Revision to report for P/2019/0173 Yalberton Road, Paignton

In the paragraph of the update report titled “*Design and density of the development*” that the following sentence;

As the reserved matters application seeks permission for 189 dwellings, it delivers a lower density of development than was previously considered acceptable at the outline application stage.

Is replaced with;

As the reserved matters application seeks permission for 187 dwellings, it delivers a lower density of development than was previously considered acceptable at the outline application stage.
