Dear Sir/Madam,

I was concerned to learn of a regular walk I take, having the possibility of parking restrictions imposed on the layby I use. I would strongly object to this application as I need to drive to this location. Near Steep Hill Maidencombe, and feel it would be detrimental to myself and fellow walkers if a time limit is applied to this beautiful walk, please reconsider!

Yours faithfully

Dear Sir,

I am writing to you ask if you would reconsider your plan to restrict the parking bay in Maidencombe near Steep Hill as I feel that it would stop people from enjoying the coastal walks. The parking at present is ideal for the public to enjoy many hours without having to go back to their car.

Yours Sincerely

Dear sir

While holidaying in Maidencombe, Devon recently, I have noticed that there are plans to restrict the parking bay facilities near 'Steep Hill'.

I feel that this is not necessary as the location is ideal as it stands to enable walks to enjoy the many beautiful coastal paths, and I feel there is no need to change something that has been working perfectly as it stands.

Yours faithfully

Dear Sir,

While walking in Maidencombe lately, I have noticed that there are plans to restrict the parking facilities near steep Hill.

I feel that this is not a necessary procedure as Spot is ideal as it is stands to enable walks to the many coastal paths, and I feel it is no just or fair to change something that works so well as it stands

Yours faithfully

Dear Highways Management,

I am responding to the recent notice I have seen in the maudencombe area, on the Teignmouth Road. I am saddened that there is a possibility of the layby at the top of Steep Hill being restricted by time. I feel this is a great shame as I live in a built up area and really enjoy making use of the parking so therefore I can explore the beautiful countryside. With the no restriction parking as it is at present, ensured a sense of freedom and allows entire days out without worrying about parking issues. As so much of our town + country being restricted by metres, it seems a shame to do this in such a beautiful free area also.

Kind Regards
