Dear Sir/Madam

Subway, 49 Fleet Street, Torquay, Devon, TQ2 5DW

I refer to the above premise and an application for the Grant of a Premises Licence, submitted by the applicant, Mr Christopher White.

This premise is situated within the Torbay Council Cumulative Impact Area, which has been identified as an area subject to high levels of alcohol related crime, disorder, anti-social behaviour and public nuisance.

I would take this opportunity to remind you that your Special Saturation Policy states that where relevant representations have been made, an application for a new Premises Licence, or the variation of an existing Premises Licence, would normally be refused, where it is anticipated that the application will add to the problems of crime and disorder or/and public nuisance in the area, unless the Applicant can demonstrate within their Operating Schedule, that there will be no negative cumulative impact on one or more of the Licensing Objectives.

I would also remind you that your Licensing Statement of Principles 2011 strongly recommends that applicants consult with Responsible Authorities to consider the matters set out in your policy and incorporate them in the Operating Schedule to reduce the risk of representations. Unfortunately the police were not consulted with prior to the submission of this application. Despite this we are not objecting to the granting of the licence but would draw your attention to certain parts of the application that are lacking in detail:

The Government Standard

a result of meetings with the premises licence holders of these premises they all now employ door supervisors on Friday and Saturday nights in order to ensure their premises meet the licensing objectives. However it should be noted that the premises licenses for these premises do not contain any conditions in relation to door supervisors.

The police consider that including the above conditions on the premises licence will assist the premise licence holder in ensuring that the licensing objectives The Prevention of Crime and Disorder and the Prevention of Public Nuisance are met.

Should you require any further information, please do not hesitate to contact my Licensing Officer, Julie Smart, on 01803 218900.

Yours faithfully
