Shaun

I refer to the application to vary the premises licence for the above store.

Following discussion with the police I am authorised to amend the application to include the following additional conditions:

- The sale and supply of alcohol between 2400 and 0600 daily shall be restricted to service by staff through the serving hatch at the front of the premises.
- No persons other than management, their staff site service providers and members of emergency services shall be allowed access to the premises other than the forecourt between 2400 and 0600 daily.

Please let me know if any representations are received. I understand that there is a hearing scheduled for 23 April.

Thanks

Robert
