## 1. What we are trying to achieve

- 1.1 To appoint the Council's committees for the new municipal year, ensure the committees have appropriate terms of reference and that the appointments are made in accordance with the political balance requirements.
- 1.2 To appoint the Mayor and Councillors to outside bodies and establish a Shadow Health and Wellbeing Board.

## 2. Recommendation(s) for decision

- 2.1 That the committees be appointed with the terms of reference set out in Appendix 2 to this report in accordance with the political balance requirements.
- 2.2 That nominations be received to fill the seats on the committees.
- 2.3 That the proposed appointments to the outside bodies and other groups set out in Appendix 3 be approved for a four year term, unless otherwise stated, subject to confirmation on the allocation of places on the Devon and Cornwall Police Authority.
- 2.4 That a Shadow Health and Wellbeing Board be established with membership and terms of reference as set out in Appendix 4 to this report.

### **3. Key points and reasons for recommendations**

- 3.1 The election held on 5 May 2011 resulted in changes to the political composition of the Council. There are now 22 Members of the Conservative Group (including the Elected Mayor), 9 Members of the Liberal Democrat Group and 4 Members of the Non-Coalition Group and 1 Labour Member plus a vacancy. The political balance is now:

Conservative Group	22 seats	= 61.1%
Liberal Democrat Group	9 seats	= 25%
Non-Coalition Group	4 seats	= 11.1%
Labour	1 seat	= 2.8%

- 3.2 At the annual Council meeting, the Constitution requires members to determine which committees to establish for the forthcoming Municipal Year, their size and terms and reference and the allocation of seats in accordance with the political balance rules. In light of the changes to national standards arrangements which are due to come into force in April 2012 and following the resignation of one of the Independent Members of the Standards Committee it is proposed to reduce the number of Independent Members from six to five.
- 3.3 It is proposed to establish a Shadow Health and Wellbeing Board to operate on an informal basis over the course of 2011/2012 which will enable ongoing discussions to be held between partner agencies about how other existing and emerging partnerships/bodies relate to the Health and Wellbeing Board, the Torbay Strategic Partnership and each other. Full details of the proposals are set out in Appendix 4 to this report.

**For more detailed information on this proposal please refer to the supporting information attached.**

Deputy Chief Executive and Corporate Support Commissioner**

## **Supporting information**

### **A1. Introduction and history**

- A1.1 The Local Government and Housing Act 1989 requires the Council to allocate seats on committees to political groups in accordance with the size of each group as a whole, unless alternative arrangements are notified to all members and agreed without any councillor voting against them. The Council is required to observe the following principles as far as it is reasonably practicable:
- (a) that not all seats on the body are allocated to the same group;
  - (b) that the majority of seats on the body are allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
  - (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that authority as is borne by the number of Members of that group to the membership of the authority; and
  - (d) subject to paragraphs (a) to (c) above, that the number of seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of Members of that group to the membership of the authority.
- A1.2 The Cabinet and the Standards Committee are excluded from the requirements of political balance.
- A1.3 The Council is required to determine the number of seats on each committee and the allocation of those seats to the political groups and the independent members. Applying the principles of the Local Government and Housing Act 1989 and the supporting Regulations, the distribution of seats (attached in the table set out in Appendix 1) would be proportional (co-opted members are not included in the calculation for proportionality purposes). It is proposed that an Employment Committee is created which will take over the responsibilities of the Appointments Committee and Appeals (Employment) Committee and will also deal with senior officer remuneration.
- A1.4 Members are asked to note that any decision to waive the requirements of political balance will require a resolution of the Council with no member voting against.
- A1.5 The Council has carried out an extensive review of its appointments to outside organisations and other groups which has informed the appointments process for 2011. It was previously determined that appointments to outside bodies should be made every four years (where possible) following the whole Council elections. However, the Council is required to appoint its representative on the Police Authority each year. The elected member representation on the Devon and Cornwall Police Authority is determined having regard to the political composition of the five authorities which have seats on the Police Authority. The political balance calculations reveal that Torbay is entitled to one conservative

place. However, the final allocation of the places is subject to the agreement of the five authorities concerned following local government elections in the region.

