**RE: Application for Premises Licence – Oasis Off-Licence Ltd**

**Proposed Activity: Supply of Alcohol for Off-Premises Consumption**

**Hours Applied: Monday to Sunday, 07:00–23:59**

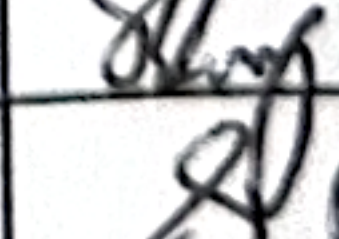

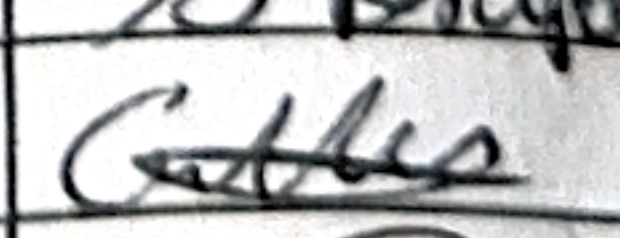

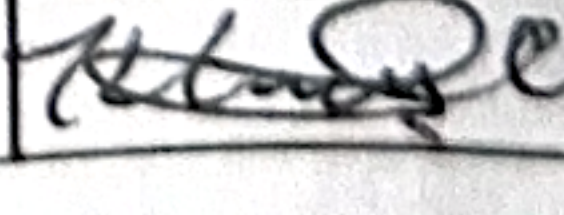

We, the undersigned residents of the local community, write in support of the application submitted by Oasis Off-Licence Ltd for a premises licence to allow the sale of alcohol for consumption off the premises.

We believe that a well-managed, licensed convenience store such as Oasis Off-Licence can bring value to the community by offering local access to everyday groceries and responsibly sold alcohol. The premises is in a suitable location and the operating hours are reasonable for a local convenience store. We understand that the alcohol will not be consumed on the premises and therefore do not foresee any noise or nuisance associated with the licence.

Furthermore, the responsible operation of small local businesses should be encouraged, as they help improve local amenities, increase foot traffic in the area, and provide local employment opportunities.

We trust that the applicant will comply with all licensing regulations, and we support this application with the expectation that the business will promote the licensing objectives and maintain good relations with the community.
