Board wishes to respond to the Cabinet during the consultation process then it may do so. As the Overview and Scrutiny Board has responsibility for fixing its own work programme, it is open to the Overview and Scrutiny Board to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Overview and Scrutiny Board into account in drawing up its budget proposals.

F3.5 In addition, the Leader of the Council may seek informal discussions with the Overview and Scrutiny Board to debate any areas of difference.

F3.6 At the end of that period, the Cabinet will finalise its proposals for revision to the Capital Plan having regard to the responses to the consultation and submit them to the Council for consideration. The Cabinet's report to Council will explain how the Cabinet has taken into account any recommendations from the Overview and Scrutiny Board and other consultation responses.

F3.7 In reaching a decision on the Cabinet's proposals the Council may:

- (i) adopt the Cabinet's proposals without amendment, in which case the Council may make a decision with immediate effect; or

- (ii) follow the process set out in Standing Orders F3.8 to F3.10 below, where it has objections to it.

F3.8 Before the Council:

- (i) amends the draft Capital Plan; or
- (ii) adopts (with or without modification) the Capital Plan,

it must inform the Leader of the Council of any objections which it has to the draft Capital Plan and must give him/her instructions requiring the Cabinet to reconsider, in light of those objections, the draft Capital Plan submitted to it.

F3.9 Where the Council gives instructions in accordance with Standing Order F3.8, it must specify a period of at least five working days beginning on the day after the date on which the Leader of the Council receives the instructions within which the Cabinet may:

- (i) submit a revision of the draft Capital Plan as amended by the Cabinet (the “revised draft Capital Plan”), with the Cabinet’s reasons for any amendments made to the draft Capital Plan, to the Council for its consideration; or
- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council’s objections and his or her reasons for any such disagreement.

F3.10 When the period specified by the Council referred to in Standing Order F3.9 has expired, the Council must, when:

- (i) amending the draft Capital Plan or, if there is one, the revised draft Capital Plan; or
- (ii) adopting (with or without modifications) the Capital Plan,

take into account any amendments made to the draft Capital Plan that are included in any revised draft Capital Plan, the Cabinet’s reasons for those amendments, any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for that disagreement, which the Leader of the Council submitted to the Council, or informed the Council of, within the period specified.

(Standing Orders F3.7 to F3.10 reflect the requirements of the Local Authorities (Standing Orders) (England) Regulations 2001)

F3.11 The procedures referred to in Standing Orders F3.7 to F3.10 shall be undertaken concurrently with the process for developing the revenue budget.

F4. Process for Developing the Policy Framework

F4.1 Before a plan within the Policy Framework is adopted or subject to Standing Order F8, the Cabinet shall publish a timetable in accordance within which it will make proposals to the Council. Details of any proposed consultation exercise shall be included in the Forward Plan and the consultation period shall normally be not less than six weeks. The form and nature of any consultation to be undertaken may be discussed between the Cabinet and the Overview and Scrutiny Board to ensure its effectiveness. Any representations made to the Cabinet will be taken into account in formulating the initial proposals.

- F4.2 If the matter is one where an Overview and Scrutiny Board has carried out a review of policy, then the outcome of that review will be reported to the Cabinet and considered in the preparation of initial proposals.
- F4.3 The Cabinet's initial proposals will then be sent to all members of the Overview and Scrutiny Board for further consideration and to all appropriate external consultees. The Overview and Scrutiny Co-ordinator (or his/her nominee), on behalf of the Overview and Scrutiny Board, will then indicate if he/she is content for the proposals to be submitted to the Council without any formal consideration or response from the Overview and Scrutiny Board. He/she will inform the Head of Governance Support, the Leader of the Council and other Group Leaders where he/she decides that a formal response will not be given.
- F4.4 If the Overview and Scrutiny Board wishes to respond to the Cabinet during the consultation process then it may do so. As the Overview and Scrutiny Board has responsibility for fixing its own work programme, it is open to the Overview and Scrutiny Board to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Overview and Scrutiny Board into account in drawing up its proposals.
- F4.5 In addition, the Leader of the Council may seek informal discussions with the Overview and Scrutiny Board to debate any areas of difference.
- F4.6 At the end of that period, the Cabinet will finalise its proposals having regard to the responses to the consultation and submit them to the Council for consideration. The Cabinet's report to Council will explain how it has taken into account any recommendations from the Overview and Scrutiny Board and other consultation responses.
- F4.7 The Council will consider the Cabinet's proposals. In reaching a decision on the Cabinet's proposals the Council may:
- (i) adopt the Cabinet's proposals without amendment, in which case the Council may make a decision with immediate effect; or
 - (ii) follow the process set out in Standing Orders F4.8 to F4.10 below, where it has objections to it.
- F4.8 Before the Council:
- (i) amends the draft plan or strategy;
 - (ii) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his/her approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or
 - (iii) adopts (with or without modification) the plan or strategy, it must inform the Leader of the Council of any objections which it has to the draft plan or strategy and must give him/her instructions requiring the Cabinet to reconsider, in light of those objections, the draft plan or strategy submitted to it.
- F4.9 Where the Council gives instructions in accordance with Standing Order F4.8, it must specify a period of at least five working days beginning on the day after the date on

which the Leader of the Council receives the instructions within which the Leader of the Council may:

- (i) submit a revision of the draft plan or strategy as amended by the Cabinet (the “revised draft plan or strategy”), with the Cabinet’s reasons for any amendments made to the draft plan or strategy, to the Council for its consideration; or
- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for any such disagreement.

F4.10 When the period specified by the Council referred to in Standing Order F4.9 has expired, the Council must, when:

- (i) amending the draft plan or strategy or, if there is one, the revised draft plan or strategy; or
- (ii) approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his/her approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or
- (iii) adopting (with or without modifications) the plan or strategy,

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet’s reasons for those amendments, any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for that disagreement, which the Leader of the Council submitted to the Council, or informed the Council of, within the period specified.

F4.11 The process for dealing with a proposed addition to or amendment to a Policy Framework document may, however, be varied where the Leader of the Council and/or Overview and Scrutiny Co-ordinator (or their respective deputies or nominees) have confirmed in writing (including via email) to the Head of Governance that they are in agreement to the variations to the process.

F4.12 Subject to Standing Order F8, any changes to the Policy Framework are reserved to the Council.

F5. Decisions outside the Budget or Policy Framework

F5.1 Subject to the provisions of Financial Regulations in relation to virement, the Leader of the Council, the Cabinet (including committees of the Cabinet), individual members of the Cabinet and any officers, area committees or joint arrangements discharging Cabinet functions may only take decisions that are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision that is contrary to the Policy Framework or contrary to (or not wholly in accordance with) the Budget approved by the Council, then (subject to Standing Order F6 (Urgent decisions outside the Budget or Policy Framework)) that decision may only be taken by the Council.

F5.2 If the Cabinet (including committees of the Cabinet), the Leader of the Council, individual members of the Cabinet and any officers, area committees or joint arrangements discharging executive functions consider (or if they are asked by the Chief Executive or his/her deputy to consider) that a decision might be contrary to

Policy Framework or contrary to (or not wholly in accordance with) the Budget, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as appropriate. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework (with officers giving clear reasons for this advice), then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in Standing Order F6 (Urgent decisions outside the Budget or Policy Framework) shall apply.

F6. Urgent Decisions outside the Budget or Policy Framework

F6.1 The Cabinet (including a committee of the Cabinet), the Leader of the Council, an individual member of the Cabinet or officers, area committees or joint arrangements discharging executive functions may take a decision that is contrary to the Council's Policy Framework or contrary to (or not wholly in accordance with) the Budget approved by Council if the circumstances which render necessary the making of the decision may reasonably be regarded as urgent. However, such a decision may only be taken:

- (i) if (in the opinion of the Chief Executive) it is not reasonably practical to convene a quorate meeting of the Council in sufficient time; and
- (ii) if the person or body making the decision has obtained a statement in writing (confirming that the decision needs to be taken as a matter of urgency) from the Overview and Scrutiny Co-ordinator (as determined by the Chief Executive) or, if the Overview and Scrutiny Co-ordinator is unable to act, from the Civic Mayor or, in the absence of both, from the Deputy Civic Mayor.

F6.2 The reasons why it is not practical to convene a quorate meeting of the Council and the consent of the relevant member to the decision being taken as a matter of urgency must be noted on the record of the decision.

F6.3 As soon as reasonably practicable after the decision, the decision taker will submit a report to a meeting of the Council. This report must include details of the decision; the emergency or other circumstances in which it was made; and the reasons for the decision.

In Standing Order F6.1, references to the Chief Executive mean:

- (i) in the absence of the Chief Executive (or if the decision in question is to be taken by the Chief Executive), his/her deputy; and
- (ii) in the absence of both the Chief Executive and his/her deputy (or if one of them is absent and the other is to take the decision in question) the Monitoring Officer, or Deputy Monitoring Officer, as appropriate.

F7. Virements and General Limitations on Expenditure

F7.1 General limitations as to expenditure against Budgets and arrangements for virements and are set out in the Council's Financial Regulations.

F8. Reviews/Amendments to Existing Policy Framework Documents

F8.1 Where a Policy Framework document has been approved by the Council it will be kept under review by the relevant Director/Divisional Director/Head of Service. The relevant Director/Divisional Director/Head of Service may amend a Policy Framework

document, following consultation with the Leader of the Council, relevant member and the group leaders (or their nominees), in order to ensure that the document:

- (i) reflects any subsequent budget or policy decision made by the Council; or
- (ii) complies with the law or ministerial direction; or
- (iii) follows best practice or is in the interest of local people.

F8.2 Where the Council wishes to amend an existing Policy Framework document, a Notice of Motion objecting to the existing Policy Framework document shall be submitted (in accordance with Standing Order A14) and Standing Orders F4.8 to F4.11 shall be followed.

Financial Regulations

1. Introduction

- 1.1 To conduct its business properly, Torbay Council needs sound financial management policies in place and controls to ensure compliance with those policies. In addition, the Council has additional responsibilities under statute. These Financial Regulations provide a framework of policies and controls for managing these responsibilities.
- 1.2 All local authorities are required to establish Financial Regulations to ensure the proper administration of financial affairs which have arisen from the legislative powers conferred upon local authorities and the consequential rights, powers and duties placed upon the Council, the Leader of the Council, Members and Officers.
- 1.3 The Financial Regulations apply to every Member and Officer/employee (including agency and seconded staff) of the Council and anyone acting on its behalf. All Officers and Members have a duty to abide by the highest standards of probity in dealing with financial issues.
- 1.4 Non compliance with these regulations will be referred to the Chief Finance Officer and the Head of Devon Audit Partnership, who will take appropriate action.
- 1.5 The Financial Regulations should ensure compliance with all accounting and auditing standards, and codes of practice, which are produced by the appropriate professional accountancy bodies.
- 1.6 The Financial Regulations apply to the Council and any associated companies. The Chief Finance Officer legislative requirements apply to all council assets and liabilities included subsidiary companies. The CFO therefore has responsibility for the financial systems, financial procedures and financial regulations in use by the subsidiary companies.
- 1.7 These Financial Regulations are intended as an aid to good financial management and outline the necessary procedures to secure the proper administration of financial affairs. Financial regulations will also be supplemented by more detailed financial instructions issued as and when appropriate by the Chief Finance Officer or his/her nominated representative.
- 1.8 In these regulations the following definitions apply:-
 - a) Budget Holder – as identified on the Council Financial Information Management System (a Budget Holder is allocated to every cost centre).
 - b) Chief Executive, Directors, Divisional Directors and Heads of Service – are the posts contained within the Council's Senior Management Structure.
 - c) Head of Service – reference to Head of Service in these regulations includes the Chief Executive, Directors, Divisional Directors and Head of Service.

Contracts Procedures

A. General Information/Introduction

24 Contracting Council

- 24.2 Torbay Council (the Council) is the Contracting Council. This means that all Contracts are let on behalf of the Council as a whole and no Business Unit, Service, Team or other part of the Council, including subsidiary companies, has the legal capacity to enter independently into any Contract.
- 24.3 The Council remains the Contracting Council when entering into collaborative Contracts where the Council procures goods, services or works jointly with other public sector organisations but may not carry out the procurement process.
- 24.4 The administration, monitoring and ensuring compliance with these Procedures shall be the responsibility of the Chief Finance Officer and the Monitoring Officer.

25. Extent and Application of Contract Procedures

- 25.1 These Contract Procedures are made under Section 135 of the Local Government Act 1972.
- 25.2 These Procedures apply to all Contracts for goods, services and works for and on behalf of the Council, including ad-hoc one-off requirements and they will be applied by any Officer or agent of the Council undertaking any purchasing or procurement activity on behalf of the Council.
- 25.3 These Procedures will also apply in respect of Contracts for the disposal of assets (such as land) and the awarding of leases for which some form of application or bidding process is undertaken or where it becomes a procurement as defined in section 9 of the Financial Regulations.
- 25.4 These Procedures will also apply in respect of the award of any grant funding for which some form of application or bidding process is undertaken.
- 25.5 These Procedures apply to all expenditure by the Council irrespective of the funding source (except where specific terms and conditions attached to a third party funding source determines the method in which the Contract is to be let) and includes expenditure that has been devolved in any way.
- 25.6 These Procedures set out minimum standards and compliance is vital in:
1. Meeting legislative requirements;
 2. Demonstrating probity in the procurement process;
 3. Delivering economy, efficiency and effectiveness through competition; and
 4. Avoiding practices that may restrict, distort or prevent competition.
- 25.7 The only exemptions to these Procedures are those detailed in paragraph 30 (Exemptions from the Application of Contract Procedures).

26. Breach of Contract Procedures**26.1 *Reporting and Disciplinary Action***

Any non-compliance or breach of these Procedures will be reported immediately on discovery to Procurement, Contract Management & Commissioning, who will escalate it to the Monitoring Officer and Chief Finance Officer.

The Monitoring Officer will undertake an investigation where deemed necessary. The investigation findings will be reported to the Chief Executive and appropriate Director/Divisional Director and as appropriate to, the relevant Senior Officers, and appropriate Members.

Investigation findings will be referred to Human Resources where any breach of these Procedures requires further action in accordance with human resources policies, including disciplinary action.

Failure to report any known non-compliance or breach may result in disciplinary action being taken against the Officer who failed to report the non-compliance or breach.

26.2 *Implications of Non-Compliance*

Any non-compliance or breach of these Procedures can seriously impact upon the legal standing of the Contract and can increase the ability of unsuccessful economic operators to seek redress through the courts. The consequences to the Council of non-compliance or breach of these Procedures are wide ranging and may result in:

- damage to the Council's reputation;
- suspension of the procurement process;
- removal of individual bidders from the process;
- suspension of the implementation of any decisions made in relation to the outcome of a procurement process;
- termination of a procurement process;
- requirement to retender the Contract;
- reduction to the term of a Contract;
- termination of a Contract;
- payment of damages or compensation to a bidder or bidders;
- payment of a civil financial penalty;
- repayment of grant funding;
- exclusion from bidding for grant funding.

27. Prevention of Corruption and Conflict of Interest

- 27.1 Officers have a duty in law to avoid any form of behaviour or conflict of interest that might distort or restrict competition or award of a contract are subject to the risk of being challenged. All Officers involved in any purchasing or procurement activity must declare any vested interests, whether direct or indirect, that could conflict with the best interests of the Council, this includes where they have an interest in any person(s) said to be affected by the outcome of the purchasing or procurement activity.
- 27.2 Officers must comply with the Code of Conduct for Employees and not offer, promise, give or receive any gift or reward in respect of the award or performance of any contract.
- 27.3 Officers are advised that any inappropriate behaviour that is deemed contrary to the Bribery Act 2010 could result in dismissal and the matter may be reported to the police.

28. Delegated Authority

- 28.1 The Officer Scheme of Delegation sets out arrangements for tenders to be issued and acceptance of contracts to be awarded.

29. Authority to Undertake Procurement Activity

- 29.1 Officers undertaking procurement activity must be appropriately trained and as a minimum have completed the mandatory Understanding Procurement and Contracts Register Modules on i-Learn.

30. Exemptions from the Application of Contract Procedures

- 30.1 An exemption or waiver from these Contract Procedures may only be applied for where:
- a. the proposed Contract is of a very specialist nature and there are insufficient suitable Contractors in the market to fully comply with these Procedures; and/or
 - b. the proposed Contract is required urgently. The urgency must be brought about by events that were unforeseeable by and not attributable to the Council and which will result in loss or damage to the Council if the suspension or exemption is not allowed; and/or
 - c. it would be in the best interests of the Council or local people not to comply in full with these Procedures; and
 - d. the appropriate due diligence checks have been undertaken on the economic operator (where the request relates to the Award of a new Contract, as opposed to extending an existing arrangement) prior to submitting the request to waive Contract Procedures. Details of the due diligence requirements can be found in the Waiver Process Guidance available from Procurement, Contract Management and Commissioning.

30.2 Officers must note the following before applying for a Waiver:

1. lack of planning and/or internal process delays will not constitute special, exceptional or emergency circumstances;

- 31.1 Written authorisation, using the agreed process and Waiver Request Form, is required to waive these Procedure requirements.
- 31.2 Any request to waive these Procedures must be approved by both Procurement, Contract Management and Commissioning Team and Chief Finance Officer, before the Officer can proceed with the Award.
- 31.3 Where the value of the contract exceeds £50,000, consultation must be undertaken with the the Leader of the Council or relevant Cabinet Lead Member and the relevant Director/Divisional Director before the Officer can proceed with the award.
- 31.4 A waiver should not exceed 12 months from date of expiry of existing contract or proposed start date of new contract or supply.
- 31.5 Where authorisation is given to waive Contract Procedures an appropriate contract must be issued to the supplier and the details of the award entered onto the Contracts Register.
- 31.6 Procurement, Contract Management & Commissioning must keep a record of all cases where an exemption from these Procedures has been requested and authorised, or declined and will report these to the Joint Operations Management Team on a six monthly basis.

32. Appointment of Management Consultants and Agents

- 32.1 Any consultant, architect, surveyor, engineer or any other external agent appointed to act on behalf of the Council must be procured in accordance with these Procedures.
- 32.2 It is a condition of appointment that any consultant, architect, surveyor, engineer or any other external agent appointed to act on behalf of the Council in relation to any procurement process or management of Contracts will:
- (a) Have a Contract condition that ensures that copyright in respect of anything created or completed by that external agent in relation to the appointment will be the property of the Council. Where issues arise in respect of copyright, Officers are required to seek guidance and advice from Legal Services.
 - (b) Sign a Confidentiality Agreement and declare any conflict of interest that may arise prior to starting any procurement process and again prior to completing

the tender evaluations. Where a significant conflict of interest arises the consultant must not be part of the tender evaluation process.

- (c) Comply in full with the requirements of the World Trade Organisation Agreement on Government Procurement (GPA) , Public Contract Regulations 2015, these Procedures, all relevant legislation and all Council policies;

- (f) On completion of the procurement process or contract being managed provide to the nominated Council Officer all relevant records and documentation related to the activity.

32.3 No consultant shall make a decision on whether to award a tender or whom to award it to.

B. Legal Framework

33 Compliance with Legislation

These Contract Procedures comply fully with:

- (a) The requirements of the World Trade Organisation Agreement on Government Procurement (GPA) , which takes precedence over national and local procurement legislation and Regulations; and
- (b) The Public Contract Regulations 2015 and the Concessions Regulations 2016, which take precedence over local procurement Regulations.

Every procurement process undertaken on behalf of the Council must be run in an open, fair and transparent manner.

Where a procurement process relates to the spending of European, UK or other publicly funded Grants any requirements in relation to how those funds are spent, including ESIF Compliance Guidance, will take precedence over local procurement Regulations.

34. Non Compliance with Legislation

34.1 *Failure to Comply with the Public Contracts Directives and Legislation*

Any failure to comply in full with the requirements of the Directives and Regulations can result in the Council becoming subject to Court action and / or enforcement action.

34.2 The penalties include:

1. Prohibition from entering into a Contract;
2. Shortening of Contract terms;
3. Fines when a complaint is upheld (including civil financial penalties, damages and compensation);
4. Contract termination;
5. Repayment of grant funds, where applicable.

34.3 In addition, whenever legal proceedings relating to a Tender Award decision are commenced by an aggrieved Economic Operator, the procurement process is required to be suspended.

34.4 Failure to comply can also adversely affect future access to grant funds available to the Council.

34.5 *Mystery Shopper*

The Government's Public Procurement Review Service allows Economic Operators to raise concerns anonymously about unfair public procurement practice. The government then investigates and resolves these concerns. The service also carries out spot checks of procurement opportunities advertised on Contracts Finder. The results of Public Procurement Review Service investigations are published, so if the Council is investigated for any suspected non-compliance with the Regulations this information will be in the public domain.

34.6 *Reports to the Cabinet Office*

Under the Public Contract Regulations the Council is required to report to the Cabinet Office on any Contracts where it has not complied with the Regulations and must also maintain comprehensive written reports relating to every Contract, Framework Agreement and dynamic purchasing system established. Report requirements and templates can be obtained from Procurement, Contract Management & Commissioning.

34.7 Reports must be available to the Cabinet Office on request, along with any other information the Cabinet Office may require the Council to provide. Failure to comply with reporting requirements or the Public Contracts Regulations may result in the Cabinet Office taking action against the Council.

35. Case Law

35.1 There is a growing body of case law relating to public procurement, as public policy and regulation has eased access to legal remedies for unsuccessful applicants for public Contracts. Some of this case law has had a significant impact on procurement procedure.

- 35.2 All available standard procurement and Contract documentation held by Procurement, Contract Management & Commissioning will be updated to meet new legal requirements arising from case law. Therefore any Officer undertaking procurement activity is required to use only the current version of the standard templates, available from Procurement, Contract Management & Commissioning.
- 35.3 Officers must not amend or alter any of the standard information contained within the procurement and Contract documentation without the prior approval of Procurement, Contract Management & Commissioning.

36. Freedom of Information

- 36.1 The Freedom of Information Act 2000 provides individuals with a right of access to information held by all public sector bodies such as the Council, creating openness and transparency.
- 36.2 There is a presumption that Contractual information should be made available for disclosure if requested. However, Officers should be aware of the potentially anticompetitive implications of disclosing detailed Contractual information in the period around a procurement process taking place.
- 36.3 The Information Compliance Team is the central processing department for all FOI requests and all requests received by Officers must be directed to them, Officers must not respond directly to any FOI request.
- 36.4 The Information Compliance Team will seek advice from Procurement, Contract Management & Commissioning prior to responding to any such FOI requests.

37. Local Government Transparency Code 2014

- 37.1 The Code of Recommended Practice for Local Authorities on Data Transparency is issued under section 2 of the Local Government, Planning and Land Act 1980 (“the Act”) and sets out key principles for local authorities in creating greater transparency through the publication of public data.
- 37.2 The Local Government Transparency Code 2014 states that:
- (a) Local authorities must publish details of every invitation to Tender for Contracts to provide goods and/or services with a value of £25,000 or where higher is in line with the local authority’s Procedures for advertised Tenders, which is £50,000.

For each invitation, the following details must be published:

- (a) title
- (b) description of goods and/or services sought
- (c) the start, end and review dates
- (d) the local Council department responsible

37.3 The Council is meeting this requirement by mandating that all advertised procurement processes must be conducted via the Council's Electronic Tendering System, refer to paragraph 76 (Electronic Tendering).

- (b) Local authorities must also publish details of any Contract, commissioned activity, purchase order, Framework Agreement and any other legally enforceable agreement with a value that exceeds £5,000. For each Contract, the following details must be published:
 - (e) reference number
 - (f) title of agreement
 - (g) the local Council department responsible
 - (h) description of the goods and/or services being provided
 - (i) supplier name and details
 - (j) the sum to be paid over the length of the Contract or the estimated annual spending or budget for the Contract
 - (k) the start, end and review dates
 - (l) whether or not the Contract was the result of an invitation to quote or a published invitation to Tender

37.4 The Council is meeting this requirement by mandating that all Contracts over £5,000 are published on the Council's Contracts Register, see paragraph 98 (Contracts Register).

C. Procurement Planning

38 Approval to Proceed with the Procurement Process

38.1 Where there is an agreed budget in place or the spend is in the approved Capital Plan the relevant budget holder has the authority to approve the undertaking of a procurement process and the subsequent award of the contract.

38.2 Where there is no approved budget in place or the spend is not in the approved Capital Plan then the Officer must obtain Council approval before any commitment to spend is made.

39. Conflicts of Interest

39.1 In order to avoid any distortion of competition and ensure equal treatment of economic operators, the Council is legally required to take all appropriate measures to effectively identify, remedy and prevent any conflicts of interest that may arise during the course of a procurement process.

- 39.2 This requirement applies to all Officers, Members, staff within external organisations (including subsidiary companies), consultants acting on behalf of the Council and any other individuals, such as service users, who are involved at any stage of the procurement procedure or have the ability to influence the outcome of that procedure.
- 39.3 Officers are required to follow the Declaration of Interest and Confidentiality procedure set out in the Procurement Guidance, when undertaking any purchasing activity governed by these Procedures. This includes the requirement for all individuals to complete Declaration of Interest and Confidentiality Agreement prior to any involvement in the process. Agreements must be sent to Procurement, Contract Management & Commissioning, who will assess the information and advise the Officer whether the individual is able to participate in the procurement process.

40. Confidentiality

- 40.1 All Officers, Members, staff within external organisations (including subsidiary companies), consultants acting on behalf of the Council and any other individuals, such as service users who are involved at any stage of the procurement procedure must:
- treat all information provided to them in the strictest confidence;
 - ensure all information or documents provided are not disclosed to any third party;
 - return to Procurement, Contract Management & Commissioning all copies of any information provided, in whatever format they may exist, within 21 days of a request to do so.
- and will be required to complete a Declaration of Interest and Confidentiality Agreement to confirm this.
- 40.2 The Council must not disclose information which has been provided by an economic operator and designated as being confidential by that economic operator, this includes but is not limited to technical or trade secrets and the confidential aspects of Tenders.
- 40.3 Officers must take account of any requirements for the disclosure of information under the Public Contracts Regulations, Freedom of Information Act and any other requirement or permission that is applicable under the law.
- 40.4 Where procurement procedure requires the sharing of confidential information with economic operators, such as details relating to the transfer of staff, this must not be disclosed unless the economic operator has signed and submitted an appropriate Confidentiality Agreement.

40.5 The submission of Confidentially Agreements and the issue of any confidential information must be undertaken electronically via the Council's Electronic Tendering System.

41. Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE), as amended

41.1 TUPE Regulations may apply when a service contract is transferred from one external economic operator to another or where Council staff are being outsourced.

41.2 Under both TUPE and Public Contract Regulations there is a requirement for the Council to share anonymous information relating to the staff who may be eligible to transfer.

41.3 In the case of external contracts the incumbent economic operator has a legal obligation to provide that information, but must be given sufficient notice of the requirement to provide the information prior to the issue of the tender documents.

41.4 Where Council staff are being outsourced Officers must involve Human Resources at the earliest opportunity in order to ensure that all the relevant staff information, pension liabilities and bond requirements can be provided to bidders.

41.5 Information relating to transferring staff must only be supplied to economic operators who have signed and returned a Confidentiality Agreement and all information supplied must be anonymous.

41.6 Any clarification questions during the tender process must be submitted via the Council's e-Tendering portal and not to incumbent economic operator's direct, in order to maintain confidentiality in relation to the identity of bidders.

42. Market Research and Consultation

42.1 Preliminary Market Consultation

Pre-procurement market research and consultation can be conducted with a view to:

- preparing the procurement; and
- informing economic operators of the procurement plans and requirements.

42.2 Preliminary market consultation activities must be appropriately advertised in order to provide the opportunity for all potential economic operators to participate. All activities must be conducted in a non-discriminatory and transparent manner and without distorting competition.

42.3 Advice obtained in a preliminary market consultation process can be used in the subsequent planning and conduct of the procurement procedure. This is provided that the advice does not have the effect of distorting competition and does not breach requirements for non-discrimination and transparency.

42.4 Technical advice or input into the preparation of a specification or procurement process from a specific economic operator who has a commercial interest is not permitted.

42.5 *Prior Involvement of economic operators*

Where an economic operator has advised the Council or been involved in preparing the procurement procedure Officers must take appropriate measures to ensure that competition is not distorted by the economic operator bidding for the contract and those measures must be documented.

42.6 Where no measures can be put in place to ensure compliance with the requirement for equal treatment the economic operator must be excluded from the procedure.

42.7 This requirement also applies if it is identified at any time during the procurement process that an economic operator has gained a competitive advantage.

43. Community Right to Challenge

43.1 The Community Right to Challenge means community organisations can submit an Expression of Interest to the Council to run local services. This right is granted under the Localism Act 2011.

43.2 A procurement process is triggered if an expression of interest is accepted. Timescales for undertaking the procurement must take into account any contract already in place for the provision of that service and contracts must not be terminated early on the basis of acceptance of an expression of interest.

44. Delivering Policy through Procurement

44.1 The Council's policy objectives must be considered in all procurement processes and where appropriate and proportionate, incorporated into the strategy, evaluation process and the terms and conditions of the contract.

44.2 Policy objectives which must be considered as a minimum are:

(i) *Sustainable Procurement*

Consideration must be given to the ways of procuring resource and energy efficient alternatives, paying attention to the Council's Environmental Policy.

(ii) *Public Services (Social Value) Act 2012*

The Public Services (Social Value) Act 2012 requires the Council, when procuring public services, to consider how the service they are procuring could bring added economic, environmental and social benefits. Also consider whether to consult on these issues, for instance with potential users or suppliers of the service in question.

(iii) *Supporting Local Small and Medium size Enterprises (SMEs)*

Consideration must be given to the local supply chain and how the process can support the local community and local SMEs, within the rules of still ensuring an open fair and transparent process.

Consideration must be given to VCSE Sector and how the process can support the VCSE Sector, within the rules of still ensuring an open fair and transparent process.

(v) Local Authority Equality Duty

Consideration must be given to meeting the Equality Duty within the procurement process, wherever it is appropriate and proportionate.

(vi) Modern Slavery

The Modern Slavery Act (2015) requires the council to use a series of key characteristics to identify whether the contract is at high or medium risk of modern slavery occurring, and ensure subsequent procurement and contract management activity is proportionate to the assessed risk.

(vii) Council Policy and Strategy

In addition to national legislation, policy and guidance there is range of Council policies and strategies which, where relevant, must be considered within the procurement process.

D. Procurement Development

45. Estimated Value of the Procurement

- 45.1 The calculation of the estimated value of a procurement shall be based on the total amount payable, inclusive of any applicable VAT, including any contract extension options. Account shall be made of the total estimated value of all the business units across the Council.
- 45.2 The contract shall not be sub divided, nor should the choice of the method used to calculate the estimated value shall not be made with the intention of avoiding the application of these Procedures, nor shall it be sub divided.
- 45.3 In the case of Framework Agreements or Dynamic Purchasing Systems (DPS), the estimated procurement value shall be the total estimated value of all the contracts envisaged for the total term of the Framework or DPS.
- 45.4 Where a contract is proposed to be awarded in the form of lots, account shall be taken of the total estimated value of all the lots.

45.5 The estimated value of the procurement for goods and services is calculated by taking:

1. The value of the total amount payable for the full term of the contract, including extensions and is for 48 months or less; or
2. The value of the total amount payable for each month multiplied by 48 if the term of the contract, including extensions, is for more than 48 months, or over an indefinite period;

The estimated value of the procurement for works shall take account of both the cost of the works and the total estimated value of the supplies and services that are made available to the Contractor by the Council which are necessary for executing the works.

46. Regulated Procurement Spend Thresholds

46.1 The Regulated Procurement Spend Thresholds are amended every two years, officers must refer to the Procurement, Contract Management and Commissioning intranet pages or contact Procurement, Contract Management and Commissioning for the current Regulated Procurement Spend Threshold values.

46.2 Where an estimated value of a procurement is equal to or exceeds the Regulated Procurement Spend Threshold values, then the Public Contracts Regulations 2015 apply to the procurement process. 51. Process Time Limits

51.1 The table below details the timescales for a procurement process which exceeds Regulated Procurement Spend Thresholds and the process is undertaken electronically.

Procedure	Timescale
Open	30 days 15 days if PIN is dispatched between 35 days and 12 months before Find a Tender Notice
Restricted	30 days for the SQ 25 days for the ITT 30 days for the SQ and 10 days for the ITT if a PIN is dispatched between 35 days and 12 months before Find a Tender Notice
Light Touch	No specific timescales – recommendation is to adopt the Open or Restricted Procedure
Further Competition	No specific timescales

51.2 When fixing the time limits for the receipt of tenders and requests to participate, the complexity of the contract and the time required for the economic operator to complete the tender must be considered.

51.3 For procurement processes which are below the Regulated Procurement Spend Thresholds, the timescale for receiving submissions should not be less than 10 working days.

52. Advertising the Procurement

52.1 There is no requirement to advertise tenders where the value of the contract is below £5,000.

52.2 All procurement processes between £5,000 and £50,000 must be advertised through the SupplyDevon hub. Where there are no suitable economic operators on SupplyDevon there is no requirement to advertise where economic operators are

pre selected for a formal or informal quote process. Wherever possible one of the pre selected economic operators must be a local SME or VCSE (refer to paragraph J Definitions for the definition of local), unless it can be demonstrated that this requirement cannot be met.

52.3 All procurement processes over £50,000 must be advertised via the Council's Electronic Tendering System, refer to paragraph 76 (Electronic Tendering) and must be advertised via the Government's Contracts Finder, refer to paragraph 76 (Contracts Finder).

52.4 If it is determined as necessary due to the specialist nature of the market, in addition, further advertising in trade journals for example is permissible.

52.5 For procurement processes which exceed the Regulated Procurement Spend Threshold:

- a. a Contract Notice must be published through the Council's electronic tendering system and advertised on Find a Tender and Contracts Finder, which are submitted via the Council's Electronic Tendering System, refer to paragraph 76 (Electronic Tendering).
- b. all procurement documentation must be made electronically available from the date of the publication on Find a Tender. There are exceptions regarding procurement documents which are confidential in nature. Refer to Procurement, Contract Management & Commissioning for advice in this instance.
- c. a Prior Information Notice (PIN) can be published in order to inform the intention of planned procurements in the future. The aim being to either advertise a bidder day or to enable the market to prepare. Using a PIN can then enable procurement process timescales to be shortened. Refer to paragraph 51 (Process Time Limits).
- d. a Prior Information Notice (PIN) can also be used as a call for competition provided that the appropriate information about the procurement is made available. This then removes the requirement for a Contract Notice to be published and only the economic operators who expressed an interest against the PIN are invited to Tender.

53. Reserved Contracts

53.1 The Council may reserve the right to restrict participation in a procurement procedure:

- a. to sheltered workshops and organisations whose main aim is the social and professional integration of disabled or disadvantaged people or who are able to perform the contract within as part of a sheltered employment programme. In order to qualify to bid for a reserved contract at least 30% of the organisation's employees or the employees of the workshop must be disabled or disadvantaged workers; or

- b. for certain social and other specific services to economic operators fulfilling the criteria to be considered a Social Enterprise or Public Service Mutual. Where this is the case contracts must not be put in place for more than 3 years and may not be awarded to an economic operator that has held the same reserved contract within the past 3 years.

54. Award of Contracts for Social and Other Specific Services¹

54.1 Contracts for social and other specific services may be tendered using a light touch regime. The opportunity must be advertised by means of either a Contract Notice or Prior Information Notice and the results of the tender must be made known by the publication of a Contract Award Notice.

54.2 The resultant procurement does not have to meet the requirements set out in the Public Contracts Regulations in relation to the procedure used, conditions of participation or timescales, but it must be reasonable and proportionate and the process must be undertaken in accordance with these Contract Procedures.

55. Procurement Procedures

55.1 The most appropriate procurement procedure should be selected from the following:

Procedure	Definition
Open	A procedure leading to the award of a contract whereby all interested economic operators may submit a tender without providing the opportunity to short list.
Restricted	NOT PERMITTED FOR BELOW REGULATED PROCUREMENT THRESHOLD SPEND A two-stage procedure leading to the award of a contract, the first stage following a pre selection process which determines the economic operators who are subsequently invited to submit a tender.
Competitive Procedure with Negotiation	A restricted procedure (as detailed above) with the addition of the ability to negotiate with economic operators at the award stage. This is to be used only where the requirements are not sufficiently defined to enable award of a contract based on the specification and the project is not sufficiently complex to warrant Competitive Dialogue.

¹ Officers should refer to Procurement Team for details of the services to which this applies.

Competitive Dialogue	A flexible procurement procedure for use only in complex projects where there is a need for the Council to discuss all aspects of the proposed contract with economic operators.
Innovation Partnership	A procedure to be used only where the Council is aiming to develop an innovative product, service or works, which it then has the intention of purchasing. This may involve a number of partners and different phases of development.
Framework Agreement	An ‘umbrella agreement’ that sets out the terms under which individual contracts (call-offs) can be made through the period of the agreement.
Dynamic Purchasing System	A completely electronic system, which may be established by the Council and is open throughout its duration for the admission of economic operators and is used to purchase commonly used goods, works or services.

56. Collaborative Arrangements

56.1 Where it is of benefit to the Council, taking into account any adverse affect on the local economy or voluntary sector, opportunities to collaborate with other public bodies on procurement processes should be sought.

