21 November 2012

Dear Sir/Madam

Savers, Unit 18 Union Square Shopping Centre, Torquay, TQ1 3DG

I refer to the above premises and an application for the Grant of a Premises Licence.

My Licensing Officer, Julie Smart, has attempted to contact Terry Reid, Senior Learning and Development Manager, and Alex Tolan of Savers by telephone on several occasions, but despite leaving messages for them has received no contact. As a result of this, on Monday 19 November 2012 Mrs Smart sent Alex Tolan an email outlining the conditions that the police intend to seek in respect of this application, but to date she has not received any contact from Savers regarding this matter. The police therefore have no further information regarding this company's application, other than the matters detailed within the application.

For your information, this premises is situated within the Torbay Council Cumulative Impact Area, which has been identified as an area subject to high levels of alcohol related crime, disorder, anti-social behaviour and public nuisance, and is also within an area covered by the Torbay Council Alcohol Consumption in Designated Public Places 2003 Central Torquay Order.

This area has significant problems with street drinkers purchasing large quantities of high strength lager and cider, or single cans of similar types of alcohol, and consuming the same within the No Drinking Zone. The police are working closely with all off licence type premises in the town centre in an effort to reduce the availability of these types of alcohol, which in turn will have a positive impact on the licensing objectives. The police therefore consider that the following conditions should be imposed on the licence in order to ensure that the Licensing Objectives are met:

Cont'd ...

1. The following lines of alcohol shall be not sold from the premises:

Alco-pops - Bacardi Breezer range, Red Square range, VK range, WKD range or other similar products
Beer, lager, bitter or cider with an abv of more than 6 %
2. No single cans of alcohol will be sold.
3. The sale of all spirits shall be by way of counter service only.
4. The premises shall join, maintain membership and actively participate in the local Storenet/Nitenet Radio Communications Scheme which shall be monitored by staff at all times the premises are open to the public.
5. The premises will join and actively participate in the "Torbay Against Crime" project set up by the Town Centres Company and Torquay BID.
6. Tills shall be adjacent to the off-licence area for greater supervision and at least one of these tills shall be manned at all times that alcohol is available for sale.
7. The alcohol shall be restricted to the area as shown on the plan submitted with the application. There will be no alteration to the area used for the display of alcohol without prior consultation with the police and with the licensing authority's officers.
8. Signage shall be prominently displayed to confirm that:
 - (a) No alcohol will be sold or supplied to any persons who are intoxicated.
 - (b) No alcohol will be sold or supplied to persons who are under 18 and proof of age must be provided if requested.
9. Further signage shall be provided confirming the offences in relation to the purchase for or on behalf of children and by children under the Licensing Act 2003.
10. There shall be on the premises at all times that alcohol is being sold, a senior member of staff being either the proprietor, a manager, assistant manager or other senior member of staff.
11. No fewer than two members of staff shall be on the premises when alcohol is for sale. If there are occasions when there are less than the above numbers, alcohol shall not be sold to the public.

**DEVON & CORNWALL
CONSTABULARY**

12. Outside the hours for the sale of alcohol, or in the event of insufficient members of staff on the premises, all alcohol will be covered from the view of customers by means of roller blinds or other similar coverings.

13. Every item of alcohol shall be marked on the label with a large S in waterproof pen before the item is placed on the shelf for sale.

The police do not consider that there are other ways in which this application can be made acceptable.

Should you require any further information, please do not hesitate to contact my Licensing Officer, Julie Smart, on 01803 841400.

Yours faithfully
