1. Key points and Summary

1.1 To consider and determine an application, in respect of the Premise detailed above, for a Variation to a Premises Licence.

1.2 The application relates to all the Corporate Priorities within the Community Plan.

1.3 The matters raised relate to the Licensing Objectives “The Prevention of Crime and Disorder”, “The Prevention of Public Nuisance” and “Public Safety”.

1.4 The matter must be considered on its own merits having received details of the issues arising either at a hearing or by written Representations if all parties have agreed that a hearing is not necessary. Having regard to the Representations and issues arising, a decision must be made to take such steps as are necessary for the promotion of the licensing objectives. These are either:-
(a) to modify the conditions of the licence, or
(b) reject the application in whole or in part.

For this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

1.5 Reasons for the decision must be given for inclusion in the appropriate Notices required to be served on the Interested Parties and Responsible Authorities at the determination of the matter.

2. Introduction

- 2.1 An application has been made under Section 34 of the Act for a Variation to a Premises Licence. Details of the application are shown in Appendix 1. Only the relevant pages of the application are shown.

A brief description of the proposed Variation is as follows:-

To extend the hours for the Sale of Alcohol off the Premises to 24 hours daily.

The licence presently allows the Sale of Alcohol off the Premises Monday to Sunday from 08:00 until midnight 7 days a week and late Night Refreshment from 23:00 until 05:00 7 days a week.

- 2.2 A copy of the current premises licence showing the licensable activities, timings and conditions is shown at Appendix 2 of this report.
- 2.3 Torbay Council as the Licensing Authority is satisfied that the Applicant has met the administrative requirements of Section 35(1) but is unable to issue the variation to the Premises Licence, as relevant Representations have been received from a Responsible Authority and Interested Parties. The Licensing Authority is also satisfied that the Representations were received within the appropriate time-scale, have not been subsequently withdrawn and are not vexatious or frivolous.

We have received a Representation from the Police in relation to the Licensing Objective "The Prevention of Crime and Disorder". This is shown as Appendix 3 of this report.

We have received 8 Representations with 10 signatures from Interested Parties in relation to the Licensing Objectives "The Prevention of Crime and Disorder", "The Prevention of Public Nuisance" and "Public safety", of which one is on behalf of the areas Community Partnership. These are shown as Appendix 4 of this report.

There have been no Representations received from any other Responsible Authority or any other Interested Party.

We have received an email from the Applicants Solicitor, confirming that they agree to the conditions proposed by the Police to be added to the licence. This is shown as Appendix 5 of this report.

- 2.4 The Authority is required to conduct a hearing by the provisions of Section 35(3) unless all parties agree that this is not necessary.
- 2.5 Appropriate Notices have been issued to all parties, as required by the Licensing Act 2003 (Hearing Regulations) 2005, including, where appropriate, details of the Representations and the procedure to be followed at the hearing.
- 2.6 If the application is refused, in whole or in part, a Right of Appeal to the Magistrates' Court is granted by Section 181 of the Act and, by Paragraph 1 of

Schedule 5, to the Applicant.

- 2.7 If the application is granted, a Right of Appeal to the Magistrates' Court is granted by Section 181 of the Act and, by Paragraph 4(2) of Schedule 5 to :-
- (a) The applicant for the variation of the licence against any decision to modify the conditions
 - (b) Any person who made a relevant representation in relation to the application who desires to contend
 - (i) that any variation made ought not to have been made, or
 - (ii) that, when varying the licence, the Licensing Authority ought to have modified the conditions of the licence or ought to have modified them in a different way.
- 2.8 Following such Appeal, the Magistrates' Court may:-
- (a) dismiss the appeal,
 - (b) substitute for the decision appealed against any other decision which could have been made by the Licensing Authority, or
 - (c) remit the case to the Licensing Authority to dispose of it in accordance with the direction of the Court,
- and may make such order as to costs as it thinks fit.

Dear Sir/Madam

Abbey Service Station, Avenue Road, Torquay, Devon, TQ2 5LG

I refer to an application to Vary the Premises Licence in respect of the above named premises (Premises Licence No PL1 refers), submitted by the applicant, Rontec Watford Limited.

As you may recall, in June 2014 the applicant applied for a variation of the Premises Licence to authorise the sale of alcohol 24 hours a day, authorise late night refreshment and for structural alterations. Representations were made by the Police, the Public Protection Officer and a number of residents in relation to this application. In respect of the police representation, this proposed that 11 additional conditions be imposed on the licence, and the applicant confirmed that these conditions were acceptable to them.

A hearing was subsequently held on 14 August 2014, as a result of which the Licensing Committee granted the structural alterations and late night refreshment as applied for, but in respect of the sale of alcohol this was only granted between 8.00 am and 12 midnight. The police were represented at this hearing by my Licensing Officer, Mrs Julie Smart.

During her presentation she informed the Licensing Committee that the premises licence holders, Rontec Watford Ltd, also hold a Premises Licence at Parkham Service Station, New Road, Brixham. That premises was granted a Premises Licence authorising the sale of alcohol 24 hours a day on 17 December 2009, and the licence

licensingeast@devonandcornwall.pnn.police.uk

has several conditions including two conditions restricting the sale of alcohol via a service hatch between 11 pm and 6 am daily, and that no persons other than the management, their staff, service providers and members of the emergency services shall be allowed to the premises between 11 pm and 6 am daily. A copy of the Parkham Service Station licence is attached for your information.

