OFFICER	DEPUTY	CLERK	DOC No

Dear Sir / Madam

Due to the forthcoming re-opening of the nightclub on the Harbourside (previously 'PURE') we would appreciate consideration to be given regarding noise levels unacceptable by law in a residential area.

We would also like to draw attention to the outdoor smoking area (which has caused various local residents noise problems in the past). An addition of an air-locked door and double doors would possibly prevent a lot of the noise from the club vibrating up to the residential buildings above.

We hope you will give this your kind consideration.

Yours faithfully
