REQUEST TO CARRY OUT GRAFFITI REMOVAL WORKS

I accept the offer by Torbay Council to carry out works to remove graffiti from my home and I confirm that I am the owner of the property.

I understand that the use of high pressure jetting equipment may cause damage to brickwork, masonry and other surfaces. I also understand that Torbay Council will not be liable in respect of any damage directly arising from the removal of graffiti from any surface on my premises.

If the graffiti is painted over, I agree that an exact match cannot be attained and that there may be a difference in shade or colour between the existing coat and any new application on masonry. Graffiti removed from wooden fences will usually be undertaken with a high pressure cleaner. This can however remove any timber care treatment or paint that has previously been applied. Possible over painting of the graffiti attack can take place on request by the owner of the property and a best match sought, but not guaranteed. Re- application of timber care will be the responsibility of the owner.

I understand that Torbay Council cannot guarantee to remove all or any of the graffiti applied to my property.

Address of graffiti