- A1.6 The Police Authority (Community Engagement and Membership) Regulations 2010, which came into force on 17 March 2010, amends Regulation 8 of the Police Authority Regulations (appointment of members by relevant councils) and gives provision for Elected Mayor's to be appointed as the authority's Police Authority Representative if that person and the Council indicate that they wish them to be appointed as their representative. The Mayor has confirmed that he does wish to take up this appointment. The Council's representative on the Police Authority also sits on the Safer Communities Executive.

## **A2. Risk assessment of preferred option**

- A2.1 There is a statutory requirement to undertake a review of political balance following a change in the political composition of the Council. This review has been completed. Therefore there are no risks unless members fail to determine the matter.

## **A3. Other Options**

- A3.1 The allocation of seats on committees must be proportional to the political composition of the Council unless the Council resolves otherwise with no member voting against.

## **A4. Summary of resource implications**

- A4.1 There are no resource implications associated with the political balance allocations or the appointment of committees and working parties.

## **A5. What impact will there be on equalities, environmental sustainability and crime and disorder?**

- A5.1 The appointments have regard to all of these issues.

## **A6. Consultation and Customer Focus**

- A6.1 The Group Leaders have been consulted on the political balance calculations.

## **A7. Are there any implications for other Business Units?**

- A7.1 No

# Agenda Item 12

## Appendix 4

### Shadow Health and Wellbeing Board

1. The Health and Social Care Bill was presented to Parliament in January 2011 which was based upon the Health White Paper (published in July 2010) and the Government's response to the associated consultation.
2. Discussions have been ongoing since the publication of the Bill both within the Council and between partner agencies on the implications of the proposed changes to legislation surrounding health and social care. This appendix relates to one strand of these changes – the creation of Health and Wellbeing Boards in every upper tier local authority.
3. The following bullet points set out the requirements on Torbay Council as proposed in the current Bill.
  - Torbay Council must establish a Health and Wellbeing Board for its area.
  - The Board will be a committee of the Council.
  - The purpose of the Board is to advance the health and wellbeing of the people in its area and to encourage the integration of health and social care services.
  - In particular, the Board is responsible for the preparation of the Joint Strategic Needs Assessment, Joint Health and Wellbeing Strategy and the Pharmaceutical Needs Assessment.
  - The Board must consist of at least one local elected representative, the Director of Adult Social Services, the Director of Children's Services, the Director of Public Health, Local HealthWatch Organisation and the relevant commissioning consortium.
  - The NHS Commissioning Board must appoint a representative to join for the Health and Wellbeing Board for the purpose of participating in its preparation of the Joint Strategic Needs Assessment (JSNA) and the Health and Wellbeing Strategy.
  - The Health and Wellbeing Board may appoint additional people to it as it thinks appropriate.
4. Subject to parliamentary approval, the health and wellbeing board will become a statutory committee of the local authority at the same time that GP consortia take on responsibility for the NHS budget. However, they will come into existence in advance of this. The Government has stated that GP consortia pathfinders will need to work with councils from the outset on setting up health and wellbeing boards. This implies that Torbay, with its pathfinder GP consortium, should be looking to establish its health and wellbeing board sooner rather than later.
5. Torbay Council has been accepted by the Department of Health as an "early implementer" for the Health and Wellbeing Board. During 2011/2012 early implementers will take the form of non-statutory partnership arrangements. During 2012/13, shadow health and wellbeing boards will be established in all upper tier authorities as partnerships without statutory powers and duties. They will have to make preparations to carry out JSNAs, develop Joint Health and Wellbeing Strategies and link these to emerging commissioning plans.

6. The table below shows the timetable for implementation.

From January 2011	GP consortia pathfinders to work with councils on setting up health and wellbeing boards
By March 2011	Ensure joint arrangements are in place for local areas to agree priority areas for investment of NHS funding made available in the Spending Review to support social care
From April 2012	Establish “shadow” health and wellbeing boards in every upper-tier authority in the Country
April 2013	Health and wellbeing boards formally assume their powers and duties
From April 2013	Enhanced scrutiny powers come into force

7. Despite the Government’s recent announcement that it has launched a “listening exercise” on NHS modernisation, it is proposed that the Council establishes a **Shadow Health and Wellbeing Board from May 2011**. At this stage the Board will have no formal decision making powers as it would premature to establish it as a committee of the Council when the Bill is not yet law and the relevant Regulations have not been published. (In effect, the Shadow Health and Wellbeing Board will be a working party of the Council but will also have a relationship with the Torbay Strategic Partnership.)

