Torbay Council

Forward Plan of Key Decisions

Explanatory Note

Torbay Council is required to publish a Forward Plan of all key decisions to be taken in the following four months. The first Plan became effective on 1 March 2002. It is updated monthly and is available at least 14 days before the beginning of each month.

Although Government regulations suggest that Key Decisions should only refer to Executive functions, Torbay Council has decided that those Council functions that would have been a Key Decision if they were to have been decided by the Mayor will also be included in the Forward Plan. This will include changes to the Council's Policy Framework and decisions that are not in accordance with the Council's Budgetary Framework.

The Regulations define a key decision as a decision that is likely to:

- (i) result in incurring expenditure or making of savings which are significant; or
- (ii) be significant in terms of its effects on communities living or working in the area.

The Council has produced comprehensive criteria to define "significant" and these are set out on the following page.

The Forward Plan consists of a brief description of the decisions that are to be made, (listed under the themes on which the Community Plan is based) followed by pages that give a fuller description of each of those matters. The Council has decided that the vision and the Community Plan themes should be adopted as the Council's vision and priorities. Where an issue does not directly link to one of the themes it will refer to 'corporate support', which aims at improving service deliver, efficiency and quality.

Copies of the documents referred to in the Forward Plan may be obtained by contacting the Democratic Services Section by telephone (01803 207064), email (democratic.services@torbay.gov.uk) or post (Town Hall, Castle Circus, Torquay, TQ1 3DR).

The Forward Plan is available free of charge on request from the Democratic Services Section of Torbay Council and is available for inspection at the Connections offices in Torquay, Paignton and Brixham. It is also available on the Council's website (<http://www.torbay.gov.uk/forward-plan>).

Mayor of Torbay

Definitions of "significant"

Expenditure and savings

A proposed decision shall be regarded as a Key Decision by way of “**incurring expenditure or making of savings which are significant**” if any one or more of the following apply:

- (1) In the opinion of the Chief Finance Officer, there is likely to be a budget variation (other than one within a Business Unit) of more than £250,000;
- (2) In the opinion of the Chief Finance Officer, it is likely to result in capital expenditure above that provided for in the capital programme and it is likely to involve an additional call on the Council’s internal resources of more than £250,000;
- (3) In the opinion of the relevant Commissioner, the decision is likely to have a material effect on Council services, including where:
 - (i) an existing service will be reduced by more than 10 per cent or will cease altogether;
 - (ii) a service which is currently provided in house will be outsourced (or vice versa); or
 - (iii) a partnership will be entered with a third party which is likely to involve a material element of risk transfer to the Council;
- (4) The proposal involves the acquisition or disposal of land having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (5) The proposal involves the disposal of a capital asset (other than land) having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (6) Where in the opinion of the Executive Head of Human Resources the proposal is likely to result in compulsory redundancies or major changes to the terms and conditions of employment of 100 or more employees across the Council’s functions;

Effect of communities

A proposed decision shall be regarded as a Key Decision by way of being “**significant in terms of its effects on communities living or working in the area**” if the relevant Commissioner, in consultation with the relevant Cabinet Member, considers that it ought to be included in the Forward Plan having regard to all the circumstances including the following principles:

- (1) A decision may affect a great number of people, or a number of wards, but not significantly and these decisions shall **not** normally be regarded as key;
- (2) A decision that has a significant impact on communities living or working in only one ward will normally be treated as a Key Decision e.g. a school closure or the introduction or amendment of traffic calming measures;
- (3) Where a decision is only likely to have a significant impact on a very small number of people in one ward it will **not** normally be key. But the people affected should be informed of the forthcoming decision in sufficient time for them to exercise their rights to see the relevant papers and make an input into the decision making process;

- (4) Consideration should be given to the level of public interest in the decision. The higher the level of interest the more appropriate it is that the decision should be considered to be key.

