

Notice of Motion – Council 13 September 2017 (Mayoral Decision)
A Fair Deal for Public Sector Workers

This Council believes that the continuation of the public sector pay cap is having an unreasonable effect on the living standards of many public sector staff, and is also affecting recruitment and retention across the sector.

This Council therefore asks the Chief Executive to write to the Chancellor of the Exchequer and the Secretary of State for Communities and Local Government to request that the cap is lifted to allow the implementation of the recommendations of Pay Review Bodies and negotiations with employers, and subsequent pay increases fully funded via central government settlement.
