

1:1750 scale @ A3
Proposed Cycle Route - Abbey Road
- Torquay

Potential removal of cycle lane from north side of highway and relocate to southern side to allow link up with castle Circus and Union Street (pedestrianised section)

New advisory cycleway lane. Loading ban may be required at this section.

New advanced stop line for cyclists and possible change to traffic light phasing to allow cyclists time to enter pedestrianised section.

Formal cycleway to be placed up Abbey Road (No parking to be lost)

Amend order to allow cyclists to use Union Street (Pedestrianised section) to link to roundabout.

Existing parking bays (Various)

Advisory cycleway to be placed around roundabout and pedestrian crossing

Cut back build out and reduce right turn lane to car park to fit cycleway. (Possible increase in queuing traffic)

Retain existing bus box and clearway

New Disabled bays in place and being advertised for possible extension
