Torbay Council

Forward Plan of Key Decisions

Explanatory Note

Torbay Council is required to publish a Forward Plan of all key decisions to be taken in the following four months. The first Plan became effective on 1 March 2002. It is updated monthly.

Although Government regulations suggest that Key Decisions should only refer to Executive functions, Torbay Council has decided that those Council functions that would have been a Key Decision if they were to have been decided by the Mayor will also be included in the Forward Plan. This will include changes to the Council's Policy Framework and decisions that are not in accordance with the Council's Budgetary Framework.

The Regulations define a key decision as a decision that is likely to:

- (i) result in incurring expenditure or making of savings which are significant; or
- (ii) be significant in terms of its effects on communities living or working in the area.

The Council has produced comprehensive criteria to define "significant" and these are set out on the following page.

The Forward Plan consists of a brief description of the decisions that are to be made, consultation information, key risks and key opportunities.

Copies of the documents referred to in the Forward Plan may be obtained by contacting the Governance Support Team by telephone (01803 207087), email (governance.support@torbay.gov.uk) or post (Town Hall, Castle Circus, Torquay, TQ1 3DR).

The Forward Plan is available free of charge on request from the Governance Support Team of Torbay Council and is available for inspection at the Connections offices in Torquay, Paignton and Brixham. It is also available on the Council's website (<http://www.torbay.gov.uk/forward-plan>).

Gordon Oliver
Mayor of Torbay

Definitions of "significant"

Expenditure and savings

A proposed decision shall be regarded as a Key Decision by way of “**incurring expenditure or making of savings which are significant**” if any one or more of the following apply:

- (1) In the opinion of the Chief Finance Officer, there is likely to be a budget variation (other than one within a Business Unit) of more than £250,000;
- (2) In the opinion of the Chief Finance Officer, it is likely to result in capital expenditure above that provided for in the capital programme and it is likely to involve an additional call on the Council’s internal resources of more than £250,000;
- (3) In the opinion of the relevant Director, the decision is likely to have a material effect on Council services, including where:
 - (i) an existing service will be reduced by more than 10 per cent or will cease altogether;
 - (ii) a service which is currently provided in house will be outsourced (or vice versa); or
 - (iii) a partnership will be entered with a third party which is likely to involve a material element of risk transfer to the Council;
- (4) The proposal involves the acquisition or disposal of land having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (5) The proposal involves the disposal of a capital asset (other than land) having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (6) Where in the opinion of the Assistant Director Corporate and Business Services the proposal is likely to result in compulsory redundancies or major changes to the terms and conditions of employment of 100 or more employees across the Council’s functions;

Effect of communities

A proposed decision shall be regarded as a Key Decision by way of being “**significant in terms of its effects on communities living or working in the area**” if the relevant Director or Assistant Director, in consultation with the relevant Executive Member, considers that it ought to be included in the Forward Plan having regard to all the circumstances including the following principles:

- (1) A decision may affect a great number of people, or a number of wards, but not significantly and these decisions shall **not** normally be regarded as key;
- (2) A decision that has a significant impact on communities living or working in only one ward will normally be treated as a Key Decision e.g. a school closure or the introduction or amendment of traffic calming measures;
- (3) Where a decision is only likely to have a significant impact on a very small number of people in one ward it will **not** normally be key. But the people affected should be informed of the forthcoming decision in sufficient time for them to exercise their rights to see the relevant papers and make an input into the decision making process;

- (4) Consideration should be given to the level of public interest in the decision. The higher the level of interest the more appropriate it is that the decision should be considered to be key.

Torbay Council's ambition is for Torbay to be prosperous and healthy. This will be achieved through the following targeted actions:

- Protecting all children and giving them the best start in life;
- Working towards a more prosperous Torbay;
- Promoting healthy lifestyles across Torbay;
- Ensuring Torbay remains an attractive and safe place to live and visit; and
- Protecting and supporting vulnerable adults.

Update of Tourism Strategy

Torbay's existing Tourism Strategy covered the period 2010-2015. The strategy has resulted in a number of positive changes for the local tourism sector.

However with the period covered by the strategy now expired and a variety of changes to local government funding and national tourism policy the strategy needs to be reviewed and updated to ensure that this important part of the local economy is supported appropriately.

This strategy forms part of the Economic Development Strategy and is one of the Council's key Policy Framework Documents.
