Dear Sir/Madam

**Re: The Green Room, Rear of 23 Victoria Parade, Torquay**

I refer to the above premises and an application for the Review of the Premises Licence made by Mr Kevin Henton.

The police wish to make the following representation:

During the early hours of Sunday 6 March 2011, Neil Stanlake, one of my Police Licensing Officers, carried out a routine check of these premises and found that the two SIA door stewards on duty at the front entrance, were not wearing high visibility reflective jackets as per the condition on the Premises Licence (Condition 5, under Annex 2 The Prevention of Crime and Disorder refers).

Both door stewards were dressed in dark clothing and were wearing dark, woolly hats and therefore were not conspicuous and clearly visible. Both doormen were spoken to, as was the duty manager. The DPS, Mr Tim Milnes, was not present on the premises due to illness. He was subsequently spoken to by Neil a few days later and apologised for this breach of condition, and stated he would ensure in future that the condition would be complied with.

The premises have since been monitored and on each occasion the door stewards have been wearing their high visibility reflective jackets.

The police do not wish to make any further representations.

Should you wish to seek clarification regarding the above, please do not hesitate to contact Neil Stanlake of my Licensing Department who intends to be present at the Review Hearing.

Yours faithfully

Superintendent J Nye  
Geographic Superintendent – Torbay
