

**Agenda Item 13, Torbay Waste Transfer Station and Household
Waste Recycling Centre - Paignton**

Liberal Democrat Group Amendment

Council Meeting

11 December 2025

(Amendments shown in bold text)

Proposed Amendment:

1. That Cabinet recommends the Council:

that Council delegate to the Chief Finance Officer the approval of the expenditure of monies (including by prudential borrowing if necessary) required to cover the acquisition of the land to enable the development of Waste Facilities for Torbay Council and associated statutory and non-statutory waste and recycling operations Street identified red on the plan attached at Appendix 1 to the submitted report, and any land, interests or rights as may be required for the scheme, either by agreement or by CPO, on the basis that there continues to be a clear business case for the development of waste facilities, which demonstrates how the monies are to be used, and how any prudential borrowing (if necessary) is to be repaid.

2. **That Council recommends to Cabinet that the Director of Pride in Place be requested to enter into negotiations with Devon County Council to enable Torbay Council residents to access the Brunel Road Recycling Centre, Brunel Road, Newton Abbot, to encourage greater recycling and responsible waste disposal, and reduce fly tipping in Torbay and the surrounding area.**
