

Record of Officer Decision

Variation of Off Street Parking Charges for the English Riviera Air Show 2024

Decision Taker and Date Decision Taken:

Director of Finance on 07 May 2024

Summary of Matter or Issue Requiring Decision:

Increase to parking charges in five car parks for the duration of the English Riviera Air Show event.

Decision Taken:

Implement the following event date parking tariffs for pre-booked parking only on 1st and 2nd June 2024:

Colin Road, Roundham, and Victoria car parks

<u>Length of stay:</u>	<u>Charge:</u>
One day	£30.00

Quay West car park

<u>Length of stay:</u>	<u>Charge:</u>
One day	£20.00

Commercial Vehicle Event Tariff (Clennon Valley car park)

<u>Length of stay:</u>	<u>Charge:</u>
One day	£100.00

Summary of Reason(s) for Decision Taken:

During the staging of the Air Show in previous years, pre-booked parking was made available at Victoria Car Park for event attendees who wanted to park close to the main event site, however, there is reduced capacity at this location due to the recent car park demolition works that have taken place. In order to support the demand for parking, the same pre-book method will be used in additional car parks. The increase in charges is required due to additional operational costs attributed to the parking places during the course of the event.

Summary of Alternatives or Options considered and rejected and Background Papers:

Not to operate the pre-book parking method, which would lead to event attendees not knowing if there would be capacity for them to park at each of the locations prior to visiting each car park.

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation:

None

Implementation:

Pre-booked parking is available via the Air Show website, access to each car park on the two event dates will only be permitted to customers who have reserved a parking space in advance.