8. It is proposed that the Shadow Health and Wellbeing Board will be comprised of:
- Four councillors (politically balanced but nominated by the Mayor and reflecting the geographical spread of Torbay as far as possible) (including the Mayor if he/she wishes)
  - Director of Adult Social Services
  - Director of Children’s Services
  - Director of Public Health
  - Chair (or representative) of Torbay Local Involvement Network (LINK) (pending the establishment of the Local HealthWatch Organisation)
  - Chair (or representative) of Baywide GP Commissioning Consortium
  - Representative of Devon Local Pharmaceutical Committee
  - Chief Executive (Torbay Council)
  - Deputy Chief Executive (Torbay Council) (for first year to support development)

9. Meetings of the Shadow Health and Wellbeing Board will be held in public.

10. The Health and Wellbeing Board will meet three times during 2011/2012 to discuss the following issues:

June/July: Visioning – What does each partner wish to achieve from the Health and Wellbeing Board?  
 Joint Strategic Needs Assessment – Challenge, critique, agree  
 Outline Health and Wellbeing Strategy – Agree next steps for development

October: Draft Health and Wellbeing Strategy  
Pharmaceutical Needs Assessment – Possibly forming part of the Joint Strategic Needs Assessment

March: Statement on integration of health-related services and provision of health and social care services  
Self-assessment (including feedback from LINk/HealthWatch)  
Agreement of next steps

11. Therefore it is proposed **that the terms of reference for the Shadow Board are:**

- **To develop the Joint Strategic Needs Assessment, draft Health and Wellbeing Strategy and Pharmaceutical Needs Assessment.**
- **To provide a statement on the integration of health-related services and the provision of health and social care services in Torbay.**
- **To participate in the early implementer network for Health and Wellbeing Boards.**

12. Reporting lines for the Shadow Health and Wellbeing Board will be flexible during its first year of operation ensuring that there is buy-in from both the Council and the Torbay Strategic Partnership. As a non-decision making body, these will not need to be formalised during this year which will enable the Council to take full account of emerging legislation, regulations and guidance.

13. In terms of accountability, the Overview and Scrutiny Board will continue to be able to hold the TSP and its partner organisations to account and this will be extended to the Shadow Health and Wellbeing Board. In practice, this will mean members of the Board having sight of agendas and minutes from both partnerships and being able to review or scrutinise any issues of concern.

14. Establishing a Shadow Health and Wellbeing Board to operate relatively informally over the course of 2011/2012 will enable ongoing discussions to be held between partner agencies about how other existing and emerging partnerships/bodies relate to the Health and Wellbeing Board, the TSP and each other. As per previous TSP debates and decisions in principle the commissioning architecture for 2011-12 will include TSP Board; Health and Wellbeing Board; Children's Trust; Community Safety Partnership and Regional LEP (Local Enterprise Partnership). In 2012-13 it may be that that the architecture is further refined to support required outcomes in the Bay by:

- Examining Children's Trust arrangements and potential overlap with the Health and Wellbeing Board's remit.
- Regional developments of Community Safety Partnership/Police Commissioner/Police and Crime Panel.
- Sub-regional Local Economic Partnership and how local accountability for economic development is working.
- Adult and children's safeguarding groups continue to be a key part of delivering good outcomes for adults and children and further debate takes place on their role in the light of changing national policy.

## 1. What we are trying to achieve

- 1.1 To seek approval of the calendar of meetings for the 2011/2012 Municipal Year.

## 2. Recommendation(s) for decision

- 2.1 That the calendar of meetings for 2011/2012, set out in Appendix 1 to this report, be approved.
- 2.2 That meetings of the Employment Committee and Appeals Committee (Student Awards, Licensing and Discretionary Housing Payments) be held on an ad-hoc basis, to be determined by the Democratic Services Manager in consultation with the relevant Chairman.

