## 1. Purpose of Report

---

- 1.1 The preparation of the Annual Governance Statement provides the opportunity for the organisation to review its processes, controls and objectives and to provide assurance to Members, Senior Officers and stakeholders as to the reliability of its Statement of Accounts and the probity of its operations.
- 1.2 The Annual Governance Statement fulfils the statutory requirement in England for a local authority to conduct a review at least once in each financial year of the effectiveness of its system of internal control and to include a statement reporting on the review with its Statement of Accounts.

## 2. Reason for Proposal and its benefits

---

- 2.1. The proposals in this report help us to deliver our vision of a healthy, happy, and prosperous Torbay by setting out publicly the extent to which the Council complies with its own code of corporate governance (part of the codes and protocols of the Constitution), including how it monitored and evaluated the effectiveness of its governance arrangements in the year.
- 2.2 The reason for the decision is to meet the requirements of the Accounts and Audit (England) Regulations.
