Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

I shall ensure that all times when the premises are for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the license and for preventing crime and disorder. The Licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.

b) The prevention of crime and disorder

A clear and legible notice outside the premises indicating the normal hours under the terms of the premises license during which licensable activities are permitted.

Clear and conspicuous notices warning of potential criminal activity, such as theft, that may target customers will be displayed.

Should the C.C.T.V. equipment fail the relevant authorities will be informed immediately by telephone and immediate steps will be taken to put the equipment back into working order.

A notice will be displayed at the entrance to the premises advising that C.C.T.V. is in operation.

At least one C.C.T.V. camera will be in operation at the front of the premises at all times when the premises open.

We have a proof of age policy that has been formulated in discussion with the Police and the Licensing Authority.

Drinks Promotions

All-inclusive nights or other irresponsible drinks promotions will not be permitted.

The Designated Premises Supervisor or a Personal Licence holder will be in charge of the premises when any drinks promotions are taking place.

c) Public safety

A log book or recording system shall be kept upon the premises, in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.

Adequate access is provided all times in and out of the building.

All parts of the premises and all fittings and apparatus therein, door fastenings and notices and the seating, lighting, heating, electrical, ventilation, sanitary accommodation, washing facilities and other installations, will be maintained at all times in good order and in a safe condition.

We have conducted a suitable Fire Risk Assessment at the premises and implemented the necessary control measures. All exit doors are easily operable without the use of a key, card, code or similar means. Exit doors are regularly checked to ensure they function satisfactorily.

Notices detailing the actions to be taken in the event of fire or other emergency are prominently displayed and maintained in good condition.

Continued from previous page...

d) The prevention of public nuisance

Prominent, clear and legible notices will be displayed at all exits requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly.

Deliveries of materials necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents.

The Licensee will ensure that staff who arrive early morning or depart late at night when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents.

Customers will be asked not to stand around talking in the street outside the premises; and asked to leave the vicinity quickly and quietly.

A specific taxi operator has been nominated for staff and customers use. The company's telephone number is advertised to customers. The operator, and all drivers, are aware that they should arrive and depart as quietly as possible, should not sound vehicle horns as a signal of their arrival or leave engines running unnecessarily.

The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm. This will help to reduce the levels of noise produced by the premises.

Bright lights on or outside the premises will be positioned and screened in such a way so as to not cause a disturbance to nearby residents.

Adequate waste receptacles for use by customers will be provided in the local vicinity.

e) The protection of children from harm

The premises will operate a challenge 25 policy proof of age policy and any individual who appears under the age of 25 will be required to produce an approved form of photographic identification as outlined with the Torbay Council Licensing statement of principles.

Children have to be accompanied by an adult.

Alcohol will not be served to anyone under the age of 18 years old.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
