Re: 1L POMODORO, UNIT 5,
Victoria Square, Paignton TQ4 6PE
Request for music and alcohol
licence. Hours of proposed
opening 10.00 am - 11pm ~~on~~ Seven
days a week.

I reside in the above flat,
which is adjacent to the block of
empty shop premises where it is
proposed that 1L POMODORO could
be opened and licensed.

There are many shops with
the attached flats in this area.
The flat I reside in overlooks
the empty shops in Victoria

Square, also Victoria Square and the rear of Torbay Road. My lounge window and entrance door to the the four flats in the building overlook directly onto these areas.

My concerns are that Victoria Square consists of shops which are not open in the evening until late and the proposed times of opening for Il Pomodoro changes this. Also Il Pomodoro proposes to open all day on a Sunday the same times as in the week. I feel that the extra hours of opening in this area and the music and selling of alcohol will be detrimental to me especially as I hear all the noise from outside which could

increase if the proposed premises opens. There may also be a possibility of anti-social behaviour in Victoria Square, especially late evenings and weekends. There is already disturbances from people walking through from the promenade and High St, who seem to be inebriated and shouting obscenely. Victoria Square is a place where young people gather after shopping hours.

Could you please take all this information into consideration when making your decision.
