Brixham Peninsular Neighbourhood Plan

Observations;

We have now had chance to read the response from the BNP to Ms McCann's question re green space in particular had they consulted with the land owners. The response is signed by Cllr Jackie Stockman.

Mr Geoff Melbourne of the NP group asked us to meet the new management at the club and we agreed this was not a consultation meeting. Geoff at no time advised us that he was meeting us to "consult with us re the NP

Item 93

Is incorrect they have never to my knowledge consulted with CGC although they may have with the previous chairman.

Item 107

Not true at the meeting only Mr G Melbourne was present and no other member of the forum.

Item 109

Mr Melbourne was told the club was committed to Bloor Homes until 2020 and as such could not comment on their plans.

Item 117

This is not true the failure to obtain planning on the 15 was solely responsible for the current position. It was not rejected by the members.
