Decision Statement Table: Paignton Neighbourhood Plan

Assessment of Examiner's Report

Background

This Appendix provides a more detailed officer assessment of the Examiner's Modifications and the LPA's Decision Statement.

Mrs Deborah McCann was appointed through the National Planning Independent Examiner Referral Service (NPIERS) as the Independent Examiner in March 2018. This appointment was consented to by the Neighbourhood Forum. Mrs McCann, an experienced examiner, is independent of the Council and Neighbourhood Forum, possesses appropriate qualifications and has no interest in any land within the Torquay area. Whilst she had previously been employed by Torbay Council in the 1990s, this was considered by the Monitoring Officer not to represent a conflict of interest because of the significant passage of time.

All written representations were provided to the Examiner along with the submitted plan and associated documents. As part of the examination, Mrs McCann held an exploratory meeting public hearing at Paignton Library on 10 May 2018. The final report was received by the Council on 18th July 2018. The report was published on the Council's website on 19th July 2018.

The conclusion of the report was that the Plan should proceed to referendum, with modifications recommended by the Examiner.

Examiner Recommendations.

The Examiner recommend a number of modifications needed to meet the Basic Conditions. Their general thrust of the modifications is to make the Plan more supportive of development in order to meet the Torbay Local Plan's strategic requirements. The LPA has agreed with the bulk of these modifications. However, it is considered that in some instances the basic conditions can be effectively met with different wording, which bring the Plan into overall closer alignment to the Local Plan and NPPF. This wording has been developed in close discussion with the Neighbourhood Forum. The modified policy wording is available in Table A2(1) and (2) below.

Table A2(1) Assessment of Examiner's Report and LPA Response.

General and procedural matters				
Section 2 P3	<p>Summary Recommendations</p> <ol style="list-style-type: none"> 1. The Paignton Neighbourhood Plan and the policies within it, subject to the recommended modifications does meet the Basic Conditions. 2. Satisfied that the Referendum Area should be the same as the Plan Area, 3. Having read the Paignton Consultation Statement and the representations made in connection with this subject the examiner considers that the consultation process was robust and that the Neighbourhood Development Plan and its policies reflect the outcome of the consultation process including recording representations and tracking the changes made as a result of those representations. 4. Find that the Paignton Neighbourhood Plan can, subject to the recommended modifications proceed to Referendum. 	Reasons set out in main report, plus see below.	<p>Accept recommendations with the exceptions of further modifications noted below.</p> <p>The LPA concur that the Plan proposal has been prepared in accordance with the legal requirements.</p> <p>No significant cross boundary issues have arisen in relation to the Paignton Neighbourhood Plan which would suggest that the referendum area should be extended.</p>	The Paignton Neighbourhood Plan as modified by the examiner, with the LPA's further modifications, may proceed to referendum.

Section 4.2 P8	I am satisfied that the Paignton Neighbourhood Forum meets the necessary requirements and is the Qualifying Body.	P8	The LPA is satisfied that Paignton Neighbourhood Forum is the appropriate qualifying body, as its forum status was approved by Council in December 2012 and 2017.	
Section 4.3	Confirms the neighbourhood Plan area		Noted – see above.	
Section 4.4	Confirms the Plan period 2012-30		Agree This corresponds to the Torbay Local Plan 2012-30 period	
Section 6.3 PP13-15	Conclusions from Exploratory meeting. There is no mechanism in the law, or NPPF, for a Local Plan to require a Neighbourhood Plan to allocate sites. My conclusion on this point is that the Paignton Neighbourhood Plan is not in conflict with this element of Torbay Local Plan strategic policy SS1.	Rationale set out in section 6.3 of Inspectors report. PP13-15	As noted in the main report, the LPA accepts the LPA and a number of developers made representations on this issue. The Examiner's recommendation on this matter is accepted for the reasons set out in the main Council report.

Section 6.3.9-10 PP13-15	There are a number of policies within the Paignton Neighbourhood Plan that, as currently worded would have a negative impact on the plan's ability to support the strategic development needs set out in the Torbay Local Plan. With modifications (set out in section 4 of the report) the Plan would be in general conformity with the strategic policies of Torbay Local Plan 2012-2030 and have regard to National Policy and thus meet the Basic Conditions in this context.	Rationale set out in section 6.3 of Inspectors report. Pp13-15 and section 4	The LPA noted that the examiner's Modifications have brought the Plan into general conformity with the basic conditions. There are some instances where the LPA, in discussion with the Forum, considers that alternative wording of policies can achieve the same outcome.	The Paignton Neighbourhood Plan as modified by the examiner, with the LPA's further modifications, may proceed to referendum.
Section 7 P15	Consultation Process: Satisfied that the consultation process leading to Submission meets the requirements off the Neighbourhood Planning (General) Regulations 2012.	See explanation on p15.	The LPA agrees with the Examiner's conclusion.	
Section 8 P15	Post Submission consultation (Regulation 16) Examiner notes that she considered the representations resulting from the Regulation 16 Consultation which ran from 1 November 2017 to 18 December 2017 as well as late representation.	P15 11.6.6	Noted.

