RE: EBDON WAY BEING CHANGED TO A ONE WAY ROAD.

DEAR SIR,

I HEREBY RAISE SOME OBJECTIONS TO EBDON WAY BEING CONSIDERED TO BE CHANGED INTO A ONE WAY SYSTEM.

THE PEOPLE WHO LIVE AT THE BEGINNING OR END, DEPENDING FROM WHICH WAY YOU WOULD APPROACH EBDON WAY, WOULD THEN HAVE TO DRIVE COMPLETELY AROUND THE COMPLEX TO GET TO THEIR HOMES, PARKING SPACES OR GARAGES. IN A TIME WHEN PETROL PRICES ARE SKY HIGH, DO WE NEED TO USE MORE FUEL AND POLLUTE THE AIR MORE? THE WAY THE PARKING IS DESIGNED AND ALLOCATED IS ALSO NOT CONDUSIVE TO A ONE WAY SYSTEM DUE TO POOR DESIGN AND PLANNING.

THE LAST OBJECTION IS THE FACT BY CHANGING TO A ONE WAY SYSTEM, THAT MOST OF US WOULD THEN HAVE TO HAVE INCREASED NOISE POLLUTION FROM CARS. DO I REALLY WANT EVERY CAR IN THE COMPLEX DRIVING PAST MY HOME? NO, I DO NOT. THE ROAD BELOW EBDON WAY HAS A TWO WAY SYSTEM WITHOUT PROBLEMS, IF YOU REALLY WANTED TO SOLVE THE PROBLEM OR CHANGE A SYSTEM, THEN OPEN UP OAK HILL ROAD TO THE BENEFIT OF ALL RESIDENTS, SO THAT WE WOULD NOT HAVE TO DRIVE AROUND MORE OF TORQUAY DUE TO ONE WAY SYSTEMS.

YOUR SINCERELY

KARL REICHEL
