- 2.2 The Council will establish the Licensing Committee for this municipal year and is also to requested to establish the Licensing Sub-Committee in order to make effective and efficient use of resources in light of the upcoming General Election and to ensure that the Council can continue to discharge its Licensing function.

Supporting Information

4. Position

4.1 The political composition of the Council is 25 members of the Conservative Group (including the elected Mayor), 8 members of the Liberal Democrat Group, 3 members of the Independent Group and 1 UK Independence Party (UKIP). The political balance is now:

Conservative Group	25 seats	= 67.57%
Liberal Democrat Group	8 seats	= 21.62%
Independent Group	3 seats	= 8.11%
UK Independence Party (UKIP)	1 seat	= 2.70%

4.2 The Local Government and Housing Act 1989 requires the Council to allocate seats on committees to political groups in accordance with the size of each group as a whole, unless alternative arrangements are notified to all members and agreed without any councillor voting against them. The Council is required to observe the following principles as far as it is reasonably practicable:

- (a) that not all seats on the body are allocated to the same group;
- (b) that the majority of seats on the body are allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
- (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all the seats on the

ordinary committees of that authority as is borne by the number of Members of that group to the membership of the authority; and

- (d) subject to paragraphs (a) to (c) above, that the number of seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of Members of that group to the membership of the authority.

4.3 The Executive and Licensing Sub-Committees are excluded from the requirements of political balance.

4.4 The Council is required to determine the number of seats on each committee and the allocation of those seats to the political groups and the independent members. Applying the principles of the Local Government and Housing Act 1989 and the supporting Regulations, the distribution of seats (attached in the table set out in Appendix 1) would be proportional (co-opted members are not included in the calculation for proportionality purposes).

4.5 Members are asked to note that any decision to waive the requirements of political balance will require a resolution of the Council with no member voting against.

4.6 In order to ensure the Council uses its resources in an effective and efficient manner, it is proposed that Council appoints the Licensing Sub-Committee avoiding the necessity for a full Licensing Committee that would be convened solely to make this decision.

5. Possibilities and Options

5.1 The allocation of seats on committees must be proportional to the political composition of the Council unless the Council resolves otherwise with no member voting against.

6. Fair Decision Making

6.1 The appointments have regard to equal opportunities.

7. Risks

7.1 There is a statutory requirement to undertake a review of political balance following a change in the political composition of the Council. This review has been completed. Therefore there are no risks unless members fail to determine the matter.
