Bob,

Please be aware that the Examination Library has now been updated with the addition of a number of new documents, in particular PH/5, PH/6, PH/7 and PH/8, and TCMOD/9.

In addition, a composite version of the Proposed Submission Plan containing Proposed Main and Additional (Minor) Modifications ['Composite Local Plan'] has been placed on the New Local Plan webpage, for information only, at the end of the '**Proposed Modifications to the Local Plan**' section.

I will post a paper copy of TCMOD/9 ('Errata to Schedules of Proposed Main and Additional Modifications to the Local Plan') to you today at your home address for you to forward to the Inspector. This document highlights some minor errors that the Council spotted during the process of preparing the 'Composite Local Plan'. These corrections are not considered by the Council to go to the heart of the Local Plan and are published for clarification.

I would be grateful if you would forward this email to Mr. Holland for his information.

Kind regards,

Steve.
