## About Torbay Key Facts

# The Big Picture – The Strategic Direction for Torbay

## OUR VISION - a desired future for Torbay

**A healthy, prosperous community, living, learning and relaxing in a safe and beautiful bay**

## OUR CORE VALUES - the fundamental beliefs and principles of this Council

**We will provide leadership and inspiration to improve the services we provide and support**

### CUSTOMER FOCUS

#### **Customer Care**

We are committed to the courteous and fair treatment of our customers

#### **Putting the public first**

Our services will be tailored to meet the changing needs of our customers

#### **Equality of opportunity**

We will deliver services which do not discriminate against any sector of the community, but at the same time we recognise the need to reflect cultural differences in services.

#### **Open, responsive, accessible and accountable**

We will ensure that the Council is transparent in its decision-making, has accessible services, is responsive to the needs of customers and has clear lines of accountability

### SERVICE DELIVERY

#### **Sustaining the environment & the economy**

In making decisions the Council will consider the long term implications on the built and natural environment, its impact on the community and the economic base of the Bay

#### **Challenging the current service**

We will continuously challenge the way our services are provided to ensure the most cost effective and efficient approach is adopted

#### **Public/Private Partnership**

We will work with the private sector, other agencies and organisations to deliver high quality services.

#### **Valuing and developing staff**

We will provide high quality services by ensuring our staff, whether employed by us or our contractors, are well trained

## Council Priorities

In 2003 the Council agreed 6 priorities for the coming years. These priorities remain unchanged for 2004/5:

- Improving our corporate ability – Getting back on track
- Jobs & industry
- Traffic and Congestion
- Affordable Housing
- Social Services – Building a Caring Community
- Education

## Maintaining Services and meeting our statutory responsibilities

In addition to delivering the priorities identified above the Council will continue to maintain services in other areas and deliver its statutory responsibilities. These activities will be shown under the heading below to reflect the organisational structure of the authority. Only significant activities will be shown in this plan. More details activities are outlined in directorate business plans.

- Corporate governance
- Environment
- Torbay Development Agency
- Social Services
- Education
- Corporate Services

## How the plan is set out

The following pages give details of progress made in delivering the priorities agreed for 2003/4 and gives details of plans for the next three years. The table also shows how the Council's aims are linked to priorities identified in the Draft Community Plan for Torbay and the shared priorities for central and local government agreed through the Local Government Association.
