## Annual Strategic Agreement 2019/20 - Review List

## **Version 3.1.4**

Section no	Item	Page	2018/19 Update / briefing note
0	Introduction	5	In 2018 the ASA was approved as a two year document running through to March 2020. The fabric of integrated care systems across England continues to develop and at a local level there is significant work towards further and broader integration working arrangements through the Sustainability and Transformation Partnership (STP). New forms and new arrangements are likely to reveal themselves during 2019/20 and the future (Annual) Strategic Agreement will both influence and be influenced by those.

Contract management of Devon Partnership Trust will be undertaken by Torbay Council, Strategic Commissioning Support for this arrangement will be provided by Torbay Council's Joint Commissioning Team.

Professional Practice oversight of AMHP needs to be defined and agreed. This arrangement will be governed by this ASA and a contract between DPT and the Trust. Professional practice oversight will be delivered as outlined in the Torbay Adult Mental Health MOU 2018/19.

The priorities for the commissioned service in 2017 to 2018 extend into 2018 / 19 and are outlined in the Adult Mental Health, Priorities to be included in the MOU 2019/20 suggest these include:

Reduction in use of residential care Embed supported living shared hours and 1:1 contract Improve ASCOF indicators "adult in contact with secondary mental health in settled accommodation and paid employment".

DPT social work model implementation Sufficiency of staffing, AMHP's and social care to meet the demand of adult mental health social care in the BayJoint Delivery Plan between the Council, TSDFT and DPT. Close working with other commissioners such as the CCG will see this developed and monitored through Social Care Programme Board Quarterly performance and finance reports will be submitted to the ASCPB. A governance structure is in place with the Council, the Trust and DPT. Greater alignment of this work will be required during the 2018/19 financial year through the development of the Mental Health ACS. It is envisaged greater alignment of governance and strategic approach will be agreed through this structure. It is expected that during this period employment of the Approved Mental Health Practitioners will transfer from the Council to DPT. It has been agreed in the 2018/19 MOU that as positions become vacant from assigned staff employed by Torbay Council, those vacant posts will transfer to TSDFT to be recruited. The aim is to have one employing organisation (TSDFT) who will then assign staff to DPT.

• Trust finance team support Trust finance team to work in partnership with DPT to set budgets for adult mental health under 65 contract. For improvement plan and development and implementation of cost improvement projects. Torbay Council Commissioners to agree
