

## **Council Meeting, 10 December 2015**

### **Notice of Motion – Council Functions Decision-making Structure**

The Council, at its meeting on 22 October 2015, resolved to hold a referendum to consider changing its current governance structure.

Following this decision, there has been concern and confusion that some of the current Committees appointed by the Council will be disbanded. It is for the Council to determine how it discharges those functions (e.g. Planning, Licensing, Harbours, Audit) which are reserved to the Council under both the Mayoral and Leader models of governance.

Therefore, this Council resolves:

that the committees as set out in Schedule 4 – Terms of Reference, of the Council's Constitution remain in place until May 2019.