Section 11 P19	<p>11.1 European Convention on Human Rights (ECHR) and other European Union Obligations</p> <p>Examiner satisfied that ECHR and other EU obligations have been met.</p> <p>A voluntary Sustainability Appraisal (SA) incorporating a Strategic Environmental Assessment (SEA) that demonstrates how the Neighbourhood Plan would contribute to the achievement of sustainable development has been submitted with the Plan</p> <p>The appraisal did not find any likely significant effects arising from the Neighbourhood Plan policy proposals that would need mitigation.</p>		The LPA agree that a Sustainability Appraisal, incorporating an SEA has been carried out and consulted on with the statutory bodies as required.

Section 11.2-11.6 Pp19-21	<p>Habitats Regulations Screening The examiner is satisfied that the HRA "Screening stage" does substantively meet the requirements.</p> <p>11.4.4 The Neighbourhood Plan does not add to or substitute any of the identified development sites that the Local Plan HRA has already considered and the policy proposals of the Neighbourhood Plan add further protection to the natural environment and biodiversity of the Plan area. Appraisal of the Neighbourhood Plan has therefore drawn first upon the conclusions of the Local Plan HRA in this Screening assessment.</p> <p>11.6.1 Having regard to the Local Plan HRA outcome, screening of the Neighbourhood Plan has taken into account the assessment of development sites identified in the Local Plan alongside the policy proposals of the Neighbourhood Plan to ensure a comprehensive screening of individual proposals and "in- combination" effect is achieved.</p> <p>The Examiner's report has considered the effect of the Judgment of the European Court of Justice, case C-323/17 ("People over</p>		<p>The Council has drafted an HRA Appropriate Assessment of the Post Examination Version of the Neighbourhood Plan (September 2018) No sites are allocated for development by the Plan and the Paignton Neighbourhood Plan policies will not affect the integrity of any of the European sites identified and the conservation objectives of these sites would be sustained. Natural England has been consulted and have not objected to the Council proceeding on this basis as the competent authority.</p> <p>In response to the AA's recommendations, Policy PNP1 (Area wide) at element f) has been introduced and paragraph 8.16 and 8.17 have been added to the Plan to confirm the position and the words agreed with the Forum.</p>	<p>The Plan may proceed to Referendum.</p> <p>An additional criteria has been added to Policy PNP1 in response to the HRA Appropriate Assessment.</p>

	<p>Authority.</p> <ul style="list-style-type: none"> • Some policies have sought to introduce controls outside the scope of the planning system or where existing policy already sets out the scope of control. • As the National Planning Policy Framework is in the process of revision I have removed reference to paragraph numbers, as these are likely to change when the new Framework is published. • A number of policies refer to the requirement to provide financial contributions. Neighbourhood Plans can include a list of priorities for spending Neighbourhood Plan apportioned CIL payments (though not within the policy section) however the imposition of financial obligations is subject to administration by the Local Planning authority and set out in other policy which cannot be revised by the Neighbourhood Plan.

PNP1 Area Wide (p26-8)	Modify policy PNP1 and revised policy subsections within umbrella of PNP1.	Changes made to make the policy clear and unambiguous (p28 of report)	<p>The Policy's objective has been retained but the policy has been reduced in length or refer to types of development proposals that will, and will not, be supported</p> <p>Officers agree that the Modified PNP1 meets the basic conditions. For clarity it is recommended that a further heading entitled "Achieving "Sustainable Development" is inserted directly above the final five criteria following: "Sustainable development will be achieved by ensuring..."</p> <p>The LPA has added an additional criteria to the Policy in response to the Habitats Regulations Appropriate Assessment.</p>	Policy Modified as per Examiner's wording (PP28-9), with minor additional LPA modification to add heading to aid clarity and in response to the HRA Appropriate Assessment (See above).

Policy PNP1(a) Rural Character Area pp29-31 and 36	Former Annex 1 policy becomes PNP1(a) Rural Character Area Policy Modified	As per general comments above.	Policy re-worded to make less restrictive, but the thrust of the policy criteria are retained. Annex 1 as submitted also contains elements relating to Local Food (with some text being recommended for deletion as a policy and moved to form a "community aspiration"). The LPA considers that the modified wording meets the basic conditions.	Policy PNP1(a) retained as per Examiner's recommendation.
PNP1 (b) pp31-34	Local Green Spaces. The Policy wording is recommended for revision to protect Local Green Spaces from harm other than in "very special circumstances". Fifty one LGS's confirmed as meeting the required criteria: Eight LGS's are recommended for deletion, these being: PLGS 30. Primley Woods PLGS 32. Clennon Valley PLGS 54. Great Parks PLGS 57. It is noted that the LGS does not cover the buildings at Parkfield, but the open space to the south and west of the main building. The Examiner has assessed the area against the NPPF tests (76 -77) and finds it in accordance with the Basic Conditions. PLGS20: Oldway Mansion Gardens. The LPA and TDA objected to this designation. 			The LPA however agrees with the Forum that some elements of the wording recommended for deletion (protection of hedgerows and dual purpose edible hedgerows) are land use considerations and can be referred to in Policy PNP1(c) below in accordance with the intent of the policy as submitted. The examiner's modifications elsewhere are considered by the LPA to be sufficient to ensure that these criteria are afforded proportionate weight in the Policy and likely decisions based on it. The modified policy wording and addition of 'aspiration' text to supporting text at paragraph 6.43 have been agreed with the Forum that meet the requirements of the Basic Conditions.

In the LPAs view they are useful criteria which are in accordance with Local Plan Policy DE1.4 and NPPF 69.
