Emergency Services Day

That this Cabinet records its support for the UK's annual national 'Emergency Services Day' which is held on 9th September and which is supported by Her Majesty Queen Elizabeth II; and that this Cabinet places on record its sincere appreciation for the two million people who work and volunteer in the NHS and emergency services today. For the last 18 months, at a time of national crisis, our frontline has shown a level of commitment, endurance and compassion which has inspired us all.

That this Cabinet agrees to fly the official flag of the 'Emergency Services Day' above the Town Hall on 9 September each year to mark 999 Day, to reflect not just their sacrifice during the pandemic but their ongoing example of service to others.