Our Pledges

Working for a healthy, prosperous and happy Bay

- **Sympathetic regeneration**
- **Boosting local employment**
- **Protecting vulnerable children and adults**
- **A cleaner, greener, healthier Bay**
- **Expansion of our tourism and heritage offer**
- **A safer Bay**
- **Value for money**

Acquisition of Torbay and Southern Devon Health and Care Trust (formally Torbay Care Trust) by an NHS Foundation Trust and the commissioning contract for Adult Social Care

Torbay Council to date has successfully provided for adult social care through an integrated model of health and social care which has had national acclaim. As part of the ongoing reforms of the NHS the former care trust are now in a position to be 'acquired' by another NHS Foundation Trust through a technical acquisition process. Council are asked to consider if they wish to continue to commission adult care through a new Foundation Trust in order to continue to provide a joined up system of health and social care for local communities in the Bay.

Wards affected:	All Wards
Consultees:	Mayor and Councillor working group, NHS commissioners, Care Commissioning Group and Scrutiny members
Means of Consultation:	Circulation of papers, presentations.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler) Chief Operating Officer/Director of Adult Social Services – Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults; Value for money
Key Opportunities:	Commissioning Adult Social care through a new NHS Foundation Trust provider will provide further opportunities to build on integrated social and health care and provide opportunities for further innovation for the benefit of local communities against the background of constraints in public sector budgets-this may provide prospects for services to be delivered differently and within our future resource plans.
Key Risks:	The risk is that any NHS Foundation Trust 'bidder' may not be able to meet council requirements for service delivery/future budget constraints and alternative provision may need to be made.
Type of Decision:	Key Decision Council

Decision Maker:	Council
Intended Decision Date:	6 Dec 2012

Adult Social Care - Fees for Care in The Bay 2012/13 and 2014/15

The provision of residential care in care homes for local people is a key aspect of the provision of adult services as commissioned as part of a range of services through the Torbay, Southern Devon Health Care Trust (formally care trust). The fees for residential care have been subject to ongoing local dialogue with care home representatives and this decision would agree the fee based on evidence of the cost of care up to 2015 in order to give care homes the ability to plan and sustain a quality local market of provision. The decision will also guide our approach to future calculation of the costs of care in consultation with care home providers.

Wards affected:	All Wards
Consultees:	Torbay Care Quality Forum, all care homes in the bay, NHS providers and commissioners.
Means of Consultation:	Circulation of papers, presentations, series of meeting, direct communication with all care homes in the bay by letter.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler), Executive Lead for Finance and Audit (Councillor Alan Tyerman) Chief Operating Officer/Director of Adult Social Services - Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults; Value for money
Key Opportunities:	To provide a sustainable and quality offer of provision for residential care in the bay, allowing care homes to plan and respond to changing needs and expectations with more people supported at home for longer.
Key Risks:	The risk of ongoing challenge to fees and the disruption of the market which is a key part of the provision of social care.
Type of Decision:	Key Decision Council
Decision Maker:	Council
Intended Decision Date:	6 Dec 2012

Adult Social Care - Local Account

Local Account provides information on Adult Social Care in Torbay and is a key way through which residents can hold the council to account on how well we are supporting people with social care needs. It is a new government requirement. It provides an overview of the previous year and outlines future policy direction in relation to social care.

Wards affected:	All Wards
Consultees:	Overview and Scrutiny, Clinical Commissioning Group and key groups.
Means of Consultation:	Meetings, circulation of papers etc.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler) Chief Operating Officer/Director of Adult Social Services - Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults; Value for money
Key Opportunities:	It outlines specific outcomes in relation to a key area of spend and allows members to determine future policy priorities. It is in line with new requirements of central government.
Key Risks:	Torbay Council would not be in line with national requirements and that potential policy changes would not have sufficient transparency and debate.
Type of Decision:	Key Decisions Mayor
Decision Maker:	Mayor
Intended Decision Date:	6 Dec 2012
If you want to make representations contact:	Caroline Taylor, telephone (01803) 2071169, email caroline.taylor@torbay.gov.uk, address Torbay Council, Town Hall, Castle Circus, Torquay, TQ1 3DR

Allocations Policy and Local Tenancy Strategy

The Localism Act 2011 and the statutory guidance on allocation of accommodation issued on 26th June 2012 requires a review of our existing allocations policy be undertaken and the publication of a Local Tenancy Strategy (which is a new requirement). The aim is to ensure we locally shape our approach to allocations, manage waiting lists and make use of tenancies.

