Dear Mandy Guy

Thanks for writing to me about White Rock Convenience Store 91, Goodwington Rd. who are applying for Premises Licence

Application Reference: SRU/188174

Unfortunately your hearing on 16th May at Meadfoot Room

Town Hall Torquay, 

and I are on Holiday.

I have concerns

about the hours, as in the past and now we have people in the car park at

night drinking unfortunately.
our bungalow face's this
car park the only one
that does. In our area
there are a lot of bungalow
and elderly people hoping
you will think of this?

I'm sending you a
photograph of the car park
from my living room
window, as you can see
how close it is to the
bungalow, we have problem's
with people leaving there
car's there 1-2 days at a
time also weekend's I have
spoken to our MPD^r Sarah
Wollaston about this problem,
also the community Police.

1/20/20

- Hoping you understand
our concern's about the
Licence been given to
these Premises

Yours
