Conservative Group Motion

Council Meeting

14 May 2018

Proposed Motion:

- 3.1 That the Council supports the procurement of a development partner to identify a preferred and viable solution for the redevelopment of South Quay, Paignton Harbour.
- 3.2 That a further report is presented to the Harbour Committee and Council, within 6 months from the date of appointment of a development partner, when a preferred development solution has been identified, such that the Council can assess the outcomes of such a solution and make a decision at that time about whether to proceed with the redevelopment and, if so, on exactly what terms.