Mrs Smart has informed me that she recalls Councillor Addis asking her at the hearing if she was able to produce statistics in relation to crime and disorder at Parkham Service Station prior to the grant of the licence and subsequent to it, and Mrs Smart informed Mr Addis that she did not have that information available at the hearing but could return to Torquay Police Station to produce this. However, Councillor Addis decided that this was not necessary and the hearing proceeded.

In light of this new application for a 24 hour licence at the premises, Mrs Smart has conducted research (copies attached) in relation to the Abbey Service Station, Torquay and Parkham Service Station, Brixham. Having considered all the information available to us, the police do not object to the grant of this application, but request that the following conditions are imposed on the licence:

- 1) The sale and supply of alcohol between 2400 and 0600 daily shall be restricted to service by staff through the serving hatch at the front of the premises.
- 2) No persons other than management, their staff, site service providers and members of emergency services shall be allowed access to the premises other than the forecourt between 2400 and 0600 daily.

For your information, the applicant has confirmed that these conditions are acceptable to them.

As this application will be considered by the Licensing Committee at hearing, the police will provide a detailed overview of the attached documents at that time.

Should you require any further information, please do not hesitate to contact Julie Smart on 01803 218900.

Yours faithfully

Superintendent G Mayhew
LPA Commander

To the licencing Office,

Dear Sir or Madam,

I am writing regarding the Aye Road Petrol station appeal against the decision to turn down 24 hour licencing. This will cause even more noise & nuisance than what we have now. People buying alcohol now take a short cut across our land to get to Mill Lane, leaving bottles & cans (the makes sold at the garage) strewn around our garden. Noise & arguments take place regularly at the back of the building at the entrance (our entrance) into Mill Lane,

These drunken rants take place around midnight, and wake residents who like myself, have threatened to call the police unless the perpetrators move.

Crime or disorder will increase if this appeal is granted, and as one of the many pensioners who live at Elizabeth Court, I and my husband are against this.

Yours Sincerely

26th March 2015

Dear Madam,

Avenue Road Petrol Station

I am very concerned to learn that the above have made a second application for the licence to sell alcohol 24/7.

We, at Elizabeth Court a quiet community, will be on the receiving end of noise from people walking through our private premises, supposedly to "cut the corner off" to Mill Lane. We will also have to clear away bottles and cans left on the garden and front walls of the property, these being Heinekin, Carlsberg and Scrumpy. Why can't they stick to what they do best: sell petrol?

More crime, disorder and anti-social behaviour will occur if this licence is granted, and who is going to police it?

Yours truly,

PL0001 Abbey Service Station

To whom it may concern

I hereby object to the application for a 24 hour liquor license at the Abbey Service Station, Avenue Road on the grounds of the 4 licensing objectives:

The Prevention of Crime & Disorder

The availability of alcohol at unsocialable hours may create disorder therefore, I am against a 24 liquor license especially in a neighbourhood where there are many businesses and residents that rely on a secure and peaceful environment

The Prevention of Public Nuisance

with a 24 hr license the service station would be among a very small number of establishments that trade in alcohol through the night, so the service station must be anticipating good trade which means there may be a heavier flow of traffic to and from the service station at unsociable hours. I don't want all the comings and goings of people on foot and in cars in the early hours of the morning and, when they are in the area, they may become enebriated and cause a public nuisance being noisy and anti-social.

Public Safety

The general widespead availability of alcohol, especially excessive alcohol consumption which is fair to say as a 24 hour liquor licensing premise it will attract, may be a threat to the safety of local residents and also people driving.

The Protection of Children from harm

Needless to say, where there is alcohol, there is more possibility of hazards such as drunk drivers and domestic violence.

Your Sincerely

Dear Sir/Madam,

RE : ABBEY SERVICE STATION, Avenue Road, Torquay – Change of Liquor Licence

We wish to strongly object again to the change of licensing hours and 24 hour opening of the above garage. We have spoken to our councillors, both Nicole Amil, Mark Pountney, who are both in agreement that this should not be allowed, as would set a precedent to others. We have also been in contact with [REDACTED] – Community Partnership, who also are against this application.

As per Mrs Karen Ellicotts, Licensing Enforcements Officer, letter of 22 August 2014, regarding the application last year, she states that :-

“In accordance with section 4.4 of the Councils Licensing Statement of Principles 2011, Members resolved that it was appropriate on the evidence before them in respect of anti-social behaviour, noise, nuisance and concerns of street drinking, to limit the hours for sale of alcohol of consumption off the premises, as the premise is situated in close proximity to residential premises and a number of commercial premises which provide seasonal accommodation.”

“In light of the evidence before them, Members resolved that to increase the sale of alcohol for consumption off the premises by a further 9 hours plus would add to anti-social behaviour and noise nuisance currently being experienced and would undermine the Licensing Objectives in respect of The Prevention of Public Nuisance and The Prevention of crime and Disorder.”

