Ring & Ride

Torbay Community Transport

Torbay Ring & Ride Community Bus Services provide a vital link for Torbay residents who have difficulty using conventional transport due to disability, age or mobility restrictions.

Let the low-floor minibus (with ramp for wheelchair boarding) pick you up from your home and take you to popular shopping locations across Torbay. The minibus will then return you to your home.

The Day trips that used to run during School Holidays to destinations such as Fermoys, Endsleigh, and Jacks Patch were discontinued due to lack of interest. If you would like to see them reintroduced, please ring 01803 201000 to register your interest and preferred destinations.

How to book your journey

Look at the area map overleaf and timetable above for the day and time of journeys available from your area.

Telephone the Ring & Ride co-ordinator on 01803 201000 between 9.00am and 1.00pm Monday to Friday at least one working day in advance to book your seat.

Please inform the co-ordinator if you have any special needs or require a space for a wheelchair or trolley.

Please ensure you are ready at the pick-up time as you may be the first to be collected. Due to the driver's varying schedule, pick-up times can change from day to day so please be patient.

Pay the driver your fare when you board the bus.

Your return journey

On your arrival at the shops, the driver will inform you of the return pick up time. Please be ready to be picked up at the boarding point at this time. Failure to do so will result in you having to organise your own transport home.