56.2 Where a collaborative procurement process occurs, it is the Procedures/governance arrangements of the public body leading the procurement which will apply unless the lead body specifically agrees otherwise.

56.3 Where an appropriate collaborative national or regional contract is available to use, consideration must be given to utilising these contracts, taking into account any adverse affect on the local economy or voluntary sector.

57. Council-wide Contracts

57.1 Council-wide contracts are contracts that have been put in place for across Council use in relation to commonly and frequently purchased goods, works and services, such as stationery, agency staff, catering and car-hire.

57.2 Prices and terms have been agreed to achieve value for money for the Council as a whole and the Council is legally obliged to use these contracts once they have been put in place.

57.3 Council-wide contracts may also take the form of an approved list or framework agreement. Use of these approved lists and framework agreements are mandated where they have been put in place to facilitate corporate spending. Refer to paragraph 58 (Approved Lists) and paragraph 59 (Framework Agreements).

57.4 Council-wide contracts, approved lists and framework agreements enable direct purchasing and avoid the administrative costs and time involved in sourcing and purchasing goods and services with individual suppliers. The administrative costs and time taken can negate any savings on goods or services that can sometimes be found cheaper elsewhere.

58. Approved Lists

58.1 The set up and use of approved lists are restricted to a contract value below the Regulated Procurement Spend Threshold. See paragraph 45 (Estimated Value of the Procurement) for how a contract value is calculated. The approved list may have a single economic operator or multiple economic operators.

58.2 The approved list must only be set up following a procurement process in accordance with these Procedures. All approved lists must be maintained in an open, fair and transparent manner.

58.3 Call offs from the approved list must be in accordance with the terms laid out in the approved list.

59. Framework Agreements

59.1 Framework agreements are umbrella agreements under which individual contracts can be called-off either through a further competition or direct award, dependent on the terms of the agreement. The framework agreement may have a single economic operator or multiple economic operators and may have multiple lots.

59.2 The use of framework agreements, set up by either the Council or other public bodies, may be mandated for certain categories of spend. Call-offs from the framework agreement must be in accordance with the terms laid out in the framework agreement.

59.3 Framework agreements set up by third party organisations may only be utilised once written approval has been obtained from Procurement, Contract Management & Commissioning, who will undertake the necessary checks to ensure the Council is legally able to use it.

59.4 Framework agreements established by the Council will be procured in accordance with the Public Contracts Regulations. If the intention is to share access to the framework with other Public Bodies, these must be appropriately named within the tender documentation and a user agreement must be signed by the public body before they are able to utilise it.

59.5 Call offs from the framework must be in accordance with the terms laid out in the framework agreement.

60. Central Purchasing Bodies

60.1 The Council may procure goods services or works through a central purchasing body once written approval has been obtained from Procurement, Contract Management & Commissioning, who will undertake the necessary checks to ensure the Council is legally able to use it.

60.2 Where the Council undertakes procurement through such a body it shall be deemed to have complied with the Regulations to the extent that the central purchasing body has complied with them.

61. Contracts with other Public Sector Bodies*61.1 Contracts Awarded to Organisations Controlled by the Council*

The Council is able to directly award a contract, without the requirement for a procurement procedure, to an organisation over which it exercises direct control, in its own right or jointly with other public bodies, where:

- a. the Council has control over both the strategic objectives and significant decisions of the organisation (either directly or indirectly through another organisation it controls); and
- b. more than 80% of the activities carried out by the organisation are on behalf of the Council, i.e. the organisation generates 80% of its income from the Council or activities undertaken on behalf of the Council; and
- c. there is no direct private capital participation in the organisation that gives the private capital provider any control over the organisation.

An organisation directly controlled by the Council may also make a direct award of a contract to the Council, where the above criteria are met.

61.2 Contracts Awarded to Other Public Sector Bodies

The Council is able to directly award a contract, without the requirement for a procurement procedure, to other public bodies where:

- a. the Contract establishes co-operation between the public bodies with the aim of ensuring any public services they have to perform are able to achieve shared objectives; and
- b. that co-operation is governed solely by considerations relating to the public interest; and
- c. less than 20% of the activities that will be undertaken are performed on the open market.

E. Tender Preparation**62 Tender Pack**

- 62.1 Standard templates and guidance on completing the templates for the procurement of goods, services and works are maintained and developed by Procurement, Contract Management & Commissioning . These are available to Officers on request from Procurement, Contract Management & Commissioning.
- 62.2 Officers are required to use the current version of standard templates for each procurement process undertaken.
- 62.3 Where a variation to a standard template is required the Officer should consult with Procurement, Contract Management & Commissioning prior to any changes being made.

63. Consortia

- 63.1 Officers may require members of the consortium to assume a specific legal form if awarded the contract, to the extent that it is necessary for the satisfactory performance of the contract.
- 63.2 Where economic operators are proposing to create a separate legal entity, such as a special purpose vehicle (SPV), they should provide details of the actual or proposed percentage shareholding of the constituent members within the new legal entity as part of their tender submission.
- 63.3 All members of the consortium will be required to provide the information required in all sections of the 'selection' section of the tender response as part of a single composite response.
- 63.4 Consortium arrangements may be subject to future changes. Economic operators can provide updated information regarding these arrangements so that a further assessment can be carried out (by applying the selection criteria to the new information provided). The Council reserves the right to deselect the economic operator prior to any tender award, based on an assessment of the updated information.

64. Sub Contracting

- 64.1 Where the economic operator proposes to use one or more sub-contractors to deliver some or all of the contract requirements, the economic operator must provide information regarding members of the supply chain, the percentage of work being delivered by each sub-contractor and the key contract deliverables each sub-contractor will be responsible for.
- 64.2 Arrangements in relation to sub-contracting may be subject to future change and may not be finalised until a later date. However, where information provided in the tender submission indicates that sub-contractors are to play a significant role in delivering key contract requirements, any changes to those sub-contracting arrangements may

affect the ability of the economic operator to proceed with the procurement process or to provide the supplies and/or services required. Therefore economic operators should notify the Council immediately of any change in the proposed sub-contractor arrangements. The Council reserves the right to deselect the economic operator prior to any tender award, based on an assessment of the updated information.

65. Economic Operator Financial Risk Issues

65.1 Financial Information

The financial assessment must be undertaken in a manner that is proportionate, flexible and not overly-risk averse. All economic operators, whatever their size or constitution, should be treated fairly and with equal diligence during the financial appraisal process and arbitrary minimum requirements should not be imposed which may have the unintended effect of barring new business from tendering. For example: no SMEs, public service mutuals or third sector organisations should not be inadvertently disadvantaged by the financial assessment process.

65.2 Officers must refer to the Procurement Guidance and Standard Tender Templates for further guidance regarding the financial assessment process.

65.3 Business Insurance Requirements

Officers must seek advice from Insurance Services with regard to the appropriate types and levels of insurance required for each contract. The resultant requirements must be stipulated in the tender documents and contract.

65.4 Bonds and Guarantees

Guarantees and bonds can be either financial or performance guarantees, or a hybrid of both. However, with the exception of pension bonds, they only come into effect after the economic operator has failed to perform its Contractual obligations,

1. Deed of Guarantee - Officers must consult with the Procurement, Contract Management & Commissioning and Chief Finance Officer, at the outset of any procurement and at each stage of the process, on whether a deed of guarantee is required and:
 - (a) the total value of the contract exceeds £250,000;
 - (b) there is some concern about the stability of the economic operator.

Details of the Council's requirements must be clearly stated in the tender documents.

2. Parent Company Guarantee - Officers must consult with the Chief Finance Officer, at the outset of any procurement and at each stage of the process, on whether a Parent Company Guarantee is required when an economic operator is a subsidiary of a parent company and:
 - (c) the total value of the Contract exceeds £250,000;

- (d) award is based on evaluation of the parent company; or
- (e) there is some concern about the stability of the economic operator.

Details of the Council's requirements must be clearly stated in the tender documents.

3. Performance, Conditional or On Demand Bonds - Officers must consult with the Chief Finance Officer, at the outset of any procurement and at each stage of the process, on whether a Bond is required, where:

- (f) the total value of the Contract exceeds £1,000,000; or
- (g) it is proposed to make stage or other payments in advance of receiving the whole of the subject matter of the Contract; or
- (h) there is concern about the stability of the economic operator.

Details of the Council's requirements must be clearly stated in the tender documents.

4. Pension Bond - Where the Contract involves the transfer of Council staff to an external organisation Officers must consult with the Chief Finance Officer and Human Resources/Pension Service, at the outset of any procurement and at each stage of the process, on whether a Bond is required to cover potential pension liabilities.

Details of the Council's requirements must be clearly stated in the tender documents.

65.5 Other Performance Measures

Consideration must be given to what appropriate types of contract performance measures need to be in place as these will need to be clearly stated in the tender documents and the contract. The selection must be based upon a risk assessment and what is appropriate and proportionate and based upon a risk assessment and a consideration of the effect on SMEs and resultant bid costs.

- (a) Contract management and monitoring procedures;
- (b) Step in rights;
- (c) Liquidated Damages;
- (d) Default Payments;
- (e) Service Credits; and
- (f) Escrow arrangements.

Details of the Council's requirements must be clearly stated in the tender documents.

66. Contract Terms and Conditions

66.1 Advice should be sought in relation to the application of the most appropriate contract terms and conditions, which must be included as part of the procurement documents. They will either be:

- (a) An industry standard suite of Contracts, JCT, NEC, ICE
- (b) The Councils Standard Contract Terms and Conditions
- (c) Framework Agreements
- (d) Framework User Agreements
- (e) Call Off Contracts

Procurement, Contract Management & Commissioning will seek advice from Legal Services in relation to the appropriate application of Contract Terms and Conditions.

66.2 Council Standard Terms and Conditions

Clauses within the general terms and conditions section of the contract must not be amended, deleted or marked not applicable.

Clauses within the key provisions section of the contract may only be amended or marked not applicable in consultation with Procurement or Legal Services.

66.3 Review and Amendment of Contract Clauses

Contract clauses must not be amended once the tender process has commenced or following contract award without the approval of Procurement, Contract Management & Commissioning .

67. Evaluation Criteria

67.1 Contracts must be awarded on the basis of the evaluation criteria laid out within the tender, which consists of the following:

- a) Exclusion Grounds
- b) Selection Criteria
- c) Award Criteria

Selection and award criteria must be treated separately. All criteria, sub-criteria and weightings must be clearly detailed within the tender documents.

a) *Exclusion Grounds*

There are mandatory and discretionary grounds for excluding an economic operator from participating in a procurement process, in accordance with the Public Contract Regulations 2015. To protect the Council these grounds must be applied to all economic operators participating in procurement processes with an estimated procurement value of £50,000 or above.

Officers should refer to the Procurement Guidance for further information on the mandatory and discretionary exclusions.

b) *Selection Criteria*

The selection criteria may relate to:

- a. suitability to pursue a professional activity;
- b. economic and financial standing;
- c. technical and professional ability.

Requirements must be limited to those that are appropriate to ensure the economic operator has the legal and financial capacities and the technical and professional abilities to perform the contract to be awarded. In addition requirements must be proportionate to the value, subject matter and level of risk of the contract.

Officers must refer to the Procurement Guidance and Standard Tender Templates when establishing all selection criteria and these must be declared within the tender documents.

68. Reliance on the Capacity of Other Entities

68.1 Where an economic operator relies on the capacity of other entities in relation to economic and financial standing or technical and professional ability, Officers are required to obtain proof from the economic operator of the commitment of those other entities.

68.2 In some cases this will also involve the requirement for the other entity to respond some or all of the mandatory exclusions, discretionary exclusions and selection criteria, as appropriate to that entities involvement in the delivery of the contract.

68.3 Officers should refer to the Procurement Guidance for further information on this requirement.

69. Limiting the number of economic operators to be invited to Tender

69.1 In the Restricted, Competitive with Negotiation, Competitive or Innovation Partnership Procedures, Officers can limit the number of suitable economic operators to be invited to tender, following the assessment of the suitability criteria. The minimum number this can be limited to is five for restricted and three for all others.

69.2 Where the minimum number is not available, the number of economic operators invited must be sufficient to ensure genuine competition.

69.3 Officers must refer to the Procurement Guidance when establishing criteria for limiting the number of economic operators to be invited to tender.

70. Selection Questionnaire Template

70.1 Officers must use the appropriate standard Selection Questionnaire, which can be found within the tender pack, for all procurements where the estimated value of the procurement is above £50,000.

70.2 This Selection Questionnaire has been set up using a standard set of questions in accordance with guidance issued by the Cabinet Office under the Public Contract Regulations.

71. European Single Procurement Document

71.1 From 18 April 2017 the Council will be required to accept the European Single Procurement Document as preliminary evidence instead of certificates published by public authorities or third parties.

72. Award Criteria

72.1 The award of a contract must be based on the most economically advantageous tender assessed from the point of view of the Council.

72.2 The award criteria must be linked to the subject matter of the contract and ensure the possibility of effective competition.

72.3 Officers must refer to the Procurement Guidance for further information on award criteria.

73. Life Cycle Costing

73.1 Life cycle costs consist of all the costs over the life cycle of a product, service or work.

73.2 Where life cycle costing is used as one of the criteria for establishing the most economically advantageous tender this must be declared within the tender documents, including what data must be provided and the method that will be used to determine these costs.

73.3 Officers must refer to the Procurement Guidance for further information when using this criteria within their procurement process.

74. Use of Presentations, Interviews and Site Visits

74.1 Where presentations, interviews or site visits are necessary in enabling Officers to establish the most economically advantageous tender this must be declared within

the tender documents. The documents must clearly state the purpose and where applicable the criteria and weightings.

74.2 Where used, all economic operators must be included and all relevant information including questions must be issued to them in advance via the Electronic Tendering system. Officers must refer to the Procurement Guidance for further information when using this criteria within their procurement process.

F. Procurement Process

75 Electronic Tendering

75.1 All requests for quote between £25,000 and £50,000 must be conducted via the Council's Electronic Tendering System.

75.2 All procurement processes over the £50,000 spend threshold must be conducted via the Council's Electronic Tendering System.

75.3 Where it is determined that the use of the Electronic Tendering System is not appropriate for a particular procurement process, written approval must be obtained from Procurement, Contract Management & Commissioning.

75.4 For above Regulated Procurement spend threshold procurements, all tender documents must be offered unrestricted and with full direct access via the Council's Electronic Tendering System from the date the Find a Tender notice is published. There are exceptions regarding procurement documents which are confidential in nature. Refer to Procurement, Contract Management & Commissioning for advice in this instance.

76. Contracts Finder

76.1 In accordance with the Public Contracts Regulations and Transparency Code details of all advertised procurement processes with an estimated procurement value of £25,000 or above must be published on Contracts Finder either from the date the Find a Tender notice is published or for non Regulated Procurements, immediately after it is advertised via the Electronic Tendering System.

77 Tender Clarification

77.1 Clarification questions and responses during the tender process must be conducted via the Council's Electronic Tendering System. Unless the question is innovation based, the response must be provided to all economic operators. The identity of the economic operator who raised the question must remain confidential.

77.2 Clarification questions are limited to any questions relating to the tender documentation or to the procurement process as a whole. Questions relating to the negotiation of any of the substantive terms of the tender are not permitted.

77.3 Clarifications or refinements to the tender documents are permitted during a procurement process, provided that the tender documents are reissued via the Electronic Tendering system and the changes are clearly notified. The submission deadline must be reviewed and extended if the changes are significant.

78. Confidentiality of Tender Proposals

78.1 All details of tender submissions must remain private and confidential. External agents acting on behalf of the Council must sign a Confidentiality Agreement.

79. Submission, Receipt and Opening of Tenders

79.1 Tenders must be submitted via the Council's Electronic Tendering System and in accordance with the requirements set out in the tender documentation.

79.2 The Electronic Tendering System is set up to electronically seal tenders above £50,000. Verifiers are set up in the system, which are Officers who are able to electronically unseal tenders. Verification may only be undertaken by an authorised verifier who has duly been approved by the Monitoring Officer and Procurement, Contract Management & Commissioning.

79.3 All tenders shall be electronically unsealed at the same time, in the presence of an Officer and a verifier, after the prescribed submission date and time. The verifier must be independent of the procurement process.

79.4 The Electronic Tendering System keeps an electronic record of the tenders opened and automatically classifies tenders which have been received late, as in after the prescribed date and time.

80. Receiving Late, Irregular or Incomplete Tenders

80.1 A tender submission can be rejected for the following reasons, which must be laid out within the Tender document instructions:

- a. It is incomplete or vague;
- b. Is submitted later than the prescribed date and time;
- c. Not in accordance with the approved format;
- d. Is in breach of any condition contained within it.

80.2 Where there are errors or discrepancies in the tender response, the economic operator must be given the details, via post tender clarification, in order to confirm or withdraw the submission. A correction of an error or omission submitted via the Electronic Tendering System can be accepted if it is determined that the economic operator has gained no unfair advantage.

80.3 A late tender submission must not be accepted unless prior written approval has been obtained from Procurement, Contract Management & Commissioning . This will only be provided for procurement processes below the Regulated Procurement

Spend Thresholds and where it can be determined that an unfair advantage has not been gained from it being late.

81. Abnormally Low Tenders

- 81.1 Where a price has been assessed as being abnormally low the Council must require the economic operator to explain the price proposed, taking into account if a risk of modern slavery has been identified. The Council must take into account the guidance given within the Public Contracts Regulations when assessing the economic operator's explanation and may only reject the tender where the evidence provided does not satisfactorily account for the low price or where the economic operator has obtained state aid and that state aid has resulted in a distortion in competition.
- 81.2 Where necessary, in order to appropriately evaluate the evidence provided, the Officer should seek advice from Corporate Finance. The Officer should also seek guidance from Procurement, Contract Management & Commissioning in relation to satisfactory grounds for acceptance or rejection.

82. Tenders Exceeding Estimate

- 82.1 Where the budget has not been declared within the tender and submitted tenders exceed the estimate or budget approval to proceed with the tender evaluation must be obtained as per the Approval to proceed Criteria in paragraph 38 (Approval to Proceed with the Procurement Process).
- 82.2 If the lowest tender obtained exceeds the threshold applicable to the process selected, written approval to proceed must be obtained from Procurement, Contract Management & Commissioning or the procurement process must be restarted or abandoned.
- 82.3 Where the maximum budget has been declared the tender documents must state the requirement for all bids to be within that stated budget and any bids exceeding the stated budget will be excluded from the process. If any economic operator's bid is found to exceed the stated budget that economic operator shall be excluded from any further participation in the process.

83. Tender Evaluation

- 83.1 All tender submissions received must be evaluated in accordance with the pre determined evaluation criteria, set out in the invitation to tender documents issued. Criteria, sub criteria, weightings and the attributed breakdown must not be changed from what was published in the tender documents and must be applied consistently for all tender submissions.
- 83.2 Tender evaluation processes must be recorded on a suitable evaluation matrix and once completed uploaded to the Council's Electronic Tendering System. All criteria, sub criteria and scoring must be detailed for each tender submission to enable a complete assessment of what scores are attributed to each criteria set. Reasons

for scores allocated must be recorded which provides an appropriate justification and is used to complete the tender outcome letter.

- 83.3 An evaluation process for every compliant tender received must be fully completed. It must not be stopped part way through because it has been assessed that they won't be successful. Economic operators are entitled to a full assessment of the submission, which must be provided in their tender outcome letter and available to facilitate a de brief if requested. Officers must not provide tender feedback to economic operators without the prior approval of Procurement, Contract Management & Commissioning.

84. Reliance on the Capacities of Other Entities

- 84.1 Where the economic operator is reliant on the skills, professional qualifications or financial standing of other entities in order to perform the contract, those other entities must be evaluated against any SQ or Selection Criteria relevant to that reliance.
- 84.2 Where there are grounds for the mandatory exclusion of an entity or does not meet the relevant criteria the economic operator must be required to replace that entity and an assessment of the replacement entity against the relevant criteria must be undertaken.

85. Post Tender Clarification

- 85.1 Post tender clarification means clarification with the economic operators after the tender has been submitted and only for the purpose of clarifying the content of their tenders or the requirements of the Council, providing this does not involve discrimination.
- 85.2 Negotiations on fundamental aspects of the tender submission, including the contract terms and conditions and variations in which are likely to distort competition, and in particular on prices, are not permitted.
- 85.3 Post tender clarifications must be conducted via the Council's Electronic Tendering System or via a formal meeting with an electronic record held. Consideration must be given as to whether the question relates and should be asked to just one or all economic operators.
- 85.4 If post tender clarification results in a material change to the contract, written approval to proceed must be obtained from Procurement, Contract Management & Commissioning or the procurement process must be restarted or abandoned.

86. Approval to Award the Tender

- 86.1 In accordance with the stated evaluation criteria, approval to proceed with the tender award must be obtained as per the Approval to Proceed Criteria in paragraph 38 (Approval to Proceed with the Procurement Process).

86.2 The approval must be formally documented and signed, using the Contract Approval Request Form, available to Officers on request from the Procurement, Contract Management & Commissioning.

86.3 If a decision is reached to not award the tender, the Officer must advise all economic operators, via the Electronic Tendering System, detailing the reason for the decision.

87. Tender Outcome Notifications

87.1 All successful and unsuccessful economic operators must be notified of the tender award decision at the same time, via the Electronic Tendering System. Suitable template formats are available from Procurement, Contract Management & Commissioning.

87.2 The unsuccessful notification must provide:

- a. The full reasons for the tender award decision and should include: the characteristics and relative advantages of the successful tender.
- b. The identity of the successful economic operator.
- c. The percentage breakdown score of the evaluation criteria and sub criteria for the economic operator receiving the notice, and for the economic operator who has been awarded the tender.
- d. The start and end date of the standstill notice must also be included, if applicable, see paragraph 88 (Standstill).

Any further written or verbal debriefing must not be offered within the notification or at any other time and Officers must immediately refer any such enquiries from economic operators to Procurement, Contract Management & Commissioning.

88. Standstill

88.1 For procurement processes that are above Regulated Procurement Spend Thresholds, a mandatory minimum standstill period of 10 calendar days (which must start and end on a working day), from notification of the tender outcome, before the resultant contract can be entered into.

88.2 Following the completion of the standstill period, an Award Notice must be published on Find a Tender and Contracts Finder, these are submitted via the Council's Electronic Tendering System, refer to paragraph 76 (Electronic Tendering).

89. Contracts Finder

89.1 In accordance with the Public Contracts Regulations and Transparency Code details of all contracts awarded with a value of £25,000 or above must be published on Contracts Finder either from the date the Find a Tender award notice is

published or for Non-Regulated Procurements, immediately after the tender outcome notifications.

90. Debriefing

- 90.1 Any requests for further written or verbal debriefing, or any complaints, correspondence, threat of legal challenge or court proceedings must be immediately notified to Procurement, Contract Management & Commissioning who will provide the necessary advice and guidance on how to proceed.

G. Contracts Arrangements

Note: This Procedure (so far as it relates to Contracts entered in the course of the discharge of executive functions) complies with the requirements of Article 8 of the Local Authorities (Executive and Alternative Arrangements) (Modifications of Enactments and Further Provisions) (England) Order 2001 (SI 1517/2001) and power to modify this Procedure may not be delegated by the Council.

91 Contracts

- 91.1 Any Contract with a value exceeding £25,000 entered into on behalf of the Council in the course of discharge of any function (whether executive or Council) shall be made in writing (and in a form in accordance with Financial Regulations and these Procedures).
- 91.2 All Contracts with a value exceeding £50,000 must be made under the common seal of the Council attested by at least one Officer.
- 91.3 Where a procurement process was undertaken, the contract terms and conditions must be those that were issued within the tender pack.
- 91.4 The economic operator's terms and conditions may only be used in exceptional circumstances and must be reviewed and approved through Procurement, Contract Management & Commissioning, who will liaise with Legal Services on behalf of the Officer as required, before the contract can be signed.

CODE OF CONDUCT**PART 1 GENERAL PROVISIONS****1. Public Duty and Interests: An introduction**

1.1 This Code applies to you as a Member or a Co-opted Member of the Council of the Borough of Torbay ('the Council'). For the purposes of this code references to 'Member' or 'Member of the Council' include Co-opted members unless otherwise stated. A Co-opted Member means a person who is not a member of the authority but who:

- (a) is a member of any committee or sub-committee of the authority, or
- (b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee.

1.2 When acting in your capacity as a Member of the Council, you should have regard to the Principles of Public Life namely, Selflessness, Honesty/Integrity, Objectivity, Accountability, Openness, Personal judgment, Respect for others, Duty to uphold the law, Stewardship and Leadership. An explanation of what compliance with each of these principles requires is included at Appendix A.

2. Purpose of the Code of Conduct

2.1 The purpose of this Code of Conduct is to assist you, as a Member, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow members, officers and the reputation of the Council. It sets out general principles of conduct expected of all Members and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of elected Member and local government.

2.2 As a Member you must promote and support high standards of conduct when serving in your public post. You should exhibit the principles in your own behaviour, actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

2.3 You are accountable to the public for your decisions and actions, whilst you may be strongly influenced by the views of others, it is your responsibility alone to decide what view to take on any issue which Members have to decide. You must not do anything as a Member which you could not justify to the public.

2.4 It is your responsibility to comply with the provisions of this Code.

3. Application of the Code of Conduct

3.1 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

3.2 You must comply with this Code whenever you are acting in your capacity as a Member, when:

(a) you are engaged on the business of the Council; or

(b) you behave so as to give a reasonable person the impression that you are acting as a representative of the Council or in your capacity as a Member.

3.3 The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings;
- at virtual or telephone meetings;
- in written communication;
- in verbal communication;
- in non-verbal communication; and
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a Member.

3.4 The Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct.

4. Minimum Standards of Member Conduct

4.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a Member. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

4.2 General Conduct:

You **must**:

(a) treat others with courtesy and respect.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Member, you can express, challenge, criticise and

disagree with views, ideas, opinions and policies in a robust but civil manner. However, you must not subject individuals, groups of people or organisations (including fellow Members, officers and/or their relatives) to personal remarks, comments or attacks.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Members. Consider your own language and attitudes towards others, and think before making comments. Are you being fair? Are you being respectful? Are you behaving like a good role model? What may be acceptable to you may be offensive to others.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow Members, where action could then be taken under this Member Code of Conduct, and local authority employees, where concerns should be raised in line with the Members and Officers Local Protocol.

- (b) be truthful and declare any interests, whether disclosable pecuniary or personal, that relate to your public duties and must take steps to resolve any conflicts arising in a way that protects the public interest, including registering and declaring interests in a manner conforming with the procedures set out at Part 2 of this Code;
- (c) when reaching decisions on any matter, do so on the merits of the circumstances and in the public interest and have reasonable regard to any relevant advice provided to you by an officer of the Council; and
- (d) have regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986 or any similar Communications Protocol or Code produced by the Council (as set out at Appendix C).

4.3 As a Member:

You **must not**:

- (a) bully or harass any person

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include

repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

- (b) attempt to use your position as a Member improperly to confer on or secure for yourself or any other person, an advantage or disadvantage;

Your position as a member of the Council provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

You must not place yourself under a financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties.

- (c) do anything which compromises or is likely to compromise the impartiality of those who work for, or on behalf of, the Council;

Officers work for the Council as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

- (d) misuse Council resources or when using the resources of the Council ensure that such resources are not used improperly for political purposes (including party political purposes), business or personal gain and that any use is in accordance with the Council's reasonable requirements and in accordance with its Policies.

As a Member you may be provided with resources and facilities by the Council to assist you in carrying out your duties as a member.

Examples may include:

- office support;
- equipment such as phones, and IT equipment;
- transport; and
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a member more effectively.

- (e) do anything which may cause the Council to breach a statutory duty or any of the equality enactments (as defined in section 149 of the Equality Act 2010 the requirements of which are included at Appendix B);

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Members have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

- (f) disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where –
- (i) you have the consent of a person authorised to give it;
 - (ii) you are required by law to do so;
 - (iii) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
 - (iv) the disclosure is –
 - (A) in the public interest; and
 - (B) made in good faith; and
 - (C) in compliance with the reasonable requirements of the Council;
- (g) prevent another person from gaining access to information to which that person is entitled by law.

The Council must operate in an open and transparent manner, and the Council's proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the Council must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

- (h) conduct yourself in a manner or behave in such a way so as to give a reasonable person the impression that you have brought your office or the Council into disrepute.

As a Member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other members and/or the Council and may lower the public's confidence in you or the Council's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.

You are able to hold the Council and members to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Council whilst continuing to adhere to other aspects of this Code of Conduct.

5. Complying with the Code of Conduct

5.1 As a Member of Torbay Council:

- You will undertake Code of Conduct training as required by Torbay Council.
- You will co-operate with any Code of Conduct investigation and/or determination.
- You will not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- You are required to respond to any sanction imposed on you following a finding that you have breached the Code of Conduct.

5.2 It is extremely important that as a Member of Torbay Council you demonstrate high standards. A Member's actions are open to scrutiny, it is therefore important that you do not undermine public trust in the Council or its governance processes. If you do not understand or are concerned about the Council's processes in handling a complaint you should raise the issue with the Monitoring Officer.

(c) any contract which is made between you or, so far as you are aware, a relevant person (as defined at Para 2 above) (in which the relevant person has a beneficial interest) and the Council:

- (1) under which goods or services are to be provided or works are to be executed; and

- 7.4 Where the Council’s Monitoring Officer agrees that any information relating to your interests is “*sensitive information*” namely information whose availability for inspection by the public is likely to create a serious risk that any person may be subjected to violence or intimidation, you need not include that information when registering that interest, or, as the case may be, any change to that interest.
- 7.5 You must, within 28 days of becoming aware of any change of circumstances which means that information excluded is no longer sensitive information, notify the Council’s Monitoring Officer asking that the information be included in the Council’s Register of Members’ Interests.

8. Declaration of Interests

- 8.1 Unless a dispensation has been granted, you may not participate in any discussion of, vote on, or discharge any function which relates to or is likely to affect any matter in which you have a disclosable pecuniary interest as defined by Regulations referred to at Para 6(b)(i) .
- 8.2 Where you have any interest in business of the Council and you attend a meeting at which that business is to be considered, you must:

given, before the end of 28 days beginning with the day on which the person becomes a member or co-opted member of the authority,

(b) failing to disclose a disclosable pecuniary interest to a meeting which has not been previously notified to the monitoring officer and if that interest is not the subject of a pending notification, failing to notify the authority's Monitoring Officer of the interest before the end of 28 days beginning with the date of the disclosure

(c) participating, or participating further, in any discussion of a matter in which a member has a disclosable pecuniary interest

(d) participating in any vote, or further vote, taken on the matter at the meeting in which a member has a disclosable pecuniary interest

8.4 You are also required to consider, before taking any decision, whether there is potential for legal challenge on the basis of you having any apparent bias, pre-determination or pre-disposition associated with the decision. The Local Code of Good Practice – Members and Council Officers Involved in the Planning Process provides further guidance on bias, pre-determination and pre-disposition.

Appendix C

Local Authority Code of Publicity

Introduction

1. This code applies to all local authorities in England specified in section 6 of the Local Government Act 1986 and to other authorities in England which have that provision applied to them by other legislation. Where the term “local authorities” is used in this code it should be taken as referring to both those categories of authority. References to “the Act” are to the Local Government Act 1986.

2. Local authorities are required by section 4(1) of the Act to have regard to the contents of this code in coming to any decision on publicity. Section 6 of the Act defines publicity as “any communication in whatever form, addressed to the public at large or a section of the public”. The code therefore applies in relation to all decisions by local authorities relating to paid advertising and leaflet campaigns, publication of free newspapers and newsheets and maintenance of websites – including the hosting of material which is created by third parties.

3. Nothing in this code overrides the prohibition by section 2 of the Act on the publication by local authorities of material which in whole or in part appears to be designed to affect public support for a political party. Paragraphs 21 to 24 offer some guidance for local authorities on the management of publicity which may contain or have links to party political material.

Principles

4. Publicity by local authorities should:-

- be lawful
- be cost effective
- be objective
- be even-handed
- be appropriate
- have regard to equality and diversity
- be issued with care during periods of heightened sensitivity

Lawfulness

5. Local authorities should ensure that publicity complies with all applicable statutory provisions. Paid-for advertising must comply with the Advertising Standards Authority’s Advertising Codes.

6. Part 3 of the Communications Act 2003 prohibits political advertising on television or radio. Local authorities must ensure that their publicity does not breach these restrictions.

7. Section 125 of the Political Parties, Elections and Referendums Act 2000 places a specific restriction on the publication by a local authority of material relating to a referendum under Part 7 of that Act, during the period of 28 days immediately before the referendum is held.

8. Regulation 5 of the Local Authorities (Conduct of Referendums) (England) Regulations 2007 (S.I. 2007/2089) prohibits local authorities from publishing material in the 28 days immediately before a referendum which expresses support for, or opposition to a particular answer to a referendum question relating to the constitutional arrangements of the authority.

9. Regulation 15 of the Local Authorities (Referendums, Petitions and Directions) (England) Regulations 2000 (S.I. 2000/2852) prohibits local authorities from incurring expenditure to publish material which appears designed to influence people in deciding whether or not to sign a petition relating to the constitutional arrangements of the authority, or to assist others to publish such material.

Cost effectiveness

10. In relation to all publicity, local authorities should be able to confirm that consideration has been given to the value for money that is being achieved, including taking into account any loss of potential revenue arising from the use of local authority-owned facilities to host authority publicity.

11. In some circumstances it will be difficult to quantify value for money, for example where the publicity promotes a local amenity which is free to use. In such a case authorities should be able to show that they have given thought to alternative means of promoting the amenity and satisfied themselves that the means of publicity chosen is the most appropriate.

12. If another public authority, such as central government, has issued publicity on a particular topic, local authorities should incur expenditure on issuing publicity on the same matter only if they consider that additional value is achieved by the duplication of that publicity. Additional value might be achieved if locally produced publicity gives a local context to national issues.

13. The purchase of advertising space should not be used as a method of subsidising voluntary, public or commercial organisations.

14. Local authorities should consider whether it is appropriate to seek advice from economic analysts, public relations experts or other sources of expert advice before embarking on a publicity campaign involving very large expenditure.

Objectivity

15. Local authorities should ensure that publicity relating to policies and proposals from central government is balanced and factually accurate. Such publicity may set out the local authority's views and reasons for holding those views, but should avoid anything likely to be perceived by readers as constituting a political statement, or being a commentary on contentious areas of public policy.

16. Any publicity describing the council's policies and aims should be as objective as possible, concentrating on the facts or explanation or both. Local authorities should not use public funds to mount publicity campaigns whose primary purpose is to persuade the public to hold a particular view on a question of policy. It is acceptable for local authority publicity to correct erroneous material which has been published by other parties, despite the fact that the material being corrected may have been published with the intention of influencing the public's opinions about the policies of the authority. Such publicity should seek to explain the facts in an objective manner.

17. Where paid-for advertising is used by local authorities, it should be clearly identified as being advertising. Paid-for advertising, including advertisements for the recruitment of staff, should not be used in any publication owned or controlled by a political party.

18. Advertisements for the recruitment of staff should reflect the tradition of political impartiality of local authority employees and should not (except in the case of advertisements relating to the appointment of staff pursuant to section 9 of the Local Government and Housing Act 1989 (assistants for political groups)) refer to any political activities or affiliations of candidates.

Even-handedness

19. Where local authority publicity addresses matters of political controversy it should seek to present the different positions in relation to the issue in question in a fair manner.

20. Other than in the circumstances described in paragraph 34 of this code, it is acceptable for local authorities to publicise the work done by individual members of the authority, and to present the views of those individuals on local issues. This might be appropriate, for example, when one councillor has been the "face" of a particular campaign. If views expressed by or attributed to individual councillors do not reflect the views of the local authority itself, such publicity should make this fact clear.

21. It is acceptable for local authorities to host publicity prepared by third parties – for example an authority may host a blog authored by members of the authority or a public forum on which members of the public may leave comments. Maintenance by a local authority of a website permitting the posting of material by third parties constitutes a continuing act of publication by that local authority which must accordingly have a system for moderating and removing any unacceptable material.

22. It is generally acceptable for local authorities to host publicity, such as a blog, which itself contains links to external sites over which the local authority has no control where the content of those sites would not itself comply with this code. This does not

amount to giving assistance to any person for the publication of material which local authorities are not permitted to publish. However, particular care must be taken by local authorities during the period before elections and referendums to ensure that no breach of any legal restriction takes place. It may be necessary to suspend the hosting of material produced by third parties or public forums which contain links to impermissible material during such periods.

23. It is acceptable for publicity containing material prepared by third parties and hosted by local authorities to include logos of political parties or other organisations with which the third parties are associated.

24. It is acceptable for publicity produced or hosted by local authorities to include a logo associated with a particular member of the authority, such as the leader of the authority. Publicity material produced by local authorities relating to a particular member must not seek to affect public support for that individual.

25. Where local authorities provide assistance to third parties to issue publicity they should ensure that the principles in this code are adhered to by the recipients of that assistance.

Appropriate use of publicity

26. Local authorities should not incur any expenditure in retaining the services of lobbyists for the purpose of the publication of any material designed to influence public officials, Members of Parliament, political parties or the Government to take a particular view on any issue.