This application has already been refused last year, and we would hope as residents and businesses alike that the same will happen for this application. The applicant would state that as there has been no disturbances etc. reported it should be allowed, we as objectors would state that we do not want to be living in an area in a position that traffic, alcohol and crime and disorder could escalate. We have witnessed people consuming alcohol purchased in the garage late at night, sitting on ours and others walls, talking loudly, disturbing residents, and then leaving their litter for others to clear

up. Although nothing reported to Police, it does cause concern that if the licence is extended there will be more unwanted behaviour around the garage area.

As far as we know there is no comparable in Torbay, there are no other petrol stations that have this, even Tesco/Esso on Teignmouth Road only opens from 6 a.m. till midnight. There is no need for this, and if passed will set a precedent to others.

This would be detrimental to the area, to all of the Guest houses and residents. Firstly unlike Teignmouth Road our buildings geographically are closer and secondly being the only 24 hour station/shop in the whole area, it will attract people from far afield to buy from the shop including alcohol. This will lead to, as they are planning for their business, a massive increase in the volume of vehicles (and the noise associated with that) and people (conversation of which between midnight and 5 am will likely be inappropriate to locals and holiday makers). People already hang around shouting opposite all of us and the selling of alcohol will add to this terribly. Sound travels very easily in a built up area and will magnify on our buildings and businesses so close by.

As a Guest House and resident we believe that by allowing this change it will encourage persons to the area, and with the possibility of a higher crime and disorder, noise disturbance and public nuisance associated with alcohol. There is also the issue of public safety of surrounding properties and owners, we want to feel safe in our homes and in the street and for our guests too in our case.

We urge the Licensing Committee to again refuse this application to protect the strong community in the surrounding area.

Yours faithfully

Subject: RE: Abbey Service Station licence variation

The Community Partnership of Chelston Cockington and Livermead would like to make representations against the licence variation for Abbey Service Station Avenue Road.

The License variation had been determined last year and it is an insult to our community and the neighbours to the filling station that the owners are challenging the clear decision of the Licensing Committee.

The sale of alcohol 24 hours a day every day has a strong risk of leading to a degradation of the night time environment for the community surrounding the filling station, noise will increase and there is a real risk of increased antisocial behaviour that would lead to public nuisance. The police resources are already stretched without adding to the burden of policing in this area. There are a large number of visitor accommodation providers in the area and undue noise throughout the night would have a serious negative impact on the businesses.

There were some erroneous observations made by consultees regarding other Licences in the area. I would like to point out that those other licences in the immediate area are for hotels and do not make a contribution to antisocial behaviour.

The community partnership believes the application should be refused.

We would also like to once again suggest that future licensing applications that could affect a ward where these are located at the peripheries of ward boundaries are formally notified to Community Partnerships to allow proper community consultation. In this case we were made aware by another Community Partnership area.

Dear Ms Guy,

Application for 24 hour licence for
Abbey Service Station, Avenue Rd, Torquay

I am writing to object
to the above application.

I live in one of twenty
four flats one property away from
the service station and am very
concerned about the impact on all
the residents should this application
be granted.

Avenue Road is a
residential and tourism area. I do

not feel it is a place which needs 24 hour alcohol sales or is a suitable environment for this licence.

The residents of Elizabeth Court already suffer noise from people using our private property as a short cut. Bottles and cans (Guinness, Thatchers Cider and Coca Cola are recent examples) are thrown onto our lawns and paths on a daily basis.

I am genuinely concerned that extending the licensing hours will increase these existing problems and make life much less pleasant for myself and my 99 year old mother, who shares the flat with me.

Thank you for reading my comments.

Yours truly

Dear Sirs,

I am writing to register my objection to the application for a 24 hour liquor license by The Abbey Service Station, Avenue Road Torquay. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behavior.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. Having the added attraction of being able to purchase alcohol 24 hours a day will just further increase the opportunity to increase crime, disorder and antisocial behaviour. I personally have had persons knock on my front window late at night and had rubbish throw onto the front of my property.

At the moment the cold weather reduces the risk of anti social behaviour, however rather than looking forward to the better weather it brings with it the fact that anti social behaviour and noise nuisance will increase, and the addition of alcohol will just increase the risk.

In view of the above, I would strongly urge the Licensing Authority to refuse the application.

Yours sincerely

Dear Mandy Guy

re APPLICATION BY RONTAC FOR 24 HOUR LIQUOR LICENSE

I am writing to express deep concern about the above application. We at Elizabeth Court experience a lot of disturbance from patrons of the ESSO garages:-

- a) Noise when people go round the back of our buildings, discard cans, bottles etc + sit on the walls, smoking + talking loudly, (cigs + bottles of cider, Stella Artois, Guinness + crisp packets + cigarette butts.
- b) People use the front gate to walk across the front garden as a short cut to Mill Lane and they discard waste rubbish,

This is an ongoing nuisance to us all and would like to appeal against the application very strongly. We try to keep our premises present, clean + tidy, but everyday there is rubbish as cited above.

Please, please don't let this application go through.

Thank you.

Yours sincerely
