

Dear Sirs,

As a resident of Bolton Street, number X, directly opposite the pub, myself and family fully support Steve and his team to operate with a later license. Since Steve has been in charge the trouble has reduced a lot. Although most of the trouble/noise came from another business with a late license. I trust in the work Steve carries out and with extra door staff I would expect them and they're guests/clients to respect the early hours.

If you have any questions please feel free to contact me on 01803 XXXXXX.

Kind regards

DXXXX JXXXX

Bolton Street resident.
