Dear Sir/Madam

Ritchie Indian Restaurant and Takeaway, 4 Braddons Hill Road West, Torquay

I refer to an application for the Grant of a Premises Licence in respect of the above named premises submitted by ~~Robert Andrew Subramanian and Christopher David Devedon~~.

This premises is situated within the Torbay Council Cumulative Impact Area.

Prior to the submission of this application, in August 2019, I received an email from ~~Robert Andrew Subramanian~~ on behalf of the applicants and as a result of that I responded with a list of 7 proposed conditions that I requested be included within the applicant's application. The applicants have now submitted their application, but have not included my proposed conditions within this.

The application indicates that the premises will be run as an Indian restaurant and takeaway but this is not reflected within the application, which does not mention the availability of food or indicate that persons attending the premises will be seated. The application does contain reference to the adoption of an age verification policy however the applicants proposal is not clear as it states Challenge 21/25. Furthermore, the application makes no reference to staff training which is imperative to ensure that staff are aware of their responsibilities in relation to the sale of alcohol.

The police consider that to ensure that this premises does not have an adverse impact on any of the Licensing Objectives, particularly as they are situated within your Cumulative Impact Area, the below conditions should be added to the licence:

1. Alcohol will only be consumed by persons seated at tables.

2. Substantial food in the form of table meals will be available throughout the times the premises are open to the public.
3. Drunkenness and disorderly behaviour will not be tolerated.
4. All staff shall receive training in relation to their responsibilities under the Licensing Act 2003, at the commencement of employment, with refresher training being provided thereafter on a 6 monthly basis. Records of all training will be maintained, shall be kept on the premises for a period of 12 months and be available for inspection by any representative of a responsible authority on demand.
5. The premises shall operate a Challenge 25 Policy whereby any individual who appears under the age of 25 shall be required to produce an approved form of photographic identification as outlined within the Torbay Council Licensing Statement of Principles.
6. Challenge 25 posters will be on display within the premises.

For your information, my original proposed conditions included a condition in relation to the management of the Pavement Café Permit area, but as the application does not include any outside area, this condition is no longer sought.

On 10 December 2019 I again emailed ~~Mark Poley~~ asking whether the applicants agree to add the above conditions to their application, and ~~Michelle Subramaniam~~ has confirmed that she is happy with this. A copy of this email is attached for your information.

As an agreed position has been reached in this matter, in accordance with Section 9.2 of the Revised Guidance issued under Section 182 of the Licensing Act 2003 (6 April 2018) the police do not consider that a hearing is necessary in relation to this application, unless contested representations are received from other responsible authorities or members of the public.

Should you require any further information, please do not hesitate to contact me.

Yours faithfully

Julie Smart
