Additional Information:

10 photographs of the inside and outside of the vehicle were circulated to the Sub-Committee as evidence of the condition of the vehicle.

Oral Representations received from:

Name	Details
Licensing Enforcement Officer	Outlined the Officer's recommendation for refusal of the application.
Applicant	Outlined the application for a one year extension of the Hackney Carriage Vehicle Licence.

Decision:

That the request for an extension by one year on the use of a Hackney Carriage Vehicle be refused, as it deviated from Torbay Council's Licensing Policy with regard to the age of the fleet.

Reason for decision:

Having carefully considered all of the written, oral and photographic evidence put before the Licensing Sub-Committee by the Licence Holder and the Licensing Enforcement Officer, as well as the wording of the Policy, Members resolved that there should be no departure from the Policy as the Applicant had not provided appropriate evidence that would satisfy them that the vehicle was in an exceptional condition, as in accordance with Section 1- Part A, s1(c) of the Policy.
