2. Income Generation	£191,000		Utilise within 14/15 savings above for 15/16 to recruit a fixed term Business Development Manager	Through 14/15	Minor Impact The business areas within Commercial Services are at de minimus levels, and any further reduction will limit the ability of the teams to deliver the most basic of services for the Council, with absolutely no resilience for absences. It is therefore proposed that 2014/15 in year savings are used to fund a fixed term Business Development Manager position, with the aim of transforming the service delivery in respect of selling of our services to third parties. Should income generation to this level not be seen to be achievable by December 2014, then an internal re-structure will need to be undertaken to reduce the budget.	253
