## 1. Purpose of Report

---

- 1.1 One Torbay: Working for all Torbay – the Council’s Community and Corporate Plan – was agreed by Council at its meeting on 27 February 2020 and a Delivery Plan was agreed by Cabinet shortly afterwards.
- 1.2 This year’s delivery plan takes a different format, in line with the agreed Performance and Risk Framework, as a Council Business Plan. The proposed Business Plan sets out the Council’s achievements over the past year (including specific case studies), sets out the wider focus of the Council for the next two year and then details specific actions which will be undertaken over the next 12 months. The Business Plan also includes outline actions for future years.

## 2. Reason for Proposal and its benefits

---

We want Torbay and its residents to thrive.

We want Torbay to be a place where we have turned the tide on poverty and tackled inequalities; where our children and older people will have high aspirations and where there are quality jobs, good pay and affordable housing for our residents.

We want Torbay to be the premier resort in the UK, with a vibrant arts and cultural offer for our residents and visitors to enjoy; where our built and natural environment is celebrated and where we play our part in addressing the climate change emergency.

- 2.1 The proposals in this report help us to deliver this ambition by ensuring that there is a planned approach to the delivery of the Community and Corporate Plan over the next 12 months and beyond.
- 2.2 The Business Plan sets out details as the relate to each to the visions within the Community and Corporate Plan.

- 2.2 The reasons for the decision are to ensure that the whole organisation knows the actions which need to be taken to deliver the Council's ambitions. Further detail of how the actions will be delivered will be included within the Business Plans for each business unit across the Council.

### 3. Recommendation(s) / Proposed Decision