27. Local authorities should not incur expenditure on providing stands or displays at conferences of political parties for the purpose of publicity designed to influence members of political parties to take a particular view on any issue.

28. Local authorities should not publish or incur expenditure in commissioning in hard copy or on any website, newsletters, newssheets or similar communications which seek to emulate commercial newspapers in style or content. Where local authorities do commission or publish newsletters, newssheets or similar communications, they should not issue them more frequently than quarterly, apart from parish councils which should not issue them more frequently than monthly. Such communications should not include material other than information for the public about the business, services and amenities of the council or other local service providers.

29. Publicity about local authorities and the services they provide should be freely available to anyone who wishes to receive such information in a format readily accessible and understandable by the person making the request or by any particular group for which services are provided.

30. All local authority publicity should clearly and unambiguously identify itself as a product of the local authority. Printed material, including any newsletters, newssheets

or similar publications published by the local authority, should do this on the front page of the publication.

Equality and diversity etc

31. Publicity by local authorities may seek to influence (in accordance with the relevant law and in a way which they consider positive) the attitudes of local people or public behaviour in relation to matters of health, safety, crime prevention, race relations, equality, diversity and community issues.

32. Local authorities should consider how any publicity they issue can contribute to the promotion of any duties applicable to them in relation to the elimination of discrimination, the advancement of equality and the fostering of good relations.

Care during periods of heightened sensitivity

33. Local authorities should pay particular regard to the legislation governing publicity during the period of heightened sensitivity before elections and referendums – see paragraphs 7 to 9 of this code. It may be necessary to suspend the hosting of material produced by third parties, or to close public forums during this period to avoid breaching any legal restrictions.

34. During the period between the notice of an election and the election itself, local authorities should not publish any publicity on controversial issues or report views or proposals in such a way that identifies them with any individual members or groups of members. Publicity relating to individuals involved directly in the election should not be published by local authorities during this period unless expressly authorised by or under statute. It is permissible for local authorities to publish factual information which identifies the names, wards and parties of candidates at elections.

35. In general, local authorities should not issue any publicity which seeks to influence voters. However this general principle is subject to any statutory provision which authorises expenditure being incurred on the publication of material designed to influence the public as to whether to support or oppose a question put at a referendum. It is acceptable to publish material relating to the subject matter of a referendum, for example to correct any factual inaccuracies which have appeared in publicity produced by third parties, so long as this is even-handed and objective and does not support or oppose any of the options which are the subject of the vote.

Appendix D

Interests and Outside Organisations

You may be appointed by the Council onto an organisation (referred to as an ‘outside organisation’) in one of two roles:-

1. **General member:** where you take no part in the management or governance of the outside organisation and your role is only to attend and vote at general meetings of the outside organisation on behalf of the Council; or
2. **Full member:** Where you are appointed as a member of the board of directors; managing trustees or management committee and therefore take part in the management and governance of the outside organisation.

Things you need to do:

If you are appointed onto an outside organisation you must ensure that it is included in your register of interests within 28 days of your appointment. It is your responsibility to ensure that this is done.

Declaring interests

Where you are as a ‘general member’ (appointed only to attend and vote at general meetings of the outside organisation on behalf of the Council) it is unlikely you will have a disclosable pecuniary interest in matters arising at any of the Council’s meetings which may affect that outside organisation, although you will have a personal interest.

Where you are appointed as a ‘full member’ (appointed member of the board of directors; a managing trustee or on to the management committee) of an outside organisation you are likely to have a disclosable pecuniary interest where an issue being discussed at any of the Council’s meetings which affects the financial interests of that outside organisation.

In either capacity when you are appointed to an outside organisation you must comply with the Members’ Code of Conduct in so far as it does not conflict with any lawful obligations to which the outside organisation may be subject.

Conflicts of interest

Where you are a ‘full member’ (appointed as a member of the board of directors; a managing trustee or on to the management committee of an organisation) you may have duties that you owe to that outside organisation as well as the duties you owe to the Council. For example the duties of company directors are now expressly set out in the Companies Act 2006.

In the event of a conflict of those duties you must balance the duties you owe to the Council and to that of the outside organisation and make your decision accordingly. If you are not sure of your position you should seek legal advice from the Council's Monitoring Officer or a solicitor.

If the outside organisation is a company, its Articles of Association will have details of how conflicts of interests should be dealt with and it is possible that a charity or other organisation that is not a company will have a trust deed or constitution that gives similar details. If you comply with these rules when you have a conflict of interest, you are unlikely to be in breach of your duties to that outside organisation. If you are not sure of your position you should seek legal advice from the Council's Monitoring Officer or a solicitor.

Joint Statement of Conduct by Elected Members

Adopted by Annual Council, May 2022

Introduction

The Jo Cox Foundation and the Committee for Standards in Public Life have prepared the Joint Statement of Conduct, a high-level statement of principle which all political parties in Westminster have signed up to. The Joint Standard seeks to agree on a responsible framework for legitimate public debate and to help protect candidates during an election campaign. It sits alongside party codes of conduct and asks for minimum standards of behaviours expected at all times.

At a local level, Torbay Council also supports and expects high levels of conduct and has adopted the following Joint Statement for conduct of its members to sit alongside and support the Members' Code of Conduct and Local Protocols.

The Joint Statement of Conduct

1. Representative democracy is a central and valued characteristic of our way of life. We believe it is in the interests of us all for Parliament and Local Authority's to reflect the diverse population it serves so that decisions that impact the public reflect the realities of life in the UK. In recent years, intimidation (see Annex A) experienced by Parliamentary candidates and others in public life has increased and has threatened the diversity, integrity, and vibrancy of our democracy.
2. This joint statement on conduct of Councillors (the Statement), Members' Code of Conduct and Local Protocols sets out the minimum standards of behaviour we expect from Councillors at all times.
3. The Seven Principles of Public Life (the Nolan Principles) - selflessness, integrity, objectivity, accountability, openness, honesty and leadership - have long been the basis for ensuring high standards in public life. This is the context for the behaviours set out below.

4. Councillors will aspire to:
 - a) take responsibility for setting an appropriate tone for campaigning and communication;
 - b) lead by example to encourage and foster constructive democratic debate and tolerance of other points of view; and
 - c) promote and defend the dignity of others, including political opponents, treating all people with courtesy and respect.

5. As a minimum, Councillors will not engage in intimidation by:
 - a) using or threatening violence or other unlawful force;
 - b) damaging property or making threats to damage property;
 - c) engaging in bullying, harassment or victimisation, or unlawfully discriminating against another person or group;
 - d) using abusive or threatening words or behaviour, including the use of hateful or sexualised language or imagery;
 - e) making vexatious or malicious allegations of illegal or improper conduct; or
 - f) using violent metaphors or allusions to violence.

6. Councillors are expected to challenge unacceptable behaviour wherever it occurs.

7. Behaviour that falls within the unacceptable behaviour listed in this Statement will be dealt with under Torbay Council's Members Code of Conduct.

8. In some cases, including but not limited to offences against the person and damage to property, as well as credible threats of violence, the behaviour may be illegal. We will refer any breach of this Statement which appears to break the criminal law to the police

This statement was adopted by Annual Council on 17 May 2022 and, on behalf of all Torbay’s Councillors, we as the Council’s political group leaders hereby sign this statement to demonstrate our joint commitment:

Councillor Steve Darling
Leader Liberal Democrat Group

Councillor David Thomas
Leader Conservative Group

Councillor Robert Loxton
Leader Independent Group

Annex A

What is intimidatory behaviour?

The 2017 Report of the Committee on Standards in Public Life, Intimidation in Public Life, interpreted intimidatory behaviour as: 'words and/or behaviour intended or likely to block or deter participation, which could reasonably lead to an individual wanting to withdraw from public life.'

1. Intimidation can include physical violence, threats of violence, damage to property, and abusive online and offline communications, amongst other behaviour. Sometimes, the collective impact of a number of individual actions can also be intimidatory, for example, coordinated social media attacks. A clear finding of Intimidation in Public Life is that intimidation is disproportionately likely to be directed towards women, those from ethnic and religious minorities, and LGBT candidates.
2. Robust political disagreement is part of the democratic process; highly personalised attacks are not. Intimidatory actions are not a way to apply legitimate political pressure. Instead, they are intended and likely to cause an individual to withdraw from a public space, including social media, public events, or from public life altogether. This can have the effect of limiting freedom of expression.

Torbay Council

Code of Conduct for Employees

1. Introduction and interpretation

- 1.1 The public is entitled to expect high standards of conduct from all employees of Torbay Council. This Code provides guidance as to the standard of conduct which the Council expects of its employees to assist them in their day to day work. Any breach of the Code may be investigated under the Council's disciplinary procedure and action taken where appropriate.
- 1.2 The provisions of this Code of Conduct for Employees are intended to be read consistently with the Principals of Public Life governing the Code of Conduct for Members. Not all of these principals are relevant to officers. Those which are relevant are set out below:

Selflessness

Officers must serve only the public interest and must never improperly confer an advantage or disadvantage on any person.

Honesty and Integrity

Officers must not place themselves in situations where their honesty and integrity may be questioned, must not behave improperly and must on all occasions avoid the appearance of such behaviour. Officers must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. Officers must not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends and they must declare any such interests.

Objectivity

Officers must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Officers are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Respect for Others

Officers must promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They must respect the impartiality and integrity of the authority's statutory officers, and its other employees.

Duty to Uphold the Law

Officers must uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

Stewardship

Officers must use the authority's resources prudently and in accordance with the law.

Leadership

Officers must exhibit all the above principles in their own behaviour and actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

1.3 The Council expects high standards from employees because:

- Council services can affect the health, wealth and well-being of local people.
- The Council is subject to democratic control and is accountable to the electorate.
- Local people fund Council spending and take an interest in the way money is spent.

2. Status of the Code

2.1 This Code sets out the minimum standards that apply and lays down guidelines that will help improve standards and protect employees from misunderstandings or criticism. It supplements more detailed provisions in defined areas including terms and conditions of employment, Council policies and the Council's procedure rules.

3. Who the Code is aimed at?

3.1 Inevitably some of the issues covered by the Code will affect senior managerial and professional employees more than it will others.

3.2 The Code is intended to cover all employees under any contract of employment within the Council including office holders such as Registrars.

3.3 Any employee serving as a representative of the Council:

- As a Director of a Company; or
- As a Trustee; or
- On the Management Company of a voluntary organisation,

will be expected to abide by the provisions of this Code when acting in such a capacity unless to do so would cause a conflict of interest with their role as a director, trustee or management committee member.

Any employee who believes that such a conflict exists or may arise in the future must contact the Head of Human Resources.

4. Service Standards

- 4.1 Council employees must give the highest possible standard of service to the public and, where it is part of their duties, provide appropriate advice to elected Members and fellow employees with impartiality.
- 4.2 Employees will be expected through agreed procedures and without fear of recrimination to bring to the attention of the appropriate level of management any deficiency in the provision of service.
- 4.3 Employees who have serious and genuine concerns relating to impropriety, breach of procedure, unlawfulness or maladministration must be able to come forward and register their concerns without fear of harassment or victimisation.
- 4.4 Employees must show commitment to demonstrating Torbay Council's agreed Core Values - forward thinking, people orientated and adaptable always with integrity and ensure that these values are an integral part of carrying out their job role. The Core Values are available on the intranet or by contacting Human Resources.
- 4.5 Employees' conduct is expected to reflect the standards set out in this Code at all times, irrespective of whether this is within working hours or not. Where an employee engages in inappropriate conduct and risks their integrity and/or the reputation of the Council depending upon the nature and severity of the issue, this could result in disciplinary action and/or criminal proceedings being brought against them.
- 4.6 This is the reason why the Council maintains a range of policies and procedures to help ensure the highest standards of conduct are practised by its employees by encouraging and enabling staff to pursue concerns within the Council rather than disregarding them or airing them publicly.

The most critical of these policy and procedure documents are:

- Financial Regulations and Contracts Procedures.
- Local Protocol on Member and Officer Relations.
- Local Protocol on gifts and hospitality.
- Whistleblowing policy.
- Acceptable Behaviour Policy.
- Information Security Policies.
- Prevention of fraud and corruption policy and guidance.
- Disciplinary Policy.

5. Disclosure and use of information

- 5.1 The Council embraces the principal of open government and seeks to involve the public in the decision making process. Indeed the law requires that certain types of information must be available to members, auditors, government departments, service users and the public.
- 5.2 In certain circumstances employees may have a legal or professional duty to disclose information to a third party (for example in the course of legal proceedings).
- 5.3 However, some information is by necessity confidential and must not be disclosed e.g. commercially confidential information relating to tendering processes (Contract Procedures Section 40 sets out further requirements) and information which the Council, the Cabinet or any committee has determined as “exempt” information must not be disclosed to the public without the prior permission of the Monitoring Officer.
- 5.4 Employees must not prevent another person from gaining access to information which that person is entitled to by law. If in doubt as to whether or not specific information is disclosable, advice must be sought from the Council's **Information Compliance Team or the Council's Data Protection Officer**. Any employee having custody of documents to which right of access applies commits an offence by obstructing that right.
- 5.5 Employees must not use any information obtained in the course of their employment for personal gain or benefit, nor must they pass it on to others who may use it in such a way.
- 5.6 Any particular information received by an employee from a Councillor which is personal to that Councillor and does not belong to the Authority must not be divulged by the employee without the prior approval of that Councillor, except where such disclosure is required or sanctioned by the law.

6 Criminal Convictions

6.1 It is a condition of employment that employees must disclose any pending criminal proceedings for which they have been formally charged, any criminal conviction, caution, reprimand, bind-over or final warning received during the course of their employment. Failure to do so may result in disciplinary action being taken, as may the nature of the offence (depending upon its impact on your work) and this may result in your dismissal from Torbay Council's employment.

7 Political Neutrality

7.1 Employees must not do anything which compromises or is likely to compromise their own political impartiality or that of others who work for or on behalf of the Council. In particular, employees must:-

- Provide appropriate advice to all Councillors with impartiality.
- Serve the Council as a whole i.e. all Councillors and not just those of, for example, a particular political group.
- Observe the individual rights of all Councillors (e.g. to have access to relevant information).

7.2 Employees may also be required to advise political groups. They must do so in ways which do not compromise their political neutrality.

7.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the Council and must not allow their own personal and political opinions to interfere with their work.

7.4 Employees must not infringe the requirements of legislation not to publish any material which in whole or in part, appears to be designed to affect public support for a political party.

7.5 Political Assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set out in Paragraphs 7.1 to 7.4 above.

8. Relationships

COUNCILLORS:

8.1 Employees are responsible to the Council through their senior managers.

8.2 Some employees are required to give advice to Councillors and senior managers. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual

Councillors can damage the relationship and prove embarrassing to other employees and Councillors and must be avoided.

THE LOCAL COMMUNITY AND SERVICE USERS:

- 8.3 Employees must always remember their responsibilities to the community they serve and ensure courteous, respectful, efficient and impartial service delivery to all groups and individuals within that community as defined by the corporate aims and policies of the Council.

CONTRACTORS:

- 8.4 Employees must make known to their line manager all relationships they have of a business or private nature with external contractors or potential contractors. Orders and contracts must be awarded on merit by fair competition against other tenders and no special favours must be shown to potential contractors (particularly those run by, for example, friends, personal or business associates, spouses or relatives) in the tendering process. No part of the community should be discriminated against.
- 8.5 Pursuant to section 117 of the Local Government Act 1972, if it comes to the knowledge of an employee that a contract in which he/she has a **financial** interest, whether direct or indirect, has been or is proposed to be entered into, the employee must, as soon as practicable, give notice in writing of that interest to:-

- (1) their line manager; and
- (2) the Council's Chief Executive, in writing.

Failure to declare such an interest could constitute a criminal offence as well as a breach of this Code resulting in disciplinary action.

Employees are also required to follow the declaration of interest process for procurements as required under the Public Contracts Regulations 2015 and as set out in Contracts Procedures.

- 8.6 Employees must not seek or receive any gift or personal inducement in connection with the procurement of works, goods or services.

RELATIVES AND PARTNERS:

- 8.7 Employees must not be involved in decisions relating to partners, relatives or close friends. If it comes to an employee's attention that they are involved in any decision which could result in a particular advantage or disadvantage to a partner, relative or close friend, the employee must as soon as practicable, inform his or her line manager.

8.8 In the above paragraph 8.7:-

- (a) “relative” means a spouse, partner, parent, parent-in-law, son, daughter, step-son, step-daughter, child of a partner, brother, sister, grandparent, grandchild, uncle, aunt, niece, nephew or the spouse or partner of any of the preceding persons; and
- (b) “partner” above means a member of a couple who live together in an enduring family relationship; and
- (c) “close friend” is to be given its normal every day meaning.

9. Appointments and Other Employment Matters

9.1 Employees involved in appointments must ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment based on anything other than the ability of the candidate to undertake the duties of the post. The Council’s recruitment procedures are detailed in the Recruitment Toolkit and must be referred to. In order to avoid any possible accusation of bias, employees must not be involved in an appointment where they are related to an applicant or have a close personal relationship outside work with him or her.

9.2 Employees must not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner or close friend.

10. Applications

10.1 Employees making applications to the Council (e.g. for planning permission or purchase of land) on their own behalf must notify their Director, Divisional Director or Head of Service. However, employees may not make any applications on behalf of a member of the public.

10.2 Employees may not gain financial benefit by way of fees or gratuities or receive any other consideration for advice given to others who submit applications to the Council.

11. Outside Commitments

11.1 Employees must be clear about their contractual obligations and must not take outside employment which conflicts with the Council’s interests or which may weaken public confidence in the conduct of the Council’s business.

11.2 Employees must therefore make a request for additional employment, whether this is paid or unpaid, to their Manager, using the Additional Employment Declaration, available from MyView, under My Forms. They will also be prompted to read and complete a Working Time Regulations declaration as part of this.

11.3 No outside work of any sort must be undertaken in the office and use of facilities, e.g. telephones or access to typing facilities for outside work is forbidden.

12. Equality Issues

12.1 All members of the local community, customers and other employees have the right to be treated with fairness and equity.

12.2 Employees must ensure that the Council's policies (e.g. Equal Opportunities in Employment Policy) concerning equality issues are complied with in addition to any requirements of the law.

13. Fairness in Tendering

13.1 The tendering process must be undertaken in an open, fair and transparent manner. Employees involved in the tendering process and dealing with contractors must be clear on the separation of client and contractor roles within the Council.

13.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, potential suppliers, other contractors and sub-contractors.

13.3 Employees who are privy to confidential information on tenders or costs relating to either internal or external contractors must not disclose that information to any unauthorised party or organisation. Before disclosing any such information advice must be sought from the Procurement Service.

13.4 At all times employees dealing with tenders and contracts must ensure that they comply with the Council's Financial Regulations and Contract Procedures.

14. Corruption

14.1 Employees must be aware that it is a serious criminal offence for them to corruptly receive or give any payment, gift (other than a gift of nominal value), loan, fee, reward or advantage for doing or not doing anything or showing favour or disfavour to any person in their official capacity.

14.2 Any case of suspected corruption will be fully investigated and any proven cases will be treated as gross misconduct and a criminal prosecution undertaken. Where an allegation is made it is for the employee to demonstrate that any such rewards have not been corruptly obtained.

14.3 The Council's Whistle-blowing policy may be used by members if they become aware of an illegal or dangerous activity by officers.

15. Use of Financial Resources

- 15.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner.
- 15.2 They must strive to ensure value for money to the local community and to avoid legal challenge to the Council.

16. Gifts and Hospitality

- 16.1 Gifts and hospitality can take many forms, and may include the following:- money, gift vouchers, lottery tickets, discounts for goods/services, tickets to entertainment or sporting events, branded gifts from providers, such as clothing or stationary items, food or drink, including invitations to lunches, dinners or breakfasts.
- 16.2 Employees in the course of their employment shall never seek or accept:
 - (a) any gift (or loan) of money; or any gift of gift vouchers, lottery tickets, scratch cards, raffle tickets, or anything else offering the chance of winning a prize; or
 - (b) any discounted or favourable terms of purchase (or hire or loan) of goods or services beyond terms available to the general public or to all Council Employees.

These restrictions shall apply to the seeking of any gift or benefit to any relative or friend of the employee and to any acceptance by the employee of any gift or benefit on behalf of any relative or friend.

- 16.3 Any **offer** of any gift or benefit that would contravene paragraph 16.2 shall be declared to the employee's line manager and recorded on MyView, using the Declaration of Gifts and Hospitality form.
- 16.4 A description of the gift or hospitality will need to be provided, including an estimated cost. This estimate must be based on the brand, size, usual retail cost of the item.
- 16.5 Where an employee is in any doubt about accepting a gift or hospitality they must discuss this with their manager or a member of Human Resources **prior to acceptance**.

Gifts or hospitality under the value of £25

- 16.6 Employees in the course of their employment shall never seek and shall not accept any other gift or benefit unless:

- (a) it is a gift of less than £25 in value; and
 - (b) to refuse would cause offence; and
 - (c) the giver is clearly only wishing to express thanks for help given in the past and is not seeking to obtain benefit in the future; and
 - (d) the receipt of the gift or hospitality is declared to the employee's line manager using the Declaration of Gifts and Hospitality form on MyView.
- 16.7 Paragraphs 16.1 to 16.6 shall not prevent employees accepting (but not seeking) modest amounts of promotional materials at conferences, trade fairs and similar events and such items need not be registered under this Code of Conduct.
- 16.8 Where modest promotional materials or items are accepted by an employee from a service provider or customer these must be shared amongst other colleagues wherever possible.
- 16.9 Employees may accept reasonable and appropriate hospitality in the course of their employment where to refuse would appear unusual, or impolite, or be likely to cause offence. This may include the acceptance of a lift in a private or company car or refreshments offered at off-site meetings, conferences etc in the normal course of their duties.

Gifts or hospitality of £25 and above

- 16.10 Employees must obtain approval from a Senior Manager **before** accepting any gift or hospitality which is to the value of £25 and above.
- 16.11 An employee must, **within 28 days of being offered** any gift or hospitality at the value of £25 or above, declare this and have it authorised by a Senior Manager using the Authorisation of Gifts and Hospitality form which can be completed on MyView. This must be approved by either the Divisional Director, Director (in the case of Divisional Directors) or Chief Executive (in the case of Directors) **before it is accepted**. Receipt of hospitality at the value of £25 or above by any relative or friend of an employee shall be notified in a similar manner if the employee is aware of the receipt of that hospitality.
- 16.12 Where a gift or hospitality is unauthorized and it has to be refused, the employee must contact the relevant supplier and arrange return of the item. Details of the return must be recorded by the employee and their manager and evidence retained of this, e.g. proof of postage, email to supplier etc.

If an item cannot be returned, i.e. is perishable or the identity of the supplier is not known, it must be offered to a Council's nominated charity and recorded by the employee and manager in the same way.

16.13 Some gifts or hospitality, where authorised, may be classed as a taxable benefit. Payroll will advise employees of this and the process to be followed.

16.14 Acceptance of a gift or hospitality in breach of any of the Council's codes and protocols, or failure to declare receipt of such a gift or hospitality, will lead to disciplinary action and in certain circumstances may lead to a criminal conviction under the Bribery Act 2010 or Local Government Act 1972.

17. Personal interests of employees holding (1) politically restricted posts and (2) posts involving the negotiation and/or letting of Council contracts

17.1 In aspiring to best practice in the area of propriety and in the interests of maintaining consistency in relation to the requirements on both members and employees, the Council requires that any employee of Torbay Council holding either:-

(1) a politically restricted post; or

(2) a post involving the negotiation and/or letting of a Council contract,

to declare that interest by completing a Declaration of Interests Form available from MyView, under My Forms.

18.3 Employees must not use the media as a vehicle to promote personal grievances; the Council’s formal processes must be used in this regard (e.g. Grievance Procedure, Acceptable Behaviour process etc).

19. Appearance

- 19.1 First impressions count and if a member of staff is inappropriately dressed then at best it presents an obstacle to be overcome in the minds of members of the public. At worst it can create the view that the Council is inefficient. Although many styles of dress are acceptable, employees must dress appropriately for their job and give a positive image of the service they provide.
- 19.2 Any special clothing, uniform, personal protective equipment or identification provided by the Council must be worn where required.

20. Working Safely

- 23.2 Anyone who drives, operates machinery or is directly responsible for the care and safety of clients as part of their job is expected to refrain from drinking during working hours or from being under the influence of alcohol or drugs while carrying out their normal duties. All other employees are expected to maintain professional standards in their dealings with the general public and colleagues and to ensure their performance and conduct in the workplace is not adversely affected through consumption of alcohol. When an employee is taking prescribed drugs which may affect their ability to perform their normal duties e.g. driving or operating machinery, the employee must inform their manager.
- 23.3 The misuse of alcohol, drugs and other substances can have a serious

consequence in the workplace, especially when this misuse impairs the professional ability of employees. The Council will appropriately manage employees who are experiencing problems with drug, alcohol or substance misuse in a fair manner and will encourage them to seek support from trained counsellors. However, it is a disciplinary offence for any employee to be unfit for work due to the influence of alcohol, drugs or substances. - 4.1 Each year the Council will carry out a review of its Governance arrangements to ensure compliance with this Code, the delivery of Good Governance within the local Government Framework and current good practice.
- 4.2 The purpose of the review will be to provide assurance that governance arrangements are adequate and operating effectively or to identify action which is planned to ensure effective governance in the future.
- 4.3 The outcome of the review will take the form of an Annual Governance Statement prepared on behalf of the Leader of the Council and the Chief Executive and submitted to the Audit Committee for consideration and review.
- 4.4 To support the implementation of the Code of Corporate Governance a number of officers from business units are asked from time to time to monitor how effectively specific key documents and activities contribute to good corporate governance and bring forward proposals for change as required to the Chief Executive.
- 4.5 The preparation and publication of the Governance Statement will meet the statutory requirement of the Accounts and Audit Regulations which requires authorities to “conduct a review at least once in a year of the effectiveness of its system of internal control” and to prepare an Annual Governance Statement “in accordance with proper practices”.
- 4.6 As such the Governance Statement will be prepared in accordance with the timetable for completion of financial statements in accordance with the Audit and Accounts Regulations.

1. Introduction

- 1.1 Torbay Council will best serve the interests of local people if members and officers have an excellent working relationship characterised by mutual respect, courtesy and trust. Such a relationship will mean that members and officers speak to one another openly and honestly.
- 1.2 This Protocol is intended to facilitate such a working relationship and to help members and officers to perform effectively. This Protocol gives guidance on members' and officers' respective roles, on what they may expect from each other, and on what to do on the occasions when things go wrong.
- 1.3 This Protocol must be read in the context of the Council's Constitution (especially the Member Code of Conduct and the Employee Code of Conduct). The Council has authorised the Standards Committee to consider alleged breaches of this protocol by members. The Council has also authorised the Chief Executive to take appropriate action where an officer is alleged to have breached this Protocol.

2. Interpretation

- 2.1 In this Protocol:

“the Cabinet” includes any person or body exercising executive functions;

"member" includes all elected members of the Council and all non-elected members of any committee (including the Standards Committee and any the Overview and Scrutiny Board) (or any sub-committee) irrespective of whether or not they have any voting rights;

“Officer” includes all members of staff directly employed by Torbay Council, agency workers or persons seconded to the Council, the Council's arms length companies and all contractors and employees of contractors delivering services on behalf of the Council.

3. Guiding Principles

- 3.1 In their dealings with one another members and officers will:

- (a) Serve only the public interest;
- (b) Behave properly and not place themselves in situations where their honesty and integrity may be questioned;
- (c) Make decisions on merit
- (d) Be open about (and be prepared to give reasons for) their actions;
- (e) Promote equality by not discriminating unlawfully against any person;
- (f) Treat people with dignity and respect, accepting that everyone is acting in good faith, and show courtesy in all meetings and contacts, both formal and informal, between members and officers.
- (g) Uphold the law;

- (h) Seek to ensure that the Council uses its resources prudently;
- (i) Promote and support all these general principles by example, and act in a way that secures or preserves public confidence in local government;
- (j) In addition, members will respect the impartiality and integrity of officers; and
- (k) Officers will work for the Council as a whole, treating members of different party groups fairly, and showing no favour to any particular political group or individual member.

4. General Responsibilities of Members and Officers

- 4.1 Members and officers are all servants of the public and they are indispensable to one another. But their responsibilities are distinct.
- 4.2 Members determine the strategic political direction of the Council and determine those matters that are not delegated to officers. They also are responsible for representing (and are answerable to) the electorate (including those constituents who did not vote for them). Members serve only so long as their term of office lasts.
- 4.3 Officers are employed by the Council as a whole. Their role is to give advice to members (including those members who are not part of the majority group), to implement members' decisions and to carry out the Council's work. Officers are responsible to the Chief Executive.

5. The Role of Members – All Members

- 5.1 Members have three main corporate roles:
 - (a) Determining the budget and policy framework of the Council and giving political leadership;
 - (b) Monitoring and reviewing the performance of the Council in implementing policy and delivering services; and
 - (c) Representing the Council externally.
- 5.2 Members also determine those matters that are not delegated to officers and have the following ward-based roles:
 - (a) Representing their constituents' views; and
 - (b) Dealing with individual casework.
- 5.3 It is not the role of members to involve themselves in the day-to-day management or operation of the Council's services. However, this does not prevent members from raising such matters where they affect local people.

6. The Role of Members – Specific Functions

- 6.1 Members have different responsibilities depending upon the specific roles they are undertaking.
- (a) The Leader of the Council will provide strategic policy guidance as to his/her political priorities and assist in the formulation of the Council's corporate objectives in line with those priorities.
 - (b) Members of the Cabinet will support the Leader of the Council in the formulation of the Council's corporate objectives.
 - (c) Members who sit on the Overview and Scrutiny Board, its sub-committees or any working parties of the Board will be involved in reviewing the Council's decisions and services. They will also contribute towards the development of new Council policies and may be asked to take a key role in the Best Value process. Individual members of the Overview and Scrutiny Board, its sub-committees or any working parties of the Board (including Chairmen/women) have no decision-making powers.
 - (d) Members of the Council's regulatory and other committees will be responsible for taking decisions in relation to the functions of those committees in accordance with the Scheme of Delegation of Council Functions. Individual members of these committees (including Chairmen/women) have no decision-making powers.
- 6.2 The Leader of the Council, the Civic Mayor, members of the Cabinet, the Overview and Scrutiny Co-ordinator, members of the Overview and Scrutiny Board and Chairmen/women of committees, all have additional responsibilities. Because of those responsibilities, they are entitled to have greater expectations of senior officers. Because of this, their relationships with senior officers may be different from and more complex than those of members without such responsibilities. However, such members must still respect the impartiality of all officers. In particular, such members must not ask officers to undertake work of a party political nature, or to do anything that would put them in difficulty in the event of a change in the political composition of the Council.

7. The Role of Officers

- 7.1 Officers are employed by, and serve, the whole Council.
- 7.2 The role of officers is to give advice and information to members and to implement the policies determined by the Council.
- 7.3 In giving advice to members (and in preparing and presenting reports) it is the responsibility of the officer to express his/her own professional views and recommendations. Whilst an officer may report the view of individual members on an issue, if the member wishes to express a contrary view he/she must not seek to pressure the officer to make a recommendation contrary to the officer's professional view. Editorial control of reports lies, ultimately, with the Chief Executive, or, in the case of reports by other statutory officers, with the relevant officer.

- 7.4 The statutory officers have responsibilities in law over and above their obligations to the Council and to individual members. Members must respect these obligations and co-operate with those officers in the discharge of these responsibilities.
- 7.5 The Chief Executive is responsible for ensuring that officers fully and effectively support members in exercising both executive and non-executive functions.
- 7.6 Officers are responsible for implementing the proper decisions of members. However, in terms of line management and disciplinary matters they are responsible to the Chief Executive and not to individual members of the Council, whatever office they might hold.
- 7.7 Officers are required to be politically neutral and act impartially in the best interests of the Council at all times.
- 7.8 Officers are responsible for managing the day-to-day business of the Council in accordance with the Council's Budget and Policy Framework. Officers are also responsible for taking managerial and operational decisions in accordance with the Council's Scheme of Delegation. However, this does not prevent members from raising day-to-day matters where they affect their ward via the Council's on-line member casework system.
- 7.9 Officers are responsible for implementing decisions taken by members (and for taking and implementing decisions where the power to do so is delegated to them).

7.10 Group Assistants

Whilst all other officers will treat members of different party groups equally and show no favour to any particular party, different rules apply to any group assistants who are appointed. Unlike other officers, group assistants may be appointed on the basis of party political allegiance. However, they may not have any Council powers delegated to them.

8. What Members May Expect From Officers

- 8.1 All members are entitled to expect from officers:
- (a) A commitment to the Council as a whole, and not to any political group.
 - (b) A working partnership.
 - (c) An understanding of and support for respective roles, workloads and pressures.
 - (d) Timely responses to enquiries and complaints.
 - (e) That advice given to members will be:
 - (i) Carefully researched;
 - (ii) Based on the relevant professional knowledge, while at the same time considering the Council's wider interests;

- (iii) Discussed and agreed with relevant colleagues;
 - (iv) Agreed by the relevant senior officer;
 - (v) Politically impartial and not influenced by an officer's own political views of preferences.
- (f) Reports that contain all the relevant issues, that do not contain irrelevant matters and that set out all the options it is reasonable for the decision-maker to consider.
 - (e) Regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold.
 - (f) That ward members will be kept informed of matters affecting their ward. Where practicable, ward members will be given reasonable advance warning of Council activities relating to their ward.
 - (g) Awareness of and sensitivity to the political environment.
 - (h) Appropriate knowledge and skills and a commitment to undertake training and development in order to carry out their role effectively.
 - (k) Integrity, mutual support and appropriate confidentiality.
 - (l) Not to have personal issues raised with them by officers or to use their relationship with members to advance their personal interests or to influence decisions improperly.
 - (m) That where officers wish to bring forward new policy initiatives these will first be discussed with the Leader of the Council, the Cabinet, or Cabinet member, as appropriate.
 - (n) That officers will at all times comply with the Employee Code of Conduct.
 - (o) That when dealing with the media, officers will act in a fair, balanced, reasonable and non-political manner.

8.2 Opposition members

As individual members, all members have the same rights and obligations in their relationship with officers and will be treated equally. This principle is particularly important in the context of the Council's Overview and Scrutiny Board, its sub-committees or any working parties of the Board. However, where a political group forms a majority group (either alone, or in partnership with another group), it is quite proper that the relationship between senior officers and the majority group will differ from that with opposition groups, given that the majority group will be able to determine the Council's policies and budget.

9. What Officers May Expect From Members

9.1 All officers are entitled to expect from members:

- (a) A working partnership.

- (b) An understanding of and support for respective roles, workloads and pressures.
- (c) Political leadership and direction.
- (d) Integrity, mutual support and appropriate confidentiality.
- (e) Courtesy and civility, and not to be subject to bullying or harassment or to be put under undue pressure.
- (f) Not to be personally criticised in meetings of the Council, the Cabinet, or any Committee, or any other meeting at which members of the public or third parties are present, or in the media. If members are unhappy with an officer's performance they shall raise the issue in private with an appropriate Director, Divisional Director, or the Chief Executive in the case of posts at Director or Divisional Director level and above in accordance with paragraph 16.
- (g) Proper consideration of the seniority of officers in determining what are reasonable requests, having regard to the power relationship between members and officers, and the potential vulnerability of officers, particularly at junior levels. All requests for officer attendance at meetings should be made through the relevant Director, Divisional Director or Service Manager.
- (h) That members will not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly.
- (i) That when seeking advice members will do so at the earliest reasonable opportunity and will disclose if another officer has also been approached about the matter.
- (j) When members require officers to attend meetings they should give those officers as much notice as possible to allow sufficient preparation time and for the meeting(s) to be diarised.
- (k) That members will at all times comply with the Member Code of Conduct.

10. Officer Advice to Political Groups

- 10.1 Political groups have an important part to play in the development of policy and the political management of the Council. It is in the interest of the Council to support effective operation of political groups, but their operation can pose particular dangers in terms of the impartiality of officers. It is common practice for political groups to give preliminary consideration to many matters of Council business in advance of such matters being considered by the relevant Council decision making body. Party groups may properly call upon officers to support and contribute to such deliberations.
- 10.2 Such support shall only be sought from senior officers and all requests for such support must be made via the appropriate Director. This can take many forms ranging from a briefing meeting with the Leader of the Council or Cabinet Member prior to a formal meeting, to a presentation to a full party group meeting. Whilst in practice, such officer support is likely to be most in demand from whichever party

group is for the time being in control of the Council, such support is available to all party groups.

- 10.3 Officers' support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business and not be expected to be present at meetings (or parts of meetings) when matters of party business are to be discussed.
- 10.4 Party group meetings, whilst they form part of the preliminaries to Council decision-making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or are acted upon as such. Similarly, where officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant decision-making body when the matter in question is considered.
- 10.5 Special care needs to be exercised whenever officers are involved in providing information and advice to a party group meeting that includes persons who are not members of the Council, including external advisors to political groups. Such persons are not bound by this Protocol or by the Member Code of Conduct (including the provisions concerning the declarations of interest and respect of confidentiality). Consequently, officers may not be able to provide the same level of information and advice as they would to a members' only meeting. The Local Protocol for External Advisors to Political Groups sets out provisions for sharing information to appointed external advisors.
- 10.6 Officers must respect the confidentiality of any party group discussions at which they are present and not relay the content of any such discussion to any other party group.

