Information

The Cabinet considered a motion in relation to the armed forces covenant and military compensation notice of which was given in accordance with Standing Order A14.

The Cabinet provided the following response:

The Cabinet notes that Torbay Council provides 23 public toilet blocks across the bay, many of those are disabled toilets and have bins in them. These public toilets can be used by anyone with any kind of disability including hidden disabilities. We understand how vital it is that we have these toilets as the latest data tells us there are 1368 men living with and beyond prostate cancer in Torbay. It is in fact the second most common cancer after breast cancer. We should remember that incontinence affects males and females, younger and older. The Healthmatic App contains the details and locations for the public toilet facilities in Torbay.

In light of the above, Councillor Tranter proposed and Councillor Tyerman seconded a motion that was agreed unanimously, as set out above.