Wards affected:	All Wards
Consultees:	Executive Lead Member and other members Senior Leadership Team and stakeholder partners and Housing Providers.
Means of Consultation:	Meetings, circulation of papers etc.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Deputy Mayor Executive Lead for Strategic Planning, Housing and Energy (Councillor David Thomas) Director of Place and Resources – Charles Uzzell Director of Children's Services – Richard Williams
Corporate Priority:	Boosting local employment; Protecting vulnerable children and adults; Sympathetic regeneration; Value for money
Key Opportunities:	The approach will meet housing need and demand locally. Contribute to the wider community objectives, such as health, education, employment and enterprise. Reflect social, economic and household requirements which may arise out of the welfare reform.
Key Risks:	Limited availability of appropriate accommodation will still lead to waiting times for suitable housing, and it's important not to raise expectations that are unrealistic.
Type of Decision:	Policy Framework Plan Council
Decision Maker:	Council
Intended Decision Date:	6 Dec 2012

Community Sport and Recreation in Brixham and Churston

To consider alternative options for meeting the communities need for sporting and recreation facilities in the Churston and Brixham area.

Wards affected:	Berry Head with Furzeham; Churston with Galmpton; St Marys with Summercombe
Consultees:	Local Community Partnerships Sports Clubs Ward Councillors The Neighbourhood Forum
Means of Consultation:	The issue has been discussed at the Churston & Galmpton with Broadsands Community Partnership. The Brixham and Churston Neighbourhood Forum. Brixham Town Council and it will be the Subject of further community consultation. Meeting with all sports clubs effected have or will be held and the Torbay Sports Council will be consulted. The Torbay Coast and Countryside Trust have been consulted.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Safer Communities and Transport (Councillor Robert Excell) Director of Place and Resources - Charles Uzzell Executive Head of Residents and Visitor Services - Sue Cheriton
Corporate Priority:	A cleaner, greener, healthier Bay; Value for money
Key Opportunities:	To consider two alternative options that both aim to provide additional sporting and recreation facilities to meet the needs of the local community. The alternative option that members are asked to consider involves selling a minor part of land previously allocated for sport use at Brokenbury for housing so as to fund the delivery of an environmental and farm shop scheme on the remaining land at Brokenbury and better overall environmental, tourism and sporting facility outcomes elsewhere.

Key Risks:	There is a risk that if the alternative land that is to be acquired for the delivery of the proposed sports pitches cannot be used for that purpose that there may be a loss of provision for sports facilities in the community
Type of Decision:	Key Decisions Mayor
Decision Maker:	Mayor Council

Corporate Plan 2012 - 2015

The Corporate Plan articulates at a strategic level the key priorities and actions the Council will undertake in the short to medium-term, including those activities that deliver its responsibilities within the current Community Plan.

Wards affected:	All Wards
Consultees:	Overview and Scrutiny Board
Means of Consultation:	Meetings and circulation of papers.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Business Planning and Governance (Councillor Ken Pritchard) Chief Operating Officer/Director of Adult Social Services - Caroline Taylor Executive Head of Business Services - Mark Bennett
Corporate Priority:	All Corporate Priorities
Key Opportunities:	The Plan will clearly identify the priorities the Council intends to deliver during the lifetime of the document. Torbay's community will be able to see how successful the Council has been as well as the further challenges that remain in delivering its priorities.
Key Risks:	A key risk is that the Corporate Plan for 2012 - 2015 will not meet the priorities of residents. To overcome this risk consultation results will be used to help inform the development of the Council priorities. A further risk is that, once the Corporate Plan is agreed, the Council does not deliver against the priorities that have been identified. To mitigate against this, monitoring arrangements will be put in place to ensure that the plan is delivered. This will include using the Balanced Scorecard approach to monitor against key projects and performance indicators.

Gambling Statement of Principles 2013

The Gambling Statement of Principles is written as a requirement of the Gambling Act 2005. It lays down how Torbay Council will address the issues that are raised through the Gambling Act, most notably the principles that will apply during the licensing of gambling premises. It will also advise on the procedures and criteria to be applied to the Small Casino bidding process.

