THE TORBAY FREEMEN'S GOLDEN JUBILEE FUND

About the Fund

The Freeman in Torbay, in the year of Queen Elizabeth's Golden Jubilee, wanted to return something to the residents of Torbay for the honour given to them as Freeman of the Borough.

They thought for many months and finally decided to set up a Charitable Fund to help those who were musically minded but whose families had financial difficulties in purchasing an instrument of their choice or paying for musical tuition.

The fund, known as **THE TORBAY FREEMEN'S GOLDEN JUBILEE FUND**, was formally established in December 2002 and has been awarded Registered Charity Status (Number 1095648).

Aims & Objects of the Fund;

Simply put

The advancement of the musical education of children and young people, resident in Torbay, under the age of 18 years and who attend a school in the Borough of Torbay but who cannot afford either an instrument or music tuition by:-

- a) The provision of musical instruments by gift or loan and/or
- b) Grants towards the costs of musical tuition for such children

This is a very formal way of saying:

If you have an ongoing financial problem that stops you obtaining a musical instrument for your child or providing musical lessons for your child why not contact us.... We may be able to help you!

This help always pre supposes that your child has shown an aptitude for the instrument of your/their choice. The Fund will not pay for "taster tuition " or "let's try it" instruments.

We will seek supporting evidence from your child's School or Music Tutor about your child's aptitude for the instrument and other pertinent information. Anything we subsequently learn about you and your family will always be strictly private and confidential.

The Fund has limited resources but the Freeman plan to "top up" regularly from the proceeds of their ongoing fund raising activities.

Well, are you interested? Why not complete the attached initial application slip and so start talking with us about how the Fund might help you and your youngster overcome your problems and help your child improve their musical ability and prowess?