11. Support Services to Members

- 11.1 The Council is only allowed to provide support services to members that directly assist them in discharging their role as members of the Council. Such support services must therefore only be used on Council business. The support services shall never be used in connection with party, political or campaigning activity or for private purposes.
- 11.2 The support services that the Council can provide (for example typing, photocopying, transport, etc) may be discussed and agreed with the Head of Governance Support if officer resources allow.

12. Correspondence

- 12.1 Correspondence between an individual member and an officer will not normally be copied (by the officer) to another member without prior consultation with the sender.
- 12.2 Official letters on behalf of the Council will normally be sent out under the name of the appropriate officer.

12.3 Members will use all reasonable endeavours to respond to written requests for information by members of the public within 20 working days using the Council's Members Casework system and in accordance with the member casework guidance issued by the Information Compliance Team. Responses will be provided via the casework system normally within 5 working days..

13. Members' Access to Information and to Council Documents

13.1 This is covered in the Council's Standing Orders in respect of Access to Information.

14. Press and Media Relations

14.1 The Council will work within the Code of Recommended Practice on Local Authority Publicity. Members will not ask officers to publish any material that appears to be designed to affect public support for a political party.

14.2 The following four main criteria may help when checking compliance with the Code:

(i) Is the publicity likely to influence support for a political party?

(ii) Is the timing sensitive?

(iii) Does it reflect Council policy?

(iv) Is it "information" or "persuasion"?

14.3 Officers when approached by the media will refer all queries to the Council's Communications Team. Members may respond directly to the media when the media are seeking political comment and will refer all other queries to the Communications Team.

14.4 Following the calling of a local, national or European election (excluding any by-elections) or Police and Crime Commissioner election or local/national referendum, members are unable to carry out any activity on behalf of the Council which could call into question political impartiality or which could give rise to criticism that public resources are being used for party political purposes (known as the Pre-election Restriction on Publicity period).

15. Limitations Upon Behaviour

15.1 The distinct roles of members and officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:

(a) Close personal relationships between members and officers can confuse these separate roles and get in the way of the proper discharge of the Council's functions, not least in creating the perception in others that a particular member or officer may secure advantageous treatment.

(b) The need to maintain the separate roles means that there are limits to the matters on which they may seek the advice of officers, both in relation to personal matters and party political issues.

- (c) Relationships with particular individuals or party groups shall not be such as to create public suspicion that an employee favours that political group above others.
- (d) Members do not have any responsibility for day to day management of services or employees; the latter is a statutory responsibility of the Head of Paid Service.

16. When Things Go Wrong

16.1 From time to time the relationship between members and officers may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation, if necessary by the Chief Executive and the Leader of the Council or appropriate group leader, this is not always possible. Where this is the case, and a member considers that an officer has acted in breach of this Protocol, the following procedure will be followed.

16.2 Procedure for members complaining about an officer

- (a) In the event that a member is dissatisfied with the conduct, behaviour or performance of an officer, the matter shall be raised in private with the appropriate Director or Divisional Director. Where the officer concerned is an Divisional Director or Director the matter shall be raised with the Chief Executive. Where the complaint is in respect of the Chief Executive it should be reported to the Monitoring Order who will then follow the national procedure set out in the Chief Executive's Handbook.
- (b) If the matter cannot be resolved informally, the member may make a written complaint to the Chief Executive. This must specify all incidents that the complainant intends to raise and set out any alleged breach of this protocol. The Chief Executive will decide whether to conduct any investigation or delegate it to a Director.
- (c) The Chief Executive or his/her representative may disregard any complaint that he/she considered to be unreasonable, frivolous or vexatious, and that shall be the end of the matter. Otherwise the Chief Executive will give a copy of the complaint to the officer concerned and invite his/her written comments (if any) normally within 10 working days.
- (d) The Chief Executive or his/her representative will give a copy of the officer's response to the complainant and invite his/her further written comments (if any) normally within 10 working days.
- (e) If any material new issues are raised the Chief Executive or his/her representative may give the respective parties such further opportunities to make written comments as he/she shall consider reasonable.
- (f) If the Chief Executive or his/her representative will then consider the written submissions and shall either uphold or reject the complaint (in whole or in part) and/or require such actions as he/she considers appropriate.
- (g) If the Chief Executive or his/her representative considers it appropriate, he/she may invoke the Council's Disciplinary Procedure at any time during this process.

- (h) A complainant may at any time withdraw a complaint by notice in writing to the Chief Executive.

16.3 Procedure for officers complaining about a member

If attempts at resolving matters informally have not been successful, where an officer considers that a member has acted in breach of this Protocol, the following procedure will be followed:

- (a) The officer must make a written complaint to the Monitoring Officer. This must specify all incidents that the complainant intends to raise and set out the alleged breach of this Protocol.
- (b) The Monitoring Officer may disregard any complaint that he/she considers to be unreasonable, frivolous or vexatious, and that shall be the end of the matter. Otherwise the Monitoring Officer will give a copy of the complaint to the member concerned and invite his/her written comments (if any) normally within 10 working days.
- (c) The Monitoring Officer will give a copy of the member's response to the complainant and invite his/her further written comments (if any) normally within 10 working days.
- (d) If any material new issues are raised the Monitoring Officer may give the respective parties such further opportunities to make written comments as he/she shall consider reasonable.
- (e) The Monitoring Officer will then consider the written submissions and shall, unless he/she is satisfied that the complaint is clearly unjustified, refer the matter to the Standards Committee for consideration. The Standards Committee may uphold or reject the complaint (in whole or in part) and/or recommend to Council such action as it considers appropriate.
- (f) A complainant may at any time withdraw a complaint by notice in writing to the Monitoring Officer.

16.4 Exceptions may be made to the procedures outlined in paragraphs 16.2 and 16.3 above if to do otherwise would conflict with the Council's policy on "Whistleblowing" or potentially prejudice a criminal investigation (whether in progress or reasonably contemplated in the future) or the complaint relates to a breach of the Code of Conduct for Members where it shall be lodged as a formal complaint and the Local Protocol for the Assessment and Determination of Allegations of Breaches of the Members' Code of Conduct shall be followed.

16.5 Under either paragraphs 16.2 or 16.3 an officer may be assisted or represented by a colleague or Trades Union representative and a member may be assisted by a person acting as a "friend" in support of the member.

17 Involvement of Ward Members

17.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Member(s) representing the ward affected should as a matter of course be invited to attend the meeting. Similarly whenever the Council undertakes any form

of consultative exercise on a local issue, the ward Member(s) should be notified at the outset of the exercise.

Torbay Council – ConstitutionLP – Leader of the Council and Political Groups Relations

1. Introduction

- 1.1 Torbay Council will best serve the interests of local people if there are clear arrangements between the Leader of the Council and other councillors and between the political groups represented on the Council for the management of political business. The interests of local people will also be best served if the working relationship between the Leader of the Council and other councillors and between members of different political groups is characterised by mutual respect, informality and trust, whilst recognising the need for healthy and constructive political debate within the democratic process.
- 1.2 This Protocol is intended to facilitate such a working relationship and to help members to perform effectively. This Protocol gives guidance on members' roles, and on what to do on the occasions when things go wrong.
- 1.3 This Protocol must be read in the context of the Council's Constitution, the Members' Code of Conduct and the Local Protocol on Member and Officer Relations.

2. Interpretation

- 2.1 In this Protocol:

“Council function” means a function that is not the responsibility of the Cabinet;

“Executive function” means a function that is the responsibility of the Cabinet;

“the Cabinet” includes any person or body exercising executive functions including the Leader of the Council;

"Member" includes the Leader of the Council, all elected members of the Council and all non-elected members of any committee (including the Standards Committee and the Overview and Scrutiny Board) (or any Sub-Committee) irrespective of whether or not they have any voting rights;

“Officer” includes all members of staff directly employed by Torbay Council, agency workers or persons seconded to the Council, the Council's arms length companies and all contractors and employees of contractors delivering services on behalf of the Council;

“Senior officer” means the Chief Executive, Directors, Divisional Directors and Heads of Service; and

"Statutory Officers" means the Head of Paid Service, the Monitoring Officer and the Chief Finance Officer.

3. Guiding Principles

- 3.1 In their dealings with one another members will:
 - (a) Serve only the public interest;
 - (b) Behave properly and not place themselves in situations where their honesty and integrity may be questioned;

Torbay Council – ConstitutionLP – Leader of the Council and Political Groups Relations

- (c) Make decisions on merit;
- (d) Be open about (and be prepared to give reasons for) their actions;
- (e) Promote equality by not discriminating unlawfully against any person;
- (f) Treat each other with dignity and respect, accepting that everyone is acting in good faith, and show courtesy in all meetings and contacts, both formal and informal;
- (g) Uphold the law;
- (h) Seek to ensure that the Council uses its resources prudently;
- (i) Promote and support all these general principles by example, and act in a way that secures or preserves public confidence in local government; and
- (j) Respect the impartiality and integrity of officers.

3.2 In their dealings with one another members will also uphold the Members' Code of Conduct. The following provisions of the Code are particularly relevant to relations between members:

Paragraph 4(a) of the Code -

“you must treat others with respect”

Paragraph 5(h) of the Code -

“you must not conduct yourself in a manner or behave in such a way so as to give a reasonable person the impression that you have brought your office or the Council into disrepute.”

3.3 The Leader of the Council and the Group Leaders will use their best endeavours to communicate with each other so as to ensure that Council business is conducted effectively and in the best interest of the whole Council and local people.

4. The Roles of Members and Officers and Member and Officer Relations

4.1 The roles of members and officers and relations between members and officers are governed by the Local Protocol on Member and Officer Relations.

5. Political Differences and Personal Criticism

5.1 This Protocol is not intended to restrict or discourage legitimate political debate. However, it is also in the interests of local people that there is a working relationship between the Leader of the Council and other councillors and between political groups. That working relationship will be assisted if it is supported by a clear set of guidelines and it is these that this Protocol is intended to provide. The relationship between the Leader of the Council and other councillors and between the political groups will also be supported if all members adhere to high standards of courtesy and mutual respect in their dealings with one another.

Torbay Council – ConstitutionLP – Leader of the Council and Political Groups Relations

5.2 As with their relations with officers, in their dealings with fellow members, it is important that robust debate of the issues at stake does not deteriorate into personal criticism of another person who holds a different point of view. Courtesy and civility must be maintained at all times.

5.3 Fellow members must not be subject to name-calling, personal criticism or abuse. A fellow member's integrity must not be questioned unless there is clear documentary evidence to substantiate any allegation made. This principle must be adhered to in meetings of the Council, the Cabinet, and any committee meeting, or any other meeting at which members of the public or third parties are present. This principle must also be observed in all dealings with the press and other media.

6. Extension of Principle of Cross-Party Representation

6.1 By law all political groups are entitled to a proportionate number of seats on Council Committees and Sub-Committees (but not on the Cabinet and working parties). In order to facilitate good inter-party relations, Torbay Council has extended the principle of cross-party representation to Working Parties.

6.2 Each political group will be entitled to nominate a proportionate number of representatives to every working party established by the Council or a Council committee and the second largest political group will also normally be invited to nominate two representatives to Working Parties where a strict application of proportionality would only indicate a single representative.

6.3 Each political group will be entitled to nominate members to a proportionate number of seats on outside organisations. However, where the outside organisation requests a specific role (e.g. a relevant Cabinet Member) the Council should accede to the request other than in exceptional circumstances. Appointments to outside organisations are made every four years following a local government election and will not normally be reviewed after a change of political balance during the four year period. The Chief Executive has delegated authority to determine any new appointments within the four year period.

6.4 The Cabinet will be responsible for appointing any member champions, unless such an appointment is a Council function or is reserved by law to the Council. The role of member champions is to promote their specified theme to other members, Council officers and the Council's partners to ensure a co-ordinated approach. A protocol on the role of member champions is included in the Constitution.

6.5 Where the budget is allocated, Group Assistant posts will be offered to all qualifying political groups on the basis of a full-time (37 hours per week) post and not on the basis of reduced hours proportionate to the size of the group.

6.6 Provision of training and development for members will be provided to all members, irrespective of the political group to which they belong. A members' development programme will be prepared each year, in consultation with a working group comprising a representative from each political group, for authorisation by the Chief Executive. The members' training budget will be used primarily to meet the cost of the development programme with the remainder of the funding to be allocated in equal proportions (one third) to fund the following:-

(a) Training for Cabinet Members

Torbay Council – ConstitutionLP – Leader of the Council and Political Groups Relations

- (b) Training for Scrutiny Members
- (c) Training not specifically related to Cabinet or scrutiny functions.

Additional training and development that is not included within the Members' Development Programme shall only be authorised by the Head of Governance.

Attendance by members at conferences/seminars shall be authorised by the Director, Divisional Director or Head of Service who holds the relevant budget that will cover the costs for the member attending the conference/seminar.

The three councillors appointed by the Council to be on the Local Government Association General Assembly, or their representatives, will be invited to attend the Local Government Association Annual Conference;

Following attendance at a conference, members will provide feedback to all members of the Council.

- 6.7 Section 6 of this Protocol may be reviewed in the event that there is a change in the political control of the Council.

7. Meetings Between The Leader of the Council and Group Leaders and Between Group Leaders

- 7.1 In order to promote cross-party working, address issues of common concern and to agree appropriate actions, the Chief Executive will from time to time arrange meetings of the Leader of the Council, Deputy Leader, Group Leaders, Deputy Leaders and the Overview and Scrutiny Co-ordinator. discuss issues including:-

- (a) Council meeting business and strategic issues;
- (b) Member capacity and performance;
- (b) constitutional issues;
- (c) scrutiny programme; and
- (d) priorities.

8. Relations with Members of Other Local Authorities and Members of Parliament

- 8.1 Members of all political groups will observe the spirit of this Protocol in their dealings with members of other local authorities and Members of Parliament.
- 8.2 The Leader of the Council and members of all political groups will seek to work constructively with members of other local authorities, including as members on Joint Committees, irrespective of their potentially different political allegiances in order to promote the best interests of the Council and local people.
- 8.3 The Leader of the Council and members of all political groups will seek to work constructively with Members of Parliament, especially Members of Parliament representing parts of the Borough, irrespective of their potentially different political allegiances in order to promote the best interests of the Council and local people.

9. When Things Go Wrong

- 9.1 From time to time the relationship between members may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation, if necessary by the Leader of the Council and Group Leaders, this is not always possible. Where this is the case, and a member considers that another member has acted in breach of this Protocol, the following procedure will be followed.
- 9.2 If attempts at resolving matters informally have not been successful, where a member considers that another member has acted in breach of this Protocol, the following procedure will be followed:
- (a) The member must make a written complaint to the other member and copy that complaint to the Leader of the Council (if appropriate) and the relevant Group Leader(s). This must specify all incidents that the complainant intends to raise and set out the alleged breach of this Protocol.
 - (b) The member who has been complained about shall (within 10 working days) respond in writing to the complainant and copy that response to the Leader of the Council (if appropriate) and the relevant Group Leader(s).
 - (c) The Leader of the Council (if appropriate) and relevant Group Leader(s) shall (within 10 working days (or as soon thereafter as is reasonably practicable)) meet to discuss the complaint. If they both/all consider that the complaint is unreasonable, frivolous or vexatious, that shall be the end of the matter. If they both/all consider that the complaint is of a purely technical or minor nature they may invite the member who has been complained against to make a written apology, in a form (and within a timescale) agreed between the Leader of the Council (if appropriate) and the Group Leader(s). Once that apology has been made that shall be the end of the matter unless the member subsequently acts in a manner at variance with that apology.
 - (d) If the Leader of the Council (if appropriate) or any of the relevant Group Leaders considers the complaint is of a more serious nature than mentioned in the previous paragraph (or if the member complained against fails to give the requisite apology) the complaint shall be referred to the Council's Monitoring Officer.
 - (e) Both the complainant and the member complained about shall be advised in writing by the Leader of the Council (if appropriate) and the relevant Group Leader(s) of their decision.
 - (f) A complainant may at any time withdraw a complaint by notice in writing to the other member and copy that notice to the Leader of the Council (if appropriate) and the relevant Group Leader(s).
- 9.3 Exceptions may be made to the procedures outlined in paragraphs 9.2 above if to do otherwise would conflict with the Council's policy on "Whistleblowing" or potentially prejudice a criminal or other investigation (whether in progress or reasonably contemplated in the future) or the complaint relates to a breach of the Code of Conduct for Members where it shall be lodged as a formal complaint and the Local

Torbay Council – ConstitutionLP – Leader of the Council and Political Groups Relations

Protocol for the Assessment and Determination of Allegations of Breaches of the Members' Code of Conduct shall be followed.

Local Protocol – Group Assistants

Contents

1. Introduction
2. Group Assistants as officers
3. The role of Group Assistants
4. Management arrangements
5. Assistants' rights to information
6. Obligations of Group Assistants
7. Groups without Group Assistants

1. Introduction

- 1.1 Group Assistants appointed and governed under section 9 of the Local Government and Housing Act 1989 and by the Regulations made under that Act and are subject to a number of restrictions. This Protocol is intended as a guide to the role and responsibilities of Group Assistants and the support and help they shall be given by other officers. It also sets out the limits of access that Group Assistants may have.
- 1.2 The three largest political groups (provided that they have more than ten per cent of the Council's elected membership) are entitled to appoint Group Assistants where the budget is allocated. It is recognised, however, that a qualifying group may not wish to take up an allocated post. This is a matter for each group to decide, but a decision by one group to decline to take up an allocated post does not prevent any other qualifying group from having a Group Assistant.

2. Group Assistants as Officers

- 2.1 Group Assistants are employees of the Council. Whilst, like all other Council employees, such assistants must be appointed on merit, regard may also be had to their political affiliations and political activities prior to their appointment.
- 2.2 Unlike other Council employees, Group Assistants:
- **must not** have any powers of the Council (or Cabinet) delegated to them; and
 - **must not** manage any other Council employees (except secretarial and/or administrative support staff).
- 2.3 Like all other Council employees and members, Group Assistants may only use Council resources to undertake Council business.
- 2.4 Group Assistants are all **politically restricted posts**. In common with other Council employees in politically restricted posts, such assistants **must not**:
- (i) stand as a candidate for election as a member of the House of Commons, Police and Crime Commissioner or a local authority;
 - (ii) act as an agent or sub-agent for a candidate who is standing in such an election;
 - (iii) canvas on behalf of any candidate standing in such an election;
 - (iv) canvas on behalf any political party; or
 - (v) act as an officer of a political party (or branch) if that would be likely to require:
 - (a) participation in the management of the party (or branch); or
 - (b) acting on behalf of the party (or branch) in dealings with non-party members.
- 2.5 Unlike other Council employees in politically restricted posts, Group Assistants **also must not**:
- (i) speak to the public in a manner likely to create the impression that they are speaking as an authorised representative of a political party; or

- (ii) publish (or permit the publication of) any written or artistic work of which they are the author (or has acted in an editorial capacity) which is likely to create the impression that the publication is authorised by a political party.

3. The Role of Group Assistants

- 3.1 The role of Group Assistants is to support the group to which they are appointed and this includes the smooth running of group meetings and other group discussions. However, it does **not** include undertaking party political campaigning or party activity outside the Council's business.
- 3.2 Members and officers shall expect a Group Assistant to do some or all of the following, if asked to by the Group Leader of the relevant group:

Network to facilitate information gathering

- (a) Establish and maintain links with the relevant group's headquarters, parliamentary and research bodies, regional local government bodies, and other relevant external groups.
- (b) Develop a good knowledge of the functions and operations of the Council and its departments and establish effective working relationships with officers of the Council, including the Chief Executive and other senior officers.
- (c) Liaise with members of the public and community groups, to collect a wide range of information, including in relation to issues that may be sensitive.
- (d) Attend meetings of relevant local and national bodies, groups, agencies and associations.

Assist policy formulation and research for the Group

- (e) Undertake research and analysis, obtain information and investigate matters to assist policy formulation and other developments or queries.
- (f) Collate and analyse data for statistical purposes.
- (g) Monitor the local media, relevant legislative and political developments, key projects and other issues that may impact on the group or Council policies.
- (h) Gather information on and share good practice operated in other organisations.
- (i) Disseminate information to the group and advise on items of interest or concern.
- (j) Prepare reports and position and briefing papers, providing statistical information and recommendations on policy change and formulation, exercising judgement and decision making on likely repercussions on the local community and Council.

Providing administrative and organisational support to the Group Leader and group members as required

- (k) Carry out general administrative duties.
- (l) Draft speeches, motions, amendments and questions for the group.
- (m) Liaise with the local media in respect of press statements by and interviews with the Group and act as a point of contact on behalf of the Group for media enquiries (but **not** act as a spokesperson on behalf of the Group (or Council) or issue press statements in their own name (or on behalf of the Council)).

- (o) Pass on enquiries from members of the public, media, voluntary bodies and other local agencies/organisations on all aspects of Council policy and initiatives to the appropriate officer or group member.
- (p) Maintain manual and computerised information retrieval systems used by and for the Group Leader and group members.
- (q) Organise, prepare agendas for and minute group meetings, ensuring any follow-up action is carried out.
- (r) Liaise with the Group Leader and chairman/woman to oversee and facilitate the effective servicing of group meetings, sub-groups and any associated meetings.
- (s) Act as a point of contact for group members in order to aid group cohesion, co-ordination and efficient conduct of group business, ensuring the group is able to act swiftly and effectively, facilitating excellent group communication and reducing the likelihood of members sending out contradictory messages.
- (t) Identify, in conjunction with the group, individual members' training needs and liaise with the Head of Governance Support regarding the provision of such training.
- (u) Contribute to improving the efficiency and effectiveness of service delivery through maximisation of resources within the office and identifying and implementing initiatives for making improvements.

4. Management Arrangements

- 4.1 The appointment procedures to be followed in relation to the Group Assistants are set out in the Standing Orders in relation to Officer Employment.
- 4.2 Group Assistants will for most day-to-day purposes report to the Leader of the Group to which they have been appointed. The Group Leader will agree the work programme of the relevant assistant, set the priorities within that programme and undertake day to day supervision of the work.
- 4.3 The posts will be based in the Democratic Services Team and Group Assistants will be line managed by the Head of Governance Support (or such other officer to whom he/she may delegate responsibility) in relation to pay and conditions, equipment purchase and expenses claims, leave and sickness, team briefing, and learning and development. Leave arrangements will be subject to approval by relevant Group Leader, as appropriate.
- 4.4 'Group Assistants' annual appraisal will be undertaken either by the Head of Governance Support (after seeking structured feedback from the relevant Group Leader), or the Group Leader and the Head of Governance Support together.
- 4.5 If a Group Assistant feels they have been asked to undertake any role inappropriately, or that they have been denied access to people or information unfairly, then the assistant may raise that with the relevant Group Leader, as appropriate, or (if the assistant prefers) with the Head of Governance Support. In the event of a dispute between the Group Leader and the Head of Governance Support then the matter will be raised with the Chief Executive.
- 4.6 The Head of Governance Support (or such other officer as he/she may delegate responsibility to) shall be responsible for all disciplinary action (including dismissal) in relation to Group Assistants, but the Head of Governance Support shall consult with the relevant Group Leader in relation to any such disciplinary action.

5. Assistants’ Rights to Information

- 5.1 Group Assistants have the same rights to information as elected members of the Council and fellow Council officers must be willing to provide the same information to such assistants as they would if a member of the Council sought the same help.
- 5.2 The rights of members to be given information are set out in detail in the Council’s Constitution. Broadly, any member of the Council has a right to all Committee/Cabinet Reports and their background documents unless prohibited under the Constitution. In addition, members have a common law right to information on a “need to know” basis to enable them properly to undertake their duties as a councillor.
- 5.3 Most exempt reports and documents may also be available to members but there are a limited number of situations (such as matters of high sensitivity in relation to individual employees or legal cases) where documents will not be made available to all members or the Group Assistants. Such cases will need to be dealt with on their individual merits and in consultation with the Monitoring Officer.
- 5.4 Where Group Assistants have access to exempt or confidential documents they must not disclose their contents to anyone who is not equally entitled to the information, or to anyone outside the Council.
- 5.5 Group Assistants will direct all routine requests for information and advice to the relevant manager in the Business Unit concerned. Requests for information about more sensitive matters, or complaints about how a matter has been dealt with initially, shall be addressed to the relevant Director.

6. Obligations of Group Assistants

- 6.1 Applicants for a post of a Group Assistant will be asked to disclose any current or past political activities or affiliations.
- 6.2 Group Assistants will be expected to work mainly under their own discretion and initiative for the Group Leader. A day-to-day programme may be assigned by the relevant Group Leader.
- 6.3 Group Assistants will be expected to maintain the highest level of confidentiality and discretion at all times during the course of their work.
- 6.4 Group Assistants will be expected to maintain up-to-date knowledge of working practices, policy development, techniques and legislation and undertake professional development activities.
- 6.5 Group Assistants will be expected to adhere to the principles contained in the Council’s Protocol in relation to Member and Officer Relations so far as that is not inconsistent with the specific obligations applicable to such assistants.

7. Groups without Group Assistants

- 7.1 It is possible that a Group that is entitled to a Group Assistant may choose not to take up the allocated post. A Group that has previously decided not to fill its allocated post may change its mind at any time by giving written notice to the Chief

Executive and the appointed post holder will then be entitled to the same rights as existing Group Assistants and subject to this Protocol.

- 7.2 There may be other groups in the Council (or individual members), who are not entitled to have a Group Assistant. Officers generally shall take care to ensure that if briefings are given to any one political group then the same level of information is given to groups (or individual members), who do not have a Group Assistant as to those that do. All groups are provided with opportunities to obtain information whether or not they have a Group Assistant.

4. Monitoring Officer to Report Cases of Illegality and/or Maladministration

- 4.1 It is the Monitoring Officer's duty, if he/she believes that any proposal, decision or omission by the Council, has given rise to (or is likely to, or would give rise to) a contravention by the Council of "any enactment or rule of law" to prepare a report ("a Monitoring Officer Report") on the matter. A Monitoring Officer Report must also be prepared where the Local Government Ombudsman has found any "maladministration or injustice".
- 4.2 If the Monitoring Officer Report relates to a proposal, decision or omission by the Leader of the Council, an individual member of the Cabinet or the Cabinet (or on behalf of the Cabinet – i.e. by a committee of the Cabinet or an Officer, or (potentially) an area committee or joint committee) the report must be submitted to the Cabinet. The Cabinet or Council (as appropriate) are also under a duty to ensure that no step is taken to give effect to any proposal or decision to which such a report relates until the end of the first business day after the day on which consideration of the report is concluded. The Cabinet and Council's responsibilities under this paragraph may not be delegated.

5.2 As soon as practicable after the Cabinet has concluded its consideration of a Monitoring Officer Report, the Cabinet must prepare a report and send a copy to every member of the Council and to the Monitoring Officer. This report must specify what action (if any) the Cabinet has taken in response to the Monitoring Officer Report; what action (if any) it proposes to take (and when); and the Cabinet's reasons for taking (or not taking) action. (There is no equivalent obligation upon the Council to prepare a report in response to a Monitoring Officer Report.)

7. Disciplinary Action against a Monitoring Officer

7.1 The Local Authorities (Standing Orders) (England) Regulations 2001 require all local authorities to adopt certain mandatory Standing Orders in relation to the taking of any "disciplinary action" (as defined in those Regulations) against the Monitoring Officer. Similar provisions also apply in relation to the Head of Paid Service and the Chief Finance Officer. These are all contained in the Council's Standing Orders in relation to Officer Employment (see in particular Standing Order G5).

8. Local Arrangements and Conventions

8.1. This protocol applies to the Monitoring Officer, any Deputy Monitoring Officer/s and to any person/s appointed in line with paragraph 6.1 above. This Protocol also applies to the all members, including co-opted and independent members.

8.2 The Council expects that the Monitoring Officer will discharge his/her statutory responsibilities with determination and in a manner that will enhance the reputation of the Council.

8.3 In addition to the Monitoring Officer's formal statutory responsibilities the Council expects and encourages him/her to take a positive and proactive approach to promoting and encouraging high standards in ethics and probity amongst members and officers.

8.4 The Council expects the Monitoring Officer to draw to members' attention in clear terms not only matters where the Council may be at risk of being accused of illegality or maladministration, but also where the Council may be failing to have proper regard to Government guidance or best practice.

8.5 The Council recognises that, in general terms, the Monitoring Officer's ability to discharge his/her duties depends not only on excellent working relations with officers and all members but also on the flow of information and access to debate, particularly at early stages.

8.6 The Council expects the following arrangements and understandings to be followed by all officers and members, in order to help ensure the effective discharge of the Monitoring Officer's functions:

- (a) If not a member of the Senior Leadership Team, the Monitoring Officer will have advance notice of those meetings (and immediate access to all agendas and reports) and the right to attend meetings and speak.
- (b) The Monitoring Officer will be given ample advance notice of meetings (whether formal or informal) between Directors, the Leader of the Council and members of the Cabinet (or Committee Chairmen/women), especially where the Chief Executive or any Director or Divisional Director or Head of Service considers that it is reasonably likely that any issues may arise in relation to probity, legality, procedure or the Council's Constitution.
- (c) All officers must immediately alert the Monitoring Officer to all issues of concerning probity, legality, procedure or the Council's Constitution, as soon as they become aware of those matters.
- (d) The Monitoring Officer (or his/her staff) will be provided with copies of all reports to members before they are published and shall be entitled to have his/her advice included in those reports.
- (e) The Monitoring Officer shall use all reasonable endeavours to develop good working relations with the Council's External Auditor and the Local Government Ombudsman.
- (f) The Monitoring Officer shall use all reasonable endeavours to develop good working relations with the all members, particularly the Leader of the Council, Civic Mayor, Chairman of the Council's Standards Committee and the Overview and Scrutiny Co-ordinator.
- (g) The Council expects and encourages that the Monitoring Officer, Chief Finance Officer and the Head of Devon Audit Partnership meet on a regular basis to consider and recommend action in connection with current governance issues and other matters of concern regarding ethics and probity. The Council also expects that these three Officers will keep the Chief Executive (as Head of Paid Service) informed of any matters that any of them consider shall be brought to his/her attention.
- (h) The Council expects the Monitoring Officer to make enquiries into any written complaint alleging misconduct by any member falling short of a possible breach of the Members' Code of Conduct in accordance with the Council's Local Protocol for the Assessment and Determination of Allegations of Breaches of the Members Code of Conduct.
- (i) In carrying out any investigation (whether under the preceding paragraph or otherwise) the Monitoring Officer will have unrestricted access to any information held by the Council, any Council employee, or any member as he/she may require, subject only to any legal rights an individual may have to withhold information or to decline to answer any question.
- (j) The Monitoring Officer will have control of a budget sufficient to enable him/her to seek Counsel's opinion or other expert advice on any matter concerning his/her functions.
- (k) The Monitoring Officer will be responsible for arranging training for members on ethics, probity and legality.

- (l) The Monitoring Officer will recommend to the Council changes to the Constitution where agreement is not reached with the Leader of the Council and Group Leaders (in accordance with Article 13 paragraph 13.02 (a)), following consultation with the Head of Paid Service, the Chief Finance Officer and any other person he/she considers appropriate.
- (m) The Monitoring Officer may make a report to the Council from time to time, as he/she considers appropriate, on the staff, accommodation and resources necessary to discharge his/her function.

9. What Happens When Things Go Wrong?

- 9.1 From time to time the relationship between the members and officers may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation, if necessary by the Chief Executive and the Leader of the Council or the appropriate Group Leader, this is not always possible.

10. Procedure for Members Complaining About the Monitoring Officer

- 10.1 Where a member considers that the Monitoring Officer has acted in breach of this Protocol and informal resolution of the matter has not proved possible, the member may put his/her complaint in writing to the Chief Executive. The written complaint must specify all incidents that the complainant intends to raise and set out the alleged breach of this Protocol.
- 10.2 The Chief Executive may disregard any complaint that he/she considers to be unreasonable, frivolous or vexatious, and that shall be the end of the matter. Otherwise the Chief Executive shall provide a copy of the written complaint to the Monitoring Officer and allow him/her to respond in writing. If the Chief Executive considers it appropriate, he/she may then invoke the Council's Disciplinary Procedure in accordance with Standing Order G5 of the Council's Standing Orders in relation to Officer Employment. Where the Chief Executive receives a written complaint he/she shall write to the member making the complaint to inform him/her of the outcome.
- 10.3 A complainant may at any time withdraw a complaint by notice in writing to the Chief Executive.

11. Procedure for the Monitoring Officer to complain about a member

- 11.1. If attempts at resolving matters informally have not been successful, where the Monitoring Officer considers that a member has acted in breach of this Protocol he/she may make a written complaint to the Chief Executive. The written complaint must specify all incidents that the Monitoring Officer intends to raise and set out the alleged breach of this Protocol and (if applicable) any other Council protocol/s.
- 11.2 The Chief Executive may disregard any complaint that he/she considers to be unreasonable, frivolous or vexatious, and that shall be the end of the matter. Otherwise the Chief Executive will give a copy of the complaint to the member concerned and invite his/her written comments (if any) within 10 working days.

- 11.3 The Chief Executive will give a copy of the member's response to the Monitoring Officer and invite his/her further written comments (if any) within 10 working days. If any material new issues are raised the Chief Executive may give the respective parties such further opportunities to make written comments as he/she shall consider reasonable.
- 11.4 The Chief Executive will then consider the written submissions and shall, unless he/she is satisfied that the complaint is clearly unjustified, refer the matter to the Standards Committee for consideration. The Standards Committee may uphold or reject the complaint (in whole or in part) and/or recommend to Council such action as it considers appropriate.
- 11.5 The Monitoring Officer may at any time withdraw his/her complaint by notice in writing to the Chief Executive.

12. Exceptions to Complaints Procedures

- 12.1 Exceptions may be made to the above procedures if to do otherwise would conflict with the Council's policy on "Whistleblowing" or potentially prejudice a criminal investigation (whether in progress or reasonably contemplated in the future).

1. Introduction

- 1.1 Town and country planning is often highly contentious. It is seldom, if ever, an exact science: rather, it relies on informed judgement within a complex legislative and policy framework. Planning decisions frequently affect the daily lives of local people and the private lives of individuals. It is therefore essential that planning decisions be taken openly and impartially, with sound judgement and for justifiable reasons. The planning process must leave no grounds for suggesting that a decision has been partial, biased or not well-founded in any way.
- 1.2 An elected member on a planning committee has to balance representing the needs and interests of individual constituents and the community, with the need to maintain public confidence in the fairness and impartiality of the planning decision-making process. As the Nolan Committee (in its third report in 1997) acknowledged, this dual role can give rise to great tensions.
- 1.3 The purpose of this Local Code is to provide clarity in the way in which Members and officers of the Council will deal with planning matters and to set the standard of conduct, that other parties to the process are entitled to expect of the Council. Whilst this Local Code deals primarily with the determination of planning applications, the principles it endorses must be taken into account when considering forward planning (the Development Plan) and other planning policy issues, planning enforcement and all other planning matters.
- 1.4 In this Local Code, ‘member’ includes all elected members of the Council.
- 1.5 This Local Code is intended to ensure that the planning process is characterised by open and transparent decision making. Adherence to the Local Code will help to protect the Council against allegations of maladministration, legal challenges to its decisions and applications for costs based on grounds of ‘unreasonable behaviour’. The Local Code’s is based on the main principles are that decision-makers must:
- (a) **not** favour unfairly (or appear to favour unfairly) any individual or group.
 - (b) **not** make decisions in advance of being presented with all the relevant facts.
 - (c) take into account all relevant considerations and not take into account irrelevant considerations
 - (d) not be biased in favour of any individual, bodies or locality or put themselves in a position where they appear to do so.
 - (e) by law determine all applications in accordance with the statutory development plans, unless material considerations indicate otherwise.
 - (f) have mutual respect for the positions of Officers and Members.

2. Relationship with the Council’s Codes Of Conduct

- 2.1 This Code is concerned with the integrity of the planning process and maintaining public confidence in the planning system. Whilst there is a degree of overlap with the Council’s Codes of Conduct for Members and Employees, this Local Code of Good Practice also imposes additional obligations in the specific context of Town and Country Planning.

2.2 This Local Code contains advice based upon recommendations from the Local Government Association, the Royal Town Planning Institute (RTPI) and the Local government and Social Care Ombudsman ('the Ombudsman'). Failure to follow this Local Code may be taken into account in investigations into possible maladministration and may result in allegations that a Member or Council Officer has breached the Council's Codes of Conduct (and a Member being referred to the Monitoring Officer or an officer being subject to disciplinary action).

3. Application of this Local Code

3.1 This Local Code applies to both Members and Council Officers who become involved in the planning system. It applies to all planning decisions (whether taken at Council, committee, or by Council Officers under delegated powers).

3.2 The Code also applies to site visits, site review meetings and all other formal and informal contacts between Members, Council Officers, applicants, agents, objectors, landowners and other members of the public involved in the planning process. Whilst this Code primarily addresses the determination of planning applications, its underlying principles must also be applied to forward planning (the Development Plan process) and to the enforcement of planning control.