Wards affected:	All Wards
Consultees:	Licensing Committee, residents of Torbay, representatives of businesses, faith groups, addiction services, Police, Torbay and Southern Devon Health and Care NHS Trust, Gambling Industry.
Means of Consultation:	Through the press, website, individual contact with organisations and businesses, and circulation of papers.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Safer Communities and Transport (Councillor Robert Excell) Director of Public Health – Debbie Stark Executive Head of Community Safety - Fran Hughes
Corporate Priority:	A safer Bay; Protecting vulnerable children and adults
Key Opportunities:	To review the policy to bring the policy up to date for 2013.
Key Risks:	The key risk is the need for the policy to be printed and published by early 2013 as this is a statutory requirement.
Type of Decision:	Policy Framework Plan Council
Decision Maker:	Council
Intended Decision Date:	6 Dec 2012

Great Parks, Paignton - Planning Brief 'A Guide to the Development of a Sustainable Community at Great Parks'

'A guide to the development of a sustainable community at Great Parks'

The Great Parks, Paignton: Planning Brief SPD is one of a series of Local Development Documents that forms part of the emerging Torbay Local Development Framework (LDF). The LDF will eventually replace the Adopted Torbay Local Plan 1995 – 2011 and will form the basis for decisions on spatial planning and land use within Torbay up to 2026.

Great Parks is a residential area to the west of Paignton allocated for further development in the Adopted Torbay Local Plan (Policies H1.11, H1.12 and H1.13 apply). The proposed Planning Brief provides guidance on the way in which the remaining phases of the current housing development should be implemented. It puts forward proposals to secure a sustainable residential development that is accessible, served by an appropriate level of community facilities, built to a high standard of urban design and energy efficient. It also sets out guidance on the way in which affordable housing is to be provided on this site. This SPD is subject to a Sustainability Appraisal.

Wards affected:	Blatchcombe
Consultees:	Ward Councillors, the Local Development Framework Working Party, Torbay Strategic Partnership, Community Partnerships, Torbay Care Trust, Place Policy Development Group and local pharmacists.
Means of Consultation:	Informal four week and formal six week consultation and public participation periods in accordance with Development Plan Regulations, using press, Connections, Libraries and specific Council offices. Variety of means of consultation used including leaflets, consultation forms (paper copy and online) – further details set out in the SPD.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Deputy Mayor Executive Lead for Strategic Planning, Housing and Energy (Councillor David Thomas), Mayor and Executive Lead for Employment and Regeneration (Mayor Gordon Oliver) Director of Place and Resources - Charles Uzzell Executive Head of Spatial Planning - Les Crump

Corporate Priority:	All Corporate Priorities
Key Risks:	Failure to prepare the SPD would result in non-compliance with the statutory obligations set out in The Town and Country Planning (Local Development) (England) Regulations 2004 and be in conflict with the adopted Torbay Local Development Scheme (LDS). There would be a risk to the ability of the Council to secure a development of an acceptable standard and to deliver appropriate levels of affordable housing in the absence of clear and detailed planning guidance for developers and decision makers.
Type of Decision:	Policy Framework Plan Council
Decision Maker:	Council
Intended Decision Date:	6 Dec 2012

Joint Health and Wellbeing Strategy

The Council and the South Devon and Torbay Clinical Commissioning Group must, through the Health and Wellbeing Board, agree a Joint Health and Wellbeing Strategy.

The Joint Health and Wellbeing Strategy sets out how organisations in Torbay will work together to meet the needs identified in the Joint Strategic Needs Assessment. It explains what the health and wellbeing priorities are in Torbay and how joint action will be taken to make a real impact on people's lives.

Once agreed, the Strategy will be used to inform the commissioning plans of the Council, the Clinical Commissioning Group and the NHS Commissioning Board.

Wards affected:	All Wards
Consultees:	Stakeholder organisations General public
Means of Consultation:	<p>Since the establishment of the Shadow Health and Wellbeing Board, a number of discussions have taken place to discuss the possible outcomes and priorities which should be included in the Strategy.</p> <p>A wider consultation has been launched with all stakeholder organisations in Torbay. An online survey is available to the whole community at www.torbay.gov.uk/consultation</p>
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Children, Schools and Families - Councillor Chris Lewis Director of Public Health – Debbie Stark Overview and Scrutiny Manager - Kate Spencer
Corporate Priority:	A cleaner, greener, healthier Bay; Protecting vulnerable children and adults
Key Opportunities:	To ensure that all partner organisations work effectively together.
Key Risks:	That partner organisations are not committed to the outcomes and priorities in the Joint Health and Wellbeing Strategy.

