Transformation Project – Future direction of the Council’s relationship with Torbay Leisure Centre – Public Question

Council 22 June 2017

On behalf of Sport Torbay I would like to ask the following questions:

1. How will the community be aware of the lease and proposals, how will they be consulted?

2. We are particularly concerned to understand whether there will be any changes in hire costs for individuals of any of the facilities. Similarly we want to understand whether the park run will be effected.

3. In respect of the loan to Parkwood Leisure, we wish to understand how the investment will be spent or whether it will be used to pay for work already completed? Will it for example be used in respect of the swimming pool, changing rooms and sports hall? Or will it be used for updating the all-weather outside facility to ensure current sports pitches are compliant (e.g. for rugby and hockey)?

**Mayor’s Recommendation:**

3.1 That the partners within the Strategic Partnership be thanked for their work in producing the document.

3.2 That subject to the title being changed to ‘Your Future – Your Torbay’ the Strategic Partnership’s Vision for Torbay as set out at Appendix 1 be adopted as part of the Council’s Policy Framework within the Corporate Plan.

3.3 That the Introduction to the Council’s Corporate Plan be amended to include the following additional paragraph:

“Partners across Torbay have come together to develop ‘Your Future - Your Torbay’ which is a long term high level plan and vision with a compelling narrative articulating the ambitions for Torbay’s future. This Corporate Plan will provide the framework by which the Council delivers its elements of Future Torbay.”