3.3 When determining whether there has been a breach of this Local Code the standard to be applied will be that of the reasonable member of the public with knowledge of the relevant facts and the standard of proof will be that of the balance of probabilities.

4. The Roles and Conduct of Members and Council Officers

4.1 Members and Council Officers have different but complementary roles. These are explored in detail in the Council's Local Protocol on Member and Officer Relations contained in Part 5 of the Council's Constitution. The guidance contained in that Protocol is relevant to the planning process.

4.2 Both members and Council Officers are subject to formal Codes of Conduct adopted by Torbay Council. In addition, Council Officers who are Chartered Town Planners are guided by the Royal Town Planning Institute's (RTPI's) Code of Professional Conduct, breaches of which may lead to disciplinary action by the Institute.

4.3 The Council's Codes of Conduct for Members and Employees cover issues central to the preservation of an ethical approach to Council business. In particular, Members must register and declare pecuniary and non-pecuniary interests (as defined in the Code of Conduct for Members). Similarly, certain Council Officers must register and declare personal interests (as defined in the Employees Code of Conduct). However, the Codes also govern relationships between Members, Council Officers and the public and these provisions will impact on the way in which Members and Council Officers participate in the planning process. Of particular relevance to Members and Council Officers involved in planning decisions is the requirement under the Code of Conduct for Members that they;

'must act solely in the public interest and should never improperly to confer an advantage or disadvantage on any person or act to gain financial or other material benefits for themselves, a member of their family, close associate or relevant person'

- 4.4 The planning system involves the consideration of private proposals in the context of the wider public interest. Much is often at stake in this process and opposing views are frequently very strongly held by those involved. Whilst Members and Council Officers need to listen to these views, if they are involved in the **determination** of a planning matter, they must **not** unfairly favour (or appear to unfairly favour) any person, body or organisation, or any group or locality, nor put themselves in a position where they **appear** to do so. **Members or Council Officers who do not feel that they can act in this way must ensure that they do not take part in the determination of a planning matter.**
- 4.5 Members and Council Officers must be especially cautious about accepting gifts or hospitality in the context of the planning process. As a minimum standard, they must comply with the requirements of the Council's Codes of Conduct and the Local Protocol on Gifts and Hospitality (see Part 5 of the Council's Constitution).
- 4.6 It is wholly unacceptable for any Member or Council Officers ever to be offered, receive or seek any gift as part of the planning process. It exposes the recipient to the most serious allegations of impropriety and may result in criminal charges for corruption (punishable on conviction by a long prison term and/or heavy fine) and/or referral to the Monitoring Officer.
- 4.7 All offers of hospitality (greater than a cup of tea, or equivalent) from people with any interest in a planning proposal should also be politely but firmly declined. If the refusal of very modest hospitality is likely to cause real offence, Members and Council Officers should ensure that it is of the minimum level and declare its receipt as soon as possible. Occasionally, in appropriate circumstances, it may also be reasonable to accept hospitality by way of a modest working lunch (or other meal) if that is conducive to the effective and professional conduct of a matter. Any hospitality accepted (or offered) should be recorded in the relevant member or employee Hospitality Book.
- 4.8 The functions of Council Officers are:
- (a) To carry out the administrative tasks associated with planning applications and inquiries, to negotiate, where appropriate (and in accordance with this Local Code), with consultees, applicants and their agents.
 - (b) To prepare a comprehensive and balanced report normally with a clear recommendation of either conditional approval and/or with a requirement for a planning obligation, or refusal of an application when it is to be determined by a planning committee. (For further information see Section 13).
 - (c) To determine planning matters as authorised by the Council's Scheme of Delegation and in accordance with planning law and policies.
 - (d) To advise and assist Members and the general public in respect of any queries falling within the planning function.
- 4.9 In carrying out these responsibilities, Council Officers will provide:
- (a) Impartial guidance to all parties including applicants, objectors, consultees and members and provide professional advice to the Council in accordance with the Royal Town Planning Institute's Code of Professional Conduct.

- (b) Ensure, so far as possible, that all information necessary to make a decision has been obtained, evaluated and properly taken into account (when making a decision or formulating a recommendation) and (if applicable) properly reported to the decision making person or body.

5. Registration and Declaration of Interests

- 5.1 The Council's Codes of Conduct for Members require pecuniary and non-pecuniary interests to be registered and declared. These requirements **must** be followed scrupulously. Responsibility for fulfilling the requirements rests individually with each member and includes an obligation to ensure that their entries in the Registers of Interests are kept up to date.
- 5.2 All relevant pecuniary and non-pecuniary interests must be declared by members at every Council, committee or working party meeting where the interest is relevant to an item for discussion and on all other relevant occasions (such as site visits).
- 5.3 As the Council's planning function is a quasi judicial one, Members are also required to consider whether they have interests other than pecuniary and non-pecuniary interests that would mean a reasonable member of the public might consider a conflict of interest to arise members need to ensure that there can be no question of predetermination or bias. Where a specific planning application might reasonably be regarded as affecting your well-being or financial position, or the wellbeing or financial position of a relevant person, to a greater extent than the majority of other council taxpayers, ratepayers or inhabitants of the electoral division or ward, as the case may be, affected by the decision, the Member should declare that interest and, depending on the nature of that interest, may wish to exclude him or herself from taking part in the decision.
 - (2) In the above paragraph "relevant person" would be –
 - (a) a member of the Member's family or any person with whom he or she has a close association; or
 - (b) any person or body who employs or has appointed such persons, any firm in which they are a partner, or any company of which they are directors; or
 - (c) any person or body in whom such persons have a beneficial interest in a class of securities exceeding the nominal value of £25,000.
- 5.4 All Council Officers must comply with the Council's Employee Code of Conduct which is contained at Part 5 of the constitution and which imposes several requirements on employees including an obligation to declare any interests at meetings of the Council in which they are in attendance. When involved in the planning process Council Officers should also consider whether they should remain at meetings whilst a discussion and/or decision is taking place that relates to their interests and employees must always inform their line manager when any interest arises regardless of who is making the decision.

Where a Member has an interest in a planning application, which means that they will not be present when the application is under discussion (see part 7), he/she may attend the meeting, but only for the purpose of making representations, provided that the public are also allowed to attend the meeting for the same purpose. Having made his/her representations he/she may withdraw from the meeting room and can

not vote on the matter.

Members and Council Officers are required to register requests to speak on a planning application, as set out in Standing Orders in relation to Council Meetings.

- 5.5 If a Member is a member in a personal capacity of an outside body that is making (or supporting or objecting to) a planning application it is very likely that they have a declarable non-pecuniary interest and quite likely that they have a pecuniary interest that will preclude them from taking part in the matter or even being in the room when the committee consider the matter. In these circumstances Members are strongly recommended to seek advice from the Monitoring Officer.
- 5.6 If a planning matter under consideration relates to an outside body to which a Member has been nominated by the Council, careful thought must be given by the member before deciding that it is appropriate to rely the general dispensation provided by the Monitoring Officer that Members appointed to such bodies can take part in decisions affecting those organisations.
- 5.7 Due to the nature of planning it may not be appropriate for a Member who is a Council representative on an outside body to vote on a planning matter affecting that body if they are a director or trustee of the outside body. This is because those roles impose very onerous legal obligations to act in the best interests of the outside body and may create an inherent conflict with the member's role as a councillor. If in doubt, the advice of the Monitoring Officer should be sought on this issue.
- 5.10 Where a Member who is a Council representative on an outside body (in whatever capacity, not just as a director or trustee) has taken a firm view on a planning matter, either in meetings of the outside body or otherwise, they may be open to an accusation of predetermination and must **not** vote on the matter at any Council meeting. This is discussed more fully in part 6 below. Failure to follow this advice may result in a planning decision being challenged in the courts.

6. Bias, Pre-determination and Pre-disposition

- 6.1 Irrespective of whether a Member or Council Officer has a non-pecuniary or pecuniary interest in a planning matter, they must not determine (i.e. vote on, or take a decision in relation to) a planning matter if it would render such decision liable to challenge in the courts on the grounds of bias, pre-determination or pre-disposition. These are common law concepts which have been developed by the courts over the years and which are continuing to evolve.
- 6.2 The test for bias (or apparent bias) was summarised by Mr Justice Richards in the case of *Georgiou v. Enfield London Borough Council* in 2004 as follows:
- ‘ ... in considering the question of apparent bias in accordance with the test in Porter v Magill, it is necessary to look beyond ... personal interests and to consider in addition whether, from the point of a view of a fair-minded and informed observer, there was a real possibility that the Planning Committee or some of its' members were biased in the sense of approaching the decision with a closed mind and without impartial consideration of all relevant planning issues.’*
- 6.3 The courts will quash a decision even if just one person involved in the decision is tainted by bias. This would have very serious financial consequences for the

authority and very likely result in significant reputational harm to it and the member or employee in question.

- 6.4 Pre-determination is very like bias, but probably has a less pejorative connotation. The Localism Act 2011 states that a decision-maker is not to be taken to have had, or to have appeared to have had, a closed mind when making the decision just because—(a) the decision-maker had previously done anything that directly or indirectly indicated what view the decision-maker took, or would or might take, in relation to a matter, and (b) the matter was relevant to the decision. **Regardless of this provision, Members must be aware that the courts can still determine a Member has not considered the application fairly and therefore quash any decision made. Should Members have any doubts as to whether they should take part in a decision of the planning committee they should seek advice from the Monitoring Officer in advance of the meeting.**
- 6.5 Pre-disposition is a more complex concept than pre-determination or bias. However, a Member who is associated with policy statements that are relevant to an application is at risk of being accused of having a pre-disposition to determine that application in a certain manner. In these circumstances the Member should give very careful consideration before deciding that it is appropriate to vote on the matter at committee and if in any doubt seek the advice of the Monitoring Officer.
- 6.6 This situation might arise, for example, where a Cabinet Member is perceived as advocating certain types of development as part of their portfolio responsibilities. It would best preserve public confidence in the impartiality of the planning process if the member in question does not vote in the determination of planning applications that are relevant to his/her portfolio responsibilities. Members should seek advice at the earliest possible stage from the Monitoring Officer but should avoid a potential conflict of roles wherever possible.
- 6.7 **The overriding principle is that a person should avoid being both an advocate for (or against) a planning proposal prior to the committee meeting and a member of the committee when the application is determined.**

7. Development Proposals by Members and Council Officers

- 7.1 Applications by Members, the Chief Executive, Directors, Divisional Directors, Heads of Service or Council Officers involved in the planning process (or by their friends or relatives as defined in the Codes of Conduct) will not be determined under powers delegated to Council Officers and must be determined by the Planning Committee unless they are of a minor nature and there are no objections. A record will be kept of such instances. The Divisional Director of Planning, Housing and Climate Emergency may decide that this procedure will apply to any other officer of the Council on a case by case basis. The paramount consideration in exercising this discretion will be to maximise public confidence in the impartiality of the planning process.
- 7.2 Any Member or Council Officer to whom para 7.1 applies who makes an application (or who has any other interest in an application which means they will not be taking part in the decision) shall:
- (a) Promptly inform the Divisional Director of Planning, Housing and Climate Emergency. The Divisional Director of Planning, Housing and Climate Emergency shall ensure a record of such interest is placed on the

application file.

- (b) Take no part in the processing or determination of the application.
- (c) At the meeting of the Planning Committee, exercise the same rights to speak as a member of the public. In these circumstances the Member or Council Officer with an interest in the planning application may **not** speak at committee unless the general public has a right to do so. Nor may they even remain in the public gallery to observe or listen to the committee debate (failure to adhere to this requirement has been found to be maladministration). In these circumstances, the Member or Council Officer with the interest which excludes them from the decision-making may request a spouse/partner/agent/friend to attend and speak on their behalf.
- (d) If in any doubt as to the nature of any interest, take advice from the Monitoring Officer in relation to the matter.

7.3 A Member or Council Officer who has an interest that means they will not be taking part in the decision may:

- (a) make written representations in a private capacity, to the Planning Officer, disclosing the nature of the interest and not seeking any preferential treatment;
- (b) use a professional representative, or arrange for a partner, close associate or family member, to make the application or representations; or
- (c) in the case of Members, arrange for another Member to represent the views of the Member's constituents on such matters.

7.4 Where a Member or Council Officer has an interest in a planning matter, the Council's Codes of Conduct also require that they must not seek **improperly** to influence a decision about a matter.

7.5 It is important to emphasise that *improperly* does not imply that a Member or Council Officer is to be precluded from seeking to explain and justify their proposal to a planning officer (whether over the phone, face to face or in writing) in advance of consideration of the matter by committee.

8. Planning Applications by the Council

8.1 The Council itself requires planning permission to carry out or authorise certain types of development on land it owns. These applications will generally be determined by the Planning Committee (or Council) and this Local Code will apply to such applications. The Divisional Director of Planning, Housing and Climate Emergency may determine such applications if they are (a) applications of a minor nature and there have been no objections, (b) applications which are a repeat of, or contain only non-material amendments or material minor amendments

9. Lobbying of and by Members

9.1 If Members are to undertake fully their constituency roles, it is inevitable that they will be subject to lobbying on planning matters. **Lobbying is a normal and perfectly proper part of the political process.** Local concerns about development proposals need to be adequately aired as part of the planning process. **However, a Member**

must not lobby or act as advocate for (or against) a planning proposal and vote on the determination of the matter. Members must comply with the guidance in relation to pre-determination as set out in part 6 of this Local Code.

- 9.2 Members may organise support for or against a planning application or lobby other Members. However, whilst they may be able to speak at the committee meeting when the application is determined they must not vote on the item.
- 9.3 Great care is required by Members and Council Officers in order to maintain public confidence in the integrity and the impartiality of the planning process and the Council. A failure to follow the advice in this section may result in a finding of maladministration against the Council or a legal challenge to the Council's decision.
- 9.4 When being lobbied members in general, but members of the Planning Committee in particular, must take care about stating how they will vote before they have considered all relevant matters at committee. In such circumstances it is preferable for a Member to restrict their comments to procedural advice and to encourage those lobbying to speak or write to the planning officer in order that their opinions can be included as part of the decision-making process.
- 9.5 Where the Monitoring Officer (or his/her representative at committee) reasonably believes that a Member has prejudiced his/her position by expressing a conclusive view on an application before its determination by the committee, he/she will advise the member that it would be inappropriate for the member to vote on the application however **it is the Member's decision on whether to vote.**
- 9.6 Whilst lobbying is a normal and perfectly proper part of the political process, in order to protect their impartiality and integrity from being called into question, Members of the Planning Committee must so far as is practicable, minimise their contacts (including social contacts) with known developers and agents.
- 9.7 Members shall normally avoid requesting information from professional applicants or objectors and direct their enquiries to the planning officer. If interested parties provide members with new information or additional documents they shall pass this to the planning officer as soon as possible. Where a person requires planning or procedural advice, he/she shall be referred to the appropriate officer but this will not preclude Members from giving information to general members of the public to assist them in understanding the planning process.
- 9.8 If a Member is approached in their role as ward councillor by a third party, neighbour, potential objector or supporter of a planning application, then it is natural that they will want to consider the representations. This can help Members' understanding of the issues and concerns associated with an application. However, Members must take care to avoid expressing an opinion which may be taken as indicating that they have already made up their minds on an issue before they have heard all the evidence and arguments at committee.
- 9.9 Unless a Member is prepared to refrain from voting on an application (i.e. to be regarded as an advocate for (or against) the proposed development) they must take great care to maintain impartiality when attending public meetings in relation to planning matters, or during telephone discussions with a constituent. During such meetings or discussions it is preferable for no view on the merits or otherwise of a proposal to be given
- 9.10 Where a Member is lobbied they should make it clear that whilst they can listen to

what is said, it would prejudice their impartiality to express an intention to vote one way or the other. Where Members are invited to attend such meetings, wherever possible they shall only do so in the presence of a Council Officer and, in any event, shall always declare such attendance prior to the consideration of the item at committee. Any written representation received should be passed to the Planning Officer for inclusion on the application file and placing in the public domain. Requests for information on procedural advice relating to planning applications should be directed to the Planning Officer to avoid misrepresentation and the possibility of a poor perception being gained of the impartiality of the planning process.

- 9.11 Members are encouraged where practicable (and particularly if the application is highly contentious) to keep a dated written record of lobbying and the response given. Appendix 1 contains a form designed for this purpose. In accordance with this Local Code it will be considered to be good practice for members to hand in any completed form at the relevant committee meeting. All completed records must be made available to the Monitoring Officer on request.
- 9.12 Where a Member's ward may be affected by a planning application which is to be considered by the Planning Committee, but that councillor is not a member of the committee, he/she may address the committee in order to represent the views of residents. The procedure is laid down in the Council's Standing Orders.
- 9.13 Non-voting Members should remember that to be effective in representing the views of interested parties, and not mislead them about the planning decision process, they should be fair in their representations and not just act as an advocate for one point of view without considering the broader planning context. When lobbied, they should, (and advise others to), consider all aspects of the development which includes the relevant planning policies and the wider interests of the community as a whole. Members should advise that local opposition to, or support for, a planning proposal is not in itself a ground for refusing or granting permission unless founded upon valid planning reasons which can be substantiated. Where opposition to/support for a scheme is not founded upon real planning argument they should avoid giving the impression that such representations can be given weight and be careful about promoting that opposition/support both before and at the Planning Committee. To do so may raise false expectations of a decision which cannot be justified when it comes to objective formal consideration, potentially resulting in disillusionment and confusion over both the decision process and the role of that Member.

10. Pre-application Discussions

- 10.1 It is both proper and important that Members involve themselves in discussions with developers, their constituents and others about planning matters. However, potential difficulties will be minimised if all members adhere to the general guidelines that are set out in Appendix 3. These have been derived from 'Probity in Planning' and 'Positive Engagement – a guide for planning councillors', produced collaboratively by a number of organisations including the Government, Local Government Association, Royal Town Planning Institute and Standards for England.

11. Discussions and Negotiations with Applicants

- 11.1 Formally convened pre-application meetings are organised by officers to negotiate, where possible, an acceptable scheme prior to a planning application being submitted.

- 11.2 In any discussions on planning issues, it will always be made clear at the outset that the discussion and any views expressed are based on the planning officer's professional judgement but will not bind the Council to any particular decision. This is because, by the nature of such meetings, not all the relevant information will be to hand and consultations with interested parties will not normally have taken place.
- 11.3 Advice given will be consistent and based on the Development Plan, relevant national, regional and local planning policies and any other material planning considerations. Every effort will be made to ensure consistent interpretation of planning policies by different planning officers.
- 11.4 Written notes shall be taken at all such meetings detailing attendees, the nature of the proposal, advice sought and given and any other matters discussed. Notes shall be retained in a form readily retrievable by planning officers and their managers. Any request to inspect such notes shall normally be granted during the pre-application stage unless confidentiality has been requested (for example, if the developer's interest in the site is commercially sensitive).
- 11.5 Confidentiality will not be expected to apply once a proposal has become the subject of an application. However, in exceptional circumstances, some limited information relating to the commercial viability of a development may need to remain confidential. Where appropriate more than one officer will attend meetings on major planning issues. As a matter of good practice, a follow-up letter will be sent recording the planning officer's comments. In the event that a planning application is subsequently received any such letter shall be referred to in any committee report and included in the schedule of representations.
- 11.6 Members may request or be encouraged to take part in the pre-application discussions with potential applicants. When Members are involved, they will normally be advised by appropriate officers (which will normally include a senior planning officer). Member involvement in such discussions will be recorded on the planning file.

12. Officer Reports to Committee

- 12.1 Reports to committee on planning matters must be accurate and cover all relevant points and no irrelevant matters.
- 12.2 The planning officer's report will include a full description of the site and any related planning history. It will refer to the provisions of the Development Plan and all other relevant material planning considerations and, where appropriate, any relevant issues arising under the Human Rights Act 1998 and any other relevant legislation. It will include the substance of representations and the views of consultees. The only information which may be taken into account in determining planning application is that formally submitted to the planning officer in advance of the meeting date, so that he or she can assess it. This will prevent the Committee being misled or the decision being challenged on grounds of legality or maladministration. No papers shall be permitted to be circulated on the day of the meeting.
- 12.3 The report will clearly identify the key planning issues and material considerations to be taken into account. The report shall contain the merits for and against the application and will give a technical appraisal that clearly justifies the stated recommendation. Oral reporting to the committee (other than to up-date an existing report), will not normally occur unless a late representation identifies a material

planning consideration which has not been addressed in the report in which case it will be reported by the planning officer together with any response by the applicant.

- 12.4 All reports will normally have a written recommendation either to conditionally approve or refuse the application. A planning officer may recommend that the matter is deferred if information needed for the meeting has not arrived or if significant issues have arisen since the preparation of the report which warrants deferment.
- 12.5 Where the recommendation is one of conditional approval, then all the proposed conditions will normally be attached to the report unless there is some substantial and exceptional reason preventing this. To be lawful a planning condition must meet the six tests specified in the National Planning Practice Guidance.

To be lawful a condition must be:

- (a) Necessary; and
 - (b) Relevant to planning; and
 - (c) Relevant to the development to be permitted; and
 - (d) Enforceable; and
 - (e) Precise; and
 - (f) Reasonable in all other respects.
- 12.6 The report must also give full details of any requirement for a Planning Agreement under Section 106 of the 1990 Act (as amended). The subject matter of the planning obligations to be included in the Agreement should be justified in order to facilitate discussion at the Planning Committee. The National Planning Practice Guidance provides advice on the use of planning obligations.
- 12.7 Planning obligations mitigate the impact of unacceptable development to make it acceptable in planning terms. Planning obligations should not be used where the development proposed could be made acceptable through the use of planning conditions. A planning obligation may only be sought where all of the following tests are satisfied:
- (a) it is necessary to make the proposed development acceptable in planning terms; and
 - (b) it is directly related to the proposed development; and
 - (c) it is fairly and reasonably related in scale and kind to the proposed development.
- 12.8 The Secretary of State emphasises that the use of planning obligations must be governed by the fundamental principle that planning permission may not be bought and sold. It is not legitimate for unacceptable development to be permitted because of benefits or inducements offered by a developer which are not necessary to make the development acceptable in planning terms.
- 12.9 The officer's recommendation must specify the reasons for refusal/approval and refer to all Development Plan policies and all relevant policy guidance which justify that decision.

12.10 Where the planning officer's recommendation is contrary to the provisions of the Development Plan this must be clearly stated together with the material considerations which justify the recommendation.

13. The Decision-Making Process - General

13.1 In determining all types of applications submitted pursuant to the Town and Country Planning Act 1990, the Planning (Listed Buildings and Conservation Areas) Act 1990 and the Hazardous Substances Act 1991, the Council will follow the relevant Government guidance, as interpreted by the courts.

13.2 The planning system involves making decisions about the use and development of land. Section 38(6) of the Planning and Compulsory Purchase Act requires that all planning applications are determined in accordance with the Local Development Plan/Framework unless material planning considerations indicate otherwise.

13.3 When determining planning matters Members and Council Officers must approach each application with an open mind and carefully weigh up material planning considerations, particularly with reference to the Development Plan and national policy guidance. They must disregard all considerations that cannot lawfully be taken into account (for example that a planning application has been made retrospectively).

13.4 No group of Members (for example, from the same political group, or from the same ward) and no informal meeting of a particular group on a committee may be used to decide how Members shall vote in a committee determining an application. **It is unlawful for a planning decision to be subjected to the discipline of the political whip and to do so would also constitute maladministration.** This does not preclude the holding of pre-meetings prior to the commencement of a formal planning related meeting in order to discuss the business management of the forthcoming public meeting (but **not** the merits of individual agenda items). However, such pre-meetings must be open to **all** members entitled to attend the subsequent public meeting and the rules relating to the declaration of interests must be strictly applied.

13.5 Where an application is to be determined by the Planning Committee there will be an opportunity for interested parties to address the committee prior to the determination of the application. The procedure is laid down in Council's Standing Orders. No papers shall be permitted to be circulated on the day of the meeting.

13.6 Members and Council Officers with a personal interest in an application must declare the interest in accordance with the Council's Codes of Conduct and this Local Code and, if required by the relevant Code of Conduct, they shall then withdraw from the meeting before any discussions take place on the matter.

13.7 Members and officers will address one another during the debate in a proper manner and through the Chairman/woman. Members shall respect the impartiality and integrity of officers.

13.8 Senior legal and planning officers shall always attend meetings of the Planning Committee to ensure that procedures have been properly followed and planning issues properly addressed.

13.9 In discussing and determining a planning application, Members will confine themselves to the planning merits of the application and the reasons for making a final

decision shall be clear, convincing and supported by planning evidence.

- 13.10 On occasions the Planning Committee will disagree with the planning officer's recommendation. Planning committees are entitled to reach their own decisions by attaching different weight to the various planning criteria which are relevant to the application. However, the same strict legal requirements have to be met, as the reasoning in the planning officer's report will no longer apply.
- 13.11 Where Members propose approval with conditions or wish to impose additional conditions, they must apply the same criteria referred to at paragraph 12.5 above. They must be of the opinion that if the condition were not applied then the planning application ought to be refused. Conditions shall be tailored to tackle specific problems rather than impose general control. Where Members are of the view a planning agreement is appropriate, then the same considerations as outlined in paragraph 12.7 above shall be applied.
- 13.12 The committee shall not approve any application (or other matter) which would (in the opinion of the Divisional Director of Planning, Housing and Climate Emergency) not be in accordance with the Development Plan unless the Divisional Director has recommend approval and the decision of the Committee is consistent with the Divisional Director's recommendation.
- 13.13 If, contrary to the recommendation of the Divisional Director of Planning, Housing and Climate Emergency, the Committee consider that an application (or other matter) shall be approved and such approval is not in accordance with the Development Plan, then the item shall be referred to Council for determination.
- 13.14 Where a Member proposes to recommend approval contrary to an officer's recommendation of refusal, the Chairman/woman will give the planning officer an opportunity to respond to that recommendation and to discuss any appropriate conditions (and/or Planning Agreement). The planning officer may request further time in order that appropriate conditions (and/or the terms of a Planning Agreement) may be drafted.
- 13.15 Where a Member moves refusal of an application contrary to the officer recommendation, the Member must give reasons based upon planning grounds as the Member may be required to speak at any subsequent appeal hearing. Such reasons must be sufficiently clear and precise to enable the planning officer to apply relevant Development Plan policies to those reasons.
- 13.16 Where it is the planning officer's professional view that a proposal for refusal is improper, this advice will be given to the committee and, where necessary, further advice shall be given by the Solicitor as to the potential implications of such a decision.
- 13.17 Before any matter is put to the vote any member of the committee may request the Chairman/woman to ask the clerk to read to the meeting the full text of the proposal to be voted upon. This is a mandatory requirement if a proposal does not follow the officer recommendation.

14. Planning and Human Rights

- 14.1 The Human Rights Act 1998 requires all public bodies to exercise their powers and duties in ways that do not breach the rights of individuals, as identified in the

European Convention on Human Rights.

- 14.2 The following provisions of the European Convention on Human Rights are most likely to be relevant to the planning system:

Article 6: the right to a fair trial. In the context of planning, this means that where their property or life is affected by a decision, everyone is entitled to a fair and public hearing (within a reasonable time) by an independent and impartial tribunal established by law. This is provided for applicants who are dissatisfied with a planning decision through the appeals process and for objectors through the availability of judicial review. However, the principles underpinning this Article also require openness and transparency throughout the decision-making process.

Article 8: the right to respect for private and family life. Everyone has the right to respect for his or her private and family life, home and correspondence. This may only be subject to interference by a Public Authority in accordance with the law and only *so far as is necessary in a democratic society*. This means that any such interest must be justifiable on the grounds of national security, public safety, the national economic well being, the prevention of disorder or crime, the protection of health or morals or for the protection of the rights and freedoms of others.

The First Protocol – Article 1: protection of property. Every person (including legal persons, such as companies) is entitled to the peaceful enjoyment of their possessions. This may only be restricted or prevented in the public interest in accordance with the law. Accordingly, whilst the Council may enforce planning laws where it is necessary to control the use of property in accordance with the general interest, its action must be *proportionate* in all the circumstances.

15. Decision Making – Delegation to Council Officers

- 15.1 The Council's Scheme of Delegation specifies clearly the categories of applications that may be determined by officers; those that will be referred to the Planning Committee; and those that must be determined by Council. The Chairman/woman or (in his/her absence) the Vice Chairman/woman of the Planning Committee may in exceptional circumstances request the Divisional Director of Planning, Housing and Climate Emergency to refer a planning application which would normally be delegated to Council Officers to the Planning Committee. The terms of reference of the Planning Committee are set out in Part 3, Schedule 5 of the Council's Constitution.
- 15.2 Where officers are determining applications under their delegated powers, the Case Officer processing the application will complete an officer report which must record that all material planning considerations have properly been taken into account. The Case Officer will then make a recommendation to the Team Leader. The Team Leader will assess the report and recommendation and make the final decision on behalf of the Divisional Director of Planning, Housing and Climate Emergency.
- 15.3 In the case of a divergence of view and the rejection of the Case Officer's recommendation, the Team Leader's decision and planning justification must be recorded in full on the file. In the event that the Case Officer is a team leader then any delegated decisions taken by that officer will be referred to the Divisional Director of Planning, Housing and Climate Emergency for the final decision, which shall be recorded in the same manner.

16. Public Speaking and presentation at Planning Committees

- 16.1 Members of the public are entitled to speak at meetings of the Planning Committee and Council when planning applications are being considered. Details of this procedure are set out in Standing Orders in relation to Council Meetings.
- 16.2 Members of the public may support their verbal representation at the Planning Committee with an electronic visual presentation. Where members of the public wish to use an electronic presentation they are required to email their presentation to the Planning Department (planning@torbay.gov.uk) two clear working days prior to the meeting to enable the presentation to include in the meetings overall presentation.

17. Role of Council Officers Where a Recommendation is not Followed

- 17.1 The Nolan Report considered the role of officers in the planning process and concluded that “*Planning Officers exist to advise Planning Committees, which are entitled to reach their own decisions, by attaching different weights to the various planning criteria which are relevant to an application*”.
- 17.2 Council Officers shall, therefore, give full support to the Council’s case where an appeal is made against the Local Authority’s decision whether it be by written representations, informal hearing or public inquiry. However, in doing so, planning officers shall adhere to the good practice advocated by the Royal Town Planning Institute and ‘shall not make or subscribe to any statements or reports which are contrary to their own bona fide professional opinions’. The same principles shall apply to other Council Officers who have to act in accordance with their own professional codes.
- 17.3 Where, however, a planning officer believes that a committee decision is based on no reasonable planning grounds and is therefore “improper” they will normally seek to draw this to the attention of the Committee and must draw this to the attention of the Council’s Divisional Director of Planning, Housing and Climate Emergency and the Monitoring Officer.
- 17.4 Where a planning officer has advised a committee that its decision is, in their professional opinion, improper then that officer will only be required to give evidence on appeal in exceptional circumstances and having regard to any limitations imposed by the Royal Town Planning Institute’s Code of Professional Conduct. The advice of the Council’s Monitoring Officer will be sought if such a situation arises. In such circumstances members may be asked to give evidence on behalf of the Council at any appeal.

18. Committee Site Visits

- 18.1 Council Officers will make arrangements for site visits by all committee members prior to the scheduled committee meeting. Site visits can be requested by a Member but shall only be requested where a site visit will clearly assist the Members in determining the planning application. For example:-
- (a) When the impact of the proposed development is difficult to visualise from the plans and supporting material.
 - (b) There is a good reason why the comments of the applicant or objectors or

consultees cannot be adequately understood from written or verbal presentation at the Committee meeting.

- (c) When the proposal is particularly contentious.
- 18.2 Efforts will be made to ensure that all Members involved in the decision and the Planning Officers attend each site at the same time. This is because:-
- (a) Members have no right of access to land.
 - (b) Members may be subject to lobbying or to accusations of bias.
 - (c) Separate visits are likely to result in confusion about the material planning considerations.
 - (d) Planning officers will be able to explain the plans and answer any technical questions.
- 18.3 Site visits will only be used for gathering factual information, seeking clarification from the planning officer and making a visual assessment. Therefore, Members must not discuss the merits of the case at the site inspection with any applicants, agents, objectors (or supporters) or members of the public who are present. The site visit is not part of the formal consideration of the application and public rights of attendance do not apply.

19. Site Review Meetings

- 19.1 The overwhelming majority of planning applications can be dealt with quite appropriately by Council Officers under delegated powers. However, given the inherently controversial nature of planning it is sometimes the case that even very straight forward applications excite strong feelings and generate objections. In an attempt to increase public confidence in the transparency and fairness of the planning system the Council has adopted a system of holding informal Site Review Meetings as a mechanism for hearing concerns from local residents and deciding whether an application will be determined under delegated powers or referred to the Planning Committee for determination.
- 19.2 The Council has adopted a protocol in relation to Site Review Meetings and this is set out in Appendix 2.
- 19.3 The requirement to hold Site Review Meetings may periodically be suspended by the Divisional Director of Planning, Housing and Climate Emergency in exceptional circumstances, including for example during a pandemic.

20. Reviews of Decisions

- 20.1 The Planning Committee will review, at least annually, a sample of the implemented decisions made by that committee to assess the quality of those decisions. Visits will be incorporated into the schedule of site visits arranged for that committee. The purpose is to improve the quality and consistency of decision making and will assist in reviews of planning policy and monitoring the quality of decisions as required by Best Value Performance Indicators. Members and officers will undertake reviews together and include consideration of whether there is a need to initiate a review of any policies or practices.

20.2 At quarterly meetings of the Planning Committee, the results of recent Planning Inspectorate decisions will be reported. A short report will be provided to identify whether the decision was a delegated officer decision or one taken by the committee and briefly outlining the main issues.

21. Enforcement of Planning Control

21.1 The Council has various powers to take enforcement action in respect of breaches of planning control. These powers may arise for example if development has been carried out without the requisite planning permission or a person has failed to comply with a condition imposed on a planning permission. Enforcement powers also exist in relation to special controls such as planning obligations, listed buildings, Tree Preservation Orders and untidy land.

21.2 The Council has dedicated Planning Investigation Officers who can be contacted by a Member or member of the public if they believe a breach of planning control has occurred. The Planning Investigation Officer will need the address of the planning site and brief details of the alleged breach in order to undertake initial inquiries. The Planning Investigation Officer has specific powers under the 1990 Act to investigate breaches of planning control and therefore once the matter has been referred to the officer he/she will take responsibility for the investigation. The officer will keep the Member or member of the public informed as to progress as appropriate.

21.3 The completion of the Planning Investigation Officer's investigation may lead to one or more of the following:

- A finding of fact that no breach of planning control has occurred;
- A finding that although there has been a breach of planning control it is purely technical in nature or so minor that it is not expedient or in the public interest that it does not justify any further action being taken;
- Where there has been a breach of planning control, but the officer considers a conditional grant of planning permission might be acceptable, an invitation to the landowner/developer to submit an application for planning permission;
- In controversial or difficult cases, or those cases outside officers' delegated powers, a report being submitted to the Planning Committee for determination
- Where the planning merits of the case so justify, instructions to the Council's Legal Services Manager to take enforcement action.

21.4 Starting development in anticipation of receiving planning permission (premature development) is not in itself a ground for justifying refusal of planning permission or the taking of enforcement action. However, the Divisional Director of Planning, Housing and Climate Emergency will put in place systems to ensure that where practical Planning Investigation Officers are notified of instances of premature development and the landowners/developers advised in writing that such activity is carried out at their own risk and may be the subject of planning enforcement action.

22. Training in the Planning Process for Members

22.1 All members of the Council on being elected must undertake initial training on the planning process. This will be provided by the Council in a seminar and/or workshop programme. This training will include guidance on Town and Country Planning with

particular reference to the material considerations which Members have to take primarily into account. Members of the Planning Committee will be given refresher training when changes are made to planning law or procedure and will also receive ongoing training in relation to development management.

- 22.2 All elected Members are required to comply with the core requirements of the Council's annual Members' Development Programme which includes Development Management training.
- 22.3 Members who have not undertaken the relevant Development Management training shall not be permitted to be a member of or substitute for other Members on the Planning Committee, or take part in consideration of any Development Management matters referred to full Council, and should not make themselves available for attending Site Review Meetings.(See Para 19).
- 22.4 Any failure to comply with the core Development Management training requirements may be referred to the Monitoring Officer and to the appropriate Group Leader.

23. Complaints

- 23.1 Any issues of concern arising from this Code may, in the interest of speed, be raised informally with the Monitoring Officer in the first instance. Should a member of the public wish to make a formal complaint within the framework of the Council's complaints system then they shall write to the Divisional Director of Planning, Housing and Climate Emergency, Torbay Council, Town Hall, Castle Circus, Torquay, Devon, TQ1 3DR.
- 23.2 Where a Member alleges a breach of this Code in respect of another Member, they will refer the matter to the Council's Monitoring Officer.
- 23.3 Where there are issues of maladministration, these can be referred to the Local Government Ombudsman.

