Summary of Reason(s) for Decision Taken:

In order to support the demand for parking, Torbay Council will adopt the same pre-book method used in previous years running of this event for six car parks across Paignton. The increase in charges is required due to additional operational costs attributed to the parking places during the course of the event.

Summary of Alternatives or Options considered and rejected and Background Papers:

Not to operate the pre-book parking method, which would lead to event attendees not knowing if there would be capacity for them to park at each of the locations prior to visiting each car park.

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation:

None

Implementation:

Pre-booked parking is available via the Air Show website, access to each car park across the three event dates will only be permitted to customers who have reserved a parking space in

advance.
