Dear Mr Turner

## **INSPECTOR'S REPORT INTO OBJECTIONS TO THE TORBAY LOCAL PLAN – MATTERS REQUIRING CLARIFICATION OR AMENDMENT**

The Inspector, Mr Mattocks, has now considered the points raised in the letter dated 10 March 2003 from Mr Mike Fox, your Head of Strategy and Research and your supplementary e-mail attachment, received on 21 March 2003.

Mr Mattocks agrees with many of the points raised and I attach an Addendum/Corrigendum report, which sets out the additions and amendments of a more substantive nature, which need to be made. This report will need to be published alongside the Inspector's original report. There are also several amendments of a more minor nature which the Inspector considers you could make by alteration to the text of the original report prior to publication under the 'slip rule' as indicated in my letter of 17 February sent with the report to Mr Lucas. These are indicated in list 1 below.

In list 2, you will find a brief response to some of the points you raise, either where Mr Mattocks does not agree that any amendment to the report should be made, or where he feels that a note of explanation would be of benefit. This section is for your information and it is not suggested that this be published.

Yours sincerely