Site Review Meetings Protocol

1. The Government has made it clear to Local Planning Authorities that in order to speed up the planning process the vast majority of planning applications should be determined by officers using delegated powers.
2. Most planning applications are now initially identified as being appropriate for determination by the Divisional Director of Planning, Housing and Climate Emergency under delegated powers. Only major applications (those for 10 or more residential units, or over 1000 square metres of new floor area) will automatically be referred to the Planning Committee. The Divisional Director of Planning, Housing and Climate Emergency may refer other applications to the Committee for determination if he considers it appropriate. In determining whether to refer other applications to the Committee for determination the Divisional Director of Planning, Housing and Climate Emergency may consult with the Chairman/woman of the Planning Committee and/or any relevant Ward Members.
3. In deciding whether or not to refer a planning application to the Planning Committee for determination, the Divisional Director of Planning, Housing and Climate Emergency will have regard to the number and complexity of planning issues the application raises. This is not necessarily reflected in the number of objections received and no particular number of objections (or letters of support) will ensure that any particular application is referred to Committee.
4. Where officers are recommending approval of an application and there are objections on valid planning grounds made within the 21 day period for response, the Ward Councillors will be advised of the objections by e-mail and be given 5 working days to respond to officers, either by telephone or e-mail. Having considered the merits and significance of the application, Ward Members may, in exceptional circumstances, request that a Site Review Meeting (SRM) is arranged. The Ward Member must be available in the next 7-10 days so that the SRM can be arranged in that timeframe. Officers will proceed to arrange the meeting unless in exceptional circumstances there are clear differences of opinion between the officers and the Member about whether such a meeting is necessary. In these circumstances the matter will be referred to the Chairman/woman of the Planning Committee for decision.
5. Where there are 5 or more objections to an application and officers are recommending approval, the same procedure as described above will apply in relation to the need for an SRM. Officers will however automatically discuss with the Chairman/woman of the Planning Committee whether the application should be heard at Committee. Again, it will be the decision of the Chairman/woman as to whether that application should be determined at Committee or under delegated powers.
6. The purpose of a Site Review Meeting is to decide whether a decision should be made under delegated powers or referred to the Planning Committee for determination. The meeting is not intended to debate or argue about the issues but to allow everyone to look at the site, view and understand fully the proposals and hear the views of the applicant and the objector(s).

7. After the Site Review Meeting, the Senior Planning Officer present will discuss the matter with the Ward Councillor(s) in attendance and then make a recommendation to the Divisional Director of Planning, Housing and Climate Emergency as to whether or not the matter should be referred to Committee for determination. If in exceptional circumstances the Divisional Director of Planning, Housing and Climate Emergency is not minded to agree with the views expressed by any Ward Member as to whether or not to refer the matter to Committee, he will consult with the Chairman/woman of the Planning Committee who will make a decision.
8. All parties will be informed in writing of the outcome of the Site Review Meeting.
9. Site Review Meeting may be terminated by the Planning Officer in attendance in the event that any person present fails to adhere to the principles of this Protocol or fails to treat other people present with courtesy and respect.
10. In all cases, Officers will continue to make recommendations in reports either for signing off by team leaders or for consideration at Committee, and Officer Reports will highlight and discuss the merits of objections, indicating how the objections raised have been considered in reaching the decision.

Appendix 3

Discussions with Third Parties – Do's and Dont's

It is important that members involve themselves in discussions with applicants, their constituents and others about planning matters. The Audit Commission has recommended that councils should develop effective approaches to pre-application discussions involving councillors, to ensure the issues relating to proposed planning applications are identified, discussed and, if possible or necessary, accommodated early in the process. Such discussions have no binding effect on either party; the Council encourages developers to engage in full and transparent public consultation at an early stage so that both the Council and the applicant are aware of issues arising and members can observe and listen to a range of points of view. Potential difficulties will be minimised if all members adhere to the following general guidelines.

Do

- Read the Council's Local Code of Good Practice in relation to Planning Matters
- Attend discussions organised by officers before a planning application is made, **not** after it has been submitted to the Council
- Structure discussions and always be accompanied by a planning officer
- Keep an open mind; refrain from expressing strong views directly to a prospective applicant rather than via the planning officer during the pre-determination stage; preface any discussion with appropriate and clear disclaimers; keep a dated note of meetings and calls; and make **clear at the outset** (and in subsequent contacts) that discussions are **not** binding
- Adhere to policies included in adopted plans, but also pay heed to any other considerations relevant to planning
- Where appropriate encourage positive outcomes
- Request and participate in training on planning and probity issues
- Refuse any gift however insistently offered
- Attend developer presentations to be fully informed prior to an application being submitted
- Attend public consultation meetings as part of your role in taking fully into account public opinion and relevant planning issues emerging

Do Not

- Meet applicants alone, or put yourself in a position where you may appear to favour unfairly any person, body or group or may be misinterpreted. Even a 'friendly' private discussion with an applicant may cause others to question your impartiality
- Accept hospitality unless refusal of minimal hospitality would be impolite
- Expect to lobby and actively support (or resist) an application and still vote at Committee
- Remain in any public meeting where you have a pecuniary interest
- Seek improperly to influence others or put pressure on them to support a particular outcome in relation to a planning matter
- Invent local guides on probity in planning which are incompatible with current national guidance and best practice
- Advise, correspond or negotiate (or give the appearance of so doing) with applicants

This list of do's and don'ts is derived from a range of national documents including

principally “Positive Engagement” (a guide for planning councillors), and “Probity in Planning” produced collaboratively by a number of organisations including the Government, LGA, RTPi and Standards for England.

Appendix 1: Licensing Attendance Note

1. Introduction

- 1.1 The Council has a variety of duties to undertake in relation to permits, consents and licences set out within legislation, some of which have been in effect for centuries. This sets down rules by which certain activities can only be lawfully carried out if a formal permission has been issued. This process is necessary to ensure that appropriate checks are made and any necessary conditions imposed on the activity in order to preserve the amenity of an area, minimise inconvenience to the public and ensure fairness and equality of opportunity. There may also be a need to enquire into the background of an applicant, assess their suitability for the matter under consideration and, in some cases, their honesty. This is because the public must have confidence in the robustness of such processes and be sure that the Council's corporate responsibility is being satisfactorily discharged.
- 1.2 Every member of the public will at some time encounter a service or business which has been required to obtain an appropriate permission for its activities. Licensing decisions will therefore impact frequently upon the daily lives of private individuals. It is therefore essential that licensing decisions be taken openly and impartially. The licensing process must leave no grounds for suggesting that a decision has been partial, biased or not well founded in any way.
- 1.3 On the passing of the Licensing Act in 2003, it was decided by Parliament that decisions in relation to alcohol, entertainment and late night refreshment licensing would best be left to elected members who would be accountable to the local electorate. An elected member is required to take forward concerns, drive change, participate in community and action groups and made decisions for the community as a whole. As the Standards Board for England noted in 2004, these roles and responsibilities can often conflict and there needs to be a balance between representation and ensuring that the authority can even-handedly decide matters on their merits. Not only that but it must be seen doing so by maintaining public confidence in the fairness and impartiality of the licensing decision-making process.
- 1.4 The purpose of this Local Code is to provide clarity in the way in which members and employees of the Council (or 'officers') will deal with licensing matters and to set the standard of conduct that other parties to the process are entitled to expect of the Council. Whilst this Local Code deals primarily with the determination of licensing applications under the Licensing Act 2003, the principles it endorses must be taken into account when considering how other licensing and registration activities are to be dealt with, how local policies are considered and followed, how applicants are dealt with during the process and what involvement members can have with such matters prior to their determination.
- 1.5 In this Local Code, 'member' includes all elected members of the Council.
- 1.6 This Local Code is intended to ensure that the licensing process is characterised by open and transparent decision making. Adherence to the Local Code will help to protect the Council against allegations of maladministration, legal challenges to its decisions and applications for costs based on the grounds of such decisions being unlawful. The Local Code is based on three main principles:
- (a) Decision-makers must **not** favour unfairly (or appear to favour unfairly) any individual or group.

- (b) Decision-makers must **not** make decisions in advance of being presented with all the relevant facts.
- (c) Members and employees have different but complementary roles in consequence of which a successful relationship must be based upon mutual trust and respect for the positions of each other.

2. Relationship with the Council's Codes of Conduct

- 2.1 This Local Code is concerned with the integrity of the licensing process and maintaining public confidence in the licensing system. Whilst there is a degree of overlap with the Council's Codes of Conduct for Members and Employees, this Local Code of Good Practice also imposes additional obligations in the specific context of licensing and control.
- 2.2 Failure to follow this Local Code may be taken into account in investigations into possible maladministration and may result in allegations that a member or employee has breached the Council's Codes of Conduct (and a member being referred to the Monitoring Officer for investigation or an employee being subject to disciplinary action).

3. Application of This Local Code

- 3.1 This Local Code applies to both members and employees who become involved in licensing issues. It applies to all licensing decisions (whether taken at Council, Committee, Sub-Committee or by employees under delegated powers).
- 3.2 The Local Code also applies to site visits, meetings, forums and all other formal and informal contacts between members, employees, applicants, agents, objectors, legal advisors and other members of the public involved in the licensing process. Whilst this Local Code primarily addresses the determination of licensing applications its underlying principles must also be applied to the processes up to that stage and subsequent enforcement issues.
- 3.3 When determining whether there has been a breach of this Local Code the standard to be applied will be that of the reasonable member of the public with knowledge of the relevant facts and the standard of proof will be that of the balance of probabilities.

4. The Roles and Conduct of Members and Employees

- 4.1 Members and employees have different but complementary roles. These are explored in detail in the Council's Local Protocol on Member and Officer Relations contained in Part 5 of the Council's Constitution. The guidance contained in that Protocol is relevant to the licensing process.
- 4.2 Both members and employees are subject to formal Codes of Conduct adopted by Torbay Council and set out in the Constitution. These cover issues central to the preservation of an ethical approach to Council business. In particular, members must register and declare pecuniary and non-pecuniary interests and employees must register and declare personal interests in accordance with the Employee Code of Conduct. However, the Codes also govern relationships between members, employees and the public and these provisions will impact on the way in which

members and employees participate in the licensing process. Of particular relevance to members and employees involved in licensing decisions is the requirement that they;

‘must not in his/her official capacity, or any other circumstances, use his/her position as a member/employee improperly to confer on or secure for him/herself or any other person, an advantage or disadvantage’

- 4.3 The licensing system involves the consideration of proposals which often impact greatly upon wider public interest. Much is often at stake in this process and opposing views are frequently very strongly held by those involved. Whilst members and employees need to listen to these views, if they are involved in the **determination** of a licensing matter, they must **not** unfairly favour (or appear to unfairly favour) any person, body or organisation, or any group or locality, nor put themselves in a position where they **appear** to do so. **Members or employees who do not feel that they can act in this way must ensure that they do not take part in the determination of a licensing matter.**
- 4.5 It is wholly unacceptable for any member or employee ever to receive (or seek) any gift or hospitality as part of the licensing process. It exposes the recipient to the most serious allegations of impropriety and may result in criminal charges for corruption (punishable on conviction by a long prison term and/or heavy fine and/or referral to the Monitoring Officer).
- 4.6 The functions of employees are:
- (a) To carry out the administrative tasks associated with licensing applications and enquiries, to negotiate, where appropriate (and in accordance with this Local Code), with consultees, applicants, respondents, those who have made representations and their agents.
 - (b) To prepare a comprehensive and balanced report indicating the background and relevant issues arising from the application. Where Licensing Act 2003 applications are concerned, details will, in particular, include matters relating to the promotion of the licensing objectives but, in order to retain the required position of neutrality, no recommendation will be made. In respect of other licensing matters, the report may include a clear recommendation which will be determined by a Licensing Committee or (Sub-Committee).
 - (c) To determine licensing matters as authorised by the Council’s Scheme of Delegation and in accordance with licensing law and policies and fulfil any duties, other than determinations, provided for within that Scheme.
 - (d) To advise and assist members and the general public in respect of any queries falling within the function of the Licensing Section.
- 4.7 In carrying out these responsibilities, employees will:-
- (a) Provide impartial guidance to all parties including applicants, respondents, objectors, consultees and members and provide professional advice to the Council.
 - (b) Ensure, so far as possible, that all information necessary to make a decision

has been obtained, evaluated and properly taken into account (when making a decision or formulating a recommendation) and (if applicable) properly reported to the decision making person or body.

5. Registration and Declaration of Interests

- 5.1 The Council's Codes of Conduct for Members and Employees (set out in Part 5 of the Constitution) require certain interests to be registered and declared. These requirements **must** be followed scrupulously, by Members and Employees when dealing with Licensing matters.
- 5.2 Where a member has a pecuniary interest or an employee has a personal interest in a licensing matter, he/she may attend a meeting, but only for the purpose of making representations, provided that the public are also allowed to attend the meeting for the same purpose. In the case of a member, having made his/her representations he/she must withdraw from the meeting room and can not vote on the matter.
- 5.3 Where an application is made under the Licensing Act 2003 in respect of which a member or an officer can be considered to live "in the vicinity" of the premises, the member or officer will be entitled to raise, on a personal basis, a representation.. Representations will then be dealt with in accordance with the Licensing Hearing Regulations.
- 5.4 If a member is a member of an outside body that is making (or supporting or objecting to) a licensing application it is very likely that the member will have a declarable non-pecuniary interest and quite likely that the member will have a pecuniary interest that will preclude he/she from taking part in the matter or even being in the room when the Committee (or Sub-Committee) consider the matter. In these circumstances it is strongly recommended that members seek advice from the Monitoring Officer.
- 5.5 It will **not** normally be appropriate for a member who is a Council representative on an outside body to decide on a licensing matter affecting that body if they are a director or trustee of the outside body. This is because those roles involve some obligation to act in the best interests of the outside body and may create an inherent conflict with the member's role as a councillor. In the case of bodies such as trusts, the obligation to act in the best interests of the trust is a legal one and overrides duties as a Councillor. If in doubt, the advice of the Monitoring Officer should be sought on this issue.
- 5.6 Where a member who is a Council representative on an outside body (in whatever capacity, not just as a director or trustee) has taken a firm view on a licensing matter, either in meetings of the outside body or otherwise, they may be open to an accusation of predetermination and must **not** vote on the matter at any Council meeting. This is discussed more fully in part 6 below. Failure to follow this advice may result in a licensing decision being challenged in the courts.

6. Licensing Applications by Members and Employees

- 6.1 Any councillor or employee involved in the licensing process who makes an application (or who has any other councillor pecuniary interest or employee personal

interest in an application) shall:

- (a) Promptly inform the Divisional Director for Community and Customer Services who shall ensure that a written record of such interest is placed on the application file.
- (b) Take no part in the processing or determination of the application.
- (c) If in any doubt as to the nature of any interest, take advice from the Monitoring Officer in relation to the matter.

(This does not preclude members or employees from exercising their right to make written representations as a private individual following the requirements set out in paragraph 5 and 6 of this Local Code.)

- 6.2 The Divisional Director for Community and Customer Services will ensure that all applications in which an officer involved in the licensing process has a personal interest are determined by a Committee (or Sub-Committee) and not under powers delegated to officers.
- 6.3 Applications by officers or by their friends or relatives (as defined in the Employee Code of Conduct) will not be determined under powers delegated to officers. The Divisional Director for Community and Customer Services may decide that this procedure will apply to any other employee of the Council on a case by case basis. The paramount consideration in exercising this discretion will be to maximise public confidence in the impartiality of the licensing process.
- 6.4 Where a member has a pecuniary interest or employee has a personal interest in a licensing matter, the Council's Codes of Conduct also require that they must not seek *improperly* to influence a decision about a matter.
- 6.5 It is important to emphasise that *improperly* does not imply that a member or employee is to be precluded from seeking to explain and justify their proposal to a Licensing Officer (whether over the phone, face to face or in writing) in advance of consideration of the matter by Committee (or Sub-Committee).
- 6.6 References to the right to appear and speak at hearings and meetings, or to nominate others as representatives, will be relevant only where the legal procedures allow such attendance and participation.

7. Lobbying Of and By Members

- 7.1 If members are to undertake fully their constituency roles, it is inevitable that they will be subject to lobbying on licensing matters. **Lobbying is a normal and perfectly proper part of the political process.** Local concerns about licensing developments and proposals need to be adequately aired as part of the licensing process. **However, a member must not lobby or act as advocate for (or against) a licensing proposal and vote on the determination of the matter.** Members must comply with the guidance in relation to pre-determination as set out in part 4 of this Local Code.
- 7.2 Members may organise support for or against a licensing application or lobby other members. However, whilst they may be able, following the submission of a relevant

representation, speak at the Committee (or Sub-Committee) meeting when the application is determined they must not preside at the Committee that determines the matter.

- 7.3 When being lobbied, members in general, but members of the Licensing Committee in particular, must take care about expressing an opinion that may be taken as indicating that they have already made up their mind on the issue before they have considered all relevant matters at Committee (or Sub-Committee). In such circumstances it is preferable for a member to restrict their comments to procedural advice and to encourage the lobbyist to make a representation to the Licensing Authority in order that their opinions can be considered as part of the decision-making process, if they can be considered to be relevant under the legislation.
- 7.4 Where the Monitoring Officer (or his/her representative at Committee) reasonably believes that a member has prejudiced his/her position by expressing a conclusive view on an application before its determination by the Committee (or Sub-Committee), he/she will advise the member that it would be inappropriate for the member to vote on the application.
- 7.5 If a member is approached in their role as ward councillor by a third party, neighbour, potential objector or supporter and they will preside over that application then the Member must direct such persons to officers of the Licensing Authority and not express opinions which may be taken as indicating that they have already made up their minds on an issue before they have heard all the evidence and arguments at Committee (or Sub-Committee). Where a Member believes it is more suitable to represent their constituents, the Member must withdraw from determining the matter.
- 7.6 Members are encouraged where practicable (and particularly if the application is obviously highly contentious) to keep a dated written record of lobbying and the response given. Appendix 1 contains a form designed for this purpose. In accordance with this Local Code it will be considered to be good practice for members to hand in any completed form prior to the relevant Committee (or Sub-Committee) meeting. All completed records must be submitted to the Head of Governance.

8. Employees' Discussions and Negotiations with Applicants

- 8.1 It is recognised that employees undertake differing, but complementary, tasks which may overlap. Legislation, and in particular the Licensing Act 2003, requires that a distinction be drawn between the duties of the Council as Local Authority and, separately, as a Licensing Authority. Consequently, those involved with the administration of applications will be required to adopt a position of neutrality where this is required. Other employees may be acting as statutory consultees in these matters and providing representations to be considered when the matter is determined. The way in which discussions and negotiations are conducted will be affected by the type of application and matter under consideration. Pre-application meetings and informal discussions between employees, potential applicants and responsible authorities are an unavoidable and integral part of the licensing process.
- 8.2 In any discussions on licensing issues, the position of the employee concerned will always be made clear at the outset. This will be either that:-

the discussion and any views expressed are based on the employee's professional judgement but will not bind the Council to any particular decision. This is because, by the nature of such meetings, not all the relevant information will be to hand and consultations with interested parties will not normally have taken place;

or

the intention of the discussion will be to assist the formulation of an application which addresses the appropriate licensing objectives, so reducing the likelihood of a representation being provided and, consequently, consideration of the matter at a hearing.

- 8.3 Advice given will be consistent and based on the legislation, relevant guidance, local licensing policies and any other material licensing considerations. Every effort will be made to ensure consistent interpretation of licensing policies by different employees. It will be made clear, however, when the employee is providing a personal view or interpretation rather than qualified legal advice which should be confirmed by the enquirer from an independent source.

9. The Decision-Making Process - General

- 9.1 In determining applications pursuant to the Licensing Act 2003 and the Gambling Act 2005, the Licensing Committee or Sub-Committee will follow the procedure laid down in the Hearing Regulations – Licensing Act 2003 (Hearings) Regulations 2005.
- 9.2 When determining licensing matters members and employees must approach each application with an open mind and carefully weigh up material licensing considerations, particularly with reference to the local Statement of Licensing Policy and statutory guidance. They must disregard all considerations that cannot lawfully be taken into account.
- 9.3 No group of members (for example, from the same political group, or from the same ward) and no informal meeting of a particular group on a Committee (or Sub-Committee) will be used to decide how members shall vote in a Committee (or Sub-Committee) determining an application. **It is unlawful for a licensing decision to be subjected to the discipline of the political whip and to do so would also constitute maladministration.**
- 9.4 Members with a pecuniary or non-pecuniary interest and employees with a personal interest in an application must declare the interest in accordance with the Council's Codes of Conduct for Members and Employees and this Local Code.
- 9.5 Members and officers will address one another during the debate in a proper manner and through the Chairman/woman. Members shall respect the impartiality and integrity of officers.
- 9.6 Senior Legal and Licensing Officers shall always attend meetings of the Licensing Committee (or Sub-Committee) to ensure that procedures have been properly followed and licensing issues properly addressed.
- 9.7 In discussing and determining a licensing application, members will confine themselves to the licensing merits of the case and the reasons for making a final decision shall be clear and reasoned based.

- 9.8 On occasions the Licensing Committee (or Sub-Committee) will disagree with the officer's recommendation, where one has been made. Licensing Committees (or Sub-Committees) are entitled to reach their own decisions by attaching different weight to the various licensing criteria which are relevant to the application. However, the same strict legal requirements have to be met, as the reasoning in the officer's report will no longer apply.
- 9.9 Where a member proposes to recommend approval contrary to an officer's recommendation of refusal, the Chairman/woman will give the Licensing Officer an opportunity to respond to that recommendation and to discuss any appropriate conditions. The officer may request further time in order that appropriate consideration can be given to the proposed recommendations.
- 9.10 Before any matter is put to the vote any member of the Committee (or Sub-Committee) may request the Chairman/woman to ask the clerk to read to the meeting the full text of the proposal to be voted upon.

10. Decision Making – Delegation to Employees

- 10.1 The Council's Scheme of Delegation specifies clearly the categories of applications that may be determined by officers; those that will be referred to the Licensing Committee (or Sub-Committee).

11. Public Speaking At Licensing Committees (Or Sub-Committees)

- 11.1 Members of the public are entitled to speak at meetings of the Licensing Committee, apart from when the Licensing Committee (or Sub-Committee) are considering matters pursuant to the Licensing Act 2003. For applications under the Licensing Act 2003 'relevant persons' can make written representations, these representations must be valid and submitted to the Licensing Authority within the prescribed consultation period (for further detail refer to the Licensing Act 2003 (Hearings) Regulations 2005).
- 11.2 For a representation to be relevant it must:
- relate to the effect of the grant of the licence on the promotion of the licensing objectives and be submitted within the prescribed consultation period;
 - be made by a relevant person, within the prescribed consultation period;
 - not have been withdrawn
 - not be 'frivolous or vexatious' or, in the case of a review, 'repetitious' if made by an interested party; or
 - if it concerns the premises supervisor be made by a chief officer of police and include a statement explaining the reasons for the objection.
- 11.3 On receipt of relevant written representations, a hearing is required and notices are sent to the applicant, as well as those making representations, requiring them to return a second notice, within five days advising the Licensing Authority whether or not they will be attending the hearing which will determine the application.

- 11.4 If a notice is not received from interested parties, relevant authorities or the applicant it is at the discretion of the Committee/Sub-Committee to allow that person to speak at the hearing.

12. Committee Site Visits

- 12.1 Where the Licensing Authority determines that a site visit is deemed necessary, the Licensing Authority will make the relevant arrangements.

13. Review of Decisions

- 13.1 The Licensing Committee will regularly review, at least annually, details of decisions made under the Licensing Act 2003, including those made under Delegated Powers, to maintain an overview of the general situation, the purpose is to improve the quality of decisions.

14. Training in the Licensing Process for Members

- 14.1 All members of the Council on being elected must undertake initial licensing training. Members of the Council may be given refresher training when changes are made to licensing law or procedure.
- 14.2 Members who have not undertaken the relevant licensing training shall not be permitted to be a member of or substitute for other members on the Licensing Committee (or Sub-Committee).
- 14.3 Any failure to comply with the core licensing training requirements may be referred to the Monitoring Officer in accordance with the Code of Conduct for Members and to the appropriate Group Leader.

 - 8.2 Participation of the Press and Public
 - 8.3 Formulation of Recommendations
9. Application of Standing Orders

1. Introduction

- 1.1 There is no legal definition of a working party. Generally, however, a working party consists of a small group of members (but with officers in attendance at meetings to provide support and advice) with the remit to consider policies and specific matters. They have a particular role in relation to projects which need to be completed within a specified time period.
- 1.2 A working party conducts its business on a less formal basis than that of a committee. It does not have any decision-making powers and can only make recommendations to the body from which it was formed, or to such other body as the parent body decides, or to an officer.
- 1.3 The term “working parties” refers to all informal bodies appointed by the Council, its committees (including the Overview and Scrutiny Board), the Cabinet and Cabinet committees.
- 1.4 The purpose of this Protocol is to give guidance in relation to the operation of working parties.

2. Appointment of Working Parties

- 2.1 The Council, its committees, the Leader of the Council, other individual members of the Cabinet (where they have been given delegated authority to do so), the Cabinet, Cabinet Committees and the Chief Executive may establish a working party or amend the terms of reference or membership of existing working parties. In establishing working parties, the appointing body or person will determine the precise terms of reference of the working party (having regard to the terms of reference of any other working parties), initial membership and (if appropriate) duration of the working party.
- 2.2 In exercising the powers under paragraph 2.1 above the appointing body or individual shall seek to ensure that member and officer time and the financial resources of the Council are used in such way as he/she/it considers to be supporting the delivery of the Council’s priorities and in the best interest of the Council and local people.
- 2.3 Working parties considering non-executive functions will be appointed in accordance with the principles of political balance.

3. Agendas, Reports and Minutes and Methods of Working

- 3.1 Sometimes working parties will act in the manner of “consultative panels” receiving reports from officers on potentially sensitive or controversial matters on which they will be expected to provide guidance to the decision maker. On other occasions working parties will be tasked with investigating complex policy issues and will be expected to formulate recommendations for the Council, the Cabinet (including the Leader of the Council, individual members of the Cabinet and committees of the Cabinet), officers with delegated authority or the Overview and Scrutiny Board.
- 3.2 The working party will be expected to conduct its business in accordance with its terms of reference.

- 3.3 An agenda for a working party meeting will normally be sent out prior to a meeting of the working party setting out its business. The Governance Support Team will assist in the preparation and despatch of agendas where required.
- 3.4 Where a working party is undertaking consultative work or policy development, the relevant Director or Divisional Director (or his/her nominated representative) will provide the principal support to the working party (in the form of advice on the subject concerned) and will be responsible for arranging for notes of working party meetings to be produced and circulated to members of the working party. He/she will also be responsible for drafting reports on behalf of the working party.
- 3.5 It is at the discretion of each working party whether it shall invite external representatives e.g. stakeholders or business representatives and members of public to assist with its work. The role of such representatives would be to act as advisors to the working party using their particular expertise/experience. External representatives attending consultative working parties do so in a voluntary capacity and will not receive any remuneration.

4. Access to Meetings by the Press and Public

- 4.1 It is at the discretion of the Chairman/woman of each working party whether the press and public shall be permitted to attend any meetings. Details of meetings where the press and public can attend will be set out on the Council's published notice of meetings. A working party may resolve to exclude the press and public if they consider it to be in the best interests of the Council or local people.

5. Access to Information by the Press and Public

- 5.1 Agendas for those working party meetings that are open to the press and public will be sent to the press prior to the meeting. Supporting documentation supplied to the working party may be provided to the press and public where appropriate. Documentation that, in the opinion of the lead officer, contains exempt and/or confidential information will not be available to the press and public.

6. Access to Information by Non Working Party Members

- 6.1 All non-working party members including the Leader of the Council will be entitled to receive documentation submitted to working parties in accordance with Standing Order E21 in relation to Access to Information and the need to know principles.

7. Interests of Members and Officers

- 7.1 All elected members, co-opted members and officers when attending meetings of working parties shall declare any interests and shall not take part in any discussions where the nature of the interest means that to take part would be in breach of the respective Codes of Conduct for Members and Employees.

8. Procedures at Meetings of Working Parties

8.1 Election of Chairman/woman

Working parties shall elect a chairman/woman at their first meeting. In the case of the Chairman/woman being absent a Chairman/woman shall be elected for that

meeting. The chairman/woman will normally be an elected member. However, it may be appropriate to elect an external representative as a working party's chairman/woman depending on the type of its work. Members of the Cabinet shall not normally chair meetings of working parties unless a majority of members of the working party are also members of the Cabinet.

8.2 Participation of the Press and Public

Members of the public and the press may wish to make a contribution at a meeting of a working party. The Chairman/woman has the discretion to determine whether he/she allows a member of the public or the press to speak at a meeting of a working party. If a member of the public or the press wishes to speak they shall advise the Chairman/woman prior to the meeting or indicate their wish to speak by raising their hand during the meeting.

8.3 Formulation of Recommendations

A recommendation arising from the deliberations of a working party will normally be reached by a consensus. It may, however, be appropriate to determine a way forward by taking a vote on a proposal. In such circumstances, the recommendations before the working party shall be determined by a simple majority of those members present in the room at the time proposal was put. The Chairman/woman will have a second or casting vote.

9. Application of Standing Orders

9.1 The following Standing Orders shall be used as guidance only in relation to the operation of working parties:-

- a) Standing Order A4 – Time and place of meetings
- b) Standing Order A11 – Duration of meeting
- c) Standing Order A20 – Record of attendance
- d) Standing Order A26 – Disturbance by members of the public
- e) Standing Order A27 – Use of Cameras and tape and video recorders
- f) Standing Order B2 – Appointment of substitute members
- g) Standing Order E10 – Exclusion of access by the public to meetings
- f) Standing Order E11 – Exclusion of access by the public to reports

References to the "Council" or the "Committee" shall be read as the "Working Party" and references to the "Civic Mayor" or "Deputy Civic Mayor" being read as the "Chairman/woman" or "Vice-Chairman/woman".

Appendix 1 Registration of Gifts and Hospitality

1. Introduction

- 1.1 In this Protocol, "member" includes all elected members of the Council and all non-elected members of any Committee (or any Sub-Committee) irrespective of whether or not they have any voting rights.
- 1.2 The acceptance of gifts and hospitality reflects directly upon the public perception of members and the Authority. Therefore, it is imperative that members only act in the public interest and not for personal advantage. This also applies to any relative or friend that receives any gift or hospitality due to a member's position as an elected member.
- 1.3 This protocol does not apply to gifts and hospitality that are not related to a member's role, such as Christmas presents from friends and family. However, a member shall always consider whether any gifts and hospitality could be seen as being inappropriately connected with their position.
- 1.4 Acceptance of a gift or hospitality in breach of any of the Council's codes and protocols, or failure to declare receipt of such a gift or hospitality, may result in criminal proceedings.
- 1.5 This Local Protocol sets out:
- (a) the principles which members shall apply whenever they have to decide whether it would be proper to accept any gift or hospitality;
 - (b) a procedure for obtaining consent to accept a gift or hospitality when a member considers it would be proper to accept it; and
 - (c) a procedure for declaring any gift or hospitality received by a member and for accounting for any gift to the Authority.
- 1.6 This Local Protocol does not apply to the acceptance of any facilities or hospitality which may be provided to members by Torbay Council.

2. General Principles

- 2.1 In deciding whether it is proper to accept any gift or hospitality, the following principles shall be applied. Even if the gift or hospitality comes within one of the general consents set out later in this Protocol, it shall not be accepted if to do so would be in breach of one or more of these principles.
- 2.2 Gifts or hospitality shall never be accepted as an inducement or reward for anything done as a member.**
- 2.2.1 Members must act in the public interest and must not be swayed in the discharge of their duties by the offer, prospect of an offer or the non-offer of any inducement or reward for discharging those duties in a particular manner.
- 2.2.2 The Code of Conduct for Members provides that members must act solely in the public interest. This includes serving the Authority and the whole community, rather than acting in the interests of any particular individual or section of the community. It is a breach of the Code of Conduct to improperly confer any advantage or

disadvantage on any person or act to gain financial or other material benefits for the member, a member of the members' family, a close associate or relevant person.

2.3 Gifts or hospitality shall only be accepted if there is a commensurate benefit to the Authority.

2.3.1 The only proper reason for accepting any gift or hospitality is that there is a commensurate benefit to the Authority which would not have been available but for the acceptance of that gift or hospitality (for example, the opportunity to progress the business of the Authority expeditiously through a working lunch). The acceptance of a gift is much less likely to produce such an advantage.

2.3.2 Unless the benefit to the Authority is clear and is commensurate with the value of the gift or hospitality, the presumption must be that the gift or hospitality is purely for the member's personal benefit.

2.4 Gifts or hospitality shall not be accepted if acceptance might be open to misinterpretation.

2.4.1 The appearance of impropriety can be as damaging to the Authority and individual members as actual impropriety. The Authority's ability to govern rests upon its reputation for acting fairly and in the public interest.

2.4.2 Members shall consider whether the acceptance of the gift or hospitality is capable of being interpreted as a sign that they or the Authority favours any particular person, company or section of the community. Similarly consideration shall be given to whether acceptance of the gift or hospitality could be seen to place the member or the Authority under any improper obligation to any person or organisation.

2.4.3 This principle shall be particularly considered on occasions when the Authority is:

- (a) undertaking a competitive procurement/tendering process in line with the Council's Contracts Procedures; or
- (b) acting in a regulatory role, such as determining planning or licensing applications or setting planning policy; or
- (c) determining a grant application by any person or organisation; or
- (d) awarding leases; or
- (e) disposing of council assets; or
- (f) granting concessions for use of council land.

2.4.4 Members shall always be aware of the possibility that the person or company offering gifts or hospitality may have dealings elsewhere in the Council of which the member is unaware.

2.5 Gifts or hospitality shall never be accepted if it puts the member under an improper obligation.

2.5.1 All members shall recognise that some commercial organisations and private individuals see the provision of gifts and hospitality as a means of gaining influence.

2.5.2 Equally, if others note that a member has been prepared to accept a gift or hospitality, they may feel that they will no longer be able to secure impartial consideration from the Authority.

2.6 Gifts or hospitality shall never be solicited

2.6.1 Members shall never solicit or invite an offer of a gift or hospitality in connection with their position as a member unless the acceptance of that gift or hospitality would be permitted under this Protocol. Care shall be taken to ensure that members avoid giving any indication that they might be open to such an improper offer.

3. Consent Regimes

3.1 There may be occasions where it may not be appropriate for a member refuse a gift or hospitality in the course of their duties as it would appear unusual, or impolite, or be likely to cause offence. In such situations the following provisions shall apply.

3.2 General Consent Provisions

3.2.1 Subject to the General Principles set out in this Local Protocol, members may accept gifts and hospitality in the following circumstances:

- (a) civic hospitality provided by another public authority;
- (b) reasonable refreshment in connection with any meeting or visit in the ordinary course of a councillor's duties, such as tea, coffee, soft drinks and biscuits;
- (c) tickets for sporting, cultural and entertainment events which are sponsored by the Authority;
- (d) small gifts of low intrinsic value below £25 branded with the name of the company or organisation making the gift, such as pens, pencils, mouse pads, calendars or diaries;
- (e) modest working lunch provided to allow parties to discuss business;
- (f) modest souvenir gifts with a value below £25 from another public authority given on the occasion of a visit by or to the authority;
- (g) reasonable hospitality received at external visits or conferences provided that this is in line with that available to all delegates;
- (h) attendance at events organised by or on behalf of registered charities;
- (i) goods or services on special terms where those terms whilst not necessarily available to the general public are available to all the Authority's employees (including where publicised by way of 'all staff' emails).

3.2.2 Other unsolicited gifts may be accepted where it is impracticable to return them to the person or organisation making the gift. However, as soon as practicable after the receipt of the gift, it shall be passed (together with a written statement identifying the information set out in paragraph 3.3 below) to the officer responsible for administering the Council's civic and ceremonial functions who will allocate the gift to an appropriate local registered charity. The officer will write to the person or

organisation making the gift thanking them on the member's behalf for the gift and informing them where the gift will be donated.

- 3.2.3 Where branded gifts are accepted in accordance with the guidance in this Protocol, care shall be taken so as to not display the item when this might be taken as an indication of favour to a particular person, supplier or contractor.

3.3 Special Consent Provisions

- 3.3.1 Members who wish to accept any gift or hospitality in accordance with the General Principles set out in paragraph 2 but which is not within any of the General Consents set out in paragraph 3.2 must apply for specific consent to the Monitoring Officer, in writing setting out the following:

- (a) the nature and estimate of the market value of the gift or hospitality;
- (b) who the offer or invitation has been made by or on behalf of;
- (c) the connection which the member has with the person or organisation making the offer or invitation;
- (d) any work, permission, concession or facility which the member is aware that the person or organisation making the offer or invitation may seek from the Authority;
- (e) any special circumstances which leads the member to believe that acceptance of the gift or hospitality will not be improper.

- 3.3.2 Gifts or hospitality must not be accepted until consent (in writing or by email) has been received from the Monitoring Officer.

- 3.3.3 The Monitoring Officer will publish the details of any approval on the Council's website. This does not remove the obligation on the member to register the receipt of gifts or hospitality in accordance with paragraph 4 below.