## 3. Key points and reasons for recommendations

- 3.1 The calendar of meetings for 2011/2012 has been prepared based on the Council's decision-making structure and in accordance with the Council's Standing Orders.

**For more detailed information on this proposal please refer to the supporting information.**

**Caroline Taylor  
Deputy Chief Executive and Corporate Support Commissioner**

## **Supporting information**

### **A1. Introduction and history**

- A1.1 The provisional calendar of meetings for 2011/2012 was agreed by Council at its meeting held on 24 February 2011 (Minute 565/2/10 refers). In accordance with Standing Orders it is for the Council at its Annual Meeting to agree the calendar for the Municipal Year.
- A1.2 Following the agreement of the provisional calendar, the Adjourned Annual Council Meeting on 25 May 2011 was cancelled as the civic lunch is not being held on 24 May. The Council meeting on 30 June 2011 has been moved to the 13 July 2011 to enable the Council to make a decision on the funding of the South Devon Link Road at the same time as Devon County Council.
- A1.3 Due to the Mayors decision to revise the executive arrangements and make executive decisions at Council meetings all Cabinet meetings have also been removed.
- A1.4 Additionally the Health Scrutiny Board programmed for 16 June 2011 will now be held on 7 July 2011.
- A1.5 Due to changes in accounting practices the Audit Committee programmed for 7 September 2011 will now be held on 20 September 2011.
- A1.6 The Development Management Committee has been rescheduled from 27 June 2011 to 30 June 2011 due to venue availability.
- A1.7 Members may also be aware that Torbay Council has become an 'early implementer' of the Health and Wellbeing Board which would sit alongside the Torbay Strategic Partnership (TSP). Scheduled meetings of the TSP have been amended to incorporate a Shadow Health and Wellbeing Board, therefore 26 May has been postponed until 16 June 2011, the TSP meeting on 10 November 2011 has been cancelled, the 21 July 2011 TSP meeting will become a meeting of the Shadow Health and Wellbeing Board, the Shadow Health and Wellbeing Board will also meet on 20 October 2011 and 15 March 2011. These changes are reflected in the calendar of meetings set out at Appendix 1 to this report.
- A1.8 Meetings of the Employment Committee and Appeals Committee (School Transport, Student Awards and Discretionary Housing Payments) are proposed to be held on an ad hoc basis, to be determined by the Democratic Services Manager in consultation with the relevant Chairman, and in accordance with Standing Orders in relation to Committee Meetings.
- A1.9 Members are recommended to approve the calendar of meetings for 2011/2012, which includes the amendments referred to above as set out in Appendix 1 to this report.

## **A2. Risk assessment of preferred option**

### **A2.1 Outline of significant key risks**

A2.1.1 Following a survey and workshop of Members work/life balance, the start times for most of the meetings have been set to enable members of the public and working Councillors to be able to attend the meetings. There is a small risk that some people will still not be able to attend these meetings, however, in most cases where public participation is permitted, the Council will accept written representations to enable people to put their points of view across.

## **A3. Other Options**

A3.1 Members may wish to set alternative dates for meetings. However, the meetings have been timetabled to allow sufficient time for the reporting of the plans and strategies which make up the Council's Policy Framework and the Council's budget setting process etc. A calendar of meetings is required under Standing Orders and facilitates the organisation of the Municipal Year.

## **A4. Summary of resource implications**

A4.1 Although there are approved budgets for the costs associated with these meetings the actual financial implications are not quantifiable at this stage. The calendar of meetings sets out a number of scheduled meetings, however, a number of unscheduled meetings may be held through the Municipal Year.

## **A5. What impact will there be on equalities, environmental sustainability and crime and disorder?**

A5.1 The calendar includes the main religious festivals for the Christian, Hindu, Jewish, Muslim and Sikh faiths. Wherever possible, meetings have not been scheduled on these dates in accordance with the Council's Religion and Belief Equality Policy.

## **A6. Consultation and Customer Focus**

A6.1 Executive Heads have been consulted on the draft provisional calendar of meetings for 2011/2012.

## **A7. Are there any implications for other Business Units?**

A7.1 Each Business Unit will be involved in preparing reports and officers will be required to present reports at meetings where appropriate.
