Dear Kevin,

Re: Proposed Mooring Fee Increase 2007

The above topic was put forward and debated at a meeting of the Brixham Harbour Users Association on Monday 23d October 2006.

BHUA Members were of the opinion that in light of disruption to harbour facilities in the current year it was considered that a 2½% rise in harbour charges would be more acceptable.

However it was recognised that such a sum was not an option therefore BHUA Members would accept a maximum of 3% increase for 2007.

Yours sincerely,

Sandie
