Housing Options

What is provided?	Why is it provided?	What drives demands?	Budget Reference
The Housing Options Service provides a range of services to prevent homelessness and support individuals and families in crisis, through the provision of emergency and temporary accommodation. Based at Tor Hill House, Housing Options is the main referral route into any temporary accommodation contracted by the Authority. There is a statutory duty to produce a Homelessness Strategy and maintain a housing register. This requires the provision of a Housing Options service for prevention advice and homeless applications. In addition the Council has to provide emergency and temporary accommodation and access to support and supported accommodation to the meet different needs.	The Housing Options Team has a range of statutory duties to deliver emergency and temporary accommodation and prevent homelessness and manage the housing waiting list. The way in which it delivers services is governed by a large number of statutes.	The service is accessed by all client groups, families, young people, single people, and older people's including vulnerable groups with complex needs. Internal: Referrals are received from a range of Torbay Council business areas, e.g., Children and Adults social care, Housing Benefit, Housing Standards, Connections Offices. External: Social and private landlords, partner agencies, e.g. Probation, YOT, Care Trust, Health, Checkpoint.	Housing Options 308 311 314 312 309 313

Community Development

What is provided?	Why is it provided?	What drives demands?	Budget Reference
The Council works in partnership with the community to develop their capacity to influence services delivered and to increase their ability to commission services and improvements themselves. This is largely provided through an arrangement with the Torbay Community Development Trust.	The council is committed to building capacity within our community and voluntary sector to ensure that wherever possible we maximise the skills and expertise of our communities.	Demand is driven by the parameters of the agreement in place with the Community Development Trust and the agreed business plan for the next three years.	301

This includes corporate health and safety, emergency planning and business continuity.	Health & Safety & Emergency Planning Team This team fulfils the organisation's statutory requirements in relation to emergency planning in relation to the council's duty as a category one responder under the Civil Contingencies Act and corporate health and safety to ensure that our minimum statutory obligations are fulfilled (Health and Safety at Work Act 1974). In House Corporate Health and Safety Support There are currently two members of staff who are employed specifically to protect the interests in Torbay Council and schools with regard to health and safety. They provide policy development and support, accident investigation, training to all council staff and schools. They are the competent persons required for an organisation of Torbay Councils size to fulfil its duties under the Health and Safety at Work Act. Emergency Planning There are two members of staff who undertake a range of preparedness and response duties in relation to emergency planning and business continuity. These functions enable the council to appropriately respond to civil emergencies and minimise the impact of these demand pressures on other areas of the councils business.	 Demand drivers include: Number of accidents reported Number of large public events in Torbay Office rationalisation Health and Safety training course required for staff including schools Number of civil emergencies e.g. fires, flooding, landslips etc Regional collaboration commitment through the Local Resilience Forum Wide scale health protection incidents Changes to the structure of the organisation in terms of amendments to business continuity and roles and responsibilities. 	310