4. Registering the Receipt of Gifts or Hospitality

- 4.1 Any member who accepts any gift or hospitality with an estimated market value of £25 or greater must, as soon as possible after receipt of the gift or hospitality, make a declaration in writing to the Monitoring Officer, setting out the information in paragraph 3.3.1 above. This applies regardless of whether the gift or hospitality falls within the General Consent Provisions or if the Monitoring Officer has authorised the acceptance of the gift or hospitality under the Special Consent Provision.
- 4.2 A form for this purpose is attached to this Protocol (and is available electronically at W:/TCDOCS/Members' Forms/Gifts and Hospitality Form.doc) although the information can be submitted by any other convenient (written) means.
- 4.3 The Monitoring Officer will publish any such declarations on the Council's Website.
- 4.4 Members may voluntarily register the receipt of gifts and hospitality under £25 in value (or the offer of a gift or hospitality of any value which has been declined) if they are concerned that its acceptance (or offer) might be misinterpreted, particularly if it comes from a contractor or tenderer.

5. Gifts to the Authority

- 5.1 Gifts to the Authority may take the form of the provision of land, goods or services, either to keep or to test with a view to future acquisition, an offer to carry out works or sponsorship of a function which is organised or supported by the Authority.
- 5.2 Members shall not solicit any such gift on behalf of the Authority except where the Authority has formally identified the opportunity for participation by an external party and how that participation is to be secured.
- 5.3 If a member receives such an offer on behalf of the Authority, they must refer details of the offer to the Chief Executive or relevant Director who will consider whether it is appropriate for the Authority to accept the offer (in terms of whether the acceptance of the gift might be seen as putting the Authority under any improper obligation, whether there is a real benefit to the Authority which would outweigh any dis-benefits). The Chief Executive or relevant Director will then write to the person or organisation making the offer to record the acceptance or non-acceptance of the offer, record the gift for audit purposes and to ensure that the gift is properly applied for the benefit of the Authority.
- 5.4 The offer shall also be reported directly to the Monitoring Officer.
- 5.5 If members have any concerns about the motive of the person or organisation making the offer or whether it would be proper for Authority to accept the gift, they shall consult the Monitoring Officer directly.

6. Definition of Gifts and Hospitality

- 6.1 Gifts or hospitality includes any:
- (a) free gift of any goods or services;
 - (b) money (or loan), gift vouchers, lottery tickets, scratch cards, raffle tickets or anything else offering the chance of winning a prize;
 - (c) opportunity to acquire any goods or services at a discount or on terms which are more advantageous than those which are available to the general public;
 - (d) opportunity to obtain any goods or services which are not available to the general public;
 - (e) offer of food, drink, accommodation or entertainment, or the opportunity to attend any cultural, sporting or entertainment event.
- 6.2 References to the “value” or “cost” of any gift and hospitality are references to the higher of:
- (a) your estimate of the cost to the person or organisation of providing the gift or consideration; or
 - (b) the open market price which a member of the public would have to pay for the gift or hospitality, if it were made available commercially to the public, less the cash sum of any contribution which you would be required to make toward

that price to the person or organisation providing or offering the gift or hospitality.

7. Breaches of This Local Protocol

- 7.1 If a member becomes aware of any conduct by another member that he/she reasonably believes involves a failure to comply with this Local Protocol, he/she shall make a written allegation to that effect to the Council's Monitoring Officer as soon as it is practicable for him/her to do so. The Monitoring Officer shall then consider the allegation in accordance with the Local Protocol for the Assessment and Determination of Allegations of Breaches of the Members Code of conduct.

1. Introduction

- 1.1 Torbay Council recognises that members' access to email and internet facilities and access to internal Torbay Council Information Systems from their own home is an essential tool in effectively performing their role and executing their duties as elected representatives.
- 1.2 Torbay Council will offer to provide all councillors with an iPad or Lenovo Miix, software, support and other associated equipment to facilitate the performance of their duties as elected representatives.
- 1.3 The Council will provide the necessary training and support that individual members may require to enable them to use the equipment and services provided. The minimum training requirement for a councillor is to complete the IT Induction, Data Protection and Information Security training.
- 1.4 All equipment provided by the Council is subject to this protocol. Members are required to sign a copy of the iPad/Lenovo Miix Agreement before receiving the equipment.

2. Equipment and registration of equipment

- 2.1 Each councillor will be provided with an iPad Air 2 or Lenovo Miix
- 2.2 Any accessories such as keyboard, case, must be supplied by the Council's IT department.
- 2.3 In order for the iPad to be activated, each member will be required to set up an Apple account which is different to any other Apple accounts they have. This will avoid app's etc being downloaded onto the Council managed iPad which are from other personal devices etc.
- 2.4 Councillors will be required to use their iPad/Lenovo Miix to download agendas and reports for meetings.
- 2.5 As councillors will be able to access their emails on their devices, iPhones will not be automatically provided to members.
- 2.6 All councillors will have access to a shared desktop PC, printer and a photocopier at the Town Hall, Torquay.

- 2.7 No other IT equipment will be issued to members, unless it's required as a reasonable adjustment to meet needs such as a disability.

3 Training and technical support

- 3.1 All members will be required to attend IT training during their induction with ongoing training being available upon request. Support from Governance Support will be available for smaller less technical questions, support from IT Servicedesk will also be available during normal working hours. If a Councillor requires technical support from IT they can either call a dedicated helpline ((20)7711) or email the Servicedesk (servicedesk@torbay.gov.uk). Depending on the complexity of the query IT will arrange an appointment with the Councillor within three working days of them contacting the Servicedesk.
- 3.2 During their term of office, IT Services will assist members with any software updates etc issued by Apple/Microsoft.
- 3.3 IT Services will configure the IT equipment with apps and links to Council systems, such as Mod.gov, Numbers, Keynote, Pages, Docs at Work, Intranet, File Access, Facebook, Twitter. IT Services will also assist members in setting up any personal email accounts onto their IT equipment e.g. Gmail, Yahoo, Hotmail etc.

4. Security of IT Equipment

- 4.1 The councillor accepts responsibility for the safe-keeping of the iPad/Lenovo Miix and any other associated equipment.
- 4.2 The equipment will be covered by the Council's insurance policy for the whole of the councillors term of office. "Good Practice" guidelines should be followed. These can be found in the iPad/Lenovo Miix Security document which is provided to members when they collect their IT equipment. Members must take reasonable precautions to keep the iPad/Lenovo Miix and any other related equipment secure from theft or criminal damage. A variable excess may be payable in respect of an insurance claim where there has been a failure to take reasonable security precautions and the Council may look to the member responsible to meet or contribute to such a cost arising from any failure to comply with this paragraph. Claims are likely to be declined by the insurer if there has been a blatant breach of security whilst equipment is in transit (e.g. equipment kept in full view or left in an unlocked or unattended vehicle).

4.3

4.4 Access to Torbay Council's Information Systems is subject to password security. The councillor shall ensure that no other person is given access to Torbay Council Information Systems and shall not reveal any such password to any other person.

4.5 Failure to act in accordance with this Members IT Protocol when, using Council provided IT equipment, may be considered a breach of the Members Code of Conduct.

4.6 Any loss or breach of personal data/equipment must be reported immediately to infocompliance@torbay.gov.uk in order to comply with Data Protection requirements.

5. Use for Council Business

5.1 The iPad/Lenovo Miix and related equipment is provided to the councillor specifically to assist them in carrying out their role as an elected representative. The councillor must therefore not use the iPad/Lenovo Miix and related equipment in any manner which will interfere with its use for that purpose.

5.2 The use of the iPad and provided equipment is subject to the Council's policies and guidelines relating to the use of IT equipment prevailing at the time.

5.3 Accordingly, the Councillor must not:

- (a) deliberately misuse the iPad/Lenovo Miix in such a manner as to cause it to cease to function; or
- (b) install or add any equipment or software without the written prior consent of the Head of IT.

5.4 The Councillor must:

- (a) report any faults promptly to the IT Service Desk; and
- (b) provide access to Council officers to service, maintain and repair the iPad/Lenovo Miix and any other related equipment.

5.5 The Council provides the iPad/Lenovo Miix and any related equipment and materials required to enable a Councillor undertake their role efficiently and effectively. Accordingly, the Council may decline to provide further equipment or material beyond what is reasonable for Council-related use.

6. Use of Council Provided Equipment for Personal Purposes

- 6.1 The councillor is permitted to use the iPad/Lenovo Miix for reasonable personal purposes in line with the existing Council's Computer Security Policy which can be found on the Council's Intranet. The councillor may also permit reasonable personal use of the computer by members of his/her immediate family (spouse/partner and children (including step children and adopted children)). Should this Protocol be breached as a result of such use, the Councillor may be in breach of the Members Code of Conduct. Where personal emails are sent using the Council's email address, the email should make it clear to the intended recipient that the message is sent by the user in their personal capacity and not in their capacity as a representative of the Council. All such emails are subject to the Council's email monitoring systems.
- 6.2 The councillor shall not use the iPad/Lenovo Miix or permit its use by others for commercial purposes. It should not be used for activities that are unlawful or which might give rise to a suggestion of impropriety.
- 6.3 The Council is prohibited from publishing material of a party political nature or using the iPad/Lenovo Miix for the preparation of any material of such nature (See further details in Appendix 1). The councillor may use the iPad/Lenovo Miix to send emails of political nature to members of his/own political group/party. But the iPad/Lenovo Miix shall not be used to send any other emails of a political nature and Council provided paper shall not be used for printing of political material.
- 6.4 The Council has obtained the necessary software licenses for the use of the iPad/Lenovo Miix by the councillor in an elected capacity. Reasonable personal use of the supplied software by the councillor is permitted. Use for business or a political purpose is not permitted.
- 6.5 The Council accepts no responsibility for any such personal use of the computer or any loss, costs or liability which the councillor or any other person may suffer as a result of the use of the iPad/Lenovo Miix.
- 6.6 The iPad/Lenovo Miix will be configured to prohibit the installation of software by anyone other than authorised Council staff. The intentional downloading of software from the internet is prohibited.
- 6.7 The councillor will be able to download pre-approved work related apps onto an iPad. Any unapproved apps which are downloaded will stop the iPad from functioning in order to protect the data available on the device.
- 6.8 To protect the data available on the iPad, members will not be permitted to utilise the iCloud facility.
- 6.9 When using the iPad/Lenovo Miix attention should be paid to the Council's

Health and Safety policies. The councillor should be familiar especially with the requirements pertaining to Display Screen Equipment and that these apply equally to desktop computers.

7. Inspection and Audit

- 7.1 The Council reserves the right to inspect the iPad/Lenovo Miix at any time. The councillor is required to give Council officers access at any reasonable time for such inspection and audit, which may be undertaken remotely and without notice to the councillor. Councillors are advised that the iPad/Lenovo Miix includes a history file which records its use.
- 7.2 As this equipment is supplied and owned by Torbay Council, a public body, data held on the device may be subject to access under both the Data Protection Law and the Freedom of Information Act 2000. It may also be subject to audit by third parties for unlicensed or illegal copies of installed software (Copyright, Designs & Patents Act 1988).
- 7.3 The Council is permitted, and may, monitor the use of IT equipment and services in particular circumstances. These circumstances are governed by prevailing legislation, but may include use of IT equipment by councillors.
- 7.4 Any material breach discovered as a result of any monitoring, inspection or audit will normally be reported to the Monitoring Officer who will decide if the councillor will be permitted to continue to be provided with these facilities. Breaches of this protocol may also constitute a breach of the Members' Code of Conduct and, as such, will also be reported to the Monitoring Officer.
- 7.5 If, as part of any monitoring, inspection or audit, the Council becomes aware of any lawful reason to inform the Police or other enforcement authorities it will do so.

8. Costs

- 8.1 Members will be provided with 5GB of data per month. If any member exceeds this, all additional costs will be their responsibility (current costs are set out in the iPad/Lenovo Miix Agreement) and will be deducted from their monthly allowance.
- 8.3 The member will be responsible for any payments which are charged to their Apple/Microsoft account for the purchase of approved apps etc.

10. Confidentiality

10.1 The councillor will be able to access confidential and/or exempt Council information using the equipment provided. The councillor is responsible for ensuring the continued security of any such information which they receive. The councillor is reminded of their obligations under the Council's Code of Conduct for Members not to disclose such information to any third party. This includes the forwarding of any information by way of email or any other method.

10.2 Some of the data will be personal data relating to individuals. The unauthorised processing or disclosure of such data is prohibited under Data Protection Law and its associated statutory instruments and the councillor is responsible for ensuring that there is no such unauthorised disclosure from the iPad/Lenovo Miix or from the Council's Information Management systems.

10.3 Some of the data available on the iPad/Lenovo Miix may be subject to request under the Freedom of Information Act 2000 or the Data Protection Law. As such the councillor must make available any such data in response to a request received by the Council.

11. Restrictions upon use

11.1 The councillor shall not use the iPad/Lenovo Miix (or knowingly permit its use by

others) for any purposes that might reasonably be thought by an ordinary member of the public to bring the councillor or his/her office or the Council into disrepute.

- 11.2 The councillor shall only use the equipment provided in line with the existing Council policies for IT equipment and service usage. This especially includes the IT Computer Security Policy.
- 11.3 Legislation applies to the use and operation of the computer and associated equipment. Councillors need to be aware that this includes the following statutes and that they should therefore exercise all due care to avoid infringing them:

 - (j) Code of Connection (also known as CoCo compliance)
 - (k) Privacy and Electronic Communications Regulations 2003
- 11.4 The Council reserves the right to restrict the use of the iPad/Lenovo Miix and associated equipment if it has reason to believe that the use of the iPad/Lenovo Miix is likely to offend against any legislative requirement.

- (a) remove or disable any software or equipment; and
 - (b) remove any information stored on the computer.

10.7 Special rules apply to the use of Council resources in relation to publicity. These are set out in Appendix 1.

10.8 No auto forwarding of emails is allowed outside of the Torbay Council Network.

12. Breaches of this Protocol

12.1 Breaches of this protocol may also constitute a breach of the Members' Code of Conduct and, as such, be referable to the Monitoring Officer and then the Standards Committee.

Appendix 1

Special rules apply to the use of Council resources in relation to 'publicity' which is defined as 'any communication in whatever form addressed to the public at large or to a section of the public'. This will include press releases and letters to the media (unless clearly marked "not for publication") but does not cover letters or emails to individuals, unless this is on a scale which could constitute 'a section of the public'.

The local authority is prohibited from publishing political material by virtue of section 2 of the Local Government Act 1986. The Act states that:

"Section 2

1. A local authority shall not publish any material which, in whole or in part, appears to be designed to affect public support for a political party.
2. In determining whether material falls within the prohibition regard shall be had to the content and style of the material, the time and other circumstances of publication and the likely effect on those to whom it is directed and, in particular, to the following matters:
 - a. whether the material refers to a political party or to persons identified with a political party or promotes or opposes a point of view on a question of political controversy which is identifiable as the view of one political party and not of another.
 - b. where the material is part of a campaign, the effect which the campaign appears to be designed to achieve.
3. A local authority shall not give financial or other assistance to a person for the publication of material which the authority are prohibited by this section from publishing themselves."

Although Section 2 applies to all publicity produced by the local authority it is obviously particularly important to be sensitive to the provisions of the Act at election time.

Further guidance on the subject of publicity is contained in the Code of Recommended Practice on Local Government Publicity

(<https://www.gov.uk/government/publications/recommended-code-of-practice-for-local-authority-publicity>). ()

The Code also specifically covers activity around elections, referendums and petitions.

Protocol for the Assessment and Determination of Allegations of Breaches of the Members Code of Conduct

1. Introduction and role of Independent Persons

- 1.1 Torbay Council and Brixham Town Council are required to have a Code of Conduct which deals with the conduct expected of their elected and co-opted members when they are acting in their official capacity. The Code of Conduct is also required to include appropriate provisions relating to the registration and disclosure of pecuniary and other interests.
- 1.2 The obligations in the Code of Conduct only apply when a Member is acting, holding themselves out as acting or giving the impression that they are acting in their official capacity.
- 1.3 Torbay Council is responsible for administering its own Code of Conduct and the Code for Brixham Town Council. Torbay Council is therefore required to have in place arrangements under which allegations against members can be investigated and decisions on allegations can be made.
- 1.4 Torbay Council is required to appoint at least one Independent Person whose views may be sought by the Council, usually through the Monitoring Officer, or by subject members whether they are members of Torbay or Brixham Councils. The Council must seek the views of an Independent Person before making a decision on an allegation that has been referred for investigation. There is no right for the complainant to seek the views of the Independent Person and no such contact will be permitted.
- 1.5 The Independent Persons do not represent and nor are they advisors to the subject member or the Council. They must remain completely impartial and objective. Their only role is to assess complaints and form a view on them.
- 1.6 This protocol sets out the procedure for submitting a complaint alleging that a member has breached the Code of Conduct and the procedures that will be followed in dealing with such complaints. It also sets out the criteria for assessing a complaint.
- 1.7 All allegations will be dealt with objectively, fairly and consistently. Regard will be had to the public interest and the Council's fiduciary duty to council tax payers.
- 1.8 Within this protocol references to the Monitoring Officer include the Monitoring Officer or his/her nominated representative(s).
- 1.9 In this protocol the term 'Code of Conduct' means the Code of Conduct applicable to the subject member.
- 1.10 In this protocol the term 'member' means any councillor or co-opted member.
- 1.11 In this protocol the term 'subject member' means the member against whom the allegation has been made.

2. Submitting a complaint

- 2.1 All complaints must be submitted in writing to the Monitoring Officer, but this includes fax and electronic submissions. We will assist complainants if they have a disability that prevents them from making or makes it difficult for them to submit their complaint in writing. We can also help if English is not the complainant's first language.
- 2.2 Complainants are encouraged to use our complaints form which we can send out as a hard copy or which is available in electronic format from our web site. Further information and the complaint form are available at:
<http://www.torbay.gov.uk/index/yourcouncil/councillorsdecisions/behaviourinterestsstandards.htm>
- 2.3 If a complainant makes a verbal complaint we will ask that the complaint is confirmed in writing unless the Monitoring Officer is satisfied that the circumstances justify a departure from the requirement that complaints are made in writing. If you make a verbal complaint and simply decline to confirm the complaint in writing for reasons which we do not consider to be justifiable we will take no further action on the complaint.
- 2.4 Anonymous complaints will be rejected. This does not include complaints where the complainant requests confidentiality (see section 7 below and on the complaint form).
- 2.5 Some complaints will fall outside of the scope of this protocol. If that happens the complaints will be forwarded to the relevant officers in the Council and where appropriate referred to the Council's corporate complaints, the complainant will be advised of this.
- 2.6 To submit complaints electronically complainants are requested to use the on-line form at the link in paragraph 2.2 above.

All complaints must be sent or delivered to:

The Monitoring Officer
% Governance Support
Torbay Council
Town Hall
Castle Circus
Torquay TQ1 3DR

3. Processing and determination of complaints

Initial Assessment – Stage 1

- 3.1 When a complaint is received which is within the scope of this protocol we will aim to acknowledge receipt within 5 working days.
- 3.2 The Monitoring Officer will carry out an initial assessment of whether the alleged behaviour could amount to a breach of the Code of Conduct and therefore within this protocol. This will normally be done within 10 working days. If the allegation could not amount to a breach of the Code of Conduct or is considered to be within one or more of the criteria set out below the complaint will not be progressed beyond this

initial assessment stage:

- If the complaint is the same or substantially the same as a complaint previously dealt with within the subject member's term of office
- If the period since the alleged behaviour is so significant that it is considered to be inequitable, unreasonable or otherwise not in the public interest to pursue
- If the complaint is insubstantial
- If the complaint discloses a minor or technical breach of the Code that it would not be in the public interest to pursue
- If the complaint is or appears to be malicious, politically motivated, tit-for-tat or otherwise submitted with an improper motive
- If the complaint is not considered to disclose sufficiently serious potential breaches of the Code to merit further consideration
- If the complaint is covered by the Council's policy on persistent and vexatious complaints
- If the member against whom the allegation has been made has remedied or made reasonable endeavours to remedy the matter
- If the complaint is about a person who is no longer a member of a relevant council and there are no overriding public interest reasons to merit further consideration
- The complainant has suffered no significant injustice or emotional upset from the breach complained about

Provided always that if the complaint falls into one or more of the above categories, but is deemed sufficiently serious by the Monitoring Officer, then the complaint may be progressed at the Monitoring Officer's discretion.

- 3.3 At this stage, if the complaint is not to progress further the Monitoring Officer will notify the complainant in writing of that fact and with the reasons. The Monitoring Officer will also write to the subject member with details of the complaint, the decision made and the reasons for the decision. Where the subject member is a member of Brixham Town Council, the Monitoring Officer will also provide the same information to Brixham Town Council's Clerk. The name of the complainant will be disclosed to the subject member and, where appropriate, the Brixham Town Council's Clerk unless confidentiality has been requested and the Monitoring Officer considers the request to be justified.
- 3.4 Notwithstanding paragraph 3.2, the Monitoring Officer will in appropriate circumstances pass to the police or Director of Public Prosecutions any allegations it receives which disclose behaviour that may constitute a criminal offence, whether under the ethical standards provisions of the Localism Act or otherwise.

Assessment of Complaints – Stage 2

- 3.5 For those complaints which are to be taken beyond the process detailed in the preceding paragraphs, the following steps will be followed. The Monitoring Officer and the subject member may seek the views of the nominated Independent Person at any time during this process. If considered necessary by the Monitoring Officer he or she may convene a panel of members of the Standards Committee to assist him or her with the consideration and determination of the complaint including any preliminary hearing. The Monitoring Officer may do this at any time during the process. Where a complaint is in respect of a breach of Brixham Town Council's code of conduct the Monitoring Officer will ask the Clerk to Brixham Town Council to

nominate a member of Brixham Town Council to sit on any such panel.

Step	Action
1	The Monitoring Officer will write to the subject member with details of the complaint, including those of the complainant unless any confidentiality request has been agreed, and also the name and contact details of the Independent Person who has been nominated for the complaint and who the subject member may contact to seek their views. If the Monitoring Officer considers it appropriate the Clerk to Brixham Town Council will be notified of the complaint. At this stage the subject member will be given an opportunity to provide the Monitoring Officer with a written response to the complaint. Ordinarily we will ask the subject member to restrict their written comments to two sides of A4 but they will be permitted to provide copies of supporting documents.
2	The Monitoring Officer will consider the complaint again in the context of any written submissions and supporting documentation provided by the subject member.
3	<p>The Monitoring Officer will determine the complaint in accordance with the Assessment Criteria set out in Annex A. The options the Monitoring Officer has are:</p> <ul style="list-style-type: none"> (i) to make no finding as to whether there has been a breach of the Code and take no further action; (ii) to make no finding as to whether there has been a breach of the Code but determine that some action other than an investigation is appropriate; (iii) to find no breach of the Code; (iv) to find a breach of the Code without an investigation but impose no sanction; (v) to find a breach of the Code without an investigation; (vi) to require the complaint to be investigated to determine whether there has been a breach of the Code and the seriousness of the breach; (vii) No further action; (viii) Referral for other action; and (ix) to conclude that the circumstances of the complaint indicate that an offence under Chapter 7 of Part 1 of the Localism Act 2011 may have been committed and that the complaint ought to be investigated, by the police where appropriate, to determine whether a prosecution should be brought.
4	The outcome of the determination of the complaint will be notified in writing to the complainant, the subject member and, where appropriate, the Clerk to Brixham Town Council within 5 working days of the determination.

3.6 The above steps 1 to 4 will normally be conducted within 28 days of receipt of the complaint. If it is not possible to do this within this time the complainant, subject member and, where appropriate, the Clerk to Brixham Town Council will be contacted and advised of the delay and provided with an estimate of when the Steps will be completed.

4 What happens following assessment of complaints?

- 4.1 Any action or investigation will be implemented. If other action is determined as appropriate and either party declines to cooperate that will be reported to the Monitoring Officer who may decide to deal with the complaint under another option under step 3 in the table above. Where the subject member belongs to a political group any failure by that subject member to cooperate will be reported to their group leader by the Monitoring Officer.
- 4.2 If potential criminal offences are identified and the complaint referred for investigation with a view to prosecution the appropriate procedures of the police or the Council will be followed so as to protect the integrity of the investigation.
- 4.3 A report setting out all the complaints received and what action was taken regarding them will be forwarded to members of the Standards Committee on a quarterly basis.
- 4.4 Where an investigation is deemed appropriate investigations will be carried out in accordance with the guidance on 'How to Conduct and Investigation' produced by Standards for England that was applicable to the Code of Conduct for Members pursuant to the Local Government Act 2000. Prior to the final investigation report being issued the Independent Person shall be asked for any comments they may have in respect of the investigation report and the investigator must take into account these comments but is not obliged to follow them. Any comments of the investigator will be included as part of the final report.
- 4.5 Any hearings following investigation will be dealt with in accordance with Annex B to this protocol.

5 General rules concerning assessments – public access to meetings and information

- 5.1 Should the Monitoring Officer decide to convene a panel of the Standards Committee to assist him or her in the consideration or determination of a complaint such meetings shall be deliberative only and shall not be open to the public. The decision as to how the matter should be progressed shall remain the decision of the Monitoring Officer. The press, members, officers (except the Monitoring Officer and Governance Support Officer), members of the public, the subject member and the complainant will not be permitted to attend the meetings.
- 5.2 Data protection requirements will be complied with and may prevent the public disclosure of information relating to complaints.
- 5.3 On completion of the assessment a written summary will be published in the form of a decision notice. Once this has been sent to the subject member and the complainant a copy will be placed on the Councils web site.

6 Withdrawal of complaints by Complainants

- 6.1 Request to withdraw complaints will normally be granted but in considering such a request from the complainant the Monitoring Officer will consider the following factors:
- (i) Whether the public interest in taking action on the complaint outweighs the

- complainant's desire to withdraw it;
- (ii) Whether the complaint is such that action can or should be taken on it without the complainant's participation; and
- (iii) Whether there appears to be an identifiable underlying reason for the request to withdraw the complaint such as whether there is information to suggest that the complainant may have been pressurised into withdrawing the complaint.

7 Complainant confidentiality

- 7.1 The subject member will, in normal circumstances, be told from the outset who has complained about them. If a complainant asks for their identity to be withheld their request will be considered by the Monitoring Officer prior to the member being notified that a complaint has been made.
- 7.2 Each request for confidentiality will be considered on its merits and in determining such a request the following will be considered:
- (i) Whether the complainant reasonably believes that they, or those connected to them, will be at risk of harm if their identity is disclosed;
 - (ii) That the complainant is reasonably concerned about the consequences to their employment, or those connected to them, if their identity is disclosed;
 - (iii) That the complainant, or somebody closely connected to them, suffers from a medical condition and there is evidence of medical risks associated with their identity being disclosed or confirmation from an appropriate medical professional that that is the case; and
 - (iv) Whether the public interest in proceeding with the complaint outweighs the complainant's wish to have their identity withheld.
- 7.3 If it is not considered appropriate to grant a request for confidentiality the complainant will be offered the opportunity to withdraw the complaint rather than proceed with it.

Annex A - Complaint Assessment and Determination Procedure

Assessment Criteria

1. Introduction

- 1.1 All complaints and reviews will be considered on their merits and according to the facts.
- 1.2 The Monitoring Officer will determine when it is appropriate to seek the views of the Independent Person.
- 1.3 These assessment criteria, will be used as guidance in the consideration and determination of complaints. However, due to the wide variety of complaints received by the Council, avoiding the perception of inconsistency, even in assessing complaints, is no easy task. For example two complaints may be about the same aspect of the Code but differ considerably in terms of the facts, how serious they are and there may be huge differences in the relevance and amount of detail regarding the complaint. For these reasons the assessment criteria can only be a guide.

2. The Assessment Criteria

Overriding criteria

These three tests will be applied during the initial assessment of a complaint:

- Is the complaint about one or more named members of a relevant authority?
- Was the subject member in office at the time of the alleged conduct?
- If proven, would the complaint disclose a breach of the Code of Conduct?

No finding of whether there is a breach of the Code

If, based on the facts, it is not possible to determine whether there has been or may have been a breach of the Code and the alleged conduct does not merit an investigation, having regard to the public interest, this is the appropriate finding to make.

No finding of whether there is a breach of the Code but action other than investigation is appropriate

Where, based on the facts, it is not possible to determine whether there has been or may have been a breach of the Code and having regard to the public interest, the alleged conduct does not merit an investigation. If the allegation and any response from the subject member disclose an underlying issue that action such as mediation or training on the Code or council procedures might assist with, this is the appropriate finding to make.

Finding of no breach of the Code

If the facts available demonstrate on the balance of probabilities that there has been no breach of the Code, this is the appropriate finding to make. If there is no breach of the Code a sanction cannot be imposed but other action such as mediation or training might still be considered.

Finding of a breach of the Code without an investigation

A finding that the Code of Conduct has been breached without the need for an investigation

will usually be appropriate in the following circumstances:

- It can clearly be shown that from the information that has been provided by the subject member and the complainant that a breach of the Code has occurred without the need for an investigation;
- The subject member has admitted to the breach of the Code, whether or not they have offered to remedy the breach;
- It can be shown that an investigation is unlikely to be able to establish any further independent relevant evidence regarding the complaint or that the cost of obtaining any further evidence would not be justified having regard to the public interest and that on the evidence supplied a breach of the Code can be shown.

A breach of the Code without investigation can only be found if the complaint satisfies the first three initial tests and that it can be clearly shown, on the balance of probabilities, that a breach of the Code of Conduct has occurred.

No Further Action

If a breach of the Code is found but it is trivial, a technical breach or otherwise of limited effect it may be appropriate to take no further action.

Referral for other action

A complaint may be referred for other action in the circumstances listed below. Other action may be appropriate whether a breach is found or not. However, in general, other action may be used where the complaint discloses a widespread problem rather than a specific one concerning the members conduct.

The following should be considered in determining whether it is appropriate to refer a complaint for other action:

- Does taking further action provide an opportunity to resolve the issue and to prevent any similar issues arising in the future and promote good governance?
- Does the complaint present a potentially less serious breach of the Code than would require the matter to be referred for investigation and is any benefit to be gained from referring the matter for investigation?
- Is the council of which the subject member is a member suffering from a widespread breakdown in internal relationships and trust where a course of action other than an investigation of a complaint may be more appropriate and beneficial to that council?

Referral for Investigation

A complaint should usually be referred for investigation in the following circumstances:

- The complaint has passed all three of the initial tests
- The subject member has denied the allegations but the information presented indicates that there may be a breach of the Code
- On the information provided the potential breach of the Code of Conduct is sufficiently serious that an investigation should be undertaken to either discount or substantiate the complaint and to determine what sanction, if any, is appropriate

Potential offences under the Localism Act 2011

If it is considered that the allegation concerned may disclose an offence under the Localism Act it should be referred to the police or other appropriate person(s) for further consideration as to whether there should be an investigation with a view to prosecution. No prosecution can be brought without the consent of the Director of Public Prosecutions.

If it transpires that no offence was committed, whether following trial or otherwise, the complaint ought to be reintroduced to this procedure for determination of any breach of the code and appropriate sanction, if any.

Annex B – Actions Following Completion of Investigation Report**1. Processing the Investigator's Report**

- 1.1 As soon as possible following receipt of the Investigator's report the Governance Support Team will write to the complainant and the subject member enclosing a copy of the report.
- 1.2 Where the investigation report makes a finding of no breach, the Monitoring Officer, in consultation with the Chairman/woman of the Standards Committee, will consider the most appropriate course of action.
- 1.3 Where the investigation report does find there to be a breach of the Code of Conduct the Governance Support Team will arrange for three members of the Standards Committee (plus one member of Brixham Town Council where the complaint is in respect of a breach of Brixham Town Council's Code of Conduct) to make up the Hearing Sub Committee and set a date a Hearing is to take place. The complainant and subject member will be contacted with details of when the Hearing is to take place and given a deadline by which to submit the following:-
 - Whether they will be attending the hearing and if they will be represented
 - The names of any witnesses they will be bringing to the hearing
 - What findings of fact (if any) they dispute in the investigator's report
 - Any other matters that they would like to be taken into consideration
- 1.4 Prior to the Hearing taking place and after the deadline for responses to the above paragraph from the complainant and the subject member the nominated members of the Hearing Sub Committee will meet with the Monitoring Officer in private to discuss:
 - (a) The findings of fact in the Investigator's report that are agreed.
 - (b) The findings of fact in the Investigator's report that are not agreed.
 - (c) Whether or not the complainant, the subject member and/or the Investigator will attend or be represented or should be asked to attend.
 - (d) The names of any witnesses who the complainant and/or subject member intend to invite
 - (e) The comments of the Independent Person in respect of the investigation report
 - (f) An outline of the proposed procedure for the hearing.
 - (g) Any other matters the Monitoring Officer considers appropriate.

Following this pre hearing discussion the complainant and the subject member will be informed in writing of persons who will be present at the Hearing and the agenda for the Hearing. At this stage the complaint and/or subject member may also be asked to attend the Hearing if they have not already indicated that they will be attending.

2. The Hearing

- 2.1 Unless otherwise specified following the pre hearing meeting referred to at paragraph 1.4 above, those required to attend the Hearing shall be the Hearing Sub Committee members, the investigator and a legal adviser (who shall not be the investigator) nominated by the Monitoring Officer. The subject member and complainant and any witnesses either may have nominated cannot be required to attend the meeting although will be expected to attend if requested following the pre hearing meeting.
- 2.2 The subject member or the complainant may be represented or accompanied during the meeting by a solicitor, counsel or, with the permission of the Hearing Sub Committee, another person. Where representation is required by either party subject to this clause the party should notify the Monitoring Officer as soon as possible and failure to notify in good time may mean that the request for representation is refused. **Note:** the member or complainant (as the case may be) must meet the cost of their representation.
- 2.3 The Hearing Sub Committee may take legal advice from its legal advisor at any time during the hearing or while they are considering the outcome. The Hearing Sub Committee may adjourn to hear legal advice but this advice will then be repeated by the legal advisor in the public forum.
- 2.4 At the Hearing Sub-Committee, it will not normally be permitted to raise new disagreements over findings of fact in the final report unless there are good reasons for doing so (for example, new evidence becoming available). It is therefore important that the subject member raises any issues of concern with the Monitoring Officer or the Head of Governance Support before the hearing.

3. Preliminary Procedural Issues

- 3.1 Before the Hearing Sub-Committee considers the Investigator's report it will consider any procedural issues, including requests for paperwork to be withheld from the public and/or for any part of the meeting to be held in private. The Hearing Sub-Committee will then resolve any other issues or disagreements about how the hearing should continue, which have not been resolved during the pre-hearing process.
- 3.2 The Hearing Sub-Committee may adjourn at any time to require further information or a further investigation to be carried out.

4. Making Findings of Fact (Stage 1)

- 4.1 After dealing with any preliminary issues, the Hearing Sub-Committee will then move to consider whether or not there are any significant disagreements about the facts contained in the investigator's report.
- 4.2 If there is no disagreement about the facts, the Hearing Sub-Committee will move on to the next stage of the hearing.
- 4.3 If there is a disagreement, the Investigator, will be invited to make any necessary representations to support the relevant findings of fact in the report. With the Hearing Sub-Committee's permission, the Investigator may call any necessary supporting witnesses to give evidence. The Hearing Sub-Committee may give the

subject member an opportunity to challenge any evidence put forward by any witness called by the Investigator.

- 4.4 The subject member will then have an opportunity to make representations to support his or her version of the facts and, with the Hearing Sub Committee's permission, call any necessary witnesses to give evidence.
- 4.5 At any time, the Hearing Sub-Committee may question any of the people involved or any of the witnesses and may allow the Investigator to challenge any evidence put forward by witnesses called by the member of the complainant.
- 4.6 If the subject member disagrees with any relevant fact in the Investigator's report, without having given prior notice of the disagreement during the pre-hearing process, he or she must give good reasons for not mentioning it before the hearing. After considering the member's explanation for not raising the issue at an earlier stage, the Hearing Sub Committee will then:
- (a) continue with the hearing, relying on the information in the Investigator's report;
 - (b) allow the subject member to make representations about the issue, and invite the Investigator to respond and call any witnesses as necessary; or
 - (c) adjourn the hearing to arrange for appropriate witnesses to be present but only if they believe that those witnesses will attend any adjourned hearing.
- 4.7 The Hearing Sub Committee will normally move to another room to consider the representations and evidence in private unless there are no significant disagreements about the facts contained in the Investigator's report.
- 4.8 If the Hearing Sub Committee have withdrawn they will then return for the Chairman to announce its findings of fact.

5. Did the Subject Member Fail to Follow the Code of Conduct for Members? (Stage 2)

- 5.1 The Hearing Sub Committee will then consider whether or not, based on the facts it has found, the subject member has failed to follow the Code of Conduct.
- 5.2 The subject member will be invited to give relevant reasons why the Hearing Sub Committee should not decide that he or she has failed to follow the Code.
- 5.3 The Hearing Sub Committee will then consider any verbal or written representations from the Investigator.
- 5.4 The Hearing Sub Committee may, at any time, question anyone involved on any point they raise in their representations.
- 5.5 The subject member will be invited to make any final relevant points.
- 5.6 The Hearing Sub Committee will then move to another room to consider the representations.

