**Importance:** High

Thank you for the opportunity to comment on the proposed Brixham Peninsula Neighbourhood Plan.

Our team is responsible for preparing the Council's pupil projections and in that capacity we would ask that in the plan due consideration is given to the anticipated increase in demand for school provision arising from housing developments proposed for the north of the peninsula, particularly in the White Rock area.

Whilst current projections do not anticipate growth in the town itself, officers anticipate that this proposed housing on the outskirts would generate the need for a 2 form of entry primary school in the area.

Kind regards

**Samantha Poston**