Type of Decision:	Policy Framework Plan Council

Localised Council Tax Support Scheme

At the Spending Review 2010 the government announced that it would localise support for council tax benefit from 2013/14 reducing expenditure by 10% and saving the government £500m a year. On 17 February 2011 the government published the Welfare Reform Bill, containing provisions for the abolition of council tax benefit from April 2013 and paving the way for new localised schemes. Since February 2012 Torbay has worked as part of a Devon wide group to develop schemes on a cost neutral basis, reflecting each Local Authorities demographic community.

Responsible Executive Lead and Officer:	Executive Lead for Finance and Audit - Councillor Alan Tyerman Director of Place and Resources - Charles Uzzell Executive Head of Finance - Paul Looby
Corporate Priority:	Boosting local employment; Protecting vulnerable children and adults
Key Opportunities:	The government's localisation of support for council tax is taking place within a wider programme of Welfare Reform. The intention of the changes being to help move people back into work as well as making significant savings on the welfare reform bill.

<p>Key Risks:</p>	<p>A localised council tax support scheme needs to be in place by the 31 January 2013. Failure to do so will result in an automatic default scheme becoming Torbay Council's Support scheme from April 2013, less 10% funding reduction of approximately £1.6 million that the Council would need to meet from its own resources.</p> <p>Working Age Customers claiming local council tax support from April 2013 may have difficulties meeting their new or additional council tax liabilities.</p> <p>The increase in financial burden places additional pressures on the Corporate Debt Recovery department.</p> <p>Cumulative effects of the wider welfare reforms could see increases in child poverty, anti social behaviour and homelessness as people face reductions in their overall incomes and increases in household costs/ reductions in benefit and support entitlements.</p> <p>Rising case load would increase Corporate financial pressures</p>

The granting of a long lease for the Ocombe House Site

For Members to consider proposals put forward by Torbay and Southern Devon Health and Care NHS Trust (Formerly Torbay Care Trust) about the granting of a long lease for the Ocombe House site to a service provider to assist with supported living proposals for current and future residents with learning disabilities.

Wards affected:	Preston
Consultees:	Council Officers & Members. The Trust has already carried out some consultation with (and will need agreement from) the families of the current residents at Ocombe House about the proposals.
Means of Consultation:	Meetings and the circulation of papers
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler) Chief Operating Officer/Director of Adult Social Services - Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults
Key Opportunities:	A long lease would enable the service provider to finalise proposals for the redevelopment of the site into supported living accommodation for both current and future residents.
Key Risks:	Since the Planning Authority for the site is South Hams District Council there is a risk that the redevelopment proposals do not obtain planning consent. To minimise the risk to Torbay Council the granting of the long lease would be conditional on such consent being obtained.

Means of Consultation:	Correspondence and/or meetings with consultees. Meeting with harbour user representatives and circulation of papers.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Tourism and Environment (Councillor Jeanette Richards) Director of Place and Resources - Charles Uzzell Executive Head of Tor Bay Harbour Authority - Kevin Mowat
Corporate Priority:	Value for money
Key Opportunities:	The project would make further improvements to harbour facilities and infrastructure. It should also increase the occupancy rate and improve access to boats which in turn allows for better maintenance and quality of craft using this part of the harbour.
Key Risks:	There is a risk that the harbour account may not be able to meet the cost of the prudential borrowing. However, a financial sensitivity analysis has been undertaken. There is a risk that the inner harbour half-tide cill could fail and boats moored on the new pontoons would subsequently sustain damage if the water level fell too low. To mitigate against this risk the inner harbour half-tide cill is the subject of a clear planned maintenance regime which includes regular underwater inspections. Furthermore, harbour staff are trained to operate emergency procedures, with an alternative power pack in the event of a power failure.
Type of Decision:	Key Decision Council
