Dear Mandy Guy,

RE : Conservative Club, 1 New Road, Brixham

I refer to the application made by The Brixham Conservative Club for the variation of Club premises certificate issued by Torbay Council under Section 84 of the Licensing Act 2003, Club Premises Certificate CP0039.

The police have met with the Conservative Club Representative, Mr Tom Coysh and as a result of the discussion the police consider that the following times for license activities should be reduced on the licence in order to ensure that the licensing objectives are met.

If this variation is granted it would allow the sale of alcohol until 02:00 and close of premises until 02:30 Mon to Sun and therefore the police raise an objection to the times under the crime and disorder and public safety objectives. This is likely to increase the level of impact in the area of the premises at this time of the night and possibly affect the safety of Club members' dispersal from the area in a safe manner. The police would therefore like to see the licensable activity for the sale of alcohol and closing time as follows:-

Section L – Sale of Alcohol: Mon-Sat 11:00 to 01:00 and Sun 12:00 to 01:00

Section M – Opening Club hours: Mon-Sat 10:30 to 01:30 and Sun 12:00 to 01:30

This is a heightened area of impact due to other premises in the immediate which potentially could have levels of crime and disorder and anti-social behaviour, which could potential lead to further crime in this vicinity.

The police do not consider that there are other ways in which this application can be made acceptable, and for your information Mr Coysh has confirmed by email 26th November 2012 that these revised times are satisfactory.

The Police submit this for the Local Authority Licensing Committee for their consideration and appropriate amendments to the licence, and should you require further information please do not hesitate to contact me.

Yours faithfully
