Port Masterplan (Addendum)

Decision Taker

Cabinet on 15 October 2019

Decision

That the Cabinet recommend to Council:

That the Port Masterplan (Addendum) set out at Appendix 1 to the submitted report be approved.

Reason for the Decision

The Port Masterplan was designed as a 'living' document which was to be the subject of periodic update to remain aligned with the evolving needs and wishes of the Harbour Users, reinforce and build on achieved successes and to identify and react to new challenges and opportunities.

Implementation

The Cabinet recommendations will be considered at the Council meeting on 24 October 2019.

Information

Tor Bay Harbour published its Port Masterplan in 2013 which for the first time set out a practical and long-term strategy for the future of Tor Bay Harbour for 20-25 years.

Given that over 5 years had passed, and following a number of public consultation events that took place throughout 2018. It was decided that the overall Port Masterplan had stood the test of time and required only an addendum to provide, in greater detail, the plans and intentions for the next 5 years between 2019-2024.

Alternative Options considered and rejected at the time of the decision

An alternative option would be to continue with the original Port Masterplan and accept that it would become more out dated with time.
