## REPORT

To Tor Bay Harbour Committee.

As the independent designated person appointed by Tor Bay Harbour Committee, we have reviewed compliance during the past year with the Safety Management System Issue 8, dated 22 November 2009 and conclude that in our opinion Tor Bay Harbour has complied with the Port Marine Safety Code.

The Safety Management System has now been updated to reflect been some minor changes in operating procedures.

We have reviewed this updated Safety Management System, Issue 9, dated 19 November 2009. In our opinion there is now in place a safety management system which complies with the requirements of the Port Marine Safety Code and enables the Tor Bay Harbour Committee to continue to set out their safety policies, their organisation which can put them into practice and their procedures for a planned and systematic approach to policy implementation.