- 5.7 If the Hearing Sub-Committee have withdrawn when they return the Chairman will announce its decision as to whether or not the subject member has failed to follow the Code of Conduct.
- 6. If the Subject Member has not Failed to Follow the Code of Conduct for Members**
- 6.1 If the Hearing Sub Committee decides that the member has not failed to follow the Code of Conduct, it will move on to consider whether it should make any recommendations to the authority.
- 7. If the Subject Member has Failed to Follow the Code of Conduct (Stage 3)**
- 7.1 If the Hearing Sub Committee decides that the subject member has failed to follow the Code of Conduct, it will consider any verbal or written representations from the Investigator and the member (in that order) as to:
- (a) whether or not the Hearing Sub Committee should set a sanction; and
 - (b) what form any sanction should take.
- 7.2 The Hearing Sub Committee will move to another room to consider whether or not to impose a sanction on the subject member and, if so, what that sanction should be. On their return, the Chairman will then announce the Hearing Sub Committee's decision.
- 7.3 When deciding on a sanction, the Hearing Sub-Committee will make sure that it is reasonable and in proportion to the subject member's behaviour.
- 8. Recommendations to the Council**
- 8.1 After considering any verbal or written representations from the Investigator, the Hearing Sub-Committee will consider whether or not it should make any recommendations to the Council, with a view to promoting high standards of conduct among members.
- 9. The Written Decision**
- 9.1 The Hearing Sub Committee will announce its decision on the day and provide a short written decision on that day. A full written decision prepared by the Head of Governance Support (or his/her representative) and approved by the Monitoring Officer and Chairman of the Hearings Sub-Committee will be published within ten working days.

Local Protocol – Consultation Arrangements with Town/Parish Councils and Neighbourhood Forums for Planning Applications

Contents

1.	Introduction
2.	Notification Procedures
3.	Access to Information
4.	Public Participation at Meetings of Planning Committee
5.	Determination of Planning Applications
6.	Training

1. Introduction

- 1.1 Torbay Council is the statutory Local Planning Authority ('LPA') with responsibility for implementing planning legislation contained in the Town and Country Planning Act 1990, and subsequent related legislation.
- 1.2 Planning applications are determined by Torbay Council's Planning Committee, by officers using powers delegated to them by the Council and (in exceptional circumstances) by Council.
- 1.3 By Council resolutions made on 19 June 2019, the Torquay, Paignton and Brixham Peninsula neighbourhood plans were made (adopted) by Torbay Council and now form part of the Development Plan.
- 1.4 For the purpose of this protocol Brixham Town Council (in its capacity as Brixham Peninsula Neighbourhood Forum for the area covered by the Brixham Peninsula Neighbourhood Plan), and Paignton and Torquay Neighbourhood Forums are each a 'Qualifying Body'.
- 1.5 Under the provisions of Paragraphs 8 and 8A Schedule 1 of the Town and Country Planning Act 1990 the Qualifying Body authorised to act in relation to a neighbourhood area for which a neighbourhood plan has been 'made' must be notified of all:
 - (a) planning applications;
 - (b) alterations to planning applications which have been accepted by the LPA, unless they are trivial; and
 - (c) applications for approval of a matter reserved under an outline planning permission;

that relate to land in its area unless the Qualifying Body in question has notified the LPA in writing that it does not wish to be notified of any such application.

2. Notification Procedures

- 2.1 The LPA will fulfil the obligations detailed above by forwarding to the relevant Qualifying Body an email alert with links to the Council's website.
- 2.2 Where the Qualifying Body have been notified of applications they are required to let the LPA know as soon as practicable whether or not they wish to make representations as to the way a particular application should be determined and in any case, to make those representations within 21 days of being notified.
- 2.3 There is no statutory requirement for the LPA to notify a Qualifying Body of applications outside its neighbourhood area, although as a matter of good practice this will be done with more significant applications which adjoin the boundary of another neighbourhood area.

- 2.4 In addition to notifying Qualifying Bodies, the LPA will continue to advertise details of applications as it did before the neighbourhood plans were made. Applications are currently advertised by either site notice, neighbour letters and/or advertisement in the Herald newspaper depending on the application type.
- 2.5 If the LPA allows an application to be amended before it is determined, the Qualifying Body shall be notified of any significant amendments. Whether or not an amendment is significant shall be determined by the LPA.
- 2.6 The Qualifying Body may request an extension of time should it be unable to make representations within the 21 day period. Any reasonable requests to delay consideration of applications so as to allow full representation to be made by the Qualifying Body will be at the discretion of the Divisional Director, Planning, Housing and Climate Emergency (in the case of major applications, following consultation with the Chairman/woman of the Planning Committee), but will not be permitted to prejudice statutory determination times.
- 2.7 When a Qualifying Body submits representations within the time allowed, the LPA must take them into account when determining the application. If a Qualifying Body makes representations with respect to an application, it shall receive details of the decision made.
- 2.8 The LPA must not determine any application before the first of the following to occur;
- (a) notification by the Qualifying Body for the area in which the application site is situated that no representations are to be made, or
 - (b) receipt of written representations from the Qualifying Body, or
 - (c) the expiry of the 21 day period.
- 2.9 Torbay Council will only accept a formally-constituted representation (this being a written representation and/or verbal representation) from a Qualifying Body in response to a planning application. Torbay Council will consider a representation 'formally constituted' if it reflects the views of the Qualifying Body as agreed
- (a) at a formal meeting of the Qualifying Body; or
 - (b) following an alternative protocol adopted at a formal meeting of the Qualifying Body and where details of the adopted protocol have been provided to the Divisional Director for Planning, Housing and Climate Emergency.
- 2.10 Written Representations from Qualifying Bodies will normally be from:
- (a) the Town Clerk or Chairperson of the Planning Committee of Brixham Town Council; or
 - (b) the Chairperson/Vice-Chairperson of Paignton or Torquay Neighbourhood Forums;

following a formal meeting, or other adopted protocol. Written Representations shall be the collective opinion of a Qualifying Body and not solely the view of an individual nominated member.

- 2.11 A town councillor/individual member of a neighbourhood forum may make written representations in a personal capacity, but in doing so must not seek to associate the Qualifying Body in question with those views.

3. Access to Information

- 3.1 Torbay Council will provide access to all public information held on planning application files (on request), and will provide photocopies of relevant documents subject to copying charges applicable at the time. Such information is also provided free of charge on the Council's website.

4. Public Participation at Meetings of Planning Committee

- 4.1 The meetings of the Council's Planning Committee are open to the public and therefore members of the Qualifying Bodies may attend all or part of these meetings (except for confidential and exempt items where the public are excluded).
- 4.2 Where a Qualifying Body agrees and record its views on a planning application following a formal meeting or other adopted protocol, a representative of the Qualifying Body may speak on a planning application in accordance with paragraph A22 of the Standing Orders – Council Meetings.
- 4.3 If a Qualifying Body agrees and records its views on a planning application in accordance with paragraph 4.2, it may nominate a representative to speak on its behalf at a meeting of the Planning Committee when that application is considered. The Qualifying Body shall notify the Council's Head of Governance Support or his/her representative of this fact by 11.00 am on the day of the meeting, providing details of the person nominated to speak, the agenda item(s) on which the representations will be made and details of the meeting of the Qualifying Body at which the application was considered. Members of Qualifying Bodies will only be permitted to make representations/answer questions on behalf of the Qualifying Body if prior notification has been given in accordance with this paragraph.
- 4.4 Persons who have a personal or financial interest in the outcome of a planning application (as applicant or otherwise) shall not speak as a representative of a Qualifying Body when representations are made to the Planning Committee although such persons may apply to make representations in their personal capacity, in the same way as other members of the public can. Where a member of a Qualifying Body has a personal interest in a planning application the Qualifying Body may nominate a member without a personal or financial interest in the application to make representations on its behalf, providing the requirements of paragraphs 4.2 and 4.3 above have been followed.

5. Determination of Planning Applications

- 5.1 Torbay Council's Planning Committee will determine all 'major' applications, as defined in the terms of reference for that Committee. In exceptional circumstances, major applications may be referred to Council for determination or may be delegated to the Divisional Director of Planning, Housing and Climate Change in consultation with the Chairman of Planning Committee. All other applications may be determined by an officer under delegated powers [*subject to 5.2 below*].

5.2 Torbay Council will notify the relevant Qualifying Body of every planning decision made by the Planning Committee, Council or by an officer who has authority to determine a planning application under delegated powers.

5.3 Torbay Council will notify the Qualifying Body for a neighbourhood area of any planning appeal its area.

6. Training

6.1 Torbay Council will when practicable arrange for training on planning matters for members of Qualifying Bodies

Local Protocol – DBS Checks for Members

Contents

1. Introduction
2. Purpose of Enhanced Disclosure
3. Using an Existing Disclosure
4. Frequency of Disclosure
5. Confidentiality, Retention, Security and Disposal of Disclosed Information
6. Positive Disclosure
7. Challenging a Disclosure
8. Refusal to Undertake Disclosure

1. Introduction

- 1.1 Torbay Council recognises its moral and legal responsibility to provide a duty of care for all children, young people and vulnerable adults. Those Members with regular direct contact with young people and vulnerable adults including Cabinet Members and Scrutiny Leads with responsibility for children and adults will therefore be required within 28 days of their appointment to undergo an Enhanced Disclosure check from the Disclosure and Barring Service (DBS). The Chief Executive has authority to determine which additional Members shall be subject to DBS checks. Arrangements will be made to ensure that all prospective candidates are aware of this before becoming a Council candidate.
- 1.2 The aim of this Local Protocol is to ensure that Members who have regular contact (or are in a position of authority over those with regular contact) with children or vulnerable adults in their official capacity do not present a risk to those persons. Non-elected members who do not have any role in respect of children or vulnerable adults are not required to undergo an Enhanced Disclosure check from the DBS.

2. Purpose of Enhanced Disclosure

- 2.1 Information contained on the disclosure document for an enhanced DBS check will include details of the following: spent/unspent convictions, cautions, reprimands and final warnings held at national level, (plus information on pending prosecutions or relevant non-conviction information – this additional information is **not** sent to individuals).
- 2.2 The purpose of Enhanced Disclosure is to protect the public from harm and to protect the reputation of the Council by identifying Members who are unsuitable for positions involving contact with children and vulnerable people. Torbay Council will comply with the DBS Code of Practice and will not discriminate unfairly against the Member on the basis of conviction or other details revealed.
- 2.3 Any Member who wishes to be considered by the Council for appointment to any position within or outside the Council in which they will have regular contact (or are in a position of authority over those with regular contact) with children or vulnerable adults will be disqualified from such appointment where their disclosure reveals a relevant conviction or caution.

3. Using an Existing Disclosure

- 3.1 Disclosures from other organisations will not be accepted by the Council. All Members referred to in 1.1 above will be required to undertake a Torbay Council DBS check.

4. Frequency of Disclosure

- 4.1 Applicable Members will be required to undergo an Enhanced Disclosure check from the Disclosure and Barring Service (DBS) within 28 days of their appointment. Members may be required to undertake further checks within three years of their original disclosure.

5. Confidentiality, Retention, Security and Disposal of Disclosure Information

- 5.1 Disclosure information will only be made available to staff authorised to receive it in the course of their duties. All positive disclosure information will be sent directly to the Lead Counter signatory in the Human Resources Department and will only be divulged to the Monitoring Officer.
- 5.2 A record will be kept of the date of issue of a disclosure, the name of the subject, the type of disclosure requested, the appointment for which the disclosure was requested, the reference number of the disclosure and the details of any decision taken whether or not the Member was disqualified from holding a specific position of responsibility. The record will be kept on a computerised system. Positive disclosures will be destroyed by means of shredding once the disclosure has been discussed with the individual.

6. Positive Disclosure

- 6.1 Following a positive disclosure, the Member will be given the opportunity to be interviewed by the Monitoring Officer and a member of the Human Resources Department so that further consideration may be given, clarifying the circumstances relating to the matters appearing on the disclosure. If the Member declines the opportunity to be interviewed or fails to co-operate in the process, the Monitoring Officer may draw a negative inference from this refusal or failure and act accordingly. The Monitoring Officer will give proper and reasonable consideration to any representations made by the Member. The Monitoring Officer may, where appropriate, in view of the nature of the positive disclosure(s) received, make proportionate recommendations in accordance with paragraphs 6.2 and 6.3. These recommendations may relate to:
- (a) whether or not the disclosure should disqualify the Member from holding a specific position of responsibility or appointment to outside bodies; and/or
 - (b) whether any other restrictions should be made in relation to the Member.

Examples of this might include:

- (i) a recommendation that a Member previously convicted of defrauding a vulnerable adult should not be nominated by the Council to serve on the Board of the Integrated Care Organisation or have portfolio responsibility for this area; or
 - (ii) a recommendation that a Member alleged (but not convicted) to have committed offences against children should not be appointed as Children's Champion or have portfolio responsibility for this area.
- 6.2 The Monitoring Officer will inform the Chief Executive of all positive disclosures (following the review process, if requested by the Member) and may make recommendations to the relevant Group Leader and Deputy Group Leader (or other senior Group Member(s) if the Member is the Leader or Deputy Group Leader) and/or the Leader of the Council if the Member concerned is a Cabinet Member regarding the suitability of the Member for appointments to positions of special responsibility or outside body.

6.3 The Monitoring Officer may make recommendations to the Member concerned (for example that they do not serve on certain bodies).

6.4 The purpose of this Protocol is to protect children and vulnerable adults and in promoting this objective a precautionary approach shall be adopted. Unless a Member who is the subject of an apparently relevant positive disclosure is able to satisfy the Monitoring Officer (on the balance of probabilities) that the disclosure does not relate to him/her the Monitoring Officer shall normally assume that the disclosure does relate to the Member and act accordingly.

7. Challenging a Disclosure

7.1 If a disclosure has been received and the contents discussed with the Member and they inform the Monitoring Officer that the information is incorrect, the person will be referred to the Disclosure Dispute Line, telephone 0300 0200 190. Unless the Member co-operates fully with this referral, the Monitoring Officer may draw a negative inference from this refusal and act accordingly.

7.2 The disclosure will not be retained for more than six months after the resolution of the dispute. If it is necessary to retain the disclosure information for a longer period, the Disclosure and Barring Service (DBS) will be consulted. In dealing with such a case, the DBS will give full weight to the rights of the subject of such information under the Human Rights and Data Protection Acts.

8. Refusal to Undertake Disclosure

8.1 The requirement for Members to undertake an Enhanced Disclosure check from the DBS is a local provision adopted by Torbay Council.

8.2 Any Member who refuses to undertake an Enhanced Disclosure will be disqualified from being appointed to any position of special responsibility or outside body.

In turn the Committee provides an expert and more responsive form of governance. It also provides harbour management with the appropriate level of independence and flexibility.
- 1.2 It's terms of reference have been revised in the light of the Government's publication 'Ports Good Governance Guidance' and following a comprehensive review of this document by the Municipal Ports Working Party. The terms of reference of the Harbour Committee and its composition (including external non-voting advisors) seeks to ensure that Tor Bay Harbour is playing a full and accountable part of the local and regional economy.
- 1.3 This protocol compliments the Committee's terms of reference and outlines the roles and relationships of the Leader of the Council, Council members, external advisors, Officers and the Harbour Liaison Forums, together with the appointment process for the advisors.

2. Specific Objectives of the Harbour Committee

- 2.1 The overall objective of the Harbour Committee is to maintain, protect and enhance the harbour whilst at the same time deriving sustainable economic and social benefit, as outlined in the Tor Bay Harbour and Maritime Strategy.
- 2.2 The specific objectives of the Harbour Committee are:
 - a) to act as the 'Duty Holder' and be individually and collectively accountable for compliance with the Port Marine Safety Code and their performance in ensuring safe marine operations in the harbour and its approaches;
 - b) to review and be aware of the Committee's existing powers under local and national legislation and seek additional powers if required to promote safe navigation;
 - c) to appoint a Designated Person to provide independent assurance about the operation of the marine safety management system;
 - d) ensure all marine risks are formally assessed and are eliminated or reduced as low as reasonably practicable in accordance with good practice;
 - e) monitor, review and audit the risk assessment and marine safety management system on a regular basis;
 - f) publish a safety plan showing how the standards of the Port Marine Safety Code will be met and report performance against that plan at least every three years;
 - g) ensure the effective financial management of the harbour;
 - h) have an appropriate awareness and regard for relevant environmental considerations;
 - i) maintain and develop the harbour infrastructure;

- p) make a positive contribution to the social wellbeing of the local community.

3. Proportionality

- 3.1 Ideally the composition of the Committee will provide representation from all parts of the harbour and relevant areas of expertise.
- 3.2 The Harbour Committee is appointed by the Council each year at the Annual Council meeting. The Committee shall be politically balanced and will include specific membership, as far as the proportionally rules allow, as set out the Committee's terms of reference (Schedule 4 of this Constitution) In addition, the Harbour Committee will appoint up to 6 non-voting external advisors.

4. The Role of Committee Members

- 4.1 As harbour management is a specialist area and requires specialist knowledge, ideally the councillors who will be appointed to the Committee will have a particular interest and experience in the maritime sector and will be willing to serve for a number of years on the Committee. In this way a body of expertise will be developed and continuity maintained.
- 4.2 Committee members shall be aware of the need for decisions relating to Tor Bay Harbour to be based on sound advice from officers who have a clear understanding of the special needs of ports and harbours and the circumstances in which they operate.

5. Appointment of Advisors

- 5.1 The Harbour Committee will appoint a Harbour Appointments Sub-Committee. The role of the Sub-Committee will be to consider applications for the five external advisor positions on the Harbour Committee and recommend to the Harbour Committee the persons who should be appointed to those posts.
- 5.2 Advisors will normally be appointed for a term of 3 years. However, initial appointments will be of varied durations to ensure that vacancies occur on a rolling programme, for example at least one advisor will retire each year.
- 5.3 A recruitment exercise will be undertaken for the appointment of advisors to the Committee and will be made following open advertisement and an appropriate recruitment exercise. Appointments will be merit based, but have regard to the desirability of securing reasonable representation from stakeholders. In addition,

5.4 Before recruiting, the Harbour Appointments Sub-Committee will undertake a skills audit to assess the balance of skills required to effectively govern the harbour and deliver against the business plan. These skills should be considered for both councillor members and advisors. The results of the skills audit will then identify the skills gap and inform the recruitment process.

6. Role of Advisors

6.1 Although external advisors to the Harbour Committee do not have voting rights, they play an important role in providing guidance and advice to the Committee. Also the advisors contribute to the mixture of skills on the Committee and bring relevant expertise, local representation and independence.

6.2 Advisors are expected to demonstrate the following personal skills and competencies:

- a) drive, vision, independence and confidence;
- b) challenging and proactive approach to committee business;

- h) ability to make a constructive contribution to group discussion e.g. able to give a clear expression of ideas;

 - j) ability to formulate strategy; and
 - k) have a grasp of priorities.
- 6.3 Harbour Committee advisors are not subject to the Code of Conduct for Members and are not required to register their interests. However, advisors must ensure that they do not unfairly seek to secure an advantage or disadvantage for any person. Advisors shall act and/or advise only for and on behalf of the harbour as a whole.
- 6.4 Advisors shall consider whether they have individual interests on matters being considered by the Committee and declare such interests (including details of those interests) at Committee meetings. When an advisor has declared an interest, it will be recorded in the minutes, but the advisor may normally remain in the meeting and speak on the matter unless the Committee resolves otherwise.
- 6.5 Whilst carry out their duties, in relation to the Harbour Committee advisors shall:
- a) promote equality by not discriminating unlawfully against any person (including grounds of gender, race, disability, sexual orientation, religion, belief or age);
 - b) treat others with respect; and
 - c) not do anything which compromises or which is likely to compromise the impartiality of those who work for, or on behalf of the Council.
- 6.6 A Harbour Committee advisor must not disclose information given to him/her in confidence by anyone, or information acquired which he/she believes is of a confidential nature, without the consent of the Harbour Committee or the Council's Monitoring Officer, or unless he/she is required by law to do so. Harbour Committee advisors access to exempt or confidential reports shall be at the discretion of the Chairman/woman and advisors shall be permitted to remain in the meeting when consideration is given to such matters where the press and public would be excluded. Any report of this nature given to the advisors must be returned to the Governance Support Officer at the end of the meeting and the advisors must not divulge the contents of the report to any third party. At the end of each meeting of the Committee where confidential/exempt information has been disclosed in the presence of the advisors, a formal undertaking must be signed by each of the advisors to adhere to the requirements of this Protocol with respect to the non-disclosure of such information. The Harbour Committee may resolve to exclude the Harbour Committee advisors, should they consider it necessary, following advice from the Monitoring Officer or his/her representative.
- 7. Role of the Head of Tor bay Harbour Authority and Tor Bay Harbour Master**
- 7.1 The role of the Head of Tor bay Harbour Authority and Tor Bay Harbour Master is to ensure the safe and efficient operation of the statutory harbour of Tor Bay (including the harbour estate) and its enclosed ports and to undertake the day to day management of Marine Services in support of that role. The Head of Tor bay Harbour Authority and Tor Bay Harbour Master also carries out all the statutory duties of Harbour Master for Tor Bay Harbour, these duties are outlined in the Officer Scheme of Delegation.
- 7.2 In relation to the Harbour Committee, the role of Head of Tor bay Harbour Authority

and Tor Bay Harbour Master is to provide advice and guidance to the Harbour Committee, such as:

- a) assisting in the recruitment process for the advisors;
- b) providing the Committee with strategic advice to inform its decision-making;
- c) providing the Committee with clear financial and operational reports to enable the Committee to make accurate and balanced decisions; and
- d) being responsible for ensuring that the Harbour's statutory and legislative framework is fully fit for purpose.

7.3 The Harbour Committee shall not seek to interfere directly in the day to day management of Tor Bay Harbour. However, the Committee should understand how its decisions impact on the running of Tor Bay Harbour and the wider economy.

8. Role of the Harbour Liaison Forums and Relationship with the Harbour Committee

8.1 Two Harbour Liaison Forums have been established namely Torquay/Paignton Harbour Liaison Forum (covering Torquay and Paignton Harbours) and Brixham Harbour Liaison Forum (covering Brixham Harbour). The membership of the Forums includes a full range of stakeholders such as harbour users and others who derive direct benefit from Marine Services, together with those who derive an indirect benefit.

8.2 The role and remit of the Forums is to provide a method of consultation on day to day management and operational issues in relation to the three enclosed harbours. They also used for consultation on strategic matters.

8.3 The Harbour Committee will have regard to the views expressed by the Harbour Liaisons Forums by receiving the minutes of Forum meetings. Further details of consultation are set out in paragraph 10 below.

8.4 As part of the Harbour Committee's terms of reference, it will recommend the format, composition and governance of the Harbour Liaison Forums and keep the arrangements under review. The Harbour Committee will seek to encourage openness and transparency in the Forums' selection of their membership.

9. Training on the Functions of the Harbour Committee

9.1 All members and advisors will undertake appropriate training. This training will cover port and harbour operation, statutory and regulatory obligations, the role of the Duty Holder under the Port Marine Safety Code and governance issues. The training will also link to the Members' Development Programme.

10. Consultation

10.1 In light of the overall and specific objectives of the Committee, it is important that, at all times, a balance is struck that respects all stakeholders (not just one group). In achieving this the Committee will take into account what constitutes the common good for all stakeholders (current and future) and the harbour itself. This will ensure that the needs and views of both beneficiary and non-beneficiary stakeholders are not overlooked or discounted. This balance is met by ensuring a representative of

the Committee is a member on the Harbour Liaison Forums and by the Harbour Committee receiving the minutes of the Harbour Liaison Forums (as referred to in paragraph 8.3 above).

Local Protocol on Civic and Ceremonial

1. Introduction

- 1.1 This Protocol is provided to ensure a consistent approach in respect of civic and ceremonial events, and to ensure that the role of civic and ceremonial promotes the reputation of Torbay Council ('the Council') and to apply correct etiquette.

2. Key responsibilities of the Civic Mayor and Deputy Civic Mayor

- 2.1 As set out in the Job Descriptions for the Civic Mayor and Deputy Civic Mayor in the Council's Constitution. The Civic Mayor acts as an ambassador for the Council and also for the Borough of Torbay, as a non-political, impartial figure, representing the whole community. The Civic Mayor visits communities and businesses, representing the Council and the Borough, and they can also welcome delegates, dignitaries and visitors to Torbay on behalf of the community.

(Note: For clarity, the Leader of the Council's role is to act as an ambassador for the Council promoting its work and acting as its principal political spokesperson.)

- 2.2 The Civic Mayor, Deputy Civic Mayor and their Consorts/Escorts, when undertaking their civic and ceremonial roles shall:
- i. Conduct themselves in a manner appropriate and fitting to their positions, in accordance with the requirements of the Council's Constitution, generally and in particular, the Code of Conduct for Members;
 - ii. not bring the Council into disrepute, through abuse of office;
 - iii. have regard to advice given by the Council's Governance Support and Events Team;
 - iv. not attend any function or otherwise give support to any organisation or person, whose objectives are contrary to law and/or Council Policy;
 - v. not solicit engagements or visits at home or otherwise procure favours or gifts by virtue of office;
 - vi. not overspend the budget/allowance allocated to the Civic Mayor; and
 - vii. be capable of undertaking the demands of the role (for example to be able to: maintain high levels of concentration during long Council meetings; to cope and manage controversial debate at Council meetings; attend a large number of civic events, including during unsocial hours; hold and engage an audience at civic events for long periods of time; and attend civic events which may be held outside in inclement weather).
- 2.3 The ability to meet the criteria and responsibilities outlined in paragraph 2.2 above, shall be taken into account by the Council, when considering nominees for the roles of Civic Mayor and Deputy Civic Mayor.

3. Annual Meeting of the Council

- 3.1 The election of a Civic Mayor of the Council and Deputy Civic Mayor shall be the first item of business conducted by the Council, in accordance with the Local Government Act 1972.
- 3.2 The role of Civic Mayor/Deputy Civic Mayor and their Consort/Escort are non-political roles.
- 3.3 The Civic Mayor's term of office is one municipal year, and during this time, they continue to be a Member of the Council. The Civic Mayor shall preside over meetings of Council, with political neutrality.
- 3.4 The incoming Civic Mayor and Deputy Civic Mayor shall make a declaration of acceptance of office and oath of allegiance, when accepting the Term of Office at the Annual Meeting of Council.
- 3.5 Where the Civic Mayor wishes to hold a civic lunch, this may be held on the same day as the Annual Council meeting, with an adjournment for the Council meeting to reconvene at 5.30 pm, to consider the remainder of the Council business on the agenda. Consideration must be given to the suitability of venue and convenient timing of the lunch, before arrangements are put in place. In the year of an all Council election, the civic lunch will be held on a later date in the Municipal Year. The annual photo will be taken immediately after the ceremonial meeting.

4. Civic Events

Below is a list of typical events which are organised during the Civic Mayor's Year in Office.

4.1 Civic Service

The Civic Service is normally held at the Civic Mayor's Chaplain's place of worship. Alternatively, the Civic Mayor may request a different venue which can be considered, subject to its suitability to include capacity and accessibility requirements. The date of the Service shall be decided by the Civic Mayor, in consultation with the minister or other person who is responsible for conducting the Service. The Events Team will support co-ordinating the Service. The date for the Service must not clash or coincide with any other elected Member event(s); Council or Committee meetings or major event(s), as identified by the Events Team.

The Civic Service can be held at any time during the Civic year, but historically it is usually held in late September/October.

Civic Dignitaries from the Council's designated list, together with other individuals identified by the Civic Mayor, will be invited to attend the Service and partake in any refreshments the Civic Mayor wishes to provide after the Service.

4.2 Remembrance Sunday

Remembrance Sunday is held on the Sunday nearest to the anniversary of Armistice Day, being the 11 November at 11 am. The Service of Remembrance is led by the Civic Mayor's Chaplain or other representative of the Civic Mayor,

following which the Civic Mayor will lay a wreath in memory of those men and women who gave their lives for their country.

4.3 Miscellaneous events

Various miscellaneous events are attended by the Civic Mayor, some examples of which are listed below:

- a. Hosting Royal Visits upon request by the Lord Lieutenants Office;
- b. Twinning events – Torbay is twinned with the German town of Hameln and Hellevoetsluis in The Netherlands;
- c. Events to raise funds for the Civic Mayor's chosen charities;
- d. Education Awards and Graduation Ceremonies;
- e. Opening of Fayre's/Fetes/Garden Parties/Coffee Mornings/100th Birthday celebrations;
- f. Presenting Awards and Prizes to individuals and organisations;
- g. Art Exhibitions and presentations at local schools;
- h. Firework Displays;
- i. Armed Forces Day; and
- j. Other Local Authority Civic events to which the Civic Mayor has received an invitation.

5. Civic Invitations

5.1 Public organisers of events may request the Civic Mayor to attend events. Duties which the Civic Mayor may carry out at such events include:

- a. Attending functions within Torbay, or on occasions outside the Bay, with prior agreement from the Head of Governance Support, as a Ceremonial Representative of the Council (Note: for events outside the Bay, the Civic Head from that area will be the lead figure head for the event, with Torbay's Civic Mayor/Deputy Civic Mayor, being an invited guest);
- b. Undertaking official openings or presentations within Torbay on behalf of the Council; and
- c. Representing the Council during Royal visits to the town when requested by the Lord Lieutenant's Office.

5.2 All invitations for the Civic Mayor to attend such events shall be sent to the Governance Support Team and not directly accepted by the Civic Mayor. This is to avoid clashes of appointments and to consider the suitability of the event.

5.3 Priority will be given to events within the Borough which promote Torbay. Although invitations to events held outside Torbay can be considered, in consultation with the Governance Support Team. Attendance at events held outside Torbay will only be accepted if it enhances the promotion of Torbay. Invitations will not normally be accepted if the invitation cannot be reciprocated, for example, civic dinners hosted by other local authorities.

5.4 Event organisers are required to give as much notice as possible of their upcoming event. In the case of invitations being received less than 72 hours before an event, the Head of Governance Support reserves the right to decline attendance at the event on behalf of the Civic Mayor.

- 5.5 If the Civic Mayor is unable to attend an event to which they have been invited, the Deputy Civic Mayor will be invited to attend to represent the Council. In the event that the Civic Mayor and Deputy Civic Mayor are not able to attend and it is appropriate to invite an alternative representative, the most recent former Civic Mayor can be invited to attend subject to agreement of both the Civic Mayor (or Deputy Civic Mayor in the absence of the Civic Mayor) and the Head of Governance Support.
- 5.6 Invitations to functions should not be sent direct to or accepted by the Deputy Civic Mayor. The Deputy Civic Mayor will not normally attend functions in his/her own right, except when deputising for the Civic Mayor.
- 5.7 It is not normal practice for the Deputy Civic Mayor to attend the same events as the Civic Mayor. There are exceptions such as, for example, Remembrance Sunday, Civic Church Service/Carol Concert, Civic Ball/Garden Party, Civic Lunch/Dinner. Invitations received which require the attendance of both the Civic Mayor and the Deputy Civic Mayor will be considered for acceptance by the Head of Governance Support, in consultation with the Civic Mayor.

The Civic Mayor may provide permission for the Deputy Civic Mayor to wear civic regalia, when attending an event in place of the Civic Mayor.

- 5.8 Where a commitment has been given for the Civic Mayor or Deputy Civic Mayor to represent the Council/Torbay at an event, the commitment should be honoured unless exceptional circumstances or illness prevent attendance. The Civic Mayor or their representative must notify Governance Support at the earliest opportunity of their inability to attend so that apologies may be given and alternative arrangements made for the Deputy Civic Mayor to attend, where appropriate.

6. Consort or Escort

- 6.1 The Civic Mayor may identify one person to accompany them to the civic and social activities to which they are invited. Alternatively, the Civic Mayor may choose to attend events alone.
- 6.2 The position of Consort/Escort is discretionary, and may be a person who is independent of the Council. The Consort/Escort is expected to uphold the high standards of conduct as outlined in paragraph 2 of this Protocol and should not bring the Council into disrepute, either by way of actions or words. The Consort/Escort must appreciate that the role, together with that of the Civic Mayor is politically neutral and therefore political neutrality must be maintained by them at all times. The Consort/Escort cannot represent the Civic Mayor at civic events, their role is purely to accompany the Civic Mayor to events. The Consort/Escort is not entitled to receive any payment in respect of their role.
- 6.3 The Civic Mayor may determine whether his/her guest will be referred to as Consort or Escort. Previously it was traditional for a female guest to be referred to as Consort if married to the Civic Mayor and Escort if not, and a male guest, irrespective of marital status, was normally known as the Escort.

7. The Role of the Deputy Civic Mayor

- 7.1 The Deputy Civic Mayor shall assist in representing the Council on civic or formal occasions as requested by the Civic Mayor, and will be expected to deputise where the Civic Mayor is unable to attend events to carry out civic duties.
- 7.2 If the Deputy Civic Mayor is approached direct and invited to attend a function in their capacity as Deputy Civic Mayor, in his or her own right the invitation must be shown to the Civic Mayor and Head of Governance Support who will decide in consultation as to whether the invitation should be accepted.
- 7.3 If the Civic Mayor is not able to attend a Council meeting, the Deputy Civic Mayor will take the Chair, where neither the Civic Mayor or Deputy Civic Mayor is present Standing Order A2.2 shall be followed. When the Civic Mayor is present at a Council meeting, the Deputy Civic Mayor shall sit to the Civic Mayor's side on the Dias in order to assist the Civic Mayor in chairing the meeting (for example, identifying councillors who wish to speak about an item under discussion).
- 7.4 Like the Civic Mayor, the Deputy Civic Mayor usually identifies a companion to accompany them to civic and social events attended in their official capacity. Alternatively, the Deputy Civic Mayor may choose to attend events on their own.
- 7.5 The position of Deputy Civic Mayor's Consort/Escort is the same as the Civic Mayor's Consort/Escort and details of the role and obligations are set out in paragraph 6 of this Protocol.

8. Civic Mayor's Charity

- 8.1 The Civic Mayor's Charity traditionally raises funds for local charities. The Civic Mayor may decide to support a maximum of two charities. The chosen charity or charities must be registered with the Charity Commission and provide benefit to Torbay's community.
- 8.2 The Civic Mayor will announce the chosen charity/charities at the Annual Council meeting when they are elected. If the Civic Mayor has chosen to support two charities, it will be for the Civic Mayor to determine how the proceeds raised will be split between the charities.
- 8.3 Any cheques or proceeds from fund raising events are to be handed to the Events Team who will be responsible for processing. All cheques should be made payable to 'Torbay Council'. The Council's Finance department will keep accurate records of income raised and will arrange for payments to be made to the Civic Mayor's charity/charities when the Civic Mayor's Term of Office ends, in accordance with the Council's Financial Regulations.
- 8.4 Funds raised for the Civic Mayor's charity/charities cannot be used for any other purpose other than that for which it was donated.
- 8.5 Other events may be organised by local organisations, clubs or institutions, with proceeds given for the Civic Mayor's charity/charities. If the Civic Mayor wishes to hold his/her own charity event, the details and arrangements must be agreed in advance with the Director of Pride in Place.

- 8.6 It is the responsibility of the Civic Mayor to organise prizes and raffles to raise funds for local charities, if they wish. To support this local businesses, councillors, friends and family may choose to donate prizes to be used for raffles and tombola's,
- 8.7 The Civic Mayor's charity/charities may be invited to give presentations at some civic events and appropriate guidance on such presentations can be provided by the Governance Support or Events Teams upon request.

9. Civic Mayor's allowance and other costs

- 9.1 In accordance with the Members' Allowances Scheme, the Civic Mayor is paid a Special Responsibility Allowance. The Civic Mayor is also paid an additional Civic Mayor's Personal Allowance which is separate from the Members' Allowances Scheme to meet expenses. Examples of such expenses are:
- a. Clothing;
 - b. Partner's clothing;
 - c. Donations to charities;
 - d. Donate to collections at events attended by the Civic Mayor;

- 9.3 The Council will fund up to £100.00 towards the printing costs for any Torbay Civic Awards certificates.
- 9.4 If the Civic Mayor chooses to hold a Civic Lunch, Civic Ball or Garden Party and/or a Civic Carol Concert, the full cost of the event (including the cost of officer time) shall be self funding and covered by the sale of tickets which all attendees are required to purchase. Once all the event costs have been paid, any profit will be donated to the Civic Mayor's Charity bank account. Any financial loss incurred as a result of a Civic event shall be met and paid in full by the Civic Mayor personally, where they have acted contrary to Officer's advice.
- 9.6 At the end of the term of office, the retiring Civic Mayor will receive a Past Civic Mayor's badge, which will be funded from the Civic Budget. The Civic Mayor may purchase a badge for their Consort/Escort which will be ordered on a blue ribbon or another gift and the cost of this will be met personally by the Civic Mayor.

10. The Role of the Civic Mayor's Chaplain

- 10.1 The Civic Mayor is invited (but not required) to choose a Chaplain to provide support to them during their term of office.
- 10.2 The Civic Mayor shall ensure that their chosen Chaplain is made aware of the Council's commitment to the values of equality and diversity for all. The Chaplain must be inclusive of those from all faiths/beliefs or those who choose none, when delivering prayers and reflection.
- 10.3 The role of Civic Mayor's Chaplain is an honorary title and the Chaplain is invited to attend and take part in various civic events, for example, Annual Council, Armed

Forces Day, Remembrance Day, Civic Service, Civic Carol Service and the Civic Mayor’s Ball or Garden Party.

- 10.4 The Civic Mayor may request their Chaplain to open Council meetings with a short inclusive prayer or reflection (no more than 2 minutes) and in accordance with paragraph 10.2 above.
